Notes:

- 1) In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its circular dated 5 May 2020 read with circulars dated 8 April 2020 and 13 April 2020 (collectively referred to as 'MCA Circulars') and SEBI circular dated 12 May 2020 permitted holding of the annual general meeting ('AGM') through VC/OAVM facility, without the physical presence of the members at a common venue. In compliance with the provisions of the Companies Act, 2013 (the 'Act'), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations') and MCA Circulars, the AGM of the Company is being conducted through VC/OAVM hereinafter called as 'e-AGM'.

- 2) The deemed venue for thirty Ninth e-AGM shall be the Registered Office of the Company at E-109 Crystal Plaza, New Link Road, Opp. Infinity Mall, Andheri (West), Mumbai - 400053
- 3) Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM facility, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the e-AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- 4) Institutional/Corporate shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (pdf/jpg format) of its board or governing body's resolution/authorization, etc., authorizing their representative to attend the e-AGM on its behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the scrutinizer by email through its registered email address to csniteshchaudhary@gmail.com with a copy marked to evoting@nsdl.co.in
- 5) Brief details of the directors, who are being re-appointed, are annexed hereto as per requirements of regulation 36(3) of the SEBI Listing Regulations and as per provisions of the Act.
- 6) The facility of joining the e-AGM through VC/OAVM will be opened 15 minutes before and will be open up to 15 minutes after the scheduled start time of the e-AGM, i.e., from 03:00 p.m. to 03.30 p.m. evening and will be available for 1,000 members on a first come first-served basis. This rule would however not apply to participation of shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key and senior managerial personnel, auditors, etc.
- 7) Pursuant to section 91 of the Companies Act, 2013 The Register of Members and the Transfer Book of the Company will remain closed from 24/09/2020 to 30/09/2020 (both days inclusive).
- 8) The Securities & Exchange Board of India (SEBI) has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form, are, therefore requested to submit their PAN to their Depository Participants with whom they are maintaining their Demat Account. Members holding their shares in Physical Form can submit their PAN details to the share transfer agent (Sharex Dynamic (India) Pvt. Ltd) of the Company.
- 9) Members are requested to notify immediately any change in their address details to the Company's Registrar and share transfer agents for shares held in demat/physical form at Sharex Dynamic (India) Pvt. Ltd, at C 101, 247 Park L B S Marg, Vikhroli West, Mumbai-400083.
- 10) Pursuant to the provisions of Sections 101 and 136 of the Act read with "The Companies (Accounts) Rules, 2014 electronic copy of the Annual Report for financial year 2019-2020 along with Notice of 39th Annual General Meeting of the company (including the Attendance Slip & Proxy Form) is being sent to all the members whose email id is registered with the Registrar/Depository Participant(s). Members may note that the Notice and Annual Report for FY2020 will also be available on the Company's website at www.tilakfinance.com and website of the stock exchanges i.e., BSE Limited at www.bseindia.com.
- 11) To receive communications through electronic means, including Annual Reports and Notices, members are requested to kindly register/update their email address with their respective depository participant, where shares are held in electronic form. In case of shares held in physical form, members are advised to register their e-mail address with Sharex Dynamic (India) Pvt. Ltd. Members may also note that the Notice of the 39th Annual General Meeting and the Annual Report for 2019-2020 will also be available on the Company's website www.tilakfinance.com, which can be downloaded from the site.
- 12) SEBI vide its notification dated 8 June 2018 as amended on 30 November 2018, has stipulated that w.e.f. 1 April 2019, the transfer of securities (except transmission or transposition of shares) shall not be processed, unless the securities are held in the dematerialized form, Members who still hold share certificates in physical form are advised to dematerialize their shareholding to also avail of numerous benefits of dematerialization, which include easy liquidity, ease of trading and transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
- 13) In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the e-AGM.

- For ease of conduct, members who would like to ask questions/express their views on the items of the businesses to be transacted at the meeting can send in their questions/comments in advance by sending an email at tilakfin@gmail.com and mark cc to support@purvashare.com 'Post your Queries' during the period starting from 25th September 2020 (9.00 a.m.) up to 28th August 2020 (5.00 p.m.) mentioning their name, demat account no./Folio no., e-mail Id, mobile number, etc. The queries may be raised precisely and in brief to enable the Company to answer the same suitably depending on the availability of time at the meeting.
- 14) Since the meeting will be conducted through VC/OAVM facility, the route map is not annexed to this Notice.
- 15) In case a person becomes a member of the Company after dispatch of e-AGM Notice, and is a member as on the cut-off date for e-voting, i.e., Wednesday, 23rd September 2020, such person may obtain the user id and password from RTA by email request on support@purvashare.com
- 16) During the period beginning 24 hours before the time fixed for commencement of the meeting and ending with the conclusion of the meeting, members would be entitled to inspect the proxies lodged, at any time during the business hours of the Company, provided not less than 3 days' written notice is given to the Company.
- 17) Brief details of the Directors, who are seeking appointment / re-appointment, are annexed hereto as per the requirements of the Companies Act, 2013 and Regulation 36(3) Of the Listing Regulation, 2015.
- 18) Members holding the equity shares under multiple folios in identical order of names are requested to consolidate their holdings into one folio.

Procedure and Instruction for E-Voting:

In compliance with provisions of Section 108 of the Act, Rule 20 of the Companies (Management and Administration) Rules, 2014 and Listing Regulations, 2015, the Company provides to its members, the facility to exercise their right to vote on resolutions proposed to be considered at the 39th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).

The facility for voting through ballot paper shall also be made available at the AGM and the members attending the meeting shall be able to exercise their right to vote at the meeting through ballot paper in case they have not casted their vote by remote e-voting.

The members who have casted their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

The instructions for e-voting are as under:

AUDITORS

a) STATUTORY AUDITORS

M/s. Pravin Chandak & Associates, Chartered Accountants having Firm Registration No. 116627W, was appointed as Statutory Auditors of the Company for a period of 5 years till the conclusion of 39th Annual General Meeting of the company to be held in the year 2020.

Explanation on observations made by the statutory auditors

The Statutory Auditors of the company have drawn the attention of the management about one non compliances which marked as qualification in their report. In connection with the same, management herewith give the explanations as follows:

- a) The Company has granted loans to 8 parties wherein interest charged is less than prevailing yield government security for relevant tenure. Amount of such loans as on 31st March, 2020 is Rs 87,04,350/-and company has granted loan to 34 party wherein no interest has been charged. Amount of such loans as on 31st March, 2020 is Rs. 2,87,91,916/-.

On the observation made by auditor about loans given to few parties wherein no interest is charged/less interest is charged.

- ❖ The management informed that during F.Y 2019-20, the interest rates had drastically gone down hence to provide competitive rates and to utilise the funds available with the company and earn income, lower interest rates has been charged to few parties.
 - ❖ In respect of no interest being charged on some of the loans, the Management states that these loans are old and already been categorised as Provisions For Doubtful Debts in Profit & Loss, still the management is trying to at least recover the principal amount from these parties for the beneficial of the company and hence the interest rates are not charged for these loans.
- b) The Company did not have an appropriate internal control system for granting Loans. Demand and other loans given are governed by the Board policies.

- ❖ Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.

c) The Company's internal control system is not commensurate to the size and scale of operation over purchase and sale of shares and inventory and for expenses incurred.

With regards to appropriateness of internal control system is concerned, management is having views that the company has effective and sufficient internal control system in place for granting of loans and over purchase and sales. The management grants loans only either to the parties known to the Company or by references which are governed by the Board policies. The Loan and Advances granted by the Company has been closely supervised and monitored on regular basis. Further the control over purchase and sales of shares is concerned company has reasonable internal controls system according to the size of the company and scale of operations. However, as per recommendation of Auditors, the Company is under process to strengthen its controls procedures.

CORPORATE GOVERNANCE REPORT

COMPANY'S PHILOSOPHY ON THE CODE OF GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended 31st March, 2020, in terms of Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Tilak Ventures Limited (herein after referred to as "the Company") looks upon good Corporate Governance practices as a key driver of sustainable corporate growth and long-term stakeholder value creation. Good Corporate Governance Practices enable a Company to attract high quality financial and human capital. In turn these resources are leveraged to maximize long-term stakeholder value while preserving the interest of multiple stakeholders including the society at large. In the conduct of your Company's business and its dealings, it abides by the principle of honesty, openness and doing what is right which means taking business decisions and acting in way that is ethical and is in compliances with the applicable legislation. Sound corporate governance is critical to enhance and retain trust of stakeholders. The Board of Directors fully supports corporate governance practices in your Company with appropriate checks and balances at right places and at right intervals.

The Company's policies on Corporate Governance and compliance thereof in respect of specific areas, as applicable for the year ended 31st March, 2020, are set out below for the information of shareholders and investors of the Company.

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORTS

Your Directors are pleased to present the Management Discussion and Analysis Report for the year ended 31st March, 2020.

The Management Discussion and Analysis have been included in consonance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI). Investors are cautioned that these discussions contain certain forward looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy. The company undertakes no obligation to publicly update or revise any of the opinions or forward looking statements expressed in this report consequent to new information or developments, events or otherwise.

The management of the company is presenting herein the overview, opportunities and threats, initiatives by the Company and overall strategy of the company and its outlook for the future. This outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

GLOBAL ECONOMIC OUTLOOK

Global growth is forecast at 3.0 percent for 2019, its lowest level since 2008-09 and a 0.3 percentage point downgrade from the April 2019 World Economic Outlook. Growth is projected to pick up to 3.4 percent in 2020 (a 0.2 percentage point downward revision compared with April), reflecting primarily a projected improvement in economic performance in a number of emerging markets in Latin America, the Middle East, and emerging and developing Europe that are under macroeconomic strain. Yet, with uncertainty about prospects for several of these countries, a projected slowdown in China and the United States, and prominent downside risks, a much more subdued pace of global activity could well materialize. To forestall such an outcome, policies should decisively aim at defusing trade tensions, reinvigorating multilateral cooperation, and providing timely support to economic activity where needed. To strengthen resilience, policymakers should address financial vulnerabilities that pose risks to growth in the medium term. Making growth more inclusive, which is essential for securing better economic prospects for all, should remain an overarching goal.

In 2019-20 COVID-19 has triggered the deepest global recession in decades. While the ultimate outcome is still uncertain, the pandemic will result in contractions across the vast majority of emerging market and developing economies. It will also do lasting damage to labor productivity and potential output. The immediate policy priorities are to alleviate the human costs and attenuate the near-term economic losses. Once the crisis abates, it will be necessary to reaffirm a credible commitment to sustainable policies and undertake the reforms necessary to buttress long-term prospects. Global coordination and cooperation will be critical.

- The rapid spread of coronavirus will weaken China's GDP growth sharply in the short term, causing disruption for the rest of the world. We now expect global GDP growth to slow to just 1.9% y/y in Q1 this year and have lowered our forecast for 2020 as a whole from 2.5% to 2.3%, down from 2.6% in 2019.
- Prior to the coronavirus outbreak, there had been signs that the worst was over for both world trade and the manufacturing sector. However, this tentative optimism has been dashed by the current disruption.
- While the near-term impact of the virus is uncertain, the disruption to China will clearly be significant in Q1 – we expect Chinese GDP growth to plunge to just 3.8% y/y. Even though growth there will rebound in Q2 and Q3, it will take time for the loss in activity to be fully recovered and we now expect GDP growth of just 5.4% for 2020 as a whole, a downward revision of 0.6pp from last month.
- Weaker Chinese imports and tourism and disruption to global supply chains will take a toll on the rest of the world, particularly in the Asia-Pacific region. And the shock will exacerbate the ongoing slowdown in the US and may result in the eurozone barely expanding for a second quarter running in Q1.
- Weaker oil demand in the short term has prompted us to lower our Brent oil price forecast. We have cut our projection for growth in crude demand in 2020 by 0.2m b/d to 0.9 mb/d and now forecast Brent crude will average \$62.4pb in 2020, down from about \$65pb in our January forecast.
- Quarterly global growth is likely to strengthen a little in H2 this year as the disruption fades and firms make up for the lost output earlier in the year and the effect of China's policy response starts to feed through. But for 2020 overall, global growth is now likely to be just 2.3%, 0.2pp weaker than previously assumed as a result of the epidemic.

➤ INDUSTRY STRUCTURE & DEVELOPMENT

CHEMICALS

The chemical industry in India is positioned to capitalize on near-term opportunities. How private players map their priorities could shape the future of the industry and contribute to trade performance.

India's chemical story is one of outperformance and promise. A consistent value creator, the chemical industry remains an attractive hub of opportunities, even in an environment of global uncertainty. Worldwide trends affecting the global chemical industry could lead to near-term opportunities for chemical companies in India. How chemical players prioritize and tap this value-creating potential could shape the future of the industry in India as well as the country's trade performance.

Chemicals industry in India is highly diversified, covering more than 80,000 commercial products. It is broadly classified into Bulk chemicals, Specialty chemicals, Agrochemicals, Petrochemicals, Polymers and Fertilizers. India's proximity to the Middle East, the world's source of petrochemicals feedstock, makes for economies of scale.

India is a strong global dye supplier, accounting for approximately 16% of the world production of dyestuff and dye intermediates. Chemicals industry in India has been de-licensed except for few hazardous chemicals. Upcoming Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIRs) and Plastic parks will provide state-of-the-art infrastructure for Chemicals and Petrochemicals sector.

- The Indian chemicals industry is projected to reach \$304 bn by 2025
- Indian ranks 14th in export and 8th in import of chemicals (Excluding Pharmaceuticals products) globally
- Demand of chemical products is expected to grow at approximately 9% p.a. over the next 5 years
- Indian chemical industry employs more than 2 million people

Capital Market:

Capital markets recognize and drive capital to the best ideas and enterprises. Capitalism is a catalyst for innovation, opportunity and dynamism. Coupled with the free flow of capital, innovation is an integral component for supporting job creation, economic development and prosperity. Markets facilitate the transfer of funds from those who seek a return on their assets to those who need capital and credit to grow.

Clients benefiting from healthy capital markets include not just investors but also corporations and governments. Capital, raised through equity and debt, can be used to grow businesses, finance investments in new plant, equipment and technology and fund infrastructure projects. This creates jobs and flows money into the economy. Additionally, businesses and individuals can invest in securities to generate wealth.

OVERVIEW

The Company operates in two reportable segments i.e. Finance and Commodities Activities. The business Segments has been identified as separate segment in accordance with Accounting standard 17 'Segment Reporting'. The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India (SEBI) and IND AS (Indian Accounting Standard). Due to rise in stiff competition and slowdown in the economy and with the introduction of GST with rising crude prices the industry is gradually moving and is expected to bloom in future.

➤ OPPORTUNITIES AND THREAT

In the modern age, for every entrepreneurial or business activity, finance (capital and funds) are required, as without it the entrepreneur cannot function finance is the lifeblood of all economic activities.

Our Company has achieved consistent and sustained growth over the years on the back of its choice of markets to cater to and products to offer. It has assiduously gauged which segments offer promise for lenders and what the needs of these segments are, in terms of lending structures. Over the years, our Company has understood that an opportunity is nothing without sound execution. The most significant threat for any lending activity is to constantly exhibit operational excellence and contain the loss given defaults within the acceptable limits. The Company believes that this task is to be worked upon continuously through a very sharp learning and unlearning in order to achieve operational excellence.

➤ RISKS AND CONCERNS

Risk is an inherent part of any business. There are various types of risks that threaten the existence of a company like Credit Risk, Market Risk, Operational Risk, Liquidity Risk, Interest Rate Risk, Strategic Risk, Regulation Risk etc. Your Company aims at enhancing and maximizing shareholders value by achieving appropriate trade-off between risk & returns. There is the risk of loss from inadequate or failed systems, processes or procedures. These may be attributed to human failure or technical problems given the increase use of technology and staff turnover. Your company has in place suitable

mechanisms to effectively reduce such risks. All these risks are continuously analyzed and reviewed at various levels of management through an effective information system.

The company's business, results of operations and financial condition are affected by number of risks, so the risk management function is of paramount importance and integral to the functioning of the company. The objective of the risk management strategy includes ensuring that critical risks are identified, monitored and managed effectively in order to protect the company's business.

➤ INTERNAL CONTROL SYSTEM

The Company has adequate system of internal control in place. This is to ensure that assets are safeguarded and all transactions are authorized, recorded and correctly reported. The top management and the Audit Committee of the Board review the findings and recommend to the Board improvement on the same.

There are adequate controls right from tracking the originators' activities, quality of logins and stringent credit checks and appraisal, which are evaluated on the basis of the quality of the portfolio. At the same time, there is no compromise on the fundamentals of extending credit where it is due. The internal audit department comprises of an external team to highlight the gaps whereas the risk and monitoring department is expected to constantly scrutinize various trends of the portfolio behavior and also the macro developments from time to time. The other significant internal control at our Company comprises constant monitoring of operational expenditure with an endeavour to bring it down through better efficiencies rather than just focusing on curtailing the expenditure. The adequacy of internal controls and their execution are driven by an ethos of constantly endeavouring to improve.

➤ HUMAN RELATIONS

Your Company considers its employees as one the key stakeholders. It has created a Human Resources environment which fasters speed and agility in responding to the changing environment, learning and innovation to survive and prosper and integrity in all operation.

➤ FORWARD LOOKING AND CAUTIONARY STATEMENTS

The country's demographics and stage of growth suggest that there is a huge unfulfilled demand in finance spaces. Sectors have been financially under-served or, in some ways completely neglected by the formal financial sector. As a result, their development has been stymied. The situation is fast changing as NBFCs, private banks and private equity have begun to flow into the sectors to tap the vast potential that they offer. They have begun to approach their target customers with innovative and customised lending products. Using data, information and technology, they are also able to overcome issues of the past – such as proof of creditworthiness - that presented hurdles in the past. The Government and RBI are also making efforts to institute policy reforms that will facilitate lending to these segments, companies that have garnered expertise through years of experience will always enjoy a competitive advantage.

This Report is based on the current situation, past experience and information available to the Company about its various businesses and assumptions regarding economic and industrial scenario, Governmental and other regulatory policies. The Performance of the Company is, to a great extent, dependent on these factors. The future performance may be materially influenced by the changes in any of these factors, which are beyond the control of the Company and may affect the views expressed in or perceived from this Report. Therefore the investors are requested to make their own independent judgments by taking into account all relevant factors before any investment decision.

Independent Auditor's Report

To the Members of

Tilak Ventures Limited (Formerly Known as "Tilak Finance Limited")

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Ind AS financial statements of **Tilak Ventures Limited (Formerly Known as "Tilak Finance Limited")** ("the Company"), which comprise the balance sheet as at 31st March 2020, the statement of profit and loss, statement of changes in equity and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March 2020, and profit (financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention to the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the Covid-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended 31st March 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
(a) Impairment of financial assets (expected credit losses)	
<p>Ind AS 109 requires the Company to recognize impairment loss allowance towards its financial assets (designated at amortized cost and fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including:</p> <ul style="list-style-type: none"> • unbiased, probability weighted outcome under various scenarios; • time value of money; • impact arising from forward looking macro-economic factors and; • availability of reasonable and supportable information without undue costs. <p>Applying these principles involves significant estimation in various aspects, such as:</p> <ul style="list-style-type: none"> • grouping of borrowers based on homogeneity by using appropriate statistical techniques; • staging of loans and estimation of behavioral life; • determining macro-economic factors impacting credit quality of receivables; • estimation of losses for loan products with no/minimal historical defaults. <p>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</p>	<ul style="list-style-type: none"> • We read and assessed the Company's Accounting policies for impairment of financial assets and their compliance with Ind AS 109. • We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation. • Tested the ECL model, including assumptions and underlying computation. • Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults. • Audited disclosures included in the Ind AS financial statements in respect of expected credit losses.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Auditor's Responsibilities for the Audit of the Financial Statements Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we are required to determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The balance sheet, the statement of profit and loss, cash flow statement and statement of change in equity dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder;

(e) On the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to adequacy of internal financial control over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B" and

(g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position in the aforesaid standalone Ind AS financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any

material foreseeable losses.

iii. The company is not liable to transfer any amounts to the Investor Education and Protection Fund. Therefore, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure B to the Auditor's Report-31st March, 2020**Report on the Internal Financial Controls under Clause (i) of sub- section 3 of the Section 143 of the Companies Act, 2013 ('the Act)**

We have audited the internal financial controls over financial reporting of **M/s Tilak Ventures Limited (Formerly Known as "Tilak Finance Ltd.")** (the company) as of 31st March, 2020 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control-based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorization of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2020.

- a) The Company did not have an appropriate internal control system for granting Loans. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.
- b) The Company's internal control system is not commensurate to the size and scale of operation over purchase and sale of shares and inventory and for expenses incurred.

A 'material weaknesses' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020 financial statements of the Company, and the material weaknesses does not affect our opinion on the financial statements of the Company.

TILAK VENTURES LIMITED**Note 1****NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE PERIOD 31.03.2020****A) Basis of preparation of financial statements**

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Accounting Standards) Amendment Rules, 2016 with effect from 1st April, 2016. Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2019, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements").

B) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities which are measured at

C) Going Concern Assumption:-

The financial statements have been prepared assuming entity will be able to continue its operation in near foreseeable future and there is no material circumstances casting doubt over going concern ability of company and neither management intends to liquidate its operation. Though company has incurred loss in the current year, management has made sufficient viable plan to overcome such situation in future and the plan appears to be promising to validate the going concern assumption.

D) Inventory valuation

Cost of inventories includes cost of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition... Net realisable value represents the estimated selling price for inventories in the ordinary course of business less all estimated costs of completion and estimated costs

E) Use of Estimates

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. ii) The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Actual results may differ from these estimates under different assumptions and conditions. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements.

F) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

G) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

H) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Possible future obligations or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated, is disclosed as contingent liabilities in the notes to accounts of financial statements.

I) FIXED ASSETS**Tangible Assets**

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes, substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use. Capital work in progress includes expenditure incurred till the assets are put into intended use.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation / depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

a) Depreciation

Depreciation on tangible assets is provided using the Straight Line Method over the useful lives of the assets estimated by the Management. Depreciation for the assets purchased / sold during the year is proportionately charged as prescribed in Schedule II to the Companies Act, 2013. Intangible assets are amortised over their respective individual estimated useful lives on a straight line basis, commencing from the date the asset is available to the Company for its use.

b) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet dates and if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to extent of the carrying value of the asset that would have been determined (net of amortization / depreciation), had no impairment loss been recognized. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

c) Investments

Investments that are readily realizable and intended to be held for not more than one year are classified as current investments. All other investments are classified as long-term investments. The investments have been valued at fair value in compliance with the Indian Accounting Standards

d) Taxation

Tax expense comprises of current income tax and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each balance sheet date, the Company re-assesses unrecognised deferred tax assets. It recognizes unrecognised deferred tax assets to the extent that it has become reasonably certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. Minimum Alternative Tax (MAT) credit is recognised as an asset and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

J) Financial Instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All the financial instruments are recognised on the date when the company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Group recognises the financial instruments on settlement date.

(i) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified as Equity instruments designated at FVOCI

All equity investments in scope of Ind AS 109 'Financial instruments' are measured at fair value. The company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in OCI. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

Impairment of financial assets

Expected credit loss (ECL) are recognised for financial assets held under amortised cost, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. ECL is recognised for stage 2 and stage 3 financial assets.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic

Treatment of the different stages of financial assets and the methodology of determination of ECL**(a) Credit impaired (stage 3)**

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether the loan is otherwise considered to be in default.

(b) Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behavioural score cards and other performance indicators, determined statistically.

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro economic factors. The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR. Determination of PD is covered above for each stages of ECL. EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities. LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

NOTE : 25 - FINANCIAL RISK MANAGEMENT**(a) Risk Management Framework**

In the ordinary course of business, the Company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

(b) Credit Risk

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. The Company assesses the credit quality of all financial instruments that are subject to credit risk.

Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD) along with an adjustment considering forward macro economic conditions [for a detailed note for methodology of computation of ECL please refer to significant accounting policies note no 1(J) to the financial statements.

The table below summarises the gross carrying values and the associated allowances for expected credit loss (ECL) stage wise for loan portfolio :

As at 31 March 2019

Particulars	Unsecured		
	Stage 1	Stage 2	Stage 3
Gross Carrying Value	109,059,514	11,678,835	25,297,324
Allowance for Expected credit loss	-	1,909,640	25,297,324
Expected credit loss Coverage ratio	0.00%	16.35%	100.00%

Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.

Trade Receivable, Trade Payable, Short Term Borrowings and Short Term Loans and Advances balances are subject to confirmation and reconciliation

(c) Liquidity Risk management

Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

NOTE : 26 - EMPLOYEE BENEFITS

Provision for retirement benefits to employees was not provided on accrual basis, which is not in conformity with Ind AS19 and the amount has not been quantified because actuarial valuation report is not available. However, in the opinion of the management the amount involved is negligible and has no material impact on the Profit & Loss Account.

Note : 27 - LOANS AND ADVANCES

Majority of the loans given are demand loans, therefore in some cases the terms of repayment and loan agreement are not available. Non Recoverable loans are appropriately written off as bad debts. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.

In 7 cases interest charged is less than prevailing yield of government security for relevant tenure. Amount of such loan as on 31st March, 2020 is Rs 87,04,350/-. In 35 cases no interest has been charged. Amount of such loans as on 31st March, 2020 is Rs 2,87,91,916/-.

Note : 28 - COMPLIANCE OF SECTION 45-IA OF THE RBI ACT, 1934

The financial assets of the company constitute more than 50% of the total assets of the company. The company is also engaged in trading activity the income from which is less than 50% of the gross income of the company. Hence, the company does not fulfil one of the NBFC criterion prescribed in terms of section 45-IA of the RBI Act, 1934 in the current financial year and therefore NBFC provisions are not applicable in the current financial year.

NOTE : 30 - FAIR VALUE HIERARCHY						
(a) This section explain the judgements and estimates made in deterring the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in deterring fair value. The Company has classified its financial instruments into the three levels prescribed under the accounting standard						
Financial assets and liabilities measured at fair value						
PARTICULARS	March,31, 2020			March,31, 2019		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3

Trade receivable	-	-	-	-	-	818
Cash and Cash Equivalents	-	-	54,527,780	-	-	19,267,188
Others Financial assets	-	-	118,828,709	-	-	154,978,641
Financial Liabilities						
Short term burrowings	-	-	23,780,000	-	-	22,520,000
Trade Payable	-	-	94,307	-	-	95,580
Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period						
Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.						
Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.						
(c) Valuation technique used to determine fair value						
Specific valuation techniques used to value financial instruments includes:						
- the use of quoted market prices or dealer quotes for similar instruments						
- the fair value of forward foreign exchange contracts is determined using forward exchange rate at the balance sheet date.						
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.						
All the resulting fair value estimates are included in level 2 or level 3, where the fair value have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.						
(d) Fair value Estimations						
Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments:Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in a arm's length trasaction other than in forced or liquidation sale. As no readily at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in a arm's length trasaction other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's Financial instruments, judgement is necessary in arriving at fair value, based on current economic conditions and specific risk attributable to the instrument. The estimates presented herein are not necessarily indicative of the amount the Company could realise in a market exchange from the sale of its full holding or a particular instrument.						
Dividend/Interest-bearing investments						
Fair value is calculate based on discounted expected future principles and interest cash flows. The carrying amount on the Company's investment are valued at fair value on the basis of fair market rate with reference to the investment with similar credit risk level and maturity period at the reporting date.						
Trade & other receivable / Payables						
The management assessed that Trade Receivables, Cash and Cash equivalents, Bank Balances, Deposits, other non derivative current financial, assets, Short term borrowings,Trade payables, Non derivative Current Financial Liabilities approximate their carring amount largely due to the short-term maturities of these intruments.						
There are no transfers between level 1 and level 2 during the year
