Explanatory statement pursuant to section 102 and 110 of the Companies Act, 2013.

Item No. 1: Approval for the Buyback of Equity Shares of the Company.

The Board of Directors of the Company (the “Board”), at its meeting held on November 25, 2022, has, subject to the approval of the members of the Company, by way of a special resolution through Postal Ballot (“Special Resolution”) and subject to such other approvals as may be necessary, and subject to such modifications and conditions, if any, as may be prescribed by the appropriate authorities, approved the proposal to buy-back the Company’s fully paid-up equity shares of face value of INR 1/- (Indian Rupee One) each (“Equity Shares”), from the members of the Company (except promoters, promoter group and persons in control of the Company) at a price not exceeding INR 200/- (Indian Rupees Two Hundred only) per Equity Share (“Maximum Buyback Price”) and such aggregate amount up to INR 9,800 lakhs (Indian Rupees Nine Thousand Eight Hundred Lakhs only) (“Maximum Buyback Size”), through the “Open Market Route” through the Indian Stock Exchanges, in accordance with the provisions of the Securities and Exchange Board of India (Buy-Back of Securities) Regulations, 2018 (as amended) (“Buyback Regulations”) and the Companies Act, 2013 and the rules made thereunder (“Buyback”).

The Maximum Buyback Size represents 14.95% and 14.92% of the aggregate of the total paid-up share capital and free reserves of the Company, which is less than 15% of the aggregate of the total paid-up share capital and free reserves of the Company based on the latest audited standalone and consolidated financial statements (“audited financial statements”) as at March 31, 2022. The indicative maximum number of Equity Shares at the Maximum Buyback Price and the Maximum Buyback Size bought back would be 49,00,000 (Forty Nine Lakhs) Equity Shares (“Maximum Buyback Shares”), comprising approximately 0.55% which is less than 25% of the total paid-up equity share capital of the Company as of March 31, 2022 (on a standalone basis).

Since the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it is necessary to obtain the consent of the members of the Company, to the Buyback, by way of a special resolution through general meeting or through postal ballot. Accordingly, the Company is seeking your consent for the buyback of Equity Shares as contained in the special resolution through postal ballot.

Requisite details relating to the Buyback are given below:

(i) Necessity for the buy-back

The buyback is being undertaken by the Company after taking into account the operational and strategic cash requirements of the Company in medium term and for returning surplus funds to the members in an effective and efficient manner.

The Buyback is being undertaken for the following reasons:

- The Buyback gives the Company an opportunity to distribute surplus cash to its shareholders.
- The Buyback may help in improving return on equity and other financial ratios, by a reduction in the equity base, thereby leading to long term increase in shareholders’ value; and
- The Buyback gives an option to the existing equity shareholders to either participate in the Buyback and receive cash in lieu of equity shares accepted under the Buyback or not participate in the Buyback and enjoy a resultant increase in their percentage shareholding in the Company post the Buyback without any additional investment

(ii) Maximum amount required under the buy-back and its percentage of the total paid up capital and free reserves

The maximum amount of funds required for the Buyback will aggregate up to INR 9,800 lakhs (Indian Rupee Nine Thousand Eight Hundred Lakhs only), being 14.95% and 14.92% of the aggregate of the total paid-up share capital and free reserves of the Company, which is less than 15% of the aggregate of the total paid-up share capital and free reserves of the Company based on the latest audited financial statements of the Company as at March 31, 2022 on a standalone and consolidated basis respectively.

The Maximum Buyback Size does not include any expenses or transaction costs incurred or to be incurred for the Buyback, such as filing fees payable to SEBI, brokerage cost, filing fees, advisory fees, intermediaries' fees, public announcement publication expenses, printing and dispatch expenses, applicable taxes such as buyback tax, securities transaction tax, goods and services tax, stamp duty etc. and other incidental and related expenses.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company or such other source as may be permitted by the Buyback Regulations or the Act. Borrowed funds from banks and financial institutions, if any, will not be used for the Buyback.

(iii) Maximum price at which the shares are proposed be bought back and the basis of arriving at the buy-back price

The Equity Shares of the Company are proposed to be bought back at a price not exceeding INR 200/- (Indian Rupee Two Hundred only) per Equity Share ("Maximum Buyback Price").

The Maximum Buyback Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices and closing price of the Equity Shares on BSE & NSE where the Equity Shares of the Company are listed, price earnings ratio, impact on other financial parameters and possible impact of Buyback on the earnings per share.

The Buyback Price represents:

- (i) a premium of 42.71% on BSE and 42.15% on NSE over the volume weighted average price of the equity shares on BSE and NSE respectively for **one month preceding the date of intimation** to the BSE/ NSE for the Board Meeting to consider the proposal of the Buyback;
- (ii) premium of 40.09% on BSE and 39.87% on NSE over the volume weighted average price of the equity on BSE and NSE respectively for **2 weeks preceding the date of intimation to the BSE and NSE for the Board Meeting** to consider the proposal of the Buyback;
- (iii) premium of 44.51% on BSE and 44.46% on NSE over the closing market price of the Equity Shares on BSE and NSE respectively **on the date of the intimation to BSE/ NSE for the Board Meeting** to consider the proposal of the Buyback.

Members are advised that the Buyback of the Equity Shares will be carried out through the Indian Stock Exchanges by the Company, in its sole discretion, based on, amongst other things, the prevailing market prices of the Equity Shares, which may be below the Maximum Buyback Price of INR 200/- (Indian Rupee Two Hundred only) per share.

The quantum of daily purchases by the Company during the Buyback Period may vary from day to day. As permitted by the Buyback Regulations, the Buyback will be carried out over a maximum period of 6

(six) months, and the prevailing market price during the voting period for the members' resolution for the Buyback may not have a bearing on the outcome of the Buyback.

(iv) Maximum number of securities that the Company proposes to buy- back

The indicative maximum number of Equity Shares at the Maximum Buyback Price and the Maximum Buyback Size bought back would be **49,00,000** (Forty Nine Lakhs) Equity Shares, comprising approximately 0.55% which is less than 25% of the total paid-up equity share capital of the Company as of March 31, 2022 (on a standalone basis). If the Equity Shares are bought back at a price below the Maximum Buyback Price, the actual number of Equity Shares bought back could exceed the Maximum Buyback Shares, but will always be subject to the Maximum Buyback Size.

The Company shall utilise at least 50% of the Maximum Buyback Size for the Buyback i.e., INR 4,900 lakh (Indian Rupees Four Thousand Nine Hundred lakh only) (excluding Transaction Costs) ("Minimum Buyback Size") representing 7.47% and 7.46% of the total paid-up equity share capital and free reserves of the Company as on March 31, 2022 (on a standalone basis and consolidated basis, respectively), which is within the maximum amount allowed under the Act. Based on the Minimum Buyback Size and Maximum Buyback Price, the Company would purchase a minimum of 24,50,000 (Twenty Four Lakhs Fifty Thousand) Equity Shares.

(v) Method to be adopted for buy-back as referred to in sub-regulation (iv) of Regulation 4

In terms of Regulation 40(1) of the Listing Regulations, as amended, requests for effecting transfer of securities shall not be processed unless the securities are held in dematerialized form with a depository. Accordingly, the Buyback is open to beneficial owners holding Equity Shares in dematerialized form ("Demat Shares"). The promoters, promoter group, and the persons in control of the Company shall not participate in the Buyback. Further, as required under the Buyback Regulations, the Company will not buyback Equity Shares which are locked in or non-transferable, until the pendency of such lock-in or until the time such Equity Shares become transferable, as applicable.

The Buyback will be implemented by the Company by way of open market purchases through the Indian Stock Exchanges, by the order matching mechanism except "all or none" order matching system, as provided under the Buyback Regulations.

In relation to the Buyback of Demat Shares, the execution of the order, issuance of contract note and delivery of the stock to the member and receipt of payment would be carried out by the broker, appointed by the Company, in accordance with the requirements of the Indian Stock Exchanges and SEBI.

(vi) Compliance with Regulation 4 of the Buyback Regulations

The aggregate paid-up share capital and free reserves as per the latest audited standalone financial statements of the Company as on March 31, 2022 is INR 65,564.14 Lakhs. In terms of the provisions of the Buyback Regulations, the offer for Buyback under open market route cannot be made for 15% or more of the total paid-up equity capital and free reserves of the Company, based on both standalone and consolidated financial statements of the Company. Hence the maximum amount proposed to be utilized for the Buyback, INR 9,800 lakhs (Indian Rupees Nine Thousand Eight Hundred Lakhs only), is therefore within the limit of 15% of the Company's fully paid-up share capital and free reserves as per the latest audited financial statements of the Company as on March 31, 2022.
