**SUB: Development of 320 MW Solar Power Projects in Assam**

Sir / Madam,

In compliance with Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we inform you that SJVN Green Energy Limited (SGEL), a Wholly owned subsidiary of the Company has received Letter of Awards from Assam Power Development Corporation Limited (APDCL) for three Solar Power Projects of cumulative capacity 320 MW. SGEL had participated in three separate tariff based competitive bidding tenders of APDCL i.e. 50 MW, 70 MW and 200 MW.

The 50 MW and 70 MW projects are under solar park category and have been allotted at a tariff of INR 3.92/Unit and the 200 MW is to be developed anywhere in Assam and has been allotted at a tariff of INR 3.90/Unit.

These three Solar power projects shall be developed on Build Own and Operate (BOO) basis. The projects are expected to generate cumulative 628 MUs in the 1st year and the cumulative energy generation over a period of 25 years would be about 14591 MUs. As per RfS the Projects shall be commissioned in a period of 18 Months from the date of signing of PPA and expected to be commissioned by March 2025. The PPA shall be signed between APDCL and SGEL for 25 years. Tentative cost of Construction / Development of these 320 MW projects is around INR 1900 Crores.

The commissioning of these Projects is expected to reduce 7.14 Lakhs Tonnes of carbon emission and would contribute in Government of India's mission of reduction in carbon emission.

Kindly take the above information on record and oblige.

Thanking you,

Yours faithfully,

(Soumendra Das)  
Company Secretary
