**Statement of unaudited financial results for the quarter ended 30 June 2021**

**Notes:**

- 1 The financial results have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
- 2 The Company has identified 'Healthcare Segment' as its only reportable segment in accordance with the requirements of Ind AS 108, 'Operating Segments'. Accordingly no segment information has been provided.
- 3 The Company, which is in the business of manufacture and supply of essential goods, has been assessing the impact of the COVID-19 pandemic (including the second wave) on its business and believes that the pandemic does not have a material impact on the current or future operations, financial position and liquidity of the Company. Management has considered all significant possible impact of known events arising from the pandemic in the preparation of these financial results. Assessing the impact of COVID-19 is, however, a continuing process given the uncertainties associated with its nature and duration. The Company will continue to closely monitor any material changes to future economic conditions.
- 4 During the quarter, the Company received a demand notice for an amount of Rs.15,738.9 lakhs (and interest thereupon) under Trade Margin Rationalisation notification ("TMR notification") from National Pharmaceutical Pricing Authority (NPPA) alleging overcharging of a patented anti-cancer drug sold during the period of 8 March 2019 to 31 January 2021. The said drug has been included with certain other anti-cancer medicines, on which trade margin caps are applicable under TMR notification. Based on evaluation, Management is of the view that the TMR notification is not applicable to the aforesaid patented drug and all applicable laws relating to the pricing of the product have been complied with. The Company has filed a Writ Petition before the High Court of Delhi challenging the NPPA's demand notice. Based on assessment, supported by external legal advice, Management has concluded that it has a strong case and the Company can defend its position. Accordingly, no provision has been made in these financial results.
- 5 The Board of Directors, at its meeting dated 09 August 2021, has declared an interim dividend of Rs. 2/- per equity share aggregating to Rs 500.0/- lakhs
- 6 The figures for the quarter ended 31 March 2021 are the balancing figures between the audited figures in respect of the full financial year 31 March 2021 and the published unaudited year to date figures up to the third quarter of the respective financial year i.e., 31 December 2020 which were subjected to review by the statutory auditors.
- 7 Previous period's figures have been regrouped/reclassified, where necessary, to conform with the current period's presentation for the purpose of comparability.
- 8 This statement of financial results was reviewed and recommended by the Audit Committee of the Board and subsequently approved by the Board of Directors at their respective meetings held on 09 August 2021. The Statutory auditors of the Company have carried out a limited review of this statement of financial results for the quarter ended 30 June 2021.

1. We have reviewed the unaudited financial results of AstraZeneca Pharma India Limited (the "Company") for the quarter ended June 30, 2021 which are included in the accompanying 'Statement of unaudited financial results for the quarter ended June 30, 2021' and the notes thereon (together referred to as the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
