Kotak for fiscal package to deal with Covid impact

PRESS TRUST OF INDIA
New Delhi, May 26

AMID THE SECOND wave of COVID-19 pandemic, Chief Executive Officer Uday Kotak on Wednesday strongly recommended the government to consider another fiscal package to support the lower end of the society as well as small and medium businesses.

Uday Kotak

The government could consider increasing the quantum of the credit guarantee scheme providing collateral-free loans to small businesses for ₹1 lakh crore to ₹1.5 lakh crore, he told PTI in an interview.

Last year, the government had announced the ₹3 lakh crore Emergency Credit Line Guarantee Scheme (ECLGS) as part of the Atmanirbhar Bharat package.

Kotak said the COVID-2.0 has turned out to be "very very damaging" and has shaken the country, particularly in April and May.

On the impact of the second wave of the pandemic on the GDP, Kotak said the initial feedback suggests that it was adversely impacting the economy and also the growth.

Against the initial expectations of an 1.1% growth in the current fiscal on a lower base of the previous fiscal, Kotak said, "It would be fair to say that it is likely to be less than 1.0%... We have to watch the situation".

Amid this background, he said, "I would strongly recommend to the government to consider a fiscal package to support the lower end of the society and small and medium businesses. That can be through direct transfers, including through food and other measures on the one hand, and second schemes to support SMEs could be in the form of an additional package under the ECLGS scheme, which they did last year."

He said, "I would strongly recommend to the government to consider a fiscal package to support the lower end of the society and small and medium businesses. That can be through direct transfers, including through food and other measures on the one hand, and second schemes to support SMEs could be in the form of an additional package under the ECLGS scheme, which they did last year."

In 2020, the government announced the Atmanirbhar Bharat package to perk up the economy and the government stimulus was estimated to be worth around ₹2.7 lakh crore, which was more than 1.3% of the national GDP.

To mitigate the impact of the pandemic, the government and the Reserve Bank of India had come out with a series of packages in a phased manner totalling around ₹30 lakh crore, which is 1.5% of the GDP.

Expedite clearance of cylinders, pressure vehicles for medical oxygen: CBIC

PRESS TRUST OF INDIA
New Delhi, May 26

THE CENTRAL BOARD of Indirect Taxes and Customs (CBIC) has asked field offices to give customary clearance to cylinders and pressure vessels for storage and transportation of medical oxygen for COVID relief work without PESCO certification.

CBIC said the certification of Petroleum and Explosive Safety Organization (PESCO) will not be mandatory before issuing instructions to customs principals that customs are asking them to scrutinize the field officers about the change in certification norms and ensure that customs clearance of such imports are expedited as advised.

"Customs is requested to give necessary clearances without PESCO approvals for such items received at the port/airports for COVID relief work," the CBIC instructed.

It said the certification of Petroleum and Explosive Safety Organization (PESCO) pressure vessels for storage and transportation of medical oxygen could bring COVID cases.

CANE DUES AT ₹12,000 CRORE UP's sugar production touches 110 lakh tn

DEEPA JAINANI
Lucknow, May 26

AS SUGAR MILLS in Uttar Pradesh start their seasonal closure, the state's 120 sugar mills have so far produced 110 lakh tonnes, which is approximately 1.3% less than last year's production of 126 lakh tonnes.

According to industry sources, the season in UP may well end with total output of a little over 110.5 lakh tonnes.

According to data released by IC, as on May 24, the 120 mills that operated in this season have paid ₹20,124 crore cane dues to the farmers, while ₹11.91 crore are still pending.

The 93 private sugar companies in the state have cleared 65% of their dues and still owe approximately ₹10,087 crore, while 24 UP Cooperative sugar mills have paid ₹8,49% and owe ₹1,579 crore.

The three UP sugar corporations have paid 45% of their dues and still owe ₹197 crore.

of the total cane destined the season, when mills crushed 101.882 lakh tonnes of cane to produce 109.81 lakh tonnes of sugar.

While last year's (2019-20) cane dues at the end of the season stood at a historical high of ₹14,800 crore, in 2018-19, the closing dues were at ₹10,311 crore, while in 2017-18, the closing dues were to the tune of ₹12,419.6 crore.

While the state's average payment is around 63%, some private sugar mills' performance is abysmally poor. The major defaulters are the Yash group's two mills that have made only 4.06% of its total cane dues, while the Modi group's mills have paid only 3.93% of its total cane dues.

The Rajaj group too, which has 14 sugar mills in the state, has paid a meagre 1% of its total cane dues, while Shubhash group's three sugar mills have paid a mere 24.12%.

However, groups such as Swarajshik, JSC, Dalma, Birla, Olam, Tatyasaheb, HPI and Haldip group in Chhattisgarh paid well
