Dear Sir/ Madam,

Subject: Transmission of shares of deceased shareholders:

Vera Menezes – Folio no. EO463344

As instructed in your email dated 6 Feb 2024, I am posting my hard copy letter for information on missing certificates and possible necessity for application of duplicate certificates.

As I wrote in an earlier letter I hold the Letters of Administration for the estate of the deceased. You have sent me a list of requirements but I do need the following to be clarified:

1. I do not have the original share certificates for Chambal Fertilizers and Chemicals. Are they with company?

I have old certificates of **India Steamship Co.** for 220 shares. I read somewhere that it is the old name for Chambal Fertilizers and Chemicals. Is that correct? If so, then will the India Steamship Co. certificates be acceptable to exchange for the new Chambal Fertilizers and Chemicals certificates?

In case I do need to apply for fresh duplicate certificates, then please let me know the procedure, and send me the forms required that I will need to fill for the needful.

2. Since I have the Letters of Administration, doesn't it mean that I do not need to provide additional no objection affidavits from other legal heirs (annexure F from your list) Please confirm this.

Hope to get a speedy reply,

Thanking you,

Leila Menezes
