Notes to the Statement of Standalone Financial Results

1. The above unaudited results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on 12th August, 2021.
2. The outbreak of COVID-19 pandemic has disrupted regular business operations of the Company due to the lock down restrictions and other emergency measures imposed by the Central and State Governments from time to time, because of interruption in the project activities, supply chain disruption, human resource availability constraints etc. The business operations have recommenced on a lower scale post relaxation of lockdowns as compared to pre-pandemic levels. The management has evaluated the possible impact of known events, upto the date of approval of these financial results, arising from COVID-19 pandemic on the carrying value of the assets and liabilities as at 30th June, 2021 and has concluded that no material adjustments are required currently at this stage, except for matters as mentioned in Note no. 10 herein below. However, there exists some uncertainty in relation to the future impact of COVID-19 pandemic on the Company and, accordingly, the actual impact in the future may be different from those presently estimated. The Company will continue to monitor any material change to the future economic conditions and consequential impact on the financial results.
3. The company has been facing financial crisis since last few financial years and with effect from the financial year 2019-20, the Company is in default relating to payment of its dues to the financial creditors (mainly to banks/financial institutions, hereinafter referred to as "Lenders") and accordingly, the borrowing facilities of the company with the Lenders are irregular as on 30th June, 2021. The Company is in the process of formulating a resolution plan with Lenders, which is at an advanced stage of discussions after protracted negotiations and completion of various processes ('resolution plan'). The proposed resolution plan has been forwarded for the Independent Credit Evaluation (ICE) of External Credit Rating Agencies for obtaining RP4 or better rating, which is necessary and essential for the approval of the resolution plan. Considering the above progress in implementation of a sustainable resolution plan together with positive future growth outlook, the management is confident of improving the overall financials of the Company. The company's financials are further likely to improve with expected realization of various contingent assets in the form of arbitration awards and claims which have been considered as part of the resolution plan. Accordingly, the Company's Board of Directors considers it appropriate to prepare these financial results on a going concern basis.
4. Interest on YTM basis amounting to Rs. 1457.58 lakhs for the quarter ended 30th June, 2021 has not been provided on Optionally Convertible Debentures (OCDs) issued to Lenders under S4A scheme, as the same is not payable until maturity of such OCDs.

However, the current resolution plan which is under consideration entails revision in the terms of these OCDs . Statutory Auditors' Limited Review Report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2021 and the Limited Review Report for the quarter ended 30th June, 2020 were similarly modified in respect of this matter.

5. The operations of the company have suffered in the last few years mainly due to general economic slowdown as well as various actions and inactions by various Government bodies / authorities, including factors beyond the control of the Company or its management. The major clients / customers of the Company are government bodies wherein the monies of the company are stuck since long and for which the claims of the Company are pending. The situation has been further aggravated with the non-release of sanctioned working capital credit facilities including Bank Guarantee limits, alongwith levy of excess margin and charges by some of the Lenders as against the agreed terms of sanction by them. Due to the mismatch in the cash flows, the Company has not been able to service its debts or meet the payment obligations to the Lenders. Hence, the accounts of the Company with the Lenders have been classified as irregular and sub – standard. Consequently, wef 1st November, 2019, majority of the Lenders ceased charging interest on loans to the Company, in their books of account, as per RBI's prudential norms. In the on-going resolution with the Lenders, the Company has proposed issuance of a separate instrument towards the unpaid interest upto the cut-off date (31st October, 2019 has been proposed as the cut-off date for the implementation of the resolution plan), which is under active consideration. Hence, the company is not recognizing any interest liability on the fund based borrowing facilities from the Lenders, in the books of accounts, with effect from 1st November, 2019. Accordingly, based on the expectation of imminent approval and implementation of the resolution plan, interest expense of Rs.4,795.98 lakhs on the said borrowings has not been recognized for the quarter ended 30th June, 2021. Effect of the resolution plan would be provided in the financial statements of the Company as and when the plan is finally approved and implemented by the Lenders. Statutory Auditors' Limited Review Report for the quarter ended 30th June, 2021 is modified in respect of the aforesaid non-recognition of interest liability, by way of a qualification. The Audit Report for the year ended 31st March, 2021 was similarly modified in respect of this matter. Further, on the aforesaid grounds, in respect of other borrowings including those from certain related parties (i.e. borrowing other than from 'Lenders'), the company has written back Rs.463.74 lakhs representing liability towards interest expense upto 31st March, 2021 and has also not recognized interest expense of Rs182.98 lakhs for the quarter ended 30th June, 2021. Statutory Auditors' Limited Review Report for the quarter ended 30th June, 2021 is modified in respect of the aforesaid write back/non-recognition of interest liability/expense, by way of a qualification.

6. The company has given unsecured loans to certain subsidiaries, joint ventures and associates for developing various projects. However, due to the current financial

difficulties being faced by the Company, as detailed in Note 3 hereinabove, it has not been able continue providing required financial support which they have asked for subsequently for developing the projects. Consequently and coupled with various other reasons specific to each such subsidiary, joint venture and associate and the general economic conditions,, their financials have been adversely impacted over a period of time. Based on the assessment of financials etc. of these companies and as per the provisions of Ind AS, the Company has been providing for expected credit losses in respect of the loans given to them alongwith accrued interest. In view of the aforesaid circumstances and considering the probability that the Company will collect the interest to which it is entitled to, the Company has, with effect from 1st April, 2021, postponed recognition of income from interest on such unsecured loans given to certain subsidiaries, joint ventures and associates which are impaired fully/partially by way of expected credit losses as per the provisions of Ind AS. The amount of such interest not recognized for the quarter ended 30th June, 2021 is Rs135.47 lakhs. The interest income would be considered as revenue, as per the provisions of Ind AS, in the period in which there is certainty of it's collection/it is ultimately collected. Notwithstanding the aforesaid, the Company always has the right to recover the entire outstanding loan along with interest accrued thereon.

7. Clients of the Company had foreclosed certain projects/contracts which are presently under arbitration/litigation proceedings. The management, based on the facts of the cases, is confident to recover / realise the trade receivables and inventories as at 30th June 2021 of Rs. 8,147.98 lakhs and Rs. 1042.44 lakhs respectively, related to the aforesaid projects/contracts. The Statutory Auditors have expressed their inability to comment upon the recoverability/realisability of the aforesaid amounts and their Limited Review Report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2020 and the Limited Review Report for the quarter ended 30th June, 2020 were similarly modified in respect of this matter.
8. The Company has certain trade and other receivables of Rs. 40,522.78 lakhs as at 30th June, 2021 backed by arbitration awards pronounced in its favour over the years. Further, the Company has recognised interest income of Rs. 682.96 lakhs during the quarter ended 30th June, 2021 on such arbitration awards. Against these awards, the customers have preferred appeals in the jurisdictional courts and the legal proceedings are going on. Pending the outcome of the said legal proceedings, the above amounts are being treated as fully realisable as based on the facts of the respective case, the management is confident that the final outcome of the legal proceedings would be in its favour.
9. Other Income includes the following for the quarter ended 30th June, 2021:
 - a) Rs. 280.86 lakhs relating to write back of certain credit balances of operational creditors, barred by the laws of limitation and not yet claimed by them

b) Rs 463.74 lakhs relating to writeback of interest liability upto 31st March, 2021 in respect of certain borrowings from parties other than 'Lenders', as per Note 5 above.

10. Other Expenses includes the following for the quarter ended 30th June, 2021:-

- a) Rs. 1989.34 lakhs relating to expected credit losses on certain loans including accrued interest advanced by the Company to certain subsidiaries, joint ventures and associates, for the reasons as mentioned in Note 6 hereinabove.
- b) Rs.200.96 lakhs relating to provision made towards certain vendor advances on a conservative basis, as these are old balances and the management feels that the realisability of the same has further been impacted during to the ongoing COVID-19 situation.

11. Figures for the quarters ended 31st March, 2021 are the balancing figures between the audited figures for the year ended on that date and the published, unaudited year-to-date figures upto the end of 3rd quarter of that financial year.

12. Previous period's figures have been regrouped /rearranged wherever considered necessary, to make them comparable with those of the current period.

LIMITED REVIEW REPORT TO THE BOARD OF DIRECTORS, SPML INFRA LIMITED

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **SPML Infra Limited** ("the Company"), for the quarter ended 30th June, 2021 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*", prescribed under Section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

4. As stated in:
 - (i) Note no. 4 to the Statement, interest on YTM basis amounting to Rs. 1,457.58 lakhs for the quarter ended 30th June, 2021 was not provided on Optionally Convertible Debentures (OCDs) issued to lenders under S4A scheme, which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments. Had such interest expense been recognised, the finance costs, loss before tax, loss after tax and total comprehensive expense would have been impacted to the extent of the aforesaid amount for the quarter ended 30th June, 2021. Further, since the issue of OCDs, the total liability not provided for in respect of such interest on YTM basis is Rs.17,287.29 lakhs as at 30th June, 2021. The Auditor's Report for the year ended 31st March,2021 and the Limited Review Report for the quarter ended 30th June, 2020 were also qualified in respect of this matter.

Notes to the Statement of Consolidated Financial Results

1. SPML Infra Ltd. (the 'Parent Company') and its subsidiaries are together referred to as 'the Group' in the following notes.
2. The above unaudited consolidated results of the Company have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on 12th August, 2021.
3. The outbreak of COVID-19 pandemic has disrupted regular business operations of the Group due to the lock down restrictions and other emergency measures imposed by the Central and State Governments from time to time, because of interruption in the project activities, supply chain disruption, human resource availability constraints etc. The business operations have recommenced on a lower scale post relaxation of lockdowns as compared to pre-pandemic levels. The management of the Parent Company has evaluated the possible impact of known events, upto the date of approval of these consolidated financial results, arising from COVID-19 pandemic on the carrying value of the assets and liabilities as at 30th June, 2021 and has concluded that no material adjustments are required currently at this stage, except for matters as mentioned in Note no. 11 herein below. However, there exists some uncertainty in relation to the future impact of COVID-19 pandemic on the Group and, accordingly, the actual impact in the future may be different from those presently estimated. The Parent Company will continue to monitor any material change to the future economic conditions and consequential impact on the consolidated financial results.
4. The Parent Company has been facing financial crisis since last few financial years and with effect from the financial year 2019-20, the Parent Company is in default relating to payment of its dues to the financial creditors (mainly to banks/financial institutions, hereinafter referred to as "Lenders") and accordingly, the borrowing facilities of the Parent Company with the Lenders are irregular as on 30th June, 2021. The Parent Company is in the process of formulating a resolution plan with Lenders, which is at an advanced stage of discussions after protracted negotiations and completion of various processes ('resolution plan'). The proposed resolution plan has been forwarded for the Independent Credit Evaluation (ICE) of External Credit Rating Agencies for obtaining RP4 or better rating, which is necessary and essential for the approval of the resolution plan. Considering the above progress in implementation of a sustainable resolution plan together with positive future growth outlook, the management is confident of improving the overall financials of the Parent Company. The Parent's financials are further likely to improve with expected realization of various contingent assets in the form of arbitration awards and claims which have

been considered as part of the resolution plan. Accordingly, the Parent Company's Board of Directors considers it appropriate to prepare these consolidated financial results on a going concern basis.

5. Interest on YTM basis amounting to Rs. 1457.58 lakhs for the quarter ended 30th June, 2021 has not been provided on Optionally Convertible Debentures (OCDs) issued to Lenders under S4A scheme by the Parent Company, as the same is not payable until maturity of such OCDs. However, the current resolution plan which is under consideration entails revision in the terms of these OCDs. Statutory Auditors' Limited Review Report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2021 and the Limited Review Report for the quarter ended 30th June, 2020 were similarly modified in respect of this matter.
6. The operations of the Group have suffered in the last few years mainly due to general economic slowdown as well as various actions and inactions by various Government bodies / authorities, including factors beyond the control of the Group or its management. The major clients / customers of the Group are government bodies wherein the monies of the Group are stuck since long and for which the claims of the Group are pending. The situation has been further aggravated with the non-release of sanctioned working capital credit facilities including Bank Guarantee limits, alongwith levy of excess margin and charges by some of the Lenders as against the agreed terms of sanction by them. Due to the mismatch in the cash flows, the Parent Company has not been able to service its debts or meet the payment obligations to the Lenders. Hence, the accounts of the Parent Company with the Lenders have been classified as irregular and sub – standard. Consequently, wef 1st November, 2019, majority of the Lenders ceased charging interest on loans to the Parent Company, in their books of account, as per RBI's prudential norms. In the on-going resolution with the Lenders, the Parent Company has proposed issuance of a separate instrument towards the unpaid interest upto the cut-off date (31st October, 2019 has been proposed as the cut-off date for the implementation of the resolution plan), which is under active consideration. Hence, the Parent Company is not recognizing any interest liability on the fund based borrowing facilities from the Lenders, in the books of accounts, with effect from 1st November, 2019. Accordingly, based on the expectation of imminent approval and implementation of the resolution plan, interest expense of Rs.4,795.98 lakhs on the said borrowings has not been recognized for the quarter ended 30th June, 2021. Effect of the resolution plan would be provided in the financial statements of the Parent Company as and when the plan is finally approved and implemented by the Lenders. Statutory Auditors' Limited Review Report for the quarter ended 30th June, 2021 is modified in respect of the aforesaid non-recognition

of interest liability, by way of a qualification. The Audit Report for the year ended 31st March, 2021 was similarly modified in respect of this matter.

7. Clients of the Parent Company had foreclosed certain projects/contracts which are presently under arbitration/litigation proceedings. The management, based on the facts of the cases, is confident to recover / realise the trade receivables and inventories as at 30th June 2021 of Rs. 8,147.98 lakhs and Rs. 1042.44 lakhs respectively, related to the aforesaid projects/contracts. The Statutory Auditors have expressed their inability to comment upon the recoverability/realisability of the aforesaid amounts and their Limited Review Report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2020 and the Limited Review Report for the quarter ended 30th June, 2020 were similarly modified in respect of this matter.
8. The Parent Company made all the efforts to obtain the requisite financial statements / financial information / financial results of 2 (two) Subsidiaries, 3 (three) Joint Ventures and 1 (one) Associate Company for the quarter ended 30th June, 2021. However, in their absence, the consolidated financial results for the quarter ended 30th June, 2021 have been prepared without considering the financial impact of the financial statements / financial information/financial results of the said such companies. Further, the management has assessed that such financial statements/financial information/financial results are not material to the overall consolidated financial results for quarter ended 30th June, 2021.
9. The Parent Company has certain trade and other receivables of Rs. 40,522.78 lakhs as at 30th June, 2021 backed by arbitration awards pronounced in its favour over the years. Further, the Parent Company has recognised interest income of Rs. 682.96 lakhs during the quarter ended 30th June, 2021 on such arbitration awards. Against these awards, the customers have preferred appeals in the jurisdictional courts and the legal proceedings are going on. Pending the outcome of the said legal proceedings, the above amounts are being treated as fully realisable as based on the facts of the respective case, the management is confident that the final outcome of the legal proceedings would be in its favour.
10. Other Income includes Rs. 280.86 lakhs for the quarter ended 30th June, 2021 relating to write back of certain credit balances of operational creditors by the Parent Company, barred by the laws of limitation and not yet claimed by them.
11. Other Expenses includes Rs.200.96 lakhs for the quarter ended 30th June,2021 relating to provision made by the Parent Company towards certain vendor advances on a conservative basis, as these are old balances and the management feels that the

realisability of the same has further been impacted during to the ongoing COVID-19 situation.

12. Figures for the quarters ended 31st March, 2021 are the balancing figures between the audited figures for the year ended on that date and the published, unaudited year-to-date figures upto the end of 3rd quarter of that financial year.
13. Previous period's figures have been regrouped /rearranged wherever considered necessary, to make them comparable with those of the current period.

LIMITED REVIEW REPORT TO THE BOARD OF DIRECTORS, SPML INFRA LIMITED

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **SPML Infra Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), its associates and joint ventures for the quarter ended 30th June, 2021 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Parent's Management (the 'Management') and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. The Statement includes the results of the entities as given in the **Annexure** to this report.

Basis for Qualified Conclusion

5. As stated in :
 - a) Note 5 to the Statement, interest on YTM basis amounting to Rs. 1457.58 lakhs for the quarter ended 30th June, 2021 was not provided on Optionally Convertible Debentures (OCDs) issued to lenders under S4A scheme by the Parent, which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments. Had such interest expense been recognised, the finance costs, loss before tax, loss after tax and total comprehensive expense would have been impacted to the extent of the aforesaid amount for the quarter ended 30th June, 2021. Further, since the issue of OCDs, the total liability not provided for in respect of such interest on YTM basis is Rs.17,287.29 lakhs as at 30th June, 2021. The Auditor's Report for the year ended 31st March, 2021 and the Limited Review Report for the quarter ended 30th June, 2020 were also qualified in respect of this matter.

- b) Note no.6 to the Statement, interest expense of Rs. 4795.98 lakhs on the Parent's borrowings from certain financial creditors (banks & financial institutions) has not been recognized for the quarter ended 30th June, 2021. This is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments. Had the aforesaid interest expense been recognised, the finance costs, loss before tax, loss after tax and total comprehensive expense would have been impacted to the extent of the aforesaid amount for the quarter ended 30th June, 2021. The Auditor's Report for the year ended 31st March, 2021 was also qualified in respect of this matter.
- c) Note 7 to the Statement, regarding the Parent's trade receivables (net of ECL) and inventories as at 30th June, 2021 of Rs. 8,147.98 lakhs and Rs. 1,042.44 lakhs respectively, relating to certain projects where the claims are presently under arbitration/ litigation proceedings. 6. Based on our review conducted as above, except for the effects / possible effects of the matters as stated in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard 34 and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed or that it contains any material misstatement.

Emphasis of Matters

7. We draw attention to:
- a) Note 3 to the Statement, which describes the effects of uncertainties relating to COVID-19 pandemic outbreak on the Group's operations and the evaluation by the Parent's management of its impact on the accompanying Statement as at the reporting date, the extent of which is significantly dependent on future developments.
- b) Note 4 to the Statement, which indicates that the Parent has defaulted in payment of dues to its financial creditors, it is facing working capital constraints and its borrowal facilities are irregular with certain financial creditors as at 30th June, 2021. Based on ongoing discussion with such creditors for formulation of a resolution plan and other mitigating factors as mentioned in the aforesaid Note 4, the Parent's Board of Directors is of the view that going concern basis of accounting is appropriate for preparation of the accompanying Statement.
- c) Note 8 to the Statement, regarding unavailability of financial statements/ financial information/financial results of 2(two) subsidiaries, 3 (three) joint ventures and 1(one) associate company for the quarter ended 30th June, 2021.
