7 GOVT & POLITICS

ON MISSION ABROAD

WHILE INDIA and Pakistan have not held bilateral talks for the last three-and-a-half years, External Affairs Minister Sushma Swaraj and her Pakistan counterpart, Shah Mahmood Qureshi, were seen sitting next to each other at a hotel in Bishkek, Kyrgyzstan, on the sidelines of the Shanghai Cooperation Organisation (SCO) foreign ministers' meeting. Pictures of the two ministers surfaced on social media after the meeting. This is Swaraj's last visit as External Affairs Minister during the term of this government.

MEDIA SHY

LOK SABHA secretary-general Snehlata Shrivastav was initially reluctant to address the customary press conference ahead of formation of the new House. While she thought a press release would be enough, Shrivastav's aides felt that a departure from past practice would not be correct, and thus she needed to interact with the media. As the top official of the Lower House, who is often called upon to draft rulings for the Speaker to settle contentious issues, Shrivastav understands that a "precedent" is best followed.

GENTLE REMINDER

AS THE election fever reaches its pinnacle on the result day, the Union Ministry of Information and Broadcasting on Wednesday issued an advisory to private channels and reminded non-news channels that their licensing agreement does not allow them to broadcast news. The advisory, it is learned, was put out as a reminder for non-news channels that they have given an undertaking not to show any news, which would mean that they should not announce seat numbers, or other result-related information on Thursday.

Break-in reported at IAF Rafale team's Paris office

EXPRESS NEWS SERVICE NEW DELHI, MAY 22

THE PARIS office of the team monitoring the deal for 36 Rafale fighter aircraft from France was broken in on Sunday. The matter is currently under the investigation of Paris police and no documents have been reported to be stolen. "The incident occurred on Sunday when the office of the Rafale PMT (Project Monitoring Team), which is situated inside the Dassault campus was broken into. It was not the only office which was broken into in the campus. The matter is being investigated by the police, and no documents have been stolen from the office," official sources

The matter is currently under investigation of and no documents were reported stolen

told *The Indian Express*. IAF has a PMT, headed by a Group Captain, in France to monitor the implementation of the deal which was signed in September 2016. The first of the 36 Rafale fighter jets is to be delivered in September this year. The deal has been controversial with the matter reaching the Supreme Court, which has reserved its judgment on a review petition alleging corruption and wrongdoing.

Lanka, Pulwama steeled our resolve to fight terror: Sushma

EXPRESS NEWS SERVICE NEW DELHI, MAY 22

INDIA ON Wednesday said the bombings in Sri Lanka at a time when the wounds of the Pulwama terror attack were still raw in people's mind have made it more determined to resolutely fight against terrorism.

Addressing the meeting of the Shanghai Cooperation Organisation Council of Foreign Ministers in Kyrgyzstan capital Bishkek, External Affairs Minister Sushma Swaraj said India is determined to consistently strengthen cooperation within the SCO framework for comprehensive, cooperative and sustainable security.

"Our heart goes out to our brothers and sisters of Sri Lanka, who have recently witnessed the ghastly act of terrorism. Our wounds of Pulwama attack were still raw and the news from the neighbourhood has made us more determined to resolutely fight against this menace," Swaraj said at the meeting, also attended by Pakistan Foreign Minister Shah Mahmood Qureshi.

Swaraj said India is open to ideas on how we can make the work of Regional Anti-Terrorism Structure (RATS), which specifically deals with issues relating to security and defence, more effective.

In spite of a turbulent global scenario, SCO member states

External Affairs Minister Sushma Swaraj with other leaders, including Pakistan's Shah Mahmood Qureshi, at the SCO meet, in Bishkek, Kyrgyzstan on Wednesday. PTI

have been steadily expanding mutually beneficial cooperation in various spheres, including political, security and development, Swaraj said.

She said that India is committed to continue working for a favourable environment for the SCO member countries' economic activities and to intensify work on the relevant SCO documents dealing with economic and trade cooperation.

"India subscribes to a rule-based, transparent, non-discriminatory, open and inclusive multilateral trading system, centred around the World Trade Organisation, and firmly oppose unilateralism and protectionism," she said, amid the trade war between China and the US.

Swaraj said science and technology-led innovation and the

digital economy are the key areas which could play an important role in the long-term inclusive and sustainable growth.

Swaraj said India is committed to regional connectivity which is evident from its involvement in the International North-South Transport Corridor, Chabahar Port, Ashgabat Agreement and India-Myanmar-Thailand Trilateral Highway.

"We have also operationalised air freight corridors between Kabul and Kandahar and New Delhi and Mumbai in 2017. We welcome regional connectivity initiatives, that are inclusive, sustainable, transparent and respect the principles of sovereignty and territorial integrity," Swaraj said, apparently referring to India's objection to the China-Pakistan Economic

Corridor which passes through Pakistan-occupied Kashmir.

She said India supports initiatives for capacity building, human resource development and fostering greater interaction among the youth of the region.

India, she said, is ready to share its expertise with other SCO members in such fields as agriculture, medicine, Information Technology, space and finance. "India stands committed to any process, which can help Afghanistan emerge as a united, peaceful, secure, stable, inclusive and economically vibrant nation, with guaranteed gender and human rights. I wish to once again underscore the importance India attaches to SCO Afghanistan Contact Group and welcome an early conclusion..." said the Union minister.

AGUSTA WESTLAND CHOPPER CASE ED files charges against 'agent' Sushen Gupta

EXPRESS NEWS SERVICE NEW DELHI, MAY 22

THE ENFORCEMENT Directorate (ED) on Wednesday filed a supplementary chargesheet before a Delhi special court against alleged defence agent Sushen Mohan Gupta, alleging that the accused is directly connected to laundering of kickbacks in the Augusta Westland VVIP chopper deal case.

The chargesheet, filed before Special Judge Arvind Kumar, states that Gupta had direct dealings with M/s Interstellar Technologies, and the kickbacks were allegedly transferred to several entities or people.

Gupta, arrested under the Prevention of Money Laundering Act on March 23, is in judicial custody at present. He was arrested on the basis of information pro-

vided to ED by Rajeev Saxena.

The ED had arrested Saxena in January this year. He is accused of floating several companies to route kickbacks to "various political persons, bureaucrats and Air Force officials". The Rs 3,600-crore deal was for the purchase of 12 AW101 helicopters for the Indian Air Force.

Gupta's arrest is the third major development in the case. In December 2018, the ED had extradited British national Michel Christian, a key accused, from the UAE. The 54-year-old is accused of brokering the deal.

Earlier, the agency had claimed during Sushen Gupta's custodial remand that he was "misguiding the investigation by deliberately giving wrong explanation of abbreviations in his diaries, in which the abbreviation 'RC' finds mention in many pages..." the ED had stated.

AMITABH SINHA PUNE, MAY 22

THE RISAT-2B satellite, launched by the Indian Space Research Organisation (ISRO) Wednesday morning, adds to India's capability to observe the earth in all weathers and all conditions. The RISAT, or radar imaging satellite, is equipped with a sensor known as 'synthetic aperture radar', that takes what are known as 'radar images'.

Very much like the flashlights of the camera, which release visible light to illuminate an object and then use the reflected light to create an image, the synthetic aperture radar send out hundreds of radio signals every second towards the subject (in this case, the earth) and capture the reflected signals to create a radio image, which can then be used by computers

ISRO's PSLV-C46 carrying the RISAT-2B observation lifts off from Sriharikota in Nellore district on Wednesday. PTI

to build a real image. Because the very large wavelength radio waves are not obstructed by clouds, dust or similar other obstacles in the atmosphere, they produce reliable images during day and night and all seasons.

ISRO said the images taken by RISAT-2B would be used for applications in agriculture, forestry and disaster manage-

Latest satellite adds to India's observation capabilities in all weather conditions

ment support. But services of such satellites are also in great demand from national security agencies as well.

Two satellites in RISAT series have earlier been launched by ISRO. RISAT-2 was the first one to be launched, in 2009, while RISAT-1, which had got delayed, was launched only in 2012. RISAT-1 is no longer operational.

After a very long time, ISRO's PSLV rocket was used to launch just one satellite into space. In recent times, ISRO has been launching multiple satellites at one go.

Odisha: State Congress unit concedes defeat before counting

Bhubaneswar: A day before the counting of votes take place, Odisha Congress president Niranjana Patnaik on Wednesday conceded that the party will not be able to form a government on its own in the state, and may even lose the main opposition party status.

Patnaik's statement indicated that it is a straight fight between the Biju Janata Dal (BJD) and the Bharatiya Janata Party (BJP) in Odisha, a state where Congress had its government for several times in the past and where it is principal opposi-

tion to the Naveen Patnaik headed party for the last 19 years.

"We (Congress) will not be able to form the government in the state on our own. However, our performance will be better than in 2014," Patnaik told reporters here during an interaction while reacting to exit polls predictions. "We may also lose the opposition status," he said.

The Congress had in 2014 bagged only 16 out of the total 147 seats in Odisha Assembly and had failed to open its account in the Lok Sabha polls. PTI

Disgruntled NCP leader quits party, joins Shiv Sena

Mumbai: A DAY before the Lok Sabha results are announced, former minister and NCP leader Jaydutt Kshirsagar resigned as a legislator and joined the Shiv Sena in the presence of party chief Uddhav Thackeray in Mumbai on Wednesday.

Sena leaders said Kshirsagar has been in touch with the party leadership for the last few months. He had met Uddhav at 'Matoshree' on April 6 to greet him on the occasion of Gudi Padwa and Marathi new year.

Kshirsagar had been upset with the NCP leadership for ignoring him and giving importance to his arch rival Dhananjay Munde, Leader of Opposition in Legislative Council, said a leader. Welcoming Kshirsagar into the party fold, Uddhav said the Sena and its credibility is expanding. "You will have the responsibility of strengthening and expanding the Sena in Beed and Maharashtra. I'm sure Kshirsagar will get to work as per your wish," he said. ENS

टमाटर चोरी करते पकड़ा गया तो कर दी हत्या, गिरफ्तार

जबलपुर, 22 मई (भाषा)।

जिले में पनागर थाना क्षेत्र के एक गांव में मंगलवार की रात टमाटर चोरी करते हुए पकड़े जाने पर एक किसान से दूसरे किसान की कथित तौर पर कुल्हाड़ी से हमला कर हत्या कर दी। पुलिस ने आरोपी किसान को गिरफ्तार कर लिया है। पनागर पुलिस थाने के प्रभारी निरीक्षक रविंद्र वर्मा ने बताया कि टगर महगंवा गांव

के निवासी किसान चक्रेश पटेल को किसान राजेंद्र पटेल की हत्या के आरोप में गिरफ्तार किया गया है। उन्होंने बताया कि राजेंद्र पटेल और चक्रेश पटेल के खेत आपस में लगे हुए हैं। दोनों ने अपने खेतों में टमाटर की फसल लगाई थी।

राजेंद्र की फसल अच्छी हुई थी और चक्रेश के खेत में टमाटर की फसल कुछ ठीक नहीं आई थी। उन्होंने बताया कि राजेंद्र रात को भोजन करने के बाद अपने

खेत देखने के लिए गया था तब उसने वहां देखा कि चक्रेश उसके खेत से टमाटर चुरा रहा था। उसने टमाटर चुराते हुए चक्रेश को पकड़ा और मोबाइल कर अपने परिजनों को इस बारे में सूचित किया और कहा कि वह चक्रेश को लेकर आ रहा है। जब रात को काफी देर बाद भी राजेंद्र वापस नहीं आया तो परिजन उसे तलाशते हुए खेत पर पहुंचे, उन्होंने देखा कि चक्रेश अपने खेत में काम कर रहा था।
