Limited Review Report on Standalone Unaudited Financial Results of Reliance Communications Limited for the Quarter ended June 30, 2020 pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors / Resolution Professional (RP) of Reliance Communications Limited

1. The Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by a financial creditor against Reliance Communications Limited ("the Company") and appointed Resolution Professional (RP) who has been vested with management of affairs and powers of the Board of Directors with direction to initiate appropriate action contemplated with extant provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.
2. We have reviewed the accompanying statement of standalone unaudited financial results of the Company for the quarter ended June 30, 2020 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
3. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company and taken on record by the RP in their meeting held on October 17, 2020, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
4. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
5. We draw attention to Note no. 3 & 5 of the Statement, "Assets Held for Sale (AHS)" including Wireless Spectrum, Towers, Fiber and Media Convergence Nodes (MCNs) and liabilities continue to be classified as held for sale at the value ascertained at the end of March 31, 2018 alongwith liabilities, for the reasons referred to in the aforesaid note and impact of the non payment of spectrum installments due to Department of Telecommunication (DOT). Non determination of fair value as on the reporting date is not in compliance with Ind AS 105 "Non Current Assets Held for Sale and Discontinued Operations". Accordingly, we are unable to comment on the consequential impact, if any, on the carrying amount of Assets Held for Sale and on the reported losses for the quarter ended June 30, 2020.
6. We draw attention to Note no. 4 of the Statement regarding admission of the Company and its three subsidiaries into Corporate Insolvency Resolution Process ("CIRP"), and pending determination of obligations and liabilities with regard to various claims submitted by the Operational/financial/other creditors and employees including interest payable on loans during CIRP. We are unable to comment the accounting impact there of pending reconciliation and determination of final obligation. The Company accordingly has not provided interest on borrowings amounting to Rs. 1,000 crore for the

quarter ended June 30, 2020 and Rs. 11,174 crore up to the previous financial year calculated based on basic rate of interest as per terms of loan. The Company further has not provided for foreign exchange variance (gain)/ loss amounting to Rs. (32) crore for the quarter ended June 30, 2020 and Rs. 2,116 crore of loss up to the previous financial year. Had such interest and foreign exchange variation (gain)/ loss as mentioned above been provided, the reported loss for the quarter ended June 30, 2020 would have been higher by Rs. 968 crore. Non provision of interest and non-recognition of foreign exchange variation (gain)/ loss is not in compliance with Ind AS 23 "Borrowing Costs" and Ind AS 21 "The Effects of Changes in Foreign Exchange Rates" respectively.

7. We draw attention to Note no. 3 of the Statement, regarding pending comprehensive review of carrying amount of all other assets including investment & liabilities for the reasons stated in the aforesaid note and accordingly non-provision for impairment of carrying value of assets and write back of liabilities if any, pending completion of the corporate insolvency resolution process. Further Goods & Service Tax (GST) and Tax Deducted at Source (TDS) are pending reconciliation. In the absence of Comprehensive review as mentioned above for the carrying value of all the assets and liabilities and pending reconciliation of GST and TDS, we are unable to comment that whether any adjustment is required in the carrying amount of such assets and liabilities and consequential impact, if any, on the reported losses for the quarter ended June 30, 2020. Non determination of fair value of financial assets & liabilities and carrying amount for other assets and liabilities are not in compliance with Ind AS 109 "Financial Instruments" and Ind AS 37 "Provisions, Contingent Liabilities & Contingent Assets".
8. We draw attention to Note no. 9 of the Statement, regarding non adoption of Ind AS 116 "Leases" effective from April 01, 2019 and the consequent impact thereof. The aforesaid accounting treatment is not in accordance with Ind AS 116.
9. We draw attention to Note no. 3 of the Statement, regarding continuous losses incurred by the Company, current liabilities exceeding its current assets, default in repayment of borrowings and default in payment of regulatory and statutory dues. This situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The accounts however have been prepared by the management on a going concern basis for the reason stated in the aforesaid note. We however are unable to obtain sufficient and appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the financial results, in view of ongoing Corporate Insolvency Resolution Process, the outcome of which cannot be presently ascertained.
10. Based on our review conducted as above, except for the matters described in paragraphs 5 to 9 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with applicable Accounting Standards i.e. Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.
11. We draw attention to Note no. 7 of the Statement, regarding provision of license fee and spectrum usage charges based on management estimates pending special audit from Department of Telecommunications, pursuant to the judgment of Hon'ble Supreme Court of India, vide its order dated October 24, 2019 and status of payment thereof. Our conclusion on the Statement is not modified in respect of this matter.

12. We draw attention to Note no. 15 of the Statement, as regards to the management evaluation of impact of COVID-19 on the future performance of the Company. The actual outcome of the assumptions and estimates may vary in future due to impact of pandemic. Our conclusion on the Statement is not modified in respect of this matter.
13. The entire review process was carried out from remote locations i.e. other than the office of the Company, where books of account and other records are kept, based on the data/details or financial information provided to us through digital medium, owing to lockdown imposed by the Central Government to restrict the spread of COVID-19. Being constrained, we resorted to and relied upon the results of the alternative procedures to obtain sufficient and appropriate audit evidence for significant matters in course of our review. Our conclusion on the Statement is not modified in respect of this matter.
14. Pursuant to applications filed by Ericsson India Pvt. Ltd. before the NCLT, Mumbai Bench in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the applications and ordered the commencement of CIRP of the Company and two of its subsidiaries namely Reliance Infratel Limited and Reliance Telecom Limited (collectively, the "Corporate Debtors") vide its orders dated May 15, 2018. The committee of creditors ("CoC") of the Corporate Debtors, at the meetings of the CoC held on May 30, 2019, in terms of Section 22 (2) of the Code, resolved with the requisite voting share, to replace the Interim Resolution Professionals with the Resolution Professional for the Corporate Debtors, which has been confirmed by the NCLT in its orders dated June 21, 2019 (published on the website of the NCLT on June 28, 2019).
15. As per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the standalone unaudited financial results of the Company submitted to the stock exchange shall be signed by the Chairperson or Managing Director or Whole Time Director or in absence of all of them, it shall be signed by any Director of the Company who is duly authorized by the Board of Directors to sign the standalone unaudited financial results. As mentioned in Note No 1 of the Statement, in view of the ongoing Corporate Insolvency Resolution Process, the powers of the board of directors stand suspended and are exercised by the Resolution Professional.

Notes:

1. Pursuant to an application filed by Ericsson India Pvt. Ltd before the National Company Law Tribunal, Mumbai Bench (“**NCLT**”) in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed there under (“**Code**”), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process (“**CIRP**”) of Reliance Communications Limited (“**Corporate Debtor**”) vide its order dated May 15, 2018. The NCLT had appointed Mr. Pardeep Kumar Sethi as the interim resolution professional for the Corporate Debtor vide its order dated May 18, 2018. However, the Hon'ble NCLAT by an order dated May 30, 2018 had stayed the order passed by the Hon'ble NCLT for initiating the CIRP of the Corporate Debtor and allowed the management of the Corporate Debtor to function. In accordance with the order of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi handed over the control and management of the Corporate Debtor back to the erstwhile management of the Corporate Debtor on May 30, 2018. Subsequently, by order dated April 30, 2019, the Hon'ble NCLAT allowed stay on CIRP to be vacated. On the basis of the orders of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi, wrote to the management of the Corporate Debtor on May 02, 2019 requesting the charge, operations and management of the Corporate Debtor to be handed over back to IRP. Therefore, Mr. Pardeep Kumar Sethi had in his capacity as IRP taken control and custody of the management and operations of the Corporate Debtor from May 02, 2019. Subsequently, the committee of creditors of the Corporate Debtor pursuant to its meeting held on May 30, 2019 resolved, with requisite voting share, to replace the existing interim resolution professional, i.e. Mr. Pardeep Kumar Sethi with Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor in accordance with Section 22(2) of the Code. Subsequently, upon application by the CoC in terms of Section 22(3) of the Code, the NCLT appointed Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor (“**RP**”) vide its order dated June 21, 2019, which was published on June 28, 2019 on the website of the NCLT. Accordingly, the IRP handed over the matters pertaining to the affairs of the Corporate Debtor to the RP as on June 28, 2019 who assumed the powers of the board of directors of the Corporate Debtor and the responsibility of conducting the CIRP of the Corporate Debtor.

Further, pursuant to the meeting of the committee of creditors of the Corporate Debtor dated March 2, 2020, a resolution plan, submitted by a resolution applicant in respect of the Corporate Debtor, has been approved by the committee of creditors. The application under Section 31 of the Code filed by the RP for approval of resolution plan is currently pending adjudication before the NCLT.

With respect to the financial results for the quarter ended June 30, 2020, the RP has signed the same solely for the purpose of ensuring compliance by the Corporate Debtor with applicable laws, and subject to the following disclaimers:

- (i) The RP has furnished and signed the report in good faith and accordingly, no suit, prosecution or other legal proceeding shall lie against the RP in terms of Section 233 of the Code;

- (ii) No statement, fact, information (whether current or historical) or opinion contained herein should be construed as a representation or warranty, express or implied, of the RP including, his authorized representatives and advisors;
- (iii) The RP, in review of the financial results and while signing this statement of financial results, has relied upon the assistance provided by the directors of the Corporate Debtor, and certifications, representations and statements made by the directors of the Corporate Debtor, in relation to these financial results. The statement of financial results of the Corporate Debtor for the quarter ended June 30, 2020 have been taken on record by the RP solely on the basis of and on relying the aforesaid certifications, representations and statements of the aforesaid directors and the management of the Corporate Debtor. For all such information and data, the RP has assumed that such information and data are in the conformity with the Companies Act, 2013 and other applicable laws with respect to the preparation of the financial results and that they give true and fair view of the position of the Corporate Debtor as of the dates and period indicated therein. Accordingly, the RP is not making any representations regarding accuracy, veracity or completeness of the data or information in the financial results.
- (iv) In terms of the provisions of the Code, the RP is required to undertake a review of certain transactions. Such review has been completed and the RP has filed the necessary applications with the adjudicating authority.

During the quarter ended September 30, 2019, Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Corporate Debtor, had been admitted by NCLT for resolution process under the Code.

- 2. Figures of the previous period /year have been regrouped and reclassified, wherever required.
- 3. During the quarter ended June 30, 2019, the CIRP in respect of the Corporate Debtor and its subsidiaries; Reliance Telecom Limited (RTL) and Reliance Infratel Limited (RITL) has been re-commenced, and interim resolution professionals had been appointed in respect of the aforesaid companies. Subsequently, appointment of Mr. Anish Niranjana Nanavaty as the Resolution Professional (RP) of the Corporate Debtor and its subsidiaries has been confirmed by the NCLT vide its order dated June 21, 2019 which was published on June 28, 2019 on the NCLT's website.

Pursuant to strategic transformation programme, as a part of asset monetization and resolution plan of the Corporate Debtor, the Corporate Debtor and its subsidiary companies; RTL and RITL, with the permission of and on the basis of suggestions of the lenders, had entered into definitive binding agreements with Reliance Jio Infocomm Limited (RJio) for monetisation of certain specified assets on December 28, 2017 for sale of Wireless Spectrum, Towers, Fiber and Media Convergence Nodes (MCNs). During the previous financial year, the said asset sale agreements were terminated by

mutual consent on account of various factors and developments including *inter alia* non receipt of consents from lenders and permission/ approvals from Department of Telecommunication.

On completion of the corporate insolvency resolution process, the Corporate Debtor will carry out a comprehensive review of all the assets including investments, liabilities and Impairment of goodwill on Consolidation and accordingly provide for impairment of assets and write back of liabilities, if any. Further, the Corporate Debtor and some of its subsidiaries are in the process of reconciling Goods & Service Tax (GST) and Tax Deducted at source. The Auditors have drawn qualification in this regard in their Limited Review Report for the quarter ended June 30, 2020.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its three subsidiaries (Group) *inter alia* with the objective of running them as going concerns, the financial results continue to be prepared on going concern basis. However, since the Group continues to incur loss, current liabilities exceed current assets and Group has defaulted in repayment of borrowings, payment of regulatory and statutory dues, these events indicate that material uncertainty exists that may cast significant doubt on Group's ability to continue as a going concern. The Auditors have drawn qualification in their Limited Review Report for the quarter ended June 30, 2020.

4. Considering various factors including admission of the Corporate Debtor and its three subsidiaries; RTL RITL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact if any will be given on completion of CIRP.

Further, prior to May 15, 2018, the Corporate Debtor and its said subsidiaries were under Strategic Debt Restructuring (SDR) and asset monetization and debt resolution plan was being worked out. The Corporate Debtor has not provided Interest of Rs. 1,000 crore calculated based on basic rate of interest as per terms of loan for the quarter ended June 30, 2020 and foreign exchange gain aggregating to Rs 32 crore for the quarter ended June 30, 2020. Had the Corporate Debtor provided Interest and foreign exchange variation, the Loss would have been higher by Rs. 968 crore for the quarter ended June 30, 2020. The Auditors have drawn qualification for non provision of interest and foreign exchange variations in their Limited Review Report for the quarter ended June 30, 2020. During the previous years, Interest of Rs 11,174 crore and foreign exchange loss aggregating to Rs 2,116 crore were not provided and the Auditors had drawn qualification in their audit report for the financial year ended March 31, 2018, March 31, 2019 and March 31, 2020.

5. Assets held for sale including Wireless Spectrum, Towers, Fiber and Media Convergence Nodes (MCNs) continue to be classified as held for sale at the value ascertained at the end of March 31, 2018, along with liabilities, for the reasons referred in Note 3 above and disclosed separately as discontinued operations in line with Ind AS 105 “Non-current Assets Held for Sale and Discontinued Operations”.

In this regard it is pertinent to note that the due pertaining to the spectrum (including entire deferred payments) have been claimed by DoT and the same have been admitted by the RP, and accordingly, the dues shall be dealt with in accordance with provisions of the IBC. In accordance with the aforesaid and admission of deferred spectrum installments as claims, the Corporate Debtor and its subsidiary RTL have not paid the installments.

The financial result of discontinued operations is as under:

6. During the previous year, GCX Limited, a step down subsidiary of RCOM, along with its subsidiaries/affiliates (collectively, “GCX”) had filed for voluntary pre-packaged restructuring under Chapter 11 of the US Bankruptcy Code before Delaware court, USA. Objections were filed on behalf of the Corporate Debtor which was not accepted by the court. The plan filed by GCX had been confirmed by the court on December 4, 2020.

The Plan, as confirmed, provides that the old equity interests in the Debtors would be extinguished and the new ownership would pass to the participating Note holders on the “Effective Date” of the Plan. It provided that certain transactions needed to occur and various regulatory approvals needed to be obtained before the Debtors would file a Notice of Effective Date (i.e., a notice declaring that, as of the stated date, the Plan had become effective). As of the present date, certain Debtors have not filed any such Notice of Effective Date, and the Plan has not become “effective.” As a result, although the Debtors and the Note holders continue to work towards satisfying the various Plan requirements, technically, RCOM has not yet been divested of its indirect equity interest in GCX and the other Debtors. Impact on profitability was Rs 6,287 crore for the previous year ended March 31, 2020 and has been represented as part of Exceptional Items.

Pursuant to the order dated February 25, 2020, the court has granted a motion filed by GCX Limited along with the other debtors aimed at addressing the issues they have been having in completing the steps to make their plan effective inter alia seeking approval for process whereby a bifurcation has been created wherein debtors not requiring regulatory approvals could complete their processes and arrive at effective date, while others may wait for occurrence of their effective date upon fulfillment of regulatory approvals. Accordingly, on April 14, 2020, a notice has been issued intimating occurrence of “Effective Date” of certain “non-regulated debtors” while the “Effective Date of the Plan with respect to Debtors GCX Limited, FLAG Telecom Network USA Limited, Reliance Globalcom Limited, and Vanco US, LLC (collectively, the “Regulated Debtors”) is expected to occur at a later date”. The court confirmed the aforesaid and entered order on April 21, 2020.

A notice by GCX entities has been filed on June 30, 2020 to further extend the plan effectiveness deadlines to December 31, 2020 with respect to the Regulated Debtors. A motion has been filed on July 2, 2020 seeking further extension for (a) the Plan Period through and including December 31, 2020 and (b) the Solicitation Period through and including February 8, 2021. The Debtors have further requested that entry of the Proposed Order be without prejudice to the Debtors’ rights to seek additional extensions of the Exclusive Periods.

7. The Hon’ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license. Vide order dated March 18, 2020, the Supreme Court has directed that self-assessment/re-assessment of AGR dues by telecom companies will not be permitted and the dues are to be paid along with interest and penalty as per the AGR judgment dated October 24, 2019. The DoT had filed an application on March 16, 2020, wherein it has sought permission from the Supreme Court to recover the AGR dues from the telecom companies in a staggered manner over a period of 20 years. Vide order dated July 20, 2020, the Supreme Court observed that it would examine the bona fide of the telecom operators that have gone into insolvency. The hearing on the matter continued over several weeks wherein various arguments had been placed by the counsel representing the RP (as well as counsel for COC).

On September 01, 2020, the Supreme Court pronounced the judgment in the AGR matter. It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision, and has held the following:

“We consider it appropriate that the aforesaid various questions should first be considered by the NCLT. Let the NCLT consider the aforesaid aspects and pass a reasoned order after hearing all the parties. We make it clear that it being a jurisdictional question, it requires to be gone into at this stage itself. Let the question be decided within the outer limits of two months. We also make it clear that we have not observed on the merits of the case, and we have kept all the questions open to be examined by the NCLT.”

The matter currently remains *sub judice* before the Hon’ble NCLT.

Further, in its judgement dated September 1, 2020, reiterating that AGR dues as per original decision should be paid, the Hon'ble Supreme Court directed that DoT should complete the assessment in cases where demand had not been raised and raise demand if it has not been raised, to examine the correctness of self-assessment and raise demand, if necessary, after due verification. In case demand notice has not been issued, DoT should raise the demand within six weeks from date of judgement.

Considering various factors including admission of the Corporate Debtor and its subsidiary RTL to resolution process under the Code and the moratorium applicable under Code, discharge of the aforesaid liability will be dealt with in accordance with the Code (subject to directions of the adjudicating authority). This matter has been referred to by the Auditors in their Limited Review report for the quarter ended June 30, 2020.

15. While the Corporate Debtor is sensitive about the impact of the pandemic (COVID-19), not only on the human life but on businesses and industrial activity across the globe, however, its effect will only be realized and ascertained over the next few months.

The Corporate Debtor has been monitoring the situation closely and has taken proactive measures to comply with various directions / regulations / guidelines issued by Government of India, various state governments and local bodies to ensure safety of workforce across all its offices.

Vide notification dated March 24, 2020 issued by Ministry of Home Affairs, a nation-wide lockdown was announced to contain COVID-19 outbreak and same had been extended for additional period. However, Telecommunication services, being essential services, had been exempted and permitted to continue operation during the period of lockdown. The Corporate Debtor has continued to provide services to its Enterprise customers without any interruptions and honour commitments, despite facing all odds during lockdown.

The extent to which the COVID-19 pandemic will impact the Corporate Debtor's future financial results will depend on upcoming developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and the action to mitigate its spread as advised by local authorities. As the Corporate Debtor is undergoing CIRP, it is relevant to note that the period of lockdown is notified to be exempt under the Code for the purpose of timeline to complete the CIRP. Non determination of fair value as on the reporting date is not in compliance with Ind AS 105 "Non Current Assets Held for Sale and Discontinued Operations". Accordingly, we are unable to comment on the consequential impact, if

any, on the carrying amount of Assets Held for Sale and on the reported losses for the quarter ended June 30, 2020.

7. We draw attention to Note no. 4 of the Statement regarding admission of the Parent Company and its three subsidiaries into Corporate Insolvency Resolution Process ("CIRP") and pending determination of obligations and liabilities including various claims submitted by the Operational / financial / other creditors and employees including interest payable on loans during CIRP. We are unable to comment the accounting impact and disclosure thereof pending reconciliation and determination of final obligation.

The Parent Company and some of its subsidiaries accordingly have not provided interest on borrowings amounting to Rs. 1,117 crore for the quarter ended June 30, 2020 and Rs. 12,746 crore up to the previous financial year as per the terms of the borrowings. The Parent Company and some of its subsidiaries further has not credited / provided for foreign exchange variance (gain)/loss amounting to Rs. Had such interest and foreign exchange variation (gain)/ loss as mentioned above been provided, the reported loss for the quarter ended June 30, 2020 would have been higher by Rs. 1,078 crore. Non provision of interest and non recognition of foreign exchange variation (gain)/loss is not in compliance with Ind AS 23 "Borrowing Costs" and Ind AS 21 "The Effects of Changes in Foreign Exchange Rates" respectively.

8. We draw attention to Note no. 3 of the Statement, regarding the pending comprehensive review of carrying amount of all other assets including investments & liabilities, impairment of goodwill on consolidation for the reason stated in the said note and accordingly non provision for impairment of carrying value of assets and write back of liabilities if any, by the Group. Further Goods & Service Tax (GST) and Tax Deducted at source (TDS) are pending reconciliation. In the absence of Comprehensive review as mentioned above for the carrying amount of all other assets and liabilities and pending reconciliation of GST and TDS, we are unable to comment that whether any adjustment is required in the carrying amount of such assets and liabilities and consequential impact, if any, on the reported losses for the quarter ended June 30, 2020. Non determination of fair value of financial assets & liabilities are not in compliance with Ind AS 109 "Financial Instruments" & non determination of carrying amount of non-financial assets & liabilities are not in compliance, Ind AS 36 "Impairment of Assets" and Ind AS 37 "Provisions, Contingent Liabilities & Contingent Assets".

The Company and some of its subsidiaries have not applied Ind AS 116. The aforesaid accounting treatment is not in accordance with the relevant Ind AS 116.

We draw attention to Note no. 3, 6 & 7 of the Statement, regarding termination of definitive binding agreement for monetization of assets of the Company and two of its subsidiaries namely RTL & RITL and the on going CIRP, the outcome of which cannot be presently ascertained. Further one of the Company's foreign step-down subsidiaries namely GCX Limited has ceased to be the subsidiary on initiation of a voluntary application under Chapter 11 of US States Bankruptcy Code on account of default in payment to 7% Senior Secured Notes amounting to USD 350 million due for payment on August 01, 2019 which has been confirmed by the Delaware Court order as explained in Note No 6 of the Statement. The group has continued to incur losses, its current liabilities exceed current assets and

defaulted in repayment of its borrowings and payment of statutory dues. Further, auditors of material subsidiaries of the Company have qualified their reports with respect to Going Concern on account of reasons mentioned above.

Notes:

1. Pursuant to an application filed by Ericsson India Pvt. Ltd before the National Company Law Tribunal, Mumbai Bench (“**NCLT**”) in terms of Section 9 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder (“**Code**”), the NCLT had admitted the application and ordered the commencement of corporate insolvency resolution process (“**CIRP**”) of Reliance Communications Limited (“**Corporate Debtor**”) vide its order dated May 15, 2018. The NCLT had appointed Mr. Pardeep Kumar Sethi as the interim resolution professional for the Corporate Debtor vide its order dated May 18, 2018. However, the Hon'ble NCLAT by an order dated May 30, 2018 had stayed the order passed by the Hon'ble NCLT for initiating the CIRP of the Corporate Debtor and allowed the management of the Corporate Debtor to function. In accordance with the order of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi handed over the control and management of the Corporate Debtor back to the erstwhile management of the Corporate Debtor on May 30, 2018. Subsequently, by order dated April 30, 2019, the Hon'ble NCLAT allowed stay on CIRP to be vacated. On the basis of the orders of the Hon'ble NCLAT, Mr. Pardeep Kumar Sethi, wrote to the management of the Corporate Debtor on May 02, 2019 requesting the charge, operations and management of the Corporate Debtor to be handed over back to IRP. Therefore, Mr. Pardeep Kumar Sethi had in his capacity as IRP taken control and custody of the management and operations of the Corporate Debtor from May 02, 2019. Subsequently, the committee of creditors of the Corporate Debtor pursuant to its meeting held on May 30, 2019 resolved, with requisite voting share, to replace the existing interim resolution professional, i.e. Mr. Pardeep Kumar Sethi with Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor in accordance with Section 22(2) of the Code. Subsequently, upon application by the CoC in terms of Section 22(3) of the Code, the NCLT appointed Mr. Anish Niranjana Nanavaty as the resolution professional for the Corporate Debtor (“**RP**”) vide its order dated June 21, 2019, which was published on June 28, 2019 on the website of the NCLT. Accordingly, the IRP handed over the matters pertaining to the affairs of the Corporate Debtor to the RP as on June 28, 2019 who assumed the powers of the board of directors of the Corporate Debtor and the responsibility of conducting the CIRP of the Corporate Debtor.

Further, pursuant to the meeting of the committee of creditors of the Corporate Debtor dated March 2, 2020, a resolution plan, submitted by a resolution applicant in respect of the Corporate Debtor, has been approved by the committee of creditors. The application under Section 31 of the Code filed by the RP for approval of resolution plan is currently pending adjudication before the NCLT.

With respect to the financial results for the quarter ended June 30, 2020, the RP has signed the same solely for the purpose of ensuring compliance by the Corporate Debtor with applicable laws, and subject to the following disclaimers:

- a. The RP has furnished and signed the report in good faith and accordingly, no suit, prosecution or other legal proceeding shall lie against the RP in terms of Section 233 of the Code;

- c. The RP, in review of the financial results and while signing this statement of financial results, has relied upon the assistance provided by the directors of the Corporate Debtor, and certifications, representations and statements made by the directors of the Corporate Debtor, in relation to these financial results. For all such information and data, the RP has assumed that such information and data are in the conformity with the Companies Act, 2013 and other applicable laws with respect to the preparation of the financial results and that they give true and fair view of the position of the Corporate Debtor as of the dates and period indicated therein. Accordingly, the RP is not making any representations regarding accuracy, veracity or completeness of the data or information in the financial results.
- d. In terms of the provisions of the Code, the RP is required to undertake a review of certain transactions. Such review has been completed and the RP has filed the necessary applications with the adjudicating authority.

During the quarter ended September 30, 2019, Reliance Communications Infrastructure Limited (RCIL), a wholly owned subsidiary of the Corporate Debtor, had been admitted by NCLT for resolution process under the Code.

- 2. Figures of the previous period / year have been regrouped and reclassified, wherever required.
- 3. During the quarter ended June 30, 2019, the CIRP in respect of the Corporate Debtor and its subsidiaries; Reliance Telecom Limited (RTL) and Reliance Infratel Limited (RITL) has been re-commenced, and interim resolution professionals had been appointed in respect of the aforesaid companies. Subsequently, appointment of Mr. Anish Niranjnan Nanavaty as the Resolution Professional (RP) of the Corporate Debtor and its subsidiaries has been confirmed by the NCLT vide its order dated June 21, 2019 which was published on June 28, 2019 on the NCLT's website.

Pursuant to strategic transformation programme, as a part of asset monetization and resolution plan of the Corporate Debtor, the Corporate Debtor and its subsidiary companies; RTL and RITL, with the permission of and on the basis of suggestions of the lenders, had entered into definitive binding agreements with Reliance Jio Infocomm Limited (RJio) for monetisation of certain specified assets on December 28, 2017 for sale of Wireless Spectrum, Towers, Fiber and Media Convergence Nodes (MCNs). During the previous financial year, the said asset sale agreements were terminated by mutual

consent on account of various factors and developments including *inter alia* non receipt of consents from lenders and permission/ approvals from Department of Telecommunication.

On completion of the corporate insolvency resolution process, the Corporate Debtor will carry out a comprehensive review of all the assets including investments, liabilities and Impairment of goodwill on Consolidation and accordingly provide for impairment of assets and write back of liabilities, if any. Further, the Corporate Debtor and some of its subsidiaries are in the process of reconciling Goods & Service Tax (GST) and Tax Deducted at source. The Auditors have drawn qualification in this regard in their Limited Review Report for the quarter ended June 30, 2020.

Considering these developments including, in particular, the RP having taken over the management and control of the Corporate Debtor and its three subsidiaries (Group) *inter alia* with the objective of running them as going concerns, the financial results continue to be prepared on going concern basis. However, since the Group continues to incur loss, current liabilities exceed current assets and Group has defaulted in repayment of borrowings, payment of regulatory and statutory dues, these events indicate that material uncertainty exists that may cast significant doubt on Group's ability to continue as a going concern. The Auditors have drawn qualification in their Limited Review Report for the quarter ended June 30, 2020.

4. Considering various factors including admission of the Corporate Debtor and its three subsidiaries; RTL RITL and RCIL to CIRP under the Code, there are various claims submitted by the operational creditors, the financial creditors, employees and other creditors. The overall obligations and liabilities including obligation for interest on loans and the principal rupee amount in respect of loans including foreign currency denominated loans shall be determined during the CIRP and accounting impact if any will be given on completion of CIRP.

Further, prior to May 15, 2018, the Corporate Debtor and its said subsidiaries were under Strategic Debt Restructuring (SDR) and asset monetization and debt resolution plan was being worked out. The Corporate Debtor and some of its subsidiaries have not provided Interest of Rs. 1,117 Crore calculated based on basic rate of interest as per terms of loan for the quarter ended June 30, 2020 and foreign exchange (Gain) aggregating to Rs 39 crore for the quarter ended June 30, 2020. Had the Corporate Debtor provided Interest and foreign exchange variation, the Loss would have been higher by Rs. 1,078 crore for the quarter ended June 30, 2020. The Auditors have drawn qualification for non provision of interest and foreign exchange variations in their Limited Review Report for the quarter ended June 30, 2020. During the previous years, Interest of Rs 12,746 crore and foreign exchange loss (net) aggregating to Rs 2,593 crore were not provided and the Auditors had drawn qualification in their audit report for the financial year ended March 31, 2018, March 31, 2019 and March 31, 2020.

5. Assets held for sale including Wireless Spectrum, Towers, Fiber and Media Convergence Nodes (MCNs) continue to be classified as held for sale at the value ascertained at the

end of March 31, 2018, along with liabilities, for the reasons referred in Note 3 above and disclosed separately as discontinued operations in line with Ind AS 105 “Non-current Assets Held for Sale and Discontinued Operations”.

In this regard it is pertinent to note that the due pertaining to the spectrum (including entire deferred payments) have been claimed by DoT and the same have been admitted by the RP, and accordingly, the dues shall be dealt with in accordance with provisions of the IBC. 6. During the previous year, GCX Limited, a step down subsidiary of RCOM, along with its subsidiaries/affiliates (collectively, “GCX”) had filed for voluntary pre-packaged restructuring under Chapter 11 of the US Bankruptcy Code before Delaware court, USA. Objections were filed on behalf of the Corporate Debtor which were not accepted by the court. The plan filed by GCX had been confirmed by the court on December 4, 2020.

The Plan, as confirmed, provides that the old equity interests in the Debtors would be extinguished and the new ownership would pass to the participating Note holders on the “Effective Date” of the Plan. It provided that certain transactions needed to occur and various regulatory approvals needed to be obtained before the Debtors would file a Notice of Effective Date (i.e., a notice declaring that, as of the stated date, the Plan had become effective). As of the present date, certain Debtors have not filed any such Notice of Effective Date, and the Plan has not become “effective.” As a result, although the Debtors and the Noteholders continue to work towards satisfying the various Plan requirements, technically, RCom has not yet been divested of its indirect equity interest in GCX and the other Debtors. Impact on profitability was Rs 1,250 crore for the previous year ended March 31, 2020 and has been represented as part of Exceptional Items.

Pursuant to the order dated February 25, 2020, the court has granted a motion filed by GCX Limited along with the other debtors aimed at addressing the issues they have been having in completing the steps to make their plan effective *inter alia* seeking approval for

process whereby a bifurcation has been created wherein debtors not requiring regulatory approvals could complete their processes and arrive at effective date, while others may wait for occurrence of their effective date upon fulfillment of regulatory approvals. Accordingly, on April 14, 2020, a notice has been issued intimating occurrence of “Effective Date” of certain “non-regulated debtors” while the “*Effective Date of the Plan with respect to Debtors GCX Limited, FLAG Telecom Network USA Limited, Reliance Globalcom Limited, and Vanco US, LLC (collectively, the “Regulated Debtors”)* is expected to occur at a later date”. The court confirmed the aforesaid and entered order on April 21, 2020.

A notice by GCX entities has been filed on June 30, 2020 to further extend the plan effectiveness deadlines to December 31, 2020 with respect to the Regulated Debtors. A motion has been filed on July 2, 2020 seeking further extension for (a) the Plan Period through and including December 31, 2020 and (b) the Solicitation Period through and including February 8, 2021. The Debtors have further requested that entry of the Proposed Order be without prejudice to the Debtors’ rights to seek additional extensions of the Exclusive Periods.

The Hon’ble Supreme Court of India, vide its order dated October 24, 2019 had dismissed the petition filed by the telecom operators and agreed with the interpretation of the Department of Telecommunications (DoT) to the definition of Adjusted Gross Revenue (AGR) under the license. Vide order dated March 18, 2020, the Supreme Court has directed that self-assessment/re-assessment of AGR dues by telecom companies will not be permitted and the dues are to be paid along with interest and penalty as per the AGR judgment dated October 24, 2019. The DoT had filed an application on March 16, 2020, wherein it has sought permission from the Supreme Court to recover the AGR dues from the telecom companies in a staggered manner over a period of 20 years. Vide order dated July 20, 2020, the Supreme Court observed that it would examine the bona fide of the telecom operators that have gone into insolvency. The hearing on the matter continued over several weeks wherein various arguments had been placed by the counsel representing the RP (as well as counsel for COC).

On September 01, 2020, the Supreme Court pronounced the judgment in the AGR matter. It has framed various questions in respect of companies under insolvency and in respect of such questions, the Court has held that the same should be decided first by the NCLT by a reasoned order within 2 months, and that it has not gone into the merits in this decision, and has held the following:

Reliance Communications Limited. H Block, 1st Floor, Dhirubhai Ambani Knowledge City, Navi Mumbai - 400 710

“We consider it appropriate that the aforesaid various questions should first be considered by the NCLT. Let the NCLT consider the aforesaid aspects and pass a reasoned order after hearing all the parties. We make it clear that it being a jurisdictional question, it requires to be gone into at this stage itself. Let the question be decided within the outer limits of two months. We also make it clear that we have not observed on the merits of the case, and we have kept all the questions open to be examined by the NCLT.”

The matter currently remains *sub judice* before the Hon’ble NCLT.

Further, in its judgement dated September 1, 2020, reiterating that AGR dues as per original decision should be paid, the Hon’ble Supreme Court directed that DoT should complete the assessment in cases where demand had not been raised and raise demand if it has not been raised, to examine the correctness of self-assessment and raise demand, if necessary, after due verification. In case demand notice has not been issued, DoT should raise the demand within six weeks from date of judgement.

The DoT had during the pendency of the various proceedings simultaneously directed Special Audit in relation to the computation of License fee, Spectrum fee, applicable interest and penalties thereon, which is under progress for the financial year 2015-16 onwards. In this regard, the Corporate Debtor had provided for estimated liability aggregating to Rs. 30,837 crore upto the previous year ended March 31, 2020 and has provided additional charge of Rs. 1,116 crore during the quarter ended June 30, 2020 and represented as exceptional items relating to discontinued operations which may undergo revision based on demands from DoT and/ or any developments in this matter.

Considering various factors including admission of the Corporate Debtor and its subsidiary RTL to resolution process under the Code and the moratorium applicable under Code, discharge of the aforesaid liability will be dealt with in accordance with the Code (subject to directions of the adjudicating authority). This matter has been referred to by the Auditors in their Limited Review report for the quarter ended June 30, 2020.
