MANAGEMENT DISCUSSION AND ANALYSIS REPORT**1. INDUSTRY STRUCTURE AND DEVELOPMENT, OPPORTUNITIES AND THREATS**

The advertising industry will, very quickly, need to understand the impact of this change and realise the opportunities that the new era will usher in. Many traditional touch points have vanished and new ones have emerged. Reinventing communication planning across this new customer path will be one of the biggest challenges and agencies who adopt the same will succeed in the years to come.

Clients have aggressively shifted their spends to digital, tech, data, e-com and OOH media. It was therefore imperative for your company to seriously look at expanding its bouquet of services. These will ensure developing new sources of revenue in the areas of digital, tech, data and product innovations. The pandemic has underscored the need for a transition, and as an industry, this transition will decide the course of our growth path. The challenge is to adopt change rapidly.

Competitive forces affect strategy because your competitors react to the strategic actions you take in the marketplace, and your company has to react to their strategic moves. You have to make sure this interplay works to your advantage by using SWOT analysis to identify your company's strengths, weaknesses, opportunities and threats, and by performing the same analysis for your competition.

2. THE FUTURE OUTLOOK

The future of print advertising in India is evolving in response to changing media consumption habits and the digital landscape.

With the rise of digital media and online advertising, there has been a shift in advertising spending towards digital platforms. Advertisers are increasingly allocating budgets to digital channels, including online display ads, social media advertising, and search engine marketing, apart from OOH media.

Print circulation has been witnessing a gradual decline in recent years. As more people access news and information through digital platforms, the reach and influence of print media have been impacted. This shift has led some advertisers to reduce their print advertising budgets.

Despite the overall decline, print media still offers advantages for certain advertising needs. Print publications with specific target audiences or niche markets can be effective for advertisers seeking to reach those segments. Print advertising can still be impactful when it focuses on creativity, innovation, and delivering a unique experience. Utilizing eye-catching visuals, interactive elements, and engaging storytelling can help print advertisements stand out and capture audience attention.

3. BUSINESS OVERVIEW

They are also engaged in branding and designing through print and online & digital media. And also design various publicity materials for their clients such as Pam plates, brochures, flyers, etc. for their own consumption. The company has in-house design capabilities for the same.

The company has always believed in the best quality in its services. The company is dedicated to the quality of its services and adheres to quality standards as prescribed by its clients. The company strives for complete transparency and satisfaction of its clients with an unwavering thrust and focus on professional excellence and integrity.

4. OUT OF HOME ADVERTISING NETWORK:

Our out-of-home advertising network consists of (i) our commercial location network (including our outdoor LED, movie theater networks), in-store network, and our poster frame network, which we collectively refer to as our digital out-of-hometelevision networks, (ii) our mobile handset advertising network and (iii) our Internet advertising agency business.

The significant increase in our operating results since we commenced our current business operations is attributable to a number of factors, including the substantial expansion of our flat-panel display network, the launch and ongoing expansion of our in-store network, the commencement of operations of our poster frame network, and the growing acceptance of our multi-platform network as an appealing advertising medium by our clients.

We expect our future growth to be driven by a number of factors and trends including:

- Our ability to increase sales of advertising time slots and extend the duration of our advertising cycle on our commercial location and in-store networks;
- Our ability to expand our client base through promotion of our services and cross-selling;
- Our ability to identify and create new advertising channels by establishing separate advertising networks that enable advertisers to target a diverse range of consumer groups with specific demographic profiles;
- Our ability to successfully enter into the mobile handset network advertising business, in part through our acquisition of Focus Media Wireless;
- Our ability to successfully operate and market our new outdoor LED network;
- Our ability to successfully operate and market our new Internet advertising marketing and technology agency; and
- Our ability to acquire companies that operate advertising businesses complementary to our existing operations.

5. TO CONTINUE EXPANDING OUR BUSINESS BY INCLUDING NEW SERVICES:

We intend to explore opportunities to expand our operations by developing new verticals within our existing lines of business. Further expanding our offerings will help us to build on existing diversification of our business.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine

those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“Annexure B” to the Independent Auditor’s Report

(Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date)

We have audited the internal financial controls over financial reporting of **NAVODAY ENTERPRISES LIMITED**, having CIN No **U74300MH2007PLC173780** (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company does not have, in all material respects, an adequate internal financial controls system over financial reporting as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
