1. We have reviewed the unaudited financial results of Forbes and Company Limited (the "Company") for the quarter ended June 30, 2018 which are included in the accompanying 'Statement of Standalone Unaudited Financial Results for the quarter ended June 30, 2018' (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
3. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. The financial results of the Company for the quarter ended June 30, 2017 were reviewed by another firm of chartered accountants who issued their unmodified conclusion, vide their report dated August 9, 2017. Our conclusion is not qualified in respect of this matter.

NOTES:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on 8th August, 2018 and have been subjected to a Limited Review by the statutory auditors.
2. Ind AS 115 'Revenue from Contracts with Customers' is a new accounting standard notified by the Ministry of Corporate Affairs (MCA) on 28th March, 2018 and is effective from accounting period beginning on or after 1st April, 2018 and replaces the existing revenue recognition standards. The application of Ind AS 115 has bearing on the Company's accounting for recognition of revenue from real estate development projects. This revised standard has no significant impact on the engineering business of the Company.

The Company has applied the modified retrospective approach as on 1st April 2018. The Company has recorded an opening impact in retained earnings towards the reversal of profits aggregating Rs. 5,083 Lakhs (net of tax) on real estate projects under development (i.e. flats under construction) for contracts not completed as on 1st April, 2018. Accordingly, the comparatives have not been restated and hence, the current period figures are not comparable with the previous period figures.

Had the company continued application of earlier standards instead of Ind AS 115, revenue from operations would have been higher by Rs. 2,093 Lakhs, cost from real estate development activities higher by Rs. 1,192 Lakhs and net profit after tax higher by Rs. 710 Lakhs for the quarter ended 30th June, 2018.

Additionally, the basic and diluted earnings per share for the period ended 30th June, 2018 would have been Rs. 8.34 instead of Rs. 2.84 as reported for this quarter.

3. The figures for the quarter ended 31.03.2018 are the balancing figures between audited figures in respect of the full financial year ended 31.03.2018 and published year to date figures up to the third quarter ended 31.12.2017.
4. Figures for the previous period are re-classified / re-arranged / regrouped, wherever necessary, to correspond with the current period's classification / disclosure.
