**Subject: Impact of COVID-19**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, this is in continuance of the Press Release shared by the Company on March 31, 2020 on the captioned subject. We wish to inform you that the Company continues to take all the necessary measures to contain the COVID-19 pandemic and abide by the directions and advisories issued by the Government and the authorities to ensure the health and safety of its employees and all those involved in the operations and supply chain in India and each of its international subsidiaries. The current update is as below:

- The Company's business falls under the category to provide Essential services and the Government has given us permission to run our operations
- Most of the plants are working with lesser and absolutely essential manpower so as to ensure the safety of the workforce. We have implemented risk mitigation strategies for the health and wellness of our employees including on-going training and daily check-ins with all staff. Concept of "Social Distancing" is being strictly followed at all our manufacturing units. A systematic and enhanced cleaning of frequent contact surfaces has been implemented and Personal Protective Equipment has been provided to all the workforce
- Remote work arrangements for all eligible positions continues in all our offices across globe
- The Company is very well equipped with a robust supply chain network and has no shortage with respect to stock of paddy and rice, to fulfil the demand from both India and international markets. Initially there were some issues regarding labour, logistics and packaging material, but gradually these shortcomings have been resolved to a great extent

- Modern Trade has performed exceedingly well in the month of March and April due to a lot of people stocking up and consumers are also giving preference to packaged goods taking in account the safety aspect. HORECA (Hotels, Restaurants and Caterers) segment has experienced a hit, as all the hotels and restaurants have been shut down
- Online sales have also seen significant growth, through all major e-commerce platforms such as Amazon, Flipkart, Grofers, Big Basket, Paytm Mall and several others. We recently even launched the products on Swiggy and Zomato to expand our reach to the end consumers
- The Company's International subsidiaries plants are also functioning in-line with the increasing demand
- Considering the current increased demand for our products, we have reduced all discretionary expenditures
- We will continue to monitor the latest information put forward by the Central and State governments including WHO in the respective countries where we have our ground presence and will continue to evolve and adapt our mitigation strategies, as necessary

This is for your information and record.

**Yours Truly,  
For LT Foods Limited**
