NOTES:

1. This AGM is being convened and shall be held through Video Conferencing (VC) or Other Audio Visual Means (OAVM) in pursuance of the provisions outlined by the Ministry of Corporate Affairs vide its General Circular No. 20/2020 dated 5th May, 2020, read with General Circular Nos. 14/2020 and 17/2020 dated 8th April, 2020 and 13th April, 2020 respectively (herein after collectively referred to as the MCA Circulars) and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 issued by Securities and Exchange Board of India (SEBI) (herein after referred to as the SEBI Circular) without the physical presence of the members at a common venue. The detailed instructions for accessing and participating in the AGM through VC/OAVM facility is mentioned in Note No. 14 below.

Accordingly, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose names appear in the Register of Members/list of beneficial owners as furnished by the Depositories i.e. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) as at the end of Friday, the 27th November, 2020, and have their email addresses registered with the Company/Depositories.

Members may note that Notice of the AGM and Annual Report 2019-20 will also be available on the Company's website www.asianhotelsnorth.com, website of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and also on the website of the Registrar & Transfer Agent namely KFin Technologies Pvt. Ltd. (RTA) at <https://evoting.kfintech.com/>.

2. Since the AGM shall be held through VC/OAVM and the physical attendance of Members has been dispensed with in terms of the MCA Circulars, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Companies Act, 2013 (the Act) will not be available for the AGM. Hence, the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.

Institutional/Corporate Members are advised to appoint their Authorized Representatives in pursuance of Section 113 of the Act for the purposes of exercising remote e-voting, attending the AGM through VC/OAVM and e-Voting during the AGM. Institutional/Corporate Members intending to appoint their authorized representatives are requested to provide a duly certified copy of the Resolution of its Board or Governing Body under Section 113 of the Act (in PDF Format), authorizing them to exercise remote e-voting, attend the AGM through VC/OAVM and exercise e-Vote at the AGM, and email the same to the Scrutinizer through their registered email at rupesh@cacsindia.com with a copy marked to the Company and the RTA at investorrelations@ahlnorth.com and evoting@kfintech.com respectively.

3. Members attending the AGM through VC/OAVM shall be reckoned for the purposes of the quorum under Section 103 of the Act.
4. An explanatory Statement pursuant to Section 102 of the Act and Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations) is annexed hereto and forms part of the Notice. The Board of Directors of the Company has considered and decided that Item No. 4 and 5 of the Notice are unavoidable in nature as their non-inclusion would have impacted the composition of the Board of Directors.

Additional information pursuant to Regulation 36(3) of the Listing Regulations and Secretarial Standard on General Meetings (SS-2) in respect of the Directors seeking appointment/re-appointment at the AGM, such as brief resume detailing age, qualifications, nature of expertise in specific functional areas, directorships and membership of committees held in other companies, shareholding interest in the Company and inter-se relationship amongst directors/key managerial personnel etc. is appended (please refer page no. 9), and should be construed as a part of this Notice.

5. The Register of Directors and Key Managerial Personnel and their shareholding and Register of Contracts and Arrangements in which Directors are interested shall be accessible for the inspection by the Members during the continuance of the AGM.

Documents referred to in the accompanying Notice will be open for inspection by the Members in electronic mode during business hours between 10.00 a.m. and 5.00 p.m. on all working days till the date of the AGM, and also during its continuance. The members seeking to inspect such documents can send an email to investorrelations@ahlnorth.com requesting the same. On receiving a valid email request from any member, the Company shall make requisite arrangements for inspection of such documents.

6. Members seeking information or clarification regarding any business placed before the AGM may e-mail their query from their registered e-mail address, mentioning their name, DP-ID and Client-ID/ Folio No. and mobile no. to reach the Company's e-mail address at investorrelations@ahlnorth.com at least 72 hours in advance before the start of the said meeting.
7. Members of the Company are advised to nominate a person pursuant to Section 72 of the Act, in whom the shares held by him/them shall vest in the unfortunate event of his/their death. Members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's RTA. Members holding shares in dematerialized form may file their nomination directly with their respective Depository Participant.
8. Securities and Exchange Board of India ("SEBI") has mandated that effective 1st April, 2019, securities of listed companies can be transferred only in dematerialized form, and accordingly, the Company and its RTA has stopped accepting any fresh lodgement of transfer of shares in physical form. Members holding shares in physical form are advised to dematerialize their securities.
9. The Register of Members and Share Transfer Books of the Company will remain closed from the Saturday, 19th December, 2020 to Thursday, 24th December, 2020 inclusive of both days.

ASIAN HOTELS (NORTH) LIMITED

10. The Company keeps uploading regularly, on its website as also on the website of the Ministry of Corporate Affairs, Government of India (MCA), complete details of unpaid/unclaimed dividends from time to time. Further, in an endeavor to serve its members, the Company has been notifying the members about the dividends which remain unpaid/unclaimed, by sending them individual reminders from time to time.

Any amount described under Section 125(2) of the Act, including dividend, which remains unpaid/unclaimed for a period of seven years is required to be transferred by the Company in accordance with the provisions of Section 124(5) of the Act, to the Investor Education and Protection Fund Authority (IEPF Authority) established by the Central Government. Further, Section 124(6) of the Act requires that all shares in respect of which dividend has been unpaid/unclaimed for a period of seven consecutive years shall also be transferred to IEPF Authority.

Accordingly, during the year under review, the unpaid/unclaimed dividend for the financial year 2011-12 was transferred to the IEPF Authority. Moreover, 8650 equity shares, held by 178 beneficial owners/shareholders of the Company, in respect of which dividend for the relevant financial year ended 31st March, 2012 remained unpaid/unclaimed consecutively for a period of seven years up-to 25th October, 2019, were also transferred to IEPF Authority.

Further, the unpaid/unclaimed dividend for the financial year 2012-13 also became liable to be transferred to the IEPF Authority on 30th October, 2020, and the Company is in the process of transferring the same to IEPF Authority. Accordingly, based on the unpaid/unclaimed dividend for the year ended 31st March, 2013, which remained unpaid/unclaimed consecutively for a period of seven years up to 30th October, 2020, the Company has also ascertained that 17742 unclaimed shares are liable to be transferred to the IEPF Authority on or before 29th November, 2020.

Attention of the members is therefore drawn to the fact that unpaid/unclaimed dividend pertaining to the financial year ended 31st March, 2014 will be due for transfer to the IEPF Authority, and therefore, any claim in respect thereof should be lodged as advised below failing which shares relating thereto shall be liable to be transferred to the IEPF Authority:

Unpaid/Unclaimed Amount*	Due date for transfer to IEPF Authority	Date by which claim should be lodged
Dividend for the financial year ended 31 st March, 2014	31 st October, 2021	20 th October, 2021

*No dividend has been paid by the Company for the FY 2014-15 onwards.

Members are advised to write to the Company or to the Registrar & Transfer Agent requesting for fresh warrants by providing details of their Folio No./Client ID, No. of shares held by them etc. enclosing a signed cancelled cheque, self-attested copy of PAN and proof of address.

Members may note that the unpaid/unclaimed dividend and unclaimed shares transferred to the IEPF Authority can be claimed by following the process available on the IEPF website and the same can be accessed through the link: <http://www.iepf.gov.in/IEPF/refund.html>

11. In compliance with the MCA Circulars and to ensure that this Annual Report 2019-20 and notice for the AGM reaches all members, the Company had published a Notice in "Business Standard" newspaper (published in different city editions between 26th to 28th October, 2020) advising the Members who have not registered/updated their e-mail addresses with the Company to register/update their e-mail addresses in the manner described therein.

In continued compliance of Rule 18(3)(i) of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide yet another opportunity to the members to register/update their e-mail addresses by providing the requisite details in the proforma annexed towards the end of the Annual Report.

- Members holding shares in physical mode are requested to notify change, if any, in their e-mail address, mailing address including pin code, bank details, residential status etc. to the Company or RTA, quoting their folio number, at investorrelations@ahlnorth.com or einward.ris@kfintech.com respectively.
- Members holding shares in electronic form should notify any change in their e-mail address, mailing address including pin code, bank details, residential status etc. directly to their respective Depository Participants.

The Members may contact the Share Department of the Company at the above-mentioned address, telephone numbers and e-mail id or the RTA at their registered office at Selenium Tower B, Plot Nos. 31-32, Gachibowli, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad – 500 032; Toll Free No. 1800-345-4001; or at the e-mail id: einward.ris@kfintech.com for any assistance/clarification.

12. The Securities and Exchange Board of India has made it mandatory for all Companies to use the bank account details furnished by the depositories for depositing dividend through National Electronic Clearing Service (NECS) to investors wherever requisite bank details are available. **Members holding shares in physical form are also requested to register their mandate for transfer of future dividend, as well as unclaimed/unpaid dividends through NECS so that the same may be deposited directly to the members' respective bank accounts. The proforma for registration/up-dation of NECS mandate is annexed towards the end of the Annual Report.** In the absence of NECS facilities, the Company prints the bank account details, if available, on the dividend warrant to avoid any fraudulent encashment of warrants.

DIRECTORS' REPORT

To the Members,

Your Directors are pleased to submit their Thirty Ninth (39th) Report together with the Audited Financial Statements for the financial year ended 31st March, 2020.

FINANCIAL RESULTS & THE STATE OF COMPANY'S AFFAIRS

(on stand-alone basis)

(Rupees in Crore)

Particulars	FY 2019-20	FY 2018-19
Revenue from Operations (Net)	252.39	273.52
Other Income	14.56	8.16
Total Income	266.95	281.68
Profit/(Loss) before exceptional items and tax	(73.95)	(42.08)
Exceptional Items	0	0
Profit/(Loss) before Tax	(73.95)	(42.08)
Provision for Tax (net of write backs) including Deferred Tax Assets (Net)	10.82	9.30
Net Profit/(Loss)	(63.13)	(32.78)
Earning per share - Basic & Diluted (Rs.)	(32.45)	(16.85)

Total revenue from operations for the financial year 2019-20 was lower at Rs. 252.39 crore as compared to Rs. 273.52 crore in the prior year, showing a decrease of 7.73% over the prior year.

Combined revenue from Food & Beverage including Wines & Liquor registered a significant decrease of 9.72% during the year under review, as compared to the prior year.

Despite maintaining similar occupancy levels as compared to the previous year, the room revenue declined by 7.13% primarily due to lower average room rate.

The above decline in revenue from operations during the year under review is primarily due to the COVID-19 outbreak.

Transfer to Reserves/Dividend

In view of the loss suffered by the Company, your Directors are constrained not to recommend any dividend for the year under review.

Further, no amount was transferred to the General Reserve for the year under review.

Material changes and commitments affecting the financial position of the Company

The COVID-19 outbreak worldwide and subsequent nationwide lockdown coupled with domestic as well as international travel restrictions announced by the Central/State Governments, have adversely impacted the business operations in the major part of March 2020 (and still continuing) in terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the Company. The Company has undertaken necessary cost saving measures besides exploring initiatives to uplift revenue such as home delivery of food.

The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company. Based on the current indicators of future economic conditions, the Company expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates.

The Company will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Company, in the financial statements, as and when these conditions arise.

Save as otherwise stated above with regard to the adverse impact caused by the COVID-19 pandemic, your Directors would like to inform that no material changes and commitments have occurred between the end of the financial year under review and the date of this report that may adversely affect the financial position of the Company.

Shopping Arcade

In a significant decision, your Directors in their meeting held on 23rd May, 2020 decided to revoke all existing license agreements in respect of the shops in Hotel Hyatt Regency's shopping arcade. It was felt for a long time that the shopping arcade was operating in a very precarious condition as the licensees had added lots of electric wires which had become a major fire risk endangering the lives of people and loss of property. Your Directors took this decision also to ensure better commercial utilization and operational efficiency, and safety of the area forming the shopping arcade within the premises of Hotel Hyatt Regency Delhi.

ASIAN HOTELS (NORTH) LIMITED

In pursuance of the aforesaid decision, revocation notices were issued to all the licensees, and as expected, the licensees moved the Delhi High Court and the matter is sub-judice.

Restructuring Plan

As mentioned above, in the wake of the prevailing Covid-19 situation, performance of the Company has been impacted substantially, which has resulted in cash flow constraints.

Based on the recommendations of the Audit Committee of the Company, your Directors in their meeting held on 12th November, 2020 considered and approved a restructuring plan for submission to its Bankers under Covid-19 related stress circular of Reserve Bank of India, dated 6th August, 2020, which envisages one-time restructuring entailing to reduction in cost of financing, extension in repayment schedule by two years and funding of interest by the Bankers – in toto for FY 2020-21 and partially for FY 2021-22.

Once approved by the Bankers, the restructuring plan should take care of the temporary mismatch of cash-flow, enabling the management to primarily focus on the revival of Company's business impacted due to Covid-19 pandemic.

The restructuring plan also envisages infusion of equity by further issue of 64,84,400 equity shares resulting into dilution of Promoters' holding from the existing stake of 57.98% to 43.49% in FY 2020-21. The promoter directors reassure the members that they will continue to be in full control of the management of the Company.

In addition to the above, the Company has also proposed for extension in scheduled commercial operation date (SCOD)/restructuring for its subsidiary, Leading Hotels Ltd. from its Banker as the project is on hold due to ongoing litigation and the project implementation has been delayed due to circumstances beyond the control of the Company and its management.

Significant and Material Orders passed by the Regulators or Courts or Tribunals

During the year under review or between the end of that financial year and the date this report, no significant or material orders were passed by the Regulators or Courts or Tribunals which may impact the going concern status and future operations of the Company.

Consolidated Financial Statements and Auditors' Report thereon

In accordance with the provisions of Section 129 of the Companies Act, 2013 (the Act) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations), your Directors have presented the stand-alone financial statements of the Company and consolidated financial statements, comprising financials of the Company and its subsidiaries for the financial year 2019-20, as part of this Annual Report.

In accordance with the provisions of Section 136 of the Act, individual balance sheet, statement of profit & loss, cash flow statement, statement of changes in equity and notes to accounts together with the report of Board of Directors and report of Auditors of each of the subsidiaries are open for inspection by the Members at the registered office of the Company, copies of which may be furnished, if desired by any Member. Further, these documents are also uploaded on the website of the Company.

Auditors' Report on the Consolidated Financial Statements for the year under review is with modified opinion.

The Statutory Auditors, M/s. Dhirubhai Shah & Co LLP in their report dated 12th August, 2020, on the Consolidated Financial Statements had expressed modified opinion on the said financial statements stating that a subsidiary namely Leading Hotels Limited has not provided interest liability amounting to Rs. 17,67,04,283/- (which includes interest payable for earlier year amounting to Rs. 6,58,84,357/-) relating to Inter-Corporate Deposits and other financial commitments, and that the non-provisioning of interest has resulted in understatement of Capital Work-in-Progress to that extent.

In response to the above qualification, your Directors clarify that in view of the current financial crunch being faced by the said subsidiary, provisions for interest liability for the said amount was not made by it and that the said non-provisioning has had no impact on the profit/(loss) of the said subsidiary or the consolidated profit/(loss) of the Company, since this would have otherwise formed part of the Capital work-in-progress in the respective financial statements.

The Auditors had also expressed a material uncertainty regarding the going concern status of the above named subsidiary, which in their outlook is largely dependent on the outcome of the ongoing litigation and that subsidiary's ability to raise fund for its project.

Your Directors would like to assure the Members that they are confident of favorable outcome of the ongoing litigation. Further, your Directors are of the view that the project is unique and has a great potential going forward, and the subsidiary is in the process of mobilizing the required funds to enable it to execute the project.

Therefore, the financial statements of the aforesaid subsidiary and resultant consolidated financial statements have been prepared on the basis that the said subsidiary continues as a going concern, and no adjustments have been made to the classifications of the assets and liabilities and their carrying values in its books of account.

No frauds have been reported under Section 143(12) of the Act by the Auditors of the Company.

Foreign Exchange Receipts

The Company's earnings in foreign exchange for the year under review amounted to Rs. 90.30 crore as compared to Rs. 131.45 crore during the prior year.

ASIAN HOTELS (NORTH) LIMITED

CAPITAL STRUCTURE

There is no change in the Company's capital structure since the last report.

During the year under review, the Company has neither issued equity shares with differential rights as to dividend, voting or otherwise, nor has it issued shares to its employees under any scheme (including sweat equity shares). The Company does not have any outstanding warrants/depository receipts/other convertible securities as on 31st March, 2020 or the date of this report.

Un-claimed Shares

In terms of Para F of Schedule V to the Listing Regulations, the details of Un-claimed Shares are as under:

Particulars	No. of folios wherein shares are marked as un-claimed	No. of shares marked as un-claimed
Status of un-claimed shares at the beginning of the year i.e. 1 st April, 2019	1	1400
Add: No. of claims received during the year	0	0
Less: No. of claims settled during the year	0	0
Balance un-claimed shares as at 31.03.2020	1	1400

The aforesaid un-claimed shares are held in a separate demat account entitled "Asian Hotels (North) Limited – Un-claimed Suspense Account" maintained with Karvy Stock Broking Limited. The voting rights on these shares shall remain frozen till the shares are claimed by and released to the rightful owner(s).

During the year under review, 8650 equity shares, held by 178 beneficial owners/shareholders of the Company, in respect of which dividend for the relevant financial year ended 31st March, 2012, remained unpaid/unclaimed consecutively for a period of seven years up-to 25th October, 2019, were transferred to IEPF Authority in accordance with Section 124(6) of the Act read with the Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended or re-stated from time to time.

Further, the unpaid/unclaimed dividend for the financial year 2012-13 also became liable to be transferred to the IEPF Authority on 30th October, 2020, and the Company is in the process of transferring the same to IEPF Authority. Accordingly, based on the unpaid/unclaimed dividend for the year ended 31st March, 2013, which remained unpaid/unclaimed consecutively for a period of seven years up to 30th October, 2020, the Company has also ascertained that 17742 shares are unclaimed, and therefore are liable to be transferred to the IEPF Authority on or before 29th November, 2020.

PROMOTERS

The Company is controlled by the Jatia Group, comprising inter-alia, Mr. Shiv Kumar Jatia, Mr. Amritesh Jatia and in turn the companies controlled by them namely Finline Holdings Ltd., Mauritius, Yans Enterprises (H.K.) Ltd., Mauritius and Asian Holdings Pvt. Ltd. Such persons directly or indirectly own and control various operating companies of the Jatia Group viz. Asian Hotels (North) Limited and Leading Hotels Limited. All the said constituents singularly and collectively, including the operating companies comprise the Jatia Group. Some of the said constituents exercise control over the Company as directors and/or shareholders.

During the year under review, changes occurred in shareholding of the promoters and promoter group due to invocation of pledge of shares. Consequently shareholding of the promoters and promoter group came down to 59.29% of the total paid-up capital as on 31st March, 2020.

Presently, the promoters and promoter group stake stands at 57.98% of the total paid-up capital.

SUBSIDIARIES

Your Company holds 100% equity as well as preference capital in Finline Hospitality and Consultancy Pte. Ltd., Mauritius (FHCPL). FHCPL holds 80% equity stake in Lexon Hotel Ventures Ltd., Mauritius (Lexon), and Lexon in turn holds 99.76% equity stake in Leading Hotels Limited (Leading), an Indian subsidiary.

Thus, FHCPL has 79.81% economic interest in Leading.

Based on the financial statements for the year ended 31st March, 2020, of the above named subsidiaries and the consolidated financial statements of the Company for the year ended as on that date, each one of FHCPL, Lexon and Leading are material subsidiaries of the Company.

Leading is developing an all villa hotel complex and a PGA standard 18 hole, 72 par championship golf course in Goa for which it has acquired substantial parcels of land. The said project will be under the management of Four Seasons, a world famed hotel chain and Hospitality Management Company.

Leading has already obtained permissions/approvals from various government authorities.

Your Directors would like to apprise the Members that Leading's project in Goa is facing litigation on two major counts i.e. one relating to Environmental issues and secondly on Tenancy issues.

In a Petition filed before the High Court of Bombay at Goa, the Order passed by the Deputy Collector declaring the disputed land free from tenancy was challenged. However, the Hon'ble Court while determining whether the Deputy Collector's decision has to be intervened with, passed certain restrictions and injunctions restraining the parties concerned not to act any further on the impugned order until further orders of the Hon'ble Court. Leading is taking appropriate legal recourse, and is confident of its positive outcome.

ASIAN HOTELS (NORTH) LIMITED

Petitions filed before the National Green Tribunal (NGT) against grant of Coastal Regulation Zone and Private Forest clearance by the competent authorities for the aforesaid project at Goa are being contested by Leading. However, NGT has taken a view that since the Hon'ble High Court is seized of the tenancy matters, let these tenancy matters be settled and then based on the outcome of the tenancy matters, NGT will take up these petitions.

Based on legal advice received and outcome of similar cases in the past, your Directors are hopeful of a favorable outcome and do not foresee these petitions having any material impact on the progress of the project.

During the year under review, no company became a subsidiary or joint venture or associate of the Company. Similarly, no company ceased to be a subsidiary or joint venture or associate during the year under review.

Performance and financial position of the subsidiaries

For performance and financial position of individual subsidiaries, the members may refer to the Statement containing salient features of the financial statements of Company's subsidiaries in Form AOC-1 pursuant to Section 129(3) of the Act read with Rule 5 of the Companies (Accounts) Rules, 2015, annexed to the financial statements.

STATUTORY AUDITORS & THEIR REPORT ON STAND-ALONE FINANCIAL STATEMENTS

M/s. Dhirubhai Shah & Doshi, Chartered Accountants, Ahmedabad (Firm Registration No.- 102511W), now known as M/s. Dhirubhai Shah & Co LLP, Firm Registration No. 102511W/W100298, were appointed as the statutory auditors of the Company in the 34th Annual General Meeting to hold office from the conclusion of that meeting till the conclusion of the 39th Annual General Meeting of the Company. Accordingly, they complete their term at the ensuing Annual General Meeting.

Statutory Auditors' Report on the Stand-alone Financial Statements for the year under review is with un-modified opinion.

No frauds have been reported under Section 143(12) of the Act by the Auditors of the Company.

Your Directors propose that M/s. V.V. Kale & Company, Chartered Accountants (Firm Registration Number : 000897N), who have confirmed their eligibility for being appointed as the Auditors of the Company, may be so appointed to hold office for a term of five years, taking effect from the conclusion of the 39th Annual General Meeting till the conclusion of 44th Annual General Meeting of the Company. An appropriate resolution is placed at Item No. 3 of the accompanying Notice for the ensuing Annual General Meeting, and the additional information pursuant to Regulation 36 (5) of the Listing Regulations is given in the explanatory statement pursuant to Section 102 of the Act annexed to the said Notice.

Your Directors recommend approving the resolution at Item No.3 of the accompanying Notice as an Ordinary Resolution.

Internal Financial Controls over Financial Reporting

The Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

In the opinion of the Statutory Auditors of the Company, as expressed by them in their report, the Company has adequate internal financial control systems over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020.

INTERNAL AUDITORS

During the year under review, M/s. S. S. Kothari Mehta & Co., Chartered Accountants (FRN: 000756N), New Delhi, the internal auditors of the Company conducted periodic audits of the Company. The Audit Committee reviews the detailed Internal Audit reports submitted by the Internal Auditors and takes stock of the actions taken on the observations of and recommendations made by them.

Your Directors are confident that there are adequate internal control systems and procedures which are being followed and complied with.

The Company has re-appointed M/s. S. S. Kothari Mehta & Co., Chartered Accountants (FRN: 000756N), as Internal Auditors for the financial year 2020-21.

SECRETARIAL AUDITORS & THEIR REPORT

M/s. Chandrasekaran Associates, Company Secretaries, the Secretarial Auditors of the Company, have submitted their report for the financial year ended 31st March, 2020 which is annexed as **Annexure 'A'** and forms part of this Report.

Secretarial Auditors' Report for the year under review is with modified opinion.

The Secretarial Auditors in their report dated 6th August, 2020, had expressed modified opinion in respect of Regulation 24(1) of the Listing Regulations as the Company has not appointed any one of its Independent Directors in each of its overseas material subsidiaries, i.e. FHCPL and Lexon on their respective Board. Pursuant to the above opinion, your Directors in their meeting held on 12th November, 2020, nominated Ms. Preeti Gandhi, Independent Non-Executive Director, for appointment on the respective Board of the abovenamed subsidiaries. The respective subsidiaries are being advised to take appropriate action in this regard.

In compliance with Section 204 of the Act, the Company has re-appointed M/s. Chandrasekaran Associates, Company Secretaries, as Secretarial Auditors for the financial year 2020-21.

ASIAN HOTELS (NORTH) LIMITED

DIRECTORS AND KEY MANAGERIAL PERSONNEL

Mr. Amrutesh Jatia (DIN: 02781300) retires by rotation at the ensuing annual general meeting and, being eligible, offers himself for re-appointment. Accordingly, an appropriate resolution is proposed at Item No. 2 of the Notice convening the ensuing annual general meeting.

The above proposal has been duly approved and consented to by the Nomination and Remuneration Committee and the Board of Directors of the Company.

Your Directors recommend approving the resolution at Item No. 2 of the accompanying Notice as Ordinary Resolution.

Subsequent to end of the year under review, Mr. Dipendra Bharat Goenka (DIN: 01969285) resigned from the office of Director with effect from 30th April, 2020. Further, Ms. Anita Thapar (DIN: 02171074), Executive Director- Administration and Corporate Co-ordination of the Company, resigned from the said office effective 1st August, 2020.

Considering the recommendations of the Nomination and Remuneration Committee, the Board in its meeting held on 18th June, 2020, appointed Mr. Akhilesh Bhuwarka as an additional director under Section 161(1) of the Act, who holds office up to the date of the ensuing annual general meeting. Based on the notice received from a shareholder under Section 160 of the Act, and recommendations of the Nomination and Remuneration Committee in its meeting held on 12th November, 2020, the Board proposes to appoint him as a Non-Executive Director under Section 160(1) of the Act, liable to retire by rotation, and therefore, has included an appropriate resolution for his appointment, as proposed at Item No. 4 of the accompanying Notice for the ensuing annual general meeting.

Your Directors recommend approving the resolution at Item No. 4 of the accompanying Notice as Ordinary Resolution.

In the opinion of the Board, all the Independent Non-Executive Directors as on 31st March, 2020, namely Dr. Lalit Bhasin, Mr. Dinesh Chandra Kothari, Mr. Pinaki Misra and Mr. Ranjan Kishore Bhattacharya fulfilled the conditions specified in the Listing Regulations and the Act and were independent of the Management during the year under review and continue to be independent during their tenure subsequent to the year under review.

Mr. Pinaki Misra, Independent Non-Executive Director (DIN: 00568348), resigned before the expiry of his tenure effective 3rd September, 2020 due to his professional preoccupations and confirmed that there was no other material reason whatsoever for his resignation.

Later, Mr. Ranjan Kishore Bhattacharya, Independent Non-Executive Director (DIN: 00331394) also resigned before the expiry of his tenure effective 7th September, 2020 due to unavoidable personal circumstances and confirmed that there was no other material reason whatsoever for his resignation.

Considering the recommendations of the Nomination and Remuneration Committee, the Board in its meeting held on 13th September, 2020, appointed Ms. Preeti Gandhi as an additional director under Section 161(1) read with Section 149(6) of the Act, in the capacity of Independent Non-Executive Director of the Company for a period of two consecutive years up to 12th September, 2022.

Based on the notice received from a shareholder under Section 160 of the Act, and recommendations of the Nomination and Remuneration Committee held on 12th November, 2020, the Board proposes to appoint her as an Independent Non-Executive Director subject to approval of shareholders at the ensuing annual general meeting in pursuance of Sections 149, 152 and other applicable provisions of the Act. Though she has enrolled with the Institute of Corporate Affairs but has yet to appear for/qualify the online proficiency self-assessment test, the Board is of the opinion that Ms. Preeti Gandhi fulfills the conditions specified in the Listing Regulations and the Act and is independent of the Management and that she possesses integrity, expertise and experience required for discharging the responsibilities of Independent Director, and therefore, has included an appropriate resolution for her appointment, as proposed at Item No. 5 of the accompanying Notice for the ensuing annual general meeting.

Your Directors recommend approving the resolution at Item No. 5 of the accompanying Notice as Ordinary Resolution.

The Directors of the Company have affirmed that they are not debarred from holding the office of Director by virtue of any order of SEBI or other such statutory authority.

Neither the Managing Director nor the whole-time director of the Company receives any remuneration or commission from any of the Company's subsidiaries, except sitting fee to the then whole-time director.

Mr. Prakash Chandra Sharma, Vice President – Corporate Finance and Chief Financial Officer of the Company resigned from the services of the Company on 30th June, 2020, and vacated the said office effective 12th September, 2020.

Based on the recommendations of the Nomination and Remuneration Committee and the Audit Committee, Mr. Dinesh Bhalotia, designated as Director – Finance & Strategy, was appointed as the Chief Financial Officer of the Company with effect from 13th September, 2020.

Based on the recommendations of the Nomination and Remuneration Committee, the Board in its meeting held on 13th September, 2020 extended the tenure of Mr. Dinesh Kumar Jain, Vice-President (Corporate Affairs) & Company Secretary by one year effective 1st October, 2020.

DIRECTORS' RESPONSIBILITY STATEMENT UNDER SECTION 134(5) OF THE COMPANIES ACT, 2013

- that in the preparation of the annual accounts for the year ended 31st March, 2020, the applicable Accounting Standards have been followed along with proper explanation relating to material departures, if any;

ASIAN HOTELS (NORTH) LIMITED

- that the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year under review and of the loss of the Company for that year;
- that the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- that the Directors have prepared the annual accounts on a going concern basis;
- that the Directors have laid down internal financial controls that are being followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- that the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and are operating effectively.

Significant accounting policies followed by the Company, and the required disclosures are detailed in the Notes to the Financial Statements. Further, applicable Ind AS and related presentation and disclosure norms have been complied with.

INFORMATION REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS & OUTGO

The information required in terms of Section 134 of the Act read with Rule 8(3) of the Companies (Accounts) Rules, 2014, pertaining to the conservation of energy, technology absorption and foreign exchange earnings and outgo, to the extent possible in the opinion of your Directors, and forming part of this Report, is given in **Annexure 'B'**.

PARTICULARS OF EMPLOYEES & DISCLOSURES UNDER SECTION 197(12) OF THE ACT READ WITH RULE 5 OF THE COMPANIES (APPOINTMENT & REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014

The information pursuant to Section 197(12) of the Act, read with Rules 5(1), 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, in respect of directors, key managerial personnel and employees of the Company is given in **Annexure 'C'** and **Annexure 'D'** respectively, and forms part of this Report.

CORPORATE GOVERNANCE

Save as otherwise stated above, the Company has complied with the requirements of corporate governance as stipulated in the Listing Regulations.

Pursuant to the provisions of the Listing Regulations, the Corporate Governance Report, together with the Auditors' Certificate thereon, is annexed hereto as **Annexure 'E'** and **Annexure 'F'** respectively.

CORPORATE SOCIAL RESPONSIBILITY

Pursuant to Section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, during the year under review, the Corporate Social Responsibility (CSR) Committee of the Board of Directors of the Company comprised of four members viz. Mr. Shiv Kumar Jatia, Managing Director who chaired the Committee meetings, and Dr. Lalit Bhasin, Mr. Dinesh Chandra Kothari and Mr. Pinaki Misra, Independent Non-Executive Directors. Subsequent to the resignation of Mr. Pinaki Misra, the Committee was reconstituted by coopting Ms. Preeti Gandhi as its member.

In compliance with the provisions of Section 135 of the Act read with the Rules framed there-under and Schedule VII thereto, the CSR Policy of the Company has been uploaded on the website of the Company and can be accessed at <http://www.asianhotelnorth.com/pdf/CorporateSocialResponsibilityPolicyeffective01042019.pdf>

Salient features of the said policy are as under:

- Defines roles and responsibilities of the CSR Committee;
- All designated CSR activities under the policy are permitted activities under Schedule VII to the Act; and
- The policy lays down a detailed execution, monitoring and reporting mechanism.

Further, the Annual Report on CSR activities in pursuance of Rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, describing inter-alia the initiatives taken by the Company in implementation of its CSR Policy is enclosed as **Annexure 'G'**, and forms part of this Report.

RISK MANAGEMENT

Your Directors are conscious of the need to periodically undertake the risk assessment, and minimization procedures there-for. During the year under review, the Board in its meeting held on 28th May, 2019, had approved and adopted a 'Risk Analysis Report as of 31st March, 2019'. The said report outlined the mitigating factors in respect of various risk factors identified therein. This enabled the Board to assess that the Company had adequate 'Risk Assessment and Minimization Procedures' in place, and that these were working effectively.

Your Directors had desired to appoint an outside agency to undertake Evaluation of Risk Assessment and Management Systems of the Company as of 31st March, 2020. However, due to the ongoing uncertainties caused by the COVID-19 pandemic, the Company has been advised to wait for an appropriate time to make an assessment on the subject.

ASIAN HOTELS (NORTH) LIMITED

Your Directors are of the view that due to unprecedented prevailing circumstances, it will be appropriate to wait for normalcy before a judicious assessment on the subject could be made.

Further, based on the market capitalization of the Company, the provisions relating to the formation of a Risk Management Committee are not applicable to the Company.

MEETINGS OF THE BOARD OF DIRECTORS

During the year under review, four Board meetings were held, details of which are given in the Corporate Governance Report annexed to this Report as **Annexure 'E'**.

MANAGEMENT DISCUSSION AND ANALYSIS

Pursuant to Para B of Schedule V to the Listing Regulations, the Management Discussion and Analysis Report is given below:

Industry Structure & Developments and Opportunities & Outlook

The Indian economy has been badly hit by COVID-19 in the calendar year 2020. It is expected that the economy will contract by more than 10% during the financial year 2020-21. However, it is estimated that it will grow by around 9% during the financial year 2021-22.

The deepening penetration of internet usage and smart phones in India has led to increased booking of hotels through online portals and applications in recent times. However, post COVID-19 pandemic, travelers will be more conscious with regard to safety and wellness, hence they will be looking for branded/star/upper scale/upgraded hotels. Based on some survey reports, almost 75% of travelers are looking for branded hotels and are willing to pay 15-20% premium on their previous budgets. Given this trend, market share of branded hotels is expected to grow by 16% to 22%.

With the recent travel restrictions and limited international travel, the India tourism and hospitality industry is expected to see more of domestic travel in near future. Tourism in India is expected to bounce back earlier than the US and some European countries, at normal pre-COVID levels by the calendar year 2022. Positive news of vaccine for Covid being available by early next year will further normalize the travel and tourism industry.

The Indian tourism and hospitality industry has emerged as one of the key drivers of growth among the services sector in India. Tourism in India has significant potential considering the rich cultural and historical heritage, variety in ecology, terrains and places of natural beauty spread across the country. Another factor is India's emergence as a destination to avail world class medical facilities at competitive cost. Further, with the Central Government pushing for 'Aatm Nirbhar Bharat', investment in India will drive business travel.

Tourism is also a potentially large employment generator besides being a significant source of foreign exchange for the country.

Threats, Risks and Concerns

Presently, the immediate threat to the tourism and travel industry is the wider and faster spread of Covid. This threat may further become serious having prolonged impact in case a successful vaccine is not available soon enough.

Another challenge to the organized hotel industry is the increasing availability of, and guest preference for the serviced apartments for short-term or long-term stay, providing larger rooms and more space with all the luxuries of a premium hotel at a far more competitive rate.

Increased competition in the last few years has eroded the market share of the Company's hotel thus impacting the occupancy levels and room rates.

Talent management is a major challenge for the hospitality sector. Inadequate supply of quality talent and increased competition for talent within the sector and from competing service sectors has made attrition a significant issue to be dealt with.

Company's strategy for sustained growth in medium to long term

For the sustained growth of an organization, it is imperative that it keeps exploring newer opportunities of growth either through expansion or venturing in to new projects. In its endeavor for sustained growth, the Board of Directors of the Company is contemplating how to best utilize the additional FAR (Floor Area Ratio) of approx. 30,000 sq. meters which is available to the Company in respect of land where hotel Hyatt Regency Delhi is situated, subject to payment of requisite charges to the authorities concerned.

In line with the above, your Directors envisage further development/expansion of the existing property which would include a luxury hotel, serviced residences and commercial space. In view of this development, your Directors would be soon re-negotiating a new long-term operating contract with the Operator, Hyatt International, with which the Company has a forty-year long working relationship.

Review of Operational and Financial performance

The Company achieved aggregate revenue of Rs. 252.39 crore from operations for the year ended 31st March, 2020. The said revenue in the prior year was Rs. 273.52 crore. Detailed discussions are given under 'Financial Results & the State of Company's Affairs' herein-above.

ASIAN HOTELS (NORTH) LIMITED

Significant Changes in Key Financial Ratios

Key financial ratios for the year under review vis-à-vis prior year are as under:

S. No.	Key Financial Ratio	FY 2019-20	FY 2018-19
i	Operating Profit Margin (%)*	21.75	30.04
ii	Net Profit Margin (%)*	(23.65)	(11.64)
iii	Debtors Turnover	19.66	16.42
iv	Inventory Turnover	24.44	24.27
v	Current Ratio#	0.21	0.28
vi	Debt Equity Ratio	1.43	1.58
vii	Interest Coverage Ratio*	0.41	0.69
viii	Return on Net Worth (%)*	(9.82)	(4.64)

* During the year under review, the revenue from operations was impacted primarily due to Covid-19 outbreak, resulting in reduced operating profit margin and increased net loss as compared to the prior year. Decrease in profit before interest and depreciation and increase in interest cost has resulted in reduced Interest Coverage Ratio.

#Increased cash loss during the year under review has adversely impacted the Current Ratio.

Segment wise performance

During the year under review, your Company operated an integrated hotel business at only one location i.e. New Delhi. Power generation, the other business segment being pursued by the Company is governed by a different set of risks and returns. Your Company had two Wind Turbine Generators operating in Maharashtra, but the quantum of assets as well as revenue generated was not significant enough for reporting in terms of the applicable Accounting Standard.

Internal Control Systems including Financial Controls and their adequacy

The Company has standard operating procedures for each operational area. It has in place adequate reporting systems in respect of financial performance, operational efficiencies and reporting with respect to compliance of various statutory and regulatory matters. As detailed above, the Internal Auditors have regularly conducted exhaustive audits pertaining to different operational areas and their reports detailing their findings and observations were periodically placed before the Audit Committee. The Audit Committee also takes stock of the actions taken on the observations of and recommendations made by the Internal Auditors.

The Company has in place adequate internal controls and systems including internal financial control over financial reporting and these are operating effectively.

Human Resources and Industrial Relations

An organization's success depends largely on its human resources, its management and good industrial relations. Your Company has always viewed human resource development as a critical activity for achieving its business goals.

The Company has in place a Policy against Sexual Harassment and has also formed an Internal Complaints Committee in compliance with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

During the year under review, no complaint was received in pursuance of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Company enjoys harmonious relationship with its employees. The Company had 744 employees on its rolls as on 31st March, 2020 (previous year end 738).

ACKNOWLEDGEMENT

Your Directors place on record their sincere appreciation and gratitude to the Company's valued customers, the Government of India, State Government of Delhi, and the Financial Institutions and Banks for their continued support and confidence in the Company.

Your Directors also place on record their sincere gratitude to Hyatt International for their co-operation and guidance.

Your Directors also commend the sincere efforts put in by the employees at all levels for the growth of the Company.

ANNEXURE 'B' FORMING PART OF THE DIRECTORS' REPORT

PARTICULARS AS PER SECTION 134 OF THE COMPANIES ACT, 2013 READ WITH RULE 8(3) OF THE COMPANIES (ACCOUNTS) RULES, 2014

A. CONSERVATION OF ENERGY

S. No.	Energy Conservation measures taken/capital investment made during the financial year 2019-20	Impact (Estimated savings per annum)
	In September 2019, the Company installed an in-house bottling plant to cater to captive demand for packaged drinking water investing about Rs. 35 lacs towards the cost of plant and machinery and infrastructure. Since the Company is using glass bottles for packaging the drinking water, these bottles are reused thus eliminating the need of plastic bottles. This has been a major step towards environment protection, which also resulted in major savings for the Company.	This move has resulted into savings of about 20-22% of the cost of procuring packaged water.
	All plumbing shafts were connected to collect condensate water from air conditioning units into a centralized tank and the same water reused for the cooling towers. This is also another step towards environment protection and water conservation.	This move saved about 6000 kls of water and resulted into a saving of about Rs. 7.5 lacs
	The continuing exercise of installing LED lights in all guest rooms, corridors and other public areas. This has been a move towards energy conservation.	The resultant saving is expected to be Rs. 10 lacs per annum

S. No.	Steps taken by the Company for utilizing alternate sources of energy during the financial year 2019-20	Status
1.	The Company holds an equity stake in a Hydel Power project thus qualifying as 'Captive User' in terms of the Electricity Rules, 2003. This investment enables the Company to purchase power directly from the above hydro power generator company at a competitive price.	Resultant savings during the financial year are Rs. 300 lacs.

S. No.	Additional investment made/proposed during the financial year 2020-21 for 'Sustainability Efforts'	Impact (Estimated savings per annum)
1.	The Company proposed to completely overall and renovate its cooling towers during the year 2020-21 at an expected capital expenditure of Rs. 200 lacs. However, due to global pandemic and resultant prolonged lockdowns, the work could not start so far. If the conditions are conducive, the Company may take up this sustainability effort in March 2021. Once completed, it will result into major savings towards consumption of energy and water.	The estimated savings, post completion of renovation, would be over Rs. 50 lacs per annum

There is no further proposal for additional investments during the financial year 2020-21.

B. TECHNOLOGY ABSORPTION

In the opinion of the Board, the required particulars, pertaining to technology absorption in terms of Rule 8(3) of the Companies (Accounts) Rules, 2014, are not applicable as hotels form part of the service industry and the Company does not have any significant manufacturing operations.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

- i) The Company has a strong commitment to international business, and is continuously exploring avenues to increase its foreign exchange earnings.
- ii) During the year under review, foreign exchange earnings amounted to Rs. 90.30 crore (Rs. 131.45 crore in the prior year) against which the outgo in foreign exchange was equivalent to Rs. 22.26 crore (Rs. 30.94 crore in the prior year).
- iii) Details of foreign exchange earnings and outgo are given at Note 38 to the Stand-alone Financial Statements.

ANNEXURE 'C' FORMING PART OF THE DIRECTORS' REPORT

Disclosure under Section 197(12) of the Companies Act, 2013 (the Act) read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

1. **Ratio of the remuneration of each director to the median remuneration of the employees of the Company for the financial year ended 31st March, 2020:**

Name of the Director	Nature of Directorship	Ratio
Mr. Shiv Kumar Jatia	Chairman & Managing Director	69.36:1
Ms. Anita Thapar	Executive Director-Administration & Corporate Co-ordination	9.67:1

As the Company suffered loss, no commission is payable to the Non-executive Directors for the year under review. Non-executive directors were paid only the sitting fee for attending the meetings of the Board or Committees thereof. Accordingly, the calculation of required ratio, only on the basis of sitting fee paid would not be appropriate.

2. **The percentage increase in remuneration of each director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:**

Name of the Director/KMP	Office held	Increase/ (Decrease) (%)
Mr. Shiv Kumar Jatia	Chairman & Managing Director	10.10
Ms. Anita Thapar	Executive Director-Administration & Corporate Co-ordination	22.72
Mr. Prakash Chandra Sharma	Chief Financial Officer	2.17
Mr. Dinesh Kumar Jain	Company Secretary	2.34

Non-executive directors are paid commission on profit as remuneration. Further, they are paid sitting fees for attending the meetings of the Board or Committees thereof. As mentioned above, due to the loss suffered by the Company, no commission is payable to any director in respect of the year under review. Hence, there is no case for increase in remuneration of any non-executive directors.

3. **The percentage increase/(decrease) in the median remuneration of employees in the financial year under review:** 4.01%
4. **The number of permanent employees on the rolls of Company as on 31st March, 2020:** 744
5. **Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:**

Average percentage increase in salary of all employees (other than the Managing Director and Executive Director) during the year under review is 8.3 %

There was an increase in the remuneration paid to Mr. Shiv Kumar Jatia, Managing Director, and Ms. Anita Thapar, Executive Director – Administration & Corporate Co-ordination, by 10.10% and 22.72% respectively. They were paid the remuneration in accordance with the shareholders' approvals obtained within the limits prescribed under Schedule V to the Act, as applicable. Any component paid in excess is recovered from the concerned person.

6. **Affirmation that the remuneration is as per the remuneration policy of the company:**

The remuneration paid is as per the Nomination, Remuneration and Evaluation Policy of the Company.

ANNEXURE 'E' FORMING PART OF THE DIRECTORS' REPORT

CORPORATE GOVERNANCE REPORT

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate governance is about commitment to values and ethical business conduct. It implies application of those values and ethics to manage day to day affairs and dealings with all the stakeholders. It is about how an organization is managed. Further, dissemination of timely and accurate information regarding financial position and general state of affairs of the entity is an important part of corporate governance.

The Company is committed to good governance practices while conducting its business and endeavors to uphold the core concept of Corporate Governance. The four pillars, on which the corporate governance rests, are transparency, integrity, accountability and compliance of laws, and Asian Hotels (North) Limited, as a Company, has imbibed these principles and endeavors to follow these diligently.

Pursuant to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations), the Company's 'Corporate Governance Report' is given below:

BOARD OF DIRECTORS

In consonance with the requirements of Regulation 17 of the Listing Regulations, the Board of Directors of the Company is constituted of an appropriate mix of executive and non-executive directors on one hand, and an adequate number of independent directors from amongst the non-executive directors, on the other hand, to maintain the Board's independence, and to ensure exercising effective governance and control over its executive functioning. At the beginning of the year under review, the Board had eight directors comprising four independent non-executive directors, two non-executive directors, and two executive directors – one being the Chairman & Managing Director and the other a whole-time director designated as Executive Director - Administration & Corporate Co-ordination.

At the 38th Annual General Meeting of the Company held on 27th August, 2019, Mr. Amrutesh Jatia (DIN: 02781300) was re-appointed as a director liable to retire by rotation.

During the year under review, there was no change in the composition of the Board of Directors and its constitution was in compliance with the provisions of the Companies Act, 2013 (the Act) and the Listing Regulations.

The Company follows the prescribed Board procedures and furnishes detailed notes in advance on the businesses to be dealt with at the Board Meetings in terms of Regulation 17 of the Listing Regulations. The Board has been meeting regularly ensuring that the gap between two consecutive meetings does not exceed one hundred and twenty days. The Company was generally in compliance with the requirements of Regulation 17 of the Listing Regulations, as applicable at the relevant time.

During the year under review, four Board meetings were held respectively on 28th May, 2019, 23rd July, 2019, 12th November, 2019 and 11th February, 2020.

Pursuant to the provisions of Para C of Schedule V to the Listing Regulations, the relevant information including the composition of the Board, details of directorships held, committee memberships/chairmanships held, and the attendance of the directors at the Board meetings and the previous Annual General Meeting (AGM) held during the year under review are given below:

c) Nomination and Remuneration Committee:

The roles, responsibilities, powers and terms of reference of the Nomination and Remuneration Committee were in conformity with Section 178 of the Act and Rules made there-under, and Regulation 19 of the Listing Regulations and relevant Schedule thereto, as amended or re-stated from time to time, during the year under review. Moreover, the Board of Directors has ensured that the Nomination, Remuneration and Evaluation Policy of the Company is updated to conform to the aforesaid provisions, which inter-alia details the criteria for performance evaluation of the independent directors.

The Board followed the following mechanism for evaluating the performance of the Board, its Committees and individual directors including the Chairman of the Company:

- a) the Independent Directors through their exclusive meeting evaluate the performance of Non- Independent directors, the Chairman and the Board as a whole;
- b) the Nomination and Remuneration Committee considers the views of the Independent Directors through their exclusive meeting regarding the performance of Non-Independent Directors and based there-upon makes its recommendations to the Board about their performance;
- c) the Nomination and Remuneration Committee evaluates the performance of Independent Directors and makes its recommendations to the Board about their performance; and
- d) the Board finally evaluates the performance of all individual directors, the Chairman, the Board as a whole and Committees thereof. While evaluating the performance of the Board, it considers the views of the Independent Directors through their exclusive meeting.

The Board of Directors of the Company has in place an evaluation criteria for assessment of its own performance, that of the committees of the Board and the individual directors. Leadership abilities, understanding the business dynamics, strategic planning for sustainable growth and protection of minority shareholders' interest, are the essential criteria for the performance evaluation of the directors.

The Board in its meeting held on 12th August, 2020, has discussed its overall performance on the parameters as laid down in the Nomination, Remuneration and Evaluation Policy, as amended and adopted by the Board in its meeting held on 12th February, 2019, and concluded that the Board and its Committees have been performing satisfactorily. Further, based on the aforesaid policy, and the feedback received from fellow directors, the Board also evaluated the performance of the individual directors (including the Chairman) and found it satisfactory.

There was no action required to be taken during the year under review based on the previous year's observations on the Board Evaluation. Further, no action is proposed to be taken based on the observations on the Board Evaluation for the year under review.

The details of the evaluation criteria are enumerated in the Nomination, Remuneration and Evaluation Policy which can be accessed at <http://www.asianhotelsnorth.com/pdf/NominationRemunerationandEvaluationPolicyeffective01042019.pdf>

The salient features of the said policy including the role and responsibility of the Nomination and Remuneration Committee are as under:

- a) Role of the Nomination and Remuneration Committee
 - Ensure diversity of Board;
 - Formulate criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board their appointment;

The role, responsibilities, powers and terms of reference of the Committee are in consonance with Section 135 of the Act and the rules made there-under. Quorum for the Committee meetings is two members.

All activities envisaged to be undertaken under the Company's CSR Policy are covered as permitted activities under Schedule VII to the Act.

The Committee is entrusted with the task of ascertaining the amount which the Company is supposed to spend on CSR activities during a particular year in pursuance of Section 135(5) of the Act and recommend how and through which institutions, the permitted activities should be undertaken, and to allocate the amount of expenditure to be incurred on each of such activities. Further, the Committee is entrusted to monitor the progress of the designated projects and ensure that the funds allocated are appropriately utilized for the designated projects/activities.

The CSR Policy of the Company is in compliance with the provisions of Section 135 of the Act read with the Rules framed there-under and Schedule VII thereto. The said policy has been uploaded on the website of the Company and can be accessed at <http://www.asianhotelsnorth.com/pdf/CorporateSocialResponsibilityPolicyeffective01042019.pdf>

Salient features of the said policy are as under:

- Defines roles and responsibilities of the CSR Committee;
- All designated CSR activities under the policy are permitted activities under Schedule VII to the Act.; and
- The policy lays down a detailed execution, monitoring and reporting mechanism.

During the year under review, only one meeting of the Committee was held on 28th May, 2019, which was attended by all the members.

DIRECTORS' REMUNERATION

The remuneration package of the whole-time directors comprises a fixed component in the form of salary, perquisites and allowances, and in case of adequacy of profit, may include on case to case basis, a variable component of commission on profit.

Non-executive directors, i.e. directors other than the managing director/whole-time director are entitled to remuneration by way of commission on profit. Effective 1st April, 2019, the non-executive directors are entitled to remuneration by way of commission on profit for a period of five years in such a manner that the aggregate of commission payable to all such non-executive directors does not exceed 1% of the net profit of the Company computed in terms of Section 198 of the Act, with the liberty to the Board to vary the amount or proportion payable to each one of the non-executive directors every year provided that individually none of such directors receives a sum exceeding Rs. 7,50,000/- in respect of any financial year. However, in view of the loss suffered by the Company in respect of the year under review, no commission could be provided/paid to the non-executive directors.

In addition to the above, non-executive directors are entitled to sitting fees for the meetings of the Board and the Committees thereof attended by them and reimbursement of expenses, if any, in connection therewith.

ASIAN HOTELS (NORTH) LIMITED

No stock option was offered to the directors or employees of the Company. In fact, the remuneration structure of executive as well as non-executive directors, as detailed above, does not provide for stock options. SUBSIDIARY COMPANIES

The Company holds 100% equity as well as preference capital in Finline Hospitality & Consultancy Pte. Ltd., Mauritius (FHCPL). FHCPL holds 80% equity stake in Lexon Hotel Ventures Ltd., Mauritius (Lexon), and Lexon in turn holds 99.76% equity stake in Leading Hotels Limited (Leading), an Indian subsidiary. Thus FHCPL has 79.81% economic interest in Leading.

The Audit Committee of the Company reviews financials of its subsidiaries, especially the significant transactions and arrangements including investments made by the subsidiaries, while considering the consolidated accounts. Minutes of the Board meetings of the subsidiaries are periodically placed and taken note of by the Board of the Company.

Based on the financial statements for the year ended 31st March, 2020, of the above named subsidiaries and the consolidated financial statements of the Company for the year ended as on that date, FHCPL, Lexon and Leading are material subsidiaries of the Company.

MATERIAL DISCLOSURES

Code of Conduct

The Board of Directors of the Company had approved and adopted a Code of Conduct, namely 'AHNL Code of Conduct', applicable to all the Board Members and Senior Management Personnel and the same is uploaded on the website of the Company and can be accessed at <http://www.asianhotelsnorth.com/pdf/CodeofConducteffective01042019.pdf>

All concerned have affirmed their compliance with the said Code during the year under review. As required, a declaration to this effect by the Chairman & Managing Director of the Company is annexed to this report as **Annexure I**.

Conflict of Interest

Based on the disclosures received by the Board from the Company's Senior Management Personnel, none of the Senior Management Personnel had any material financial or commercial transactions wherein they had personal interest that could have a potential conflict with the interest of the Company at large.

Independence of Directors

During the year under review, all independent non-executive directors have confirmed and submitted declaration to the effect that they meet the criteria of independence as laid down under Section 149 and 150 and rules framed thereunder and other applicable provisions of the Act read with relevant regulations of the Listing Regulations. Independent non-executive directors have also submitted declarations for the financial year 2020-21 confirming that they continue to meet the criteria of independence as laid down under aforesaid provisions.. Further, they have confirmed that they have obtained registration with the Indian Institute of Corporate Affairs as an Independent Director and such registration continues to be valid; and that they shall ensure renewal of such registration within a period of thirty days from the date of its expiry, as applicable; and that they shall pass the Online Proficiency Self-Assessment Test conducted by the abovenamed institute within a period of one year from the date of inclusion of their respective names in the databank, if applicable, in pursuance of Section 150 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and the Companies (Creation and Maintenance of Databank of Independent Directors) Rules, 2019, Further, in terms of Regulation 25(8) of the Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Reliance was placed on these confirmations/declarations while ascertaining the adequacy of number of independent directors for the purposes of compliance with Regulation 17 and other applicable regulations of the Listing Regulations.

In the opinion of the Board, the independent non-executive directors fulfill the conditions specified under Section 149 of the Act and the Listing Regulations, as amended, and that they are independent of the management.

Related Party Transactions

The Board of Directors of the Company had approved and adopted 'Policy for Related Party Transactions', which has been uploaded on the website of the Company and can be accessed at http://www.asianhotelsnorth.com/pdf/Policy_for_Related_Party_Transactions_effective%2001042019.pdf

There were no materially significant related party transactions that may have had potential conflict with the interest of the Company at large. Details of related party transactions i.e. transactions of the Company with its promoters, directors, key managerial personnel or their relatives and subsidiaries of the Company are detailed under Note 41 to the Stand-alone Financial Statements. The Board certifies that these transactions are in the ordinary course of business, and are on an arm's length basis. These transactions have been approved by the Audit Committee and the Board of Directors from time to time. Save as otherwise detailed above, the directors and key managerial personnel had no pecuniary relationship or transactions with the Company during the year under review.

Policy for Determining Material Subsidiaries

The Board of Directors of the Company had approved and adopted 'Policy for Determining Material Subsidiaries', which has been uploaded on the website of the Company and can be accessed at <http://www.asianhotelsnorth.com/pdf/PolicyforDeterminingMaterialSubsidiarieseffective01042019.pdf>

Legal Compliances

Timely compliance of multifarious and complex regulatory framework is always a challenge. Compliance status of all applicable laws is reviewed by the Board on quarterly basis. In the opinion of your Directors, there has been no significant non-compliance by the Company during the last three years in general, more-so in terms of Para C(10)(b) of Schedule V to the Listing Regulations. Further, the Company has generally been in compliance with corporate governance requirements as specified in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of the Listing Regulations except a continuing non-compliance pursuant to Regulation 24(1) of the Listing Regulations in so far as it relates to non-appointment of any of its Independent Directors on the respective Boards of its overseas material subsidiaries i.e. FHCPL and Lexon.

Risk Assessment and Minimization Procedures

The Company's Board is conscious of the need to periodically undertake the risk assessment, and minimization procedures there-for. During the year under review, the Board in its meeting held on 28th May, 2019, had approved and adopted a 'Risk Analysis Report as of 31st March, 2019'. The said report outlined the mitigating factors in respect of various risk factors identified therein. This enabled the Board to assess that the Company had adequate 'Risk Assessment and Minimization Procedures' in place, and that these were working effectively.

The Board of Directors of the Company had desired to appoint an outside agency to undertake Evaluation of Risk Assessment and Management Systems of the Company as of 31st March, 2020. However, due to the ongoing uncertainties caused by the COVID-19 pandemic, the Company has been advised to wait for an appropriate time to make an assessment on the subject.

Your Directors are of the view that due to unprecedented prevailing circumstances, it will be appropriate to wait for normalcy before a judicious assessment on the subject could be made.

However, based on the market capitalization of the Company, the provisions relating to the formation of a Risk Management Committee are not applicable to the Company.

Whistle Blower Policy/Vigil Mechanism

The Board of Directors of the Company had approved and adopted a 'Whistle Blower Policy' which is uploaded on the website of the Company and can be accessed at <http://www.asianhotelsnorth.com/pdf/WhistleBlowerPolicyeffective01042019.pdf>

The 'Whistle Blower Policy' provides that all employees and directors of the Company are eligible to make protected disclosures to the competent authority i.e. the Chairman of the Audit Committee with respect to any improper activity concerning the Company. The policy provides for direct access to the Chairman of the Audit Committee. During the year under review, neither any case was reported under the Whistle Blower Policy nor was anyone denied access to the said competent authority or the Audit Committee.

The details of establishment of the above vigil mechanism forms part of the Directors' Report.

Code on Insider Trading/Fair Disclosures

The Board of Directors of the Company had approved and adopted code of conduct for prohibition of insider trading, namely 'Code of Internal Procedures and Conduct for Regulating, Monitoring and Reporting of Trading by Insiders'.

'Code of Internal Procedures and Conduct for Regulating, Monitoring and Reporting of Trading by Insiders', inter-alia prohibits dealing in securities of the Company by designated persons who are in possession of unpublished price sensitive information in relation to the Company. The said Code lays down the procedures to be followed, and disclosures to be made while dealing in the securities of the Company. Further, in pursuance of Regulation 9A(5) of the SEBI (Prohibition of Insider Trading) Regulations, 2015 (the Insider Trading Regulations), the Board has also approved and adopted 'The Policy for Procedure of Inquiry in case of Leak of Unpublished Price Sensitive Information' which forms part of the said Code. The Company Secretary monitors the implementation and compliance of the same.

To align the said Code with the extant statutory and regulatory framework, the Board of Directors vide circular resolution approved on 25th December, 2019, amended the same and adopted it effective 26th December, 2019, by including the requisite provisions of Chapter IIIA of the Insider Trading Regulations.

'The Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information', as amended, and 'Policy for Determination of Legitimate Purposes', which forms part of the aforesaid Code, is uploaded on the website of the Company and can be accessed at <http://www.asianhotelsnorth.com/pdf/CodeofFairDisclosureeffective01042019.pdf>

Disclosure on Accounting Treatment/Accounting Policies

There has been no change in the accounting policies and practices save as detailed in Notes to the Financial Statements. Further, there is no accounting matter/transaction wherein a treatment different from that prescribed in the extant Accounting Standards has been followed while preparing the financial statements for the year under review.

Dematerialization of Shares/liquidity

19280160 shares (equivalent to 99.11%) of the total outstanding shares of the Company are held in dematerialized form as on 31st March, 2020. During the year under review, the Company's shares were frequently traded in terms of SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

Dividend Information

The Company keeps uploading regularly, on its website as also on the website of the Ministry of Corporate Affairs, Government of India (MCA), complete details of unpaid/unclaimed dividends from time to time. Further, in an endeavor to serve its shareholders, the Company has been notifying the shareholders about the dividends which remain unpaid/unclaimed, by sending them individual reminders from time to time.

ASIAN HOTELS (NORTH) LIMITED

Any amount described under Section 125(2) of the Act, including dividend, which remains unpaid/unclaimed for a period of seven years from the date of transfer to unclaimed dividend account is required to be transferred by the Company in accordance with the provisions of Section 124(5) of the Act, to the Investor Education and Protection Fund (IEPF) established by the Central Government. Accordingly, during the year under review, the unpaid/unclaimed dividend for the financial year 2011-12 was transferred to the IEPF.

Further, Section 124(6) of the Act requires that all shares in respect of which dividend has been unpaid/unclaimed for a period of seven consecutive years shall also be transferred to IEPF. Accordingly, 8650 equity shares held by 178 beneficial owners/shareholders of the Company in respect of which dividend for the relevant financial year ended 31st March, 2012 remained unpaid/unclaimed consecutively for a period of seven years up-to 25th October, 2019, were transferred to IEPF Authority in accordance with Section 124(6) of the Act read with the Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended or re-stated from time to time (the IEPF Rules).

In addition to the above, the unpaid/unclaimed dividend for the financial year 2012-13 also became liable to be transferred to the IEPF Authority on 30th October, 2020, and the Company is in the process of transferring the same to IEPF Authority. Accordingly, based on the unpaid/unclaimed dividend for the year ended 31st March, 2013, which remained unpaid/unclaimed consecutively for a period of seven years up to 30th October, 2020, the Company has also ascertained that 17742 shares are unclaimed, and therefore are liable to be transferred to the IEPF Authority on or before 29th November, 2020.

The members who have a claim on above dividends and shares may claim the same from IEPF Authority by submitting an online application in the prescribed Form No. IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same, duly signed, to the Company along with requisite documents enumerated in the Form No. IEPF-5.

Attention of the members is therefore drawn to the fact that unpaid/unclaimed dividend pertaining to the financial year ended 31st March, 2014 is due for transfer to the IEPF, and therefore, any claim in respect thereof should be lodged as advised below failing which shares relating thereto shall be liable to be transferred to the IEPF Authority:

Unpaid/Unclaimed Amount*	Due date for transfer to IEPF Authority	Date by which claim should be lodged
Dividend for the financial year ended 31 st March, 2014	31.10.2021	20.10.2021

*No dividend has been paid by the Company for the FY 2014-15 onwards

Shareholders are advised to write to the Company or to the Registrar & Transfer Agent requesting for fresh warrants by providing details of their Folio No./Client ID, No. of shares held by them etc. enclosing a signed cancelled cheque, self attested copy of PAN and proof of address.

Further, the members' attention is also drawn that shares in respect of which dividend remains unpaid/unclaimed for the financial year ended 31st March, 2014 up to the due date of 31st October, 2021, shall also be liable for transfer to IEPF Authority, in accordance with the aforesaid provisions.

Independent Auditor's Report

To the Members of Asian Hotels (North) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Asian Hotels (North) Limited ("the Company"), which comprises of the balance sheet as at 31st March 2020, and the statement of Profit and Loss (including other comprehensive income), and the Statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs as at 31 March 2020, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the standalone financial statements:

- A. Refer Note 33 (b), (d) & (e) which, describe the uncertainty related to the outcome of certain disputes and law-suits filed against the Company. The impact (if any) of these disputes/law-suits on the standalone financial statements of the Company could not be ascertained.
- B. Refer Note 40 with reference to implications of Covid-19 pandemic. The outbreak of Coronavirus (Covid-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company has evaluated the impact of this pandemic on its business operations and based on its review and current indicators of future economic conditions, there appears to be significant disruptions in the business of the company going forward amidst the continuity of the Covid-19 pandemic and the industry in which the Company operates continues to see a sluggish outlook in most part of the year 2020-21.

The impact of coronavirus on the Company's business will depend on future developments that cannot be reliably predicted, including actions to contain or treat the disease and mitigate its impact on the economies of the affected countries, among others. A definitive assessment of the impact is not possible in view of the high uncertain economic environment and the scenario is still evolving. The Company has evaluated its liquidity position and recoverability and carrying values of its assets and changes in financial risks such as credit risk, liquidity risk, currency risk and other price risk, and changes in objectives, policies and processes for managing those risks are expected. Evaluation of management's assessment around going concern revolves around at a minimum involve, evaluation of reliability of cash flow forecast prepared by the management considering change in economic environment, management's plan for future actions and assessing its feasibility in the circumstances.

Considering the projections made by the Company management, it appears that the COVID-19 scenario has pegged back the cash flows of the company significantly because of the lockdown situation in the hospitality sector in most period of the Q1 of FY 2020-21 and further the grim situation of cash flows from the projections made by the management for FY 2020-21 as also the ability to access cash in other ways such as from government payments, factoring receivables or supplier financing and reductions in the employees' emoluments across the board are the negative indicators hinting towards a dull year for the Company.

In view of Company's assessment check on the operations of the company, there appears to be a huge implications on the financials of the company in the short term scenario say for the year 2020-21.

Our opinion is not modified in respect of the above said matters.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

FHCPL has a further step-down subsidiary named Lexon Hotel Ventures Limited, Mauritius (“Lexon”) wherein FHCPL holds 80% shares. Lexon has named further step down subsidiary ne Leading Hotels Limited (“LHL”), being ultimate subsidiary of the company wherein the company establishes significant equity control. - The total exposure of the Company in respect of above is significant to the standalone financial statements of the Company. - Considering the current financial position and status of the project of one of the subsidiaries “LHL”, there are indications of potential impairment of the equity investments in subsidiary as set out in above paragraphs. - The Management has assessed the impairment of its investments in its subsidiary using the business forecasts of “LHL” applying the Discounted Cash Flow Method of valuation (the “model”) and noted that at present there is no requirement for making any provision for impairment in respect of these investments. - We considered this as a key audit matter due to significant judgement involved in considering the impairment implications if any based on our review of present situation of the project as on date of signing, the valuation reports submitted by the Independent Valuers to support the carrying value of above investments, significant assumptions used for arriving at the valuations such as discount rate, terminal growth rate, etc. adopted in the model. 	<p>Principal Audit Procedures</p> <p>Our procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> • Understanding and evaluating the design and testing the operating effectiveness of the Company’s controls over review of impairment assessment of investments in subsidiary; • In respect of impairment assessment of investments in subsidiary (LHL): <ul style="list-style-type: none"> (i) Testing the mathematical accuracy of the underlying model and checking the impairment assessment prepared by the management; (ii) Comparing the business forecasts with the latest approved management approved budgets; (iii) Considered the work of external independent valuation expert engaged by the Company; (iv) Performed audit procedures for testing appropriateness of the method and model used, evaluating reasonableness and challenging key assumptions used such as Discount rates, terminal growth rate etc.; (v) Assessed the independent valuation expert’s methods and working; (vi) Examined and assessed the Land Valuation report obtained from the Registered valuer appointed by the management; (vii) Verified the terms of the non-binding agreement entered in to by the Company with the investor along with condition precedents attached thereto for assessing the underlying value of the investment (viii) Reviewed the fund raising plans i.e. sanction letter from NBFC’s for the additional funding requirement for assessing the continuity and viability of the project <p>Based on the above procedures performed, we noted that the Management’s assessment of impairment of investments based on valuation reports received in subsidiary “FHCPL” is reasonable.</p>
<p>B. Assessment of recoverability of Deferred Tax Assets recognized on tax losses (Refer Note 8 to the Financial Statements.)</p> <ul style="list-style-type: none"> - The Company has recognised deferred tax assets on unabsorbed depreciation and deductions based on actual payments (together hereinafter referred to as “tax losses”) carried forward from the previous years as well as current year losses. The assets have been recognised on the basis of the Company’s assessment of availability of future taxable profit to offset such tax losses based on business projections for the future years. - The recoverability of the deferred tax assets depends upon factors such as the projected taxable profitability of business and the period considered for such projections, the rate at which those profits will be taxed and the period over which tax losses will be available for recovery. <p>This was considered as a key audit matter as the amount is material to the financial statements and significant judgement in key assumptions was required by the Company’s Management in the preparation of forecasts of future taxable profits based on the underlying business plans.</p>	<p>Principal Audit Procedures</p> <p>Our procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> (i) Evaluation of the design and testing pertaining to effectiveness of Company’s controls relating to taxation and the assessment of carrying amount of deferred tax assets relating to unabsorbed tax losses; (ii) Assessing the reasonableness of the period of projections used in the deferred tax asset recoverability assessment considering that the Company operates in a highly competitive industry which is subject to disruptions through changing macro scenario; (iii) Comparing the Company’s performance for the year with the approved budget to assess the reasonableness of the assumptions; (iv) Comparing the Company’s projections of future taxable profit to the approved business plans; (v) Testing, whether projections prepared were consistent with our understanding and knowledge of current business and the general economic environment in which the Company operates and whether the tax losses can be utilized within the forecast recoupment period; (vi) Testing the assumptions used by analyzing the impact on taxable profit using different growth rates and profit margins; (vii) Reviewing the adequacy of disclosures made in the financial statements with regard to deferred taxes. <p>Based on the above procedures performed, our testing did not identify any material exceptions with respect to the reasonability of the assumptions and estimates used by the management in assessing the recoverability of Deferred Tax Asset recognised in respect of tax Losses.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to

ASIAN HOTELS (NORTH) LIMITED

evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.

(A) As required by Section 143 (3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e. On the basis of the written representations received from the directors as on 31st March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. the Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its financial statements - Refer Note 33 to the financial statements;
- ii. the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

(C) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Asian Hotels (North) Limited ("the Company") as of 31st March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

1. CORPORATE INFORMATION

Asian Hotels (North) Limited ("the Company") is a public limited company domiciled in India and is listed on the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel, namely Hyatt Regency in Delhi since 1982.

2. BASIS OF PREPARATION

For the year ended 31st March 2020, the Company has prepared its financial statements in accordance with the Indian Accounting Standards notified under Section 133 of the companies Act 2013, read together with Companies (Accounts) Rules 2014 (Ind AS). The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value, defined benefits plans and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2A. USE OF ESTIMATES

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets – Refer accounting policies - 3.1
- c) Estimation of defined benefit obligation – Refer accounting policies - 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- e) Recognition of revenue - Refer accounting policies - 3.4
- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policies - 3.9
- g) Impairment of financial assets – Refer accounting policies - 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, Plant and Equipment

Property, Plant and Equipment are stated at original cost (including any revalued amount) net of tax / duty credit availed, less accumulated depreciation, and accumulated and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.
- (b) Depreciation on leasehold improvements is being charged equally over the period of the lease.
- (c) Depreciation on the increased amount of assets due to revaluation is computed on the basis of residual life of the assets as estimated by the valuer on straight line method and charged to Revaluation Reserve and credited to the Other Comprehensive Income based on guidance provided by "Application Guide on the Provisions of Schedule II to the Companies Act, 2013" issued by the Institute of Chartered Accountants of India read with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2016 as amended by the Companies (Indian Accounting standards) (Amendment) Rules, 2016.
- (d) No depreciation is charged on the assets sold/ discarded during the year.
- (e) On transition to Ind AS, the Company had elected to measure its Property, Plant and Equipment at cost as per Ind AS. Further, as per the requirement of paragraph 11 of Ind AS 101, outstanding amount in the revaluation reserve is transferred to retained earning account. This is because after transition, the Company is no longer applying the revaluation model of Ind AS 16, instead it has elected to apply the cost model approach.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress:

Capital work- in- progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the construction as per Ind AS-23 "Borrowing Costs". Interest income earned on temporary investment of funds brought in for the project during construction period are set off from the interest expense accounted for as expenditure during the construction period.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company measures it on the basis of discounted cash flow projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

In respect of the subsidiaries assets at each balance sheet date, the impairment testing is based on the realizable value of underlying assets as tested by the Board of Directors of the subsidiary.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in profit and loss section of the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive Income (the 'OCI'). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

3.3 Foreign Currency Transactions

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise.

The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that give rise to the translation difference (i.e. translation difference on items whose gain or loss is recognized in other comprehensive income or the statement of profit and loss is also recognized in other comprehensive income or the statement of profit and loss respectively).

3.4 Revenue recognition

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

- (i) Revenue from rendering of hospitality services is recognized when the related services are performed and billed to the customer or the agreed milestones are achieved and are net of service tax and Goods and Service Tax (GST), wherever applicable.
- (ii) For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.
- (iii) Dividend income from investments is recognized when the Company's right to receive payment is established which is generally when shareholders approve the dividend.
- (iv) Income from generation of electricity is recognized when the actual generated units are transferred and billed to the buyer.
- (v) Income from hiring of vehicles is recognized on accrual basis on the basis of agreed rate.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Company settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Company has transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- ii. the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the company to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

Inventories are valued at the lower of cost or net realizable value. The cost is determined by weighted average method. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Operating equipment in circulation is valued at weighted average cost less estimated diminution in value on account of usage.

3.8 Retirement benefits

Retirement benefit costs for the year are determined on the following basis:

- (i) All employees are covered under contributory provident fund benefit of a contribution of 12% of salary. There is no obligation other than the contribution payable to the respective fund.
- (ii) The Company also provides for retirement benefits in the form of gratuity and compensated absences/ Leave encashment in pursuance of the Company leave rules. The Company's liability towards such defined benefit plans are determined based on valuations as at the Balance Sheet date made by independent actuaries. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Company operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized on the basis of reasonable certainty that the company will be having sufficient future taxable profits and based on the same the DTA has been recognized in the books.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates [and tax laws] that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes it down to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period and utilize the MAT Credit Entitlement.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the company during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Leases

The determination of whether an arrangement is [or contains] a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

- A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- Lease other than finance lease are operating lease and these leased assets are not recognized in the company's statement of financial position but are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. The Company is both a lessee and a lessor under such arrangements. Payments and receipts under such leases are charged or credited to the Statement of Profit and Loss on a straight-line basis over the primary period of the lease unless another systematic basis is more representative of the time pattern of the user's benefit.

3.15 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

The same relative has also filed a consumer complaint/petition, before the National Consumer Dispute Redressal Commission (NCDRC), against the Hyatt Hotels Corporation, Chicago and Hotel Hyatt Regency, Delhi, seeking compensation for the above injured person on various counts. Any consequence on the outcome of the above writ petition and the Consumer complaint before the NCDRC can not be ascertained.	-	-
(e) The Company has, on February 11th, 2020 received a demand Notice dated 05.02.2020 from the Asstt. Assessor & Collector (HQ), South Delhi Municipal Corporation, New Delhi (SDMC), on account of Property Tax (including interest and penalty) for the years 2016-17 to 2019-20 assessed in terms of assessment order dated 27.1.2020. The matter of Property Tax in the case of Company and many other similarly situated entities is sub-judice before the Hon'ble High Court of Delhi. The Company has been depositing Property Tax as per order dated 23.5.2014 of the Hon'ble High Court. The Company has been advised that the said demand notice is contrary to the prior orders passed by the Hon'ble High Court, and therefore Company is in the process of taking appropriate legal recourse in the said matter.	3,725.29	-

35. SEGMENT REPORTING

The Company operates only in one reportable segment, i.e. Hospitality/Hotel Business at one location, namely New Delhi (India). The other business segment, i.e. power generation, though governed by different sets of risks and returns, however, is not a reportable segment as defined under the Indian Accounting Standard Ind AS - 108 "Operating Segments", and therefore, no separate disclosures have been made. The assets, liabilities and revenues relating to the said power generation business have, however, been disclosed in the accounts separately. The above treatment is in accordance with the guiding principles enunciated in the said Ind AS.

36. DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under:-

(a) Defined contribution plans

- Provident fund

The Company has recognized the following amounts in the statement of profit and loss:

Employers' contribution to provident fund :- Current Year Rs. 232.13 Lakhs (Previous Year Rs. 186.04 Lakhs)

(b) Defined benefit plans

- Gratuity
- Compensated absences - Earned leave

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions-

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 6.92% p.a. (Previous Year 7.66% p.a.) compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

The assumptions used are summarized in the following table:

	Gratuity (Unfunded)		Compensated Absences Earned Leave (Unfunded)	
	As at 31-03-2020	As at 31-03-2019	As at 31-03-2020	As at 31-03-2019

40. COVID 19 IMPLICATIONS

The COVID 19 outbreak worldwide and subsequent nationwide lockdown coupled with domestic as well as international travel restrictions announced by the Central/State Governments, have adversely impacted the business operations in the major part of March 2020 (and continuing) in terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the Company. The Company has undertaken necessary cost saving measures including rationalization of human resources, initiatives to uplift revenue by resorting to home delivery of food, and to conserve cash.

The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company. Based on the current indicators of future economic conditions, the Company expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates.

The Company will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Company, in the financial statements, as and when these conditions arise.

42. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

43. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Managing Board.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

43. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES...contd.

The company is not exposed to significant interest rate risk as at the specified reporting date.

Refer Note 19 and Note 22 for interest rate profile of the Company's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The Company operates locally, however, the nature of its operations requires it to transact in several currencies and consequently the Company is exposed to foreign exchange risk in various foreign currencies.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies.

I. Foreign Currency Exposure

Refer Note 39 for foreign currency exposure as at March 31, 2020 and March 31, 2019 respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	2019-20		2018-19

Total	(194.97)	194.97	(178.66)	178.66

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty,
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

The company has assets where the counter- parties have sufficient capacity to meet the obligations and where the risk of default is very low. Hence based on historic default rates, the Company believes that, no impairment allowance is necessary in respect of above mentioned financial assets.

Liquidity Risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

INDEPENDENT AUDITOR'S REPORT

To the Members of Asian Hotels (North) Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Asian Hotels (North) Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the consolidated Balance Sheet as at March 31, 2020, the consolidated Statement of Profit and Loss including other comprehensive income, the consolidated Cash Flow Statement, the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Subject to foregoing, in our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2020, and its consolidated loss, total consolidated comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

- i. **Attention is invited to Note No. 45 for non-provision of interest liability amounting to Rs. 17.67 Crore by the Company, relating to Inter Corporate Deposits and other financial commitments. The non-provisioning of interest has resulted in understatement of CWIP to the extent of Rs. 17.67 Crore.**

Material Uncertainty Regarding Going Concern of Leading Hotels Limited, Subsidiary Company:

- i. We draw attention to Note 45 with regards to the financial statements of the subsidiary company, Leading Hotels Limited. On account of ongoing litigations at various regulatory forums which are sub judice at this point in time and has resulted in substantial delay in the development of villa, hotel complex and a 18 hole, 72 par championship golf course. This has resulted in shortage of funds whereby the Company has also defaulted in interest repayment obligations for January 2020 & February 2020 with respect to Bank Loans amounting to Rs. 2.56 Cr. The financial statements indicate net current liabilities of the Company at Rs. 144.91 Cr. as on the balance sheet date.

Further, the current Covid-19 pandemic scenario has severely dented the future prospects of the Hospitality sector that casts significant doubts with respect to the company's ability to meet its existing financial obligations as well as the continuation of the project itself.

However, as informed to us by the management, the Company is in the process of mobilising the required funds and has received a non-binding offer from a potential investor on 20th July, 2020 (subject to fulfilment of certain conditions precedent). Further, the Company has also been able to get sanction of credit facility from a NBFC amounting to Rs. 75 Crores which will enable the Company to revive its development of the project and meet the remaining financial obligations.

The measures above are contingent upon approval of lenders and fulfilment of the condition precedents, which are not wholly under the control of the Company. The Company's ability to continue as a going concern largely is dependent on the successful outcome(s) of the above mentioned fund raising plans.

As stated in the note, the management is confident of obtaining required approvals from the lenders and fulfilment of the condition precedent. The management is also confident of infusing additional funds in the Company by way of credit line drawn from NBFC to meet Company's financial obligations and thereby continuing project development. Having regard to the aforesaid, the standalone financial statements presently have been prepared on the basis that the Company will continue as a going concern and hence no adjustments have been made to the classification of the assets and liabilities and its carrying values.

Our opinion is not modified in respect of this matter.

Emphasis of Matter

(i) Implications owing to COVID-19 Pandemic on Group:

- A. Refer Note 41 with reference to implications of Covid-19 pandemic. The outbreak of Coronavirus (Covid-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Group has evaluated the impact of this pandemic on its business operations and based on its review and current indicators of future economic conditions, there appears to be significant disruptions in the business of the group going forward amidst the continuity of the Covid-19 pandemic and the industry in which the group operates continues to see a sluggish outlook in most part of the year 2020-21.

The impact of coronavirus on the Group's business will depend on future developments that cannot be reliably predicted, including actions to contain or treat the disease and mitigate its impact on the economies of the affected countries, among others. A definitive assessment of the impact is not possible in view of the high uncertain economic environment and the scenario is still evolving. The Group has evaluated its liquidity position and recoverability and carrying values of its assets and changes in financial risks such as credit risk, liquidity risk, currency risk and other price risk, and changes in objectives, policies and processes for managing those risks are expected. Evaluation of management's assessment around going concern revolves around at a minimum involve, evaluation of reliability of cash flow forecast prepared by the management considering change in economic environment, management's plan for future actions and assessing its feasibility in the circumstances.

ASIAN HOTELS (NORTH) LIMITED

Considering the projections made by the group management, it appears that the COVID-19 scenario has pegged back the cash flows of the group significantly because of the lockdown situation in the hospitality sector in most period of the Q1 of FY 2020-21 and further the grim situation of cash flows from the projections made by the management for FY 2020-21 as also the ability to access cash in other ways such as from government payments, factoring receivables or supplier financing and reductions in the employees' emoluments across the board are the negative indicators hinting towards a dull year for the group.

In view of Group's assessment check on the operations of the group, there appears to be a huge implications on the financials of the group in the short term scenario say for the year 2020-21.

(ii) Material Uncertainty related to outcome of contingent liabilities:

Refer Note 34 (b), (d), (e), (f) & (g) which, describe the uncertainty related to the outcome of certain disputes and law-suits filed against the Group. The impact (if any) of these disputes/law-suits on the consolidated financial statements of the Group could not be ascertained.

Our opinion is not modified in respect of the above (i) and (ii) matters.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures performed by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

ASIAN HOTELS (NORTH) LIMITED

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Annexure to the Independent Auditor's Report of even date on the Consolidated Financial Statements of Asian Hotels (North) Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Asian Hotels (North) Limited as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Asian Hotels (North) Limited (hereinafter referred to as the "Holding Company"), its subsidiary company, which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company its subsidiary company, which are company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient

ASIAN HOTELS (NORTH) LIMITED

conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Consolidated Financial Statements

A Holding company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

1. GROUP INFORMATION

Asian Hotels (North) Limited (the Holding Company) is a public limited company domiciled in India, incorporated under the provisions of the Companies Act, 1956 and listed on both National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). The Holding Company is operating a Five Star deluxe Hotel namely Hyatt Regency in Delhi since 1982. The Holding Company has three subsidiaries as on the balance sheet date namely Fineline Hospitality & Consultancy Pte Ltd., an overseas subsidiary, incorporated in Mauritius provides offshore project consultancy services; Lexon Hotel Ventures Limited is incorporated in Mauritius also provides offshore project consultancy services; Leading Hotels Limited incorporated in India is developing an all Villa Hotel Complex, including residential villas and an 18 hole, 72 pars Championship Golf Course in Goa (India).

2. BASIS OF PREPARATION

The financial statements have been prepared in accordance with Indian Accounting Standards [Ind AS] notified under the Companies [Indian Accounting Standards] Rules, 2015 and with the applicable provisions of the Companies Act, 2013. The accounting policies have been consistently applied by the Group and are consistent with those used in the previous year.

The financial statements have been prepared on historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Certain financial assets and liabilities measured at fair value [refer accounting policy regarding financial instruments]
- Defined benefit plans
- Contingent consideration

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

2A. Principles of Consolidation

These consolidated financial statements have been prepared in accordance with Indian Accounting Standard 110 (Ind AS 110) – “Consolidated Financial Statements”. These consolidated financial statements comprise the financial statements of the Company and its following subsidiaries: -

Name of the Company	Country of Incorporation	Effective % of holding as at 31 st March, 2020	Effective % of holding as at 31 st March, 2019
Fineline Hospitality & Consultancy Pte Ltd (FHCPL)- an Overseas Subsidiary	Mauritius	100.00%	100.00%
Lexon Hotel Ventures Limited (Lexon), a subsidiary of FHCPL	Mauritius	80.00%(#)	80.00%(#)
Leading Hotels Limited (LHL), a subsidiary of Lexon	India	79.81%(^)	79.81%(^)

(#) i.e., 100.00% of 80.00 % held by FHCPL.

(^) i.e. 80.00% of 99.76% held by Lexon

These consolidated financial statements have been prepared on the following basis:

- (i) the financial statements of the Holding Company, its Overseas Wholly Owned Subsidiary and its Indian Subsidiary have been combined on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions, if any, based on the special purpose audited Ind AS consolidated financial statements received from the Overseas Subsidiary and audited financial statement received from the Indian Subsidiary for the year ended 31st March 2020, in Indian Rupees as per the Indian Accepted Accounting Policies.
- (ii) These consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company's standalone financial statements.
- (iii) The difference between the cost of investment in the subsidiaries and the Holding Company's share of net assets at the time of acquisition of shares in the subsidiaries is recognized in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- (iv) Goodwill arising out of consolidation is tested for impairment at each balance sheet date.
- (v) Non-controlling interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separately from liabilities and equity of the Holding Company's shareholders.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

2A PRINCIPLES OF CONSOLIDATION ...contd.

Non-controlling interest in the net assets of consolidated subsidiaries consists of: -

- (a) the amount of equity attributable to non-controlling interest at the date on which investment in Subsidiary is made; and
- (b) the non-controlling share of movements in equity since the date the parent – subsidiary relationship came into existence.

Minority interests share of Net Profit / (Loss) (including share of Foreign Exchange Translation Reserve) of consolidated subsidiaries for the relevant period is identified and adjusted against the profit after tax of the group.

2B Use of Estimates

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policy 3.9
- b) Estimated useful life of property plant & equipment and intangible assets – Refer accounting policy 3.1
- c) Estimation of defined benefit obligation – Refer accounting policy 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policy 3.12
- e) Recognition of revenue - Refer accounting policy 3.4
- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policy 3.9
- g) Impairment of financial assets – Refer accounting policy 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.
- (b) Depreciation on leasehold improvements is being charged equally over the period of the lease.
- (c) Depreciation on the increased amount of assets due to revaluation is computed on the basis of residual life of the assets as estimated by the valuer on straight line method and charged to Revaluation Reserve and credited to the Other Comprehensive Income based on guidance provided by "Application Guide on the Provisions of Schedule II to the Companies Act, 2013" issued by the Institute of Chartered Accountants of India read with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2016 as amended by the Companies (Indian Accounting standards) (Amendment) Rules, 2016.
- (d) No depreciation is charged on the assets sold/ discarded during the year.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress:

Capital work- in- progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the construction as per Ind AS-23 "Borrowing Costs". Interest income earned on temporary investment of funds brought in for the project during construction period has been set off from the interest expense accounted for as expenditure during the construction period.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Group measures it on the basis of discounted cash flows of next five years' projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in profit and loss section of the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive Income (the 'OCI'). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

3.3 Foreign Currency Transactions

The Group's financial statements are presented in INR, which is also the Group's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Group's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise.

The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that give rise to the translation difference (i.e. translation difference on items whose gain or loss is recognized in other comprehensive income or the statement of profit and loss is also recognized in other comprehensive income or the statement of profit and loss respectively).

3.4 Revenue recognition

Effective 01 April 2018, the Group (wherever applicable) has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money. Specifically,

- (i) Revenue from rendering of hospitality services is recognized when the related services are performed and billed to the customer or the agreed milestones are achieved and are net of service tax, wherever applicable.
- (ii) For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.
- (iii) Dividend income from investments is recognized when the Group's right to receive payment is established which is generally when shareholders approve the dividend.
- (iv) Income from generation of electricity is recognized when the actual generated units are transferred and billed to the buyer.
- (v) Income from hiring of vehicles is recognized on accrual basis on the basis of agreed rate.
- (vi) Excise duty (upto 30th June, 2017) is a liability of the Group, which forms part of the cost of production, irrespective of whether the goods are sold or not. Therefore, the recovery of excise duty flows to the Group on its own account and hence revenue includes excise duty.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Group settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Group has transferred substantially all the risks and rewards of the asset, or [b] the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- ii. the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Group applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Group follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the Group to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

Inventories are valued at the lower of cost or net realizable value. The cost is determined by weighted average method. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Operating equipment in circulation is valued at weighted average cost less estimated diminution in value on account of usage.

3.8 Retirement benefits

Retirement benefit costs for the year are determined on the following basis:

- (i) All employees are covered under contributory provident fund benefit of a contribution of 12% of salary. There is no obligation other than the contribution payable to the respective fund.
- (ii) The Group also provides for retirement benefits in the form of gratuity and compensated absences/ Leave encashment in pursuance of the Group leave rules. The Group's liability towards such defined benefit plans are determined based on valuations as at the Balance Sheet date made by independent actuaries. The classification of the Group's net obligation into current and non-current is as per the actuarial valuation report.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Group operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Group will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Group reviews the "MAT Credit Entitlement" asset at each reporting date and writes it down to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period and utilize the MAT Credit Entitlement.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the Group during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets

Provision is recognized when the Group has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Leases

The determination of whether an arrangement is [or contains] a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

3. SIGNIFICANT ACCOUNTING POLICIES ...contd.

- A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- Lease other than finance lease are operating lease and these leased assets are not recognized in the Group's statement of financial position but are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. The Group is both a lessee and a lessor under such arrangements. Payments and receipts under such leases are charged or credited to the Statement of Profit and Loss on a straight-line basis over the primary period of the lease unless another systematic basis is more representative of the time pattern of the user's benefit.

3.15 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

CONTINGENT LIABILITIES

(a) Claims against the Company not acknowledged as debts *	-	7.00
* pertains to cases filed by certain employees of the Company		
(b) Service tax demand not provided for *	250.00	254.53
* pertains to a demand raised by Service Tax Authorities amounting to Rs. 401.10 Lakhs which includes penalty demand of Rs. 250.00 Lakhs and excluding interest for earlier years up to 2007, against which the Company has filed an appeal with Customs, Excise and Service Tax Appellate Tribunal (CESTAT), New Delhi on 11th March 2014. Since the Company had already deposited the service tax payable, as determined by the tax authorities, before issuance of the show cause notice for levy of the penalty, it is contesting before the above appellate authorities that it is not liable to pay any penalty and interest.		
(c) Additional bonus liability for the financial year 2014-15 owing to amendment made in "The Payment of Bonus Act, 1965" w.r.e.f. 1st April, 2014, has not been provided for as the matter is sub-judice before various High Courts in the country.	-	-
(d) Relating to an accident in the hotel premises, a writ petition has been filed with Delhi High Court by a relative of the injured person, and the Company has been made one of the respondents. The same relative has also filed a consumer complaint/petition, before the National Consumer Dispute Redressal Commission (NCDRC), against the Hyatt Hotels Corporation, Chicago and Hotel Hyatt Regency, Delhi, seeking compensation for the above injured person on various counts. Any consequence on the outcome of the above writ petition and the Consumer complaint before the NCDRC can not be ascertained.	-	-
(e) Petitions filed before the National Green Tribunal against grant of Costal Regulation Zone and Private Forest by the competent authorities to the Company's project at Goa, which are being contested by the Company.	-	-
Based on legal advice received and outcome of similar cases in past, the management is hopeful of favourable outcome and does not foresee them to have any material impact on the progress of the project of the Company.		
(f) During the year income tax assessment for AY 2016-17 was concluded. Pursuant to the assessment, an amount of Rs. 14,03,34,724 has been assessed as payable by the Company. The Company has gone into appeal against the said order and paid an income tax of Rs. 50,01,000 in appeal.		
(g) The Company has, on February 11th, 2020 received a demand Notice dated 05.02.2020 from the Asstt. Assessor & Collector (HQ), South Delhi Municipal Corporation, New Delhi (SDMC), on account of Property Tax (including interest and penalty) for the years 2016-17 to 2019-20 assessed in terms of assessment order dated 27.1.2020. The matter of Property Tax in the case of Company and many other similarly situated entities is sub-judice before the Hon'ble High Court of Delhi. The Company has been depositing Property Tax as per order dated 23.5.2014 of the Hon'ble High Court. The Company has been advised that the said demand notice is contrary to the prior orders passed by the Hon'ble High Court, and therefore Company is in the process of taking appropriate legal recourse in the said matter.	3,725.29	-
(h) TDS related dues appearing on TRACES portal (subject to reconciliation and adjustment)	-	8.05

37. DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS...contd.

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions-

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 7.71% p.a. (Previous Year 7.50% p.a.) compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

The assumptions used are summarized in the following table:

	Gratuity (Unfunded)		Compensated Absences Earned Leave (Unfunded)

41. COVID 19 IMPLICATIONS

The COVID 19 outbreak worldwide and subsequent nationwide lockdown coupled with domestic as well as international travel restrictions announced by the Central/State Governments, have adversely impacted the business operations in the major part of March 2020 (and continuing) in terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the Company. The Company has undertaken necessary cost saving measures including rationalization of human resources, initiatives to uplift revenue by resorting to home delivery of food, and to conserve cash.

The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company. Based on the current indicators of future economic conditions, the Company expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates.

The Company will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Company, in the financial statements, as and when these conditions arise.

43. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

44. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by the Managing Board.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Group manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The Group is not exposed to significant interest rate risk as at the specified reporting date.

Refer Note 19 and Note 22 for interest rate profile of the Group's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The Holding Company and one of the subsidiary company operates locally whereas two of the subsidiaries operates outside India, however, the nature of its operations requires it to transact in several currencies and consequently the Group is exposed to foreign exchange risk in various foreign currencies.

The Group evaluates exchange rate exposure arising from foreign currency transactions and the Group follows established risk management policies.

I. Foreign Currency Exposure

Refer Note 41 for foreign currency exposure as at March 31, 2019 and March 31, 2018 respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	2019-20		2018-19	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	(274.05)	274.05	(258.85)	258.85
Euro	-	0.00	0.01	(0.01)
GBP	-	-	-	-
SGD	-	-	-	-
SEK	(0.02)	0.02	(0.02)	0.02
Total	(274.07)	274.07	(258.86)	258.86

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the Group compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

44. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES...contd.

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. The Group categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

The Group has assets where the counter- parties have sufficient capacity to meet the obligations and where the risk of default is very low. Hence based on historic default rates, the Group believes that, no impairment allowance is necessary in respect of above mentioned financial assets.

Liquidity Risk

Liquidity Risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity position through rolling forecast on the basis of expected cash flows.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

45. ADDITIONAL DISCLOSURE AS REQUIRED BY PARAGRAPH 2 OF SCHEDULE - III...contd.

The Board of Directors have evaluated these conditions and advised the management to take measures to improve the liquidity condition of the Company. The Leading Hotels Limited has received a non-binding offer from a potential investor on 20-07-2020 which envisions infusion of additional equity in the Company. It has also tied up with a NBFC for immediate additional funding which will enable the Company to continue developing the Project and take care of the ongoing financial obligations. These measures are contingent upon approval of lenders and fulfilment of the condition precedent and such events are not wholly within the control of the Company. The ability of the Leading Hotels Limited to continue as a going concern is largely dependent on successful outcome of the aforesaid fundraising plans as well as conclusion of ongoing litigations in its favour.

The management is confident of successfully completing the fund-raising plans as well as it anticipates outcome of the ongoing litigation in the favour of the said subsidiary Company. Accordingly, the financial statements of the subsidiary company have been prepared on the basis that the Company will continue as a going concern and no adjustments have been made to the carrying value or classification of the assets and liabilities.
