BUSINESS UPDATE: GI ENGINEERING SOLUTIONS LIMITED SIGNS DIRECTOR SHRUTI ANINDITA VARMA FOR UPCOMING PROJECT "VRINDAVAN"

13/09/2023, New Delhi, in a thrilling collaboration, GI Engineering Solutions Limited, (name being changed to '**Teamo Productions HQ Ltd**' to reflect the business activities more appropriately in sync as per the contemporary business environment and to enhance its brand equity), has roped in the talented and acclaimed Indian writer, director, and film producer, **Ms. Shruti Anindita Varma**, for their upcoming project titled "**Vrindavan**". The film promises to be a poignant journey of love, loss, and self-discovery that will undoubtedly captivate audiences.

"**Vrindavan** is the emotional journey of a girl who, to fulfill the dying wish of her father, lands up in this religious city to look for her grandmother with the assumption that she must be one among the 30,000 widows of Vrindavan. The search finds her searching her own self and finding love.

Vrindavan embarks on the emotional odyssey of a young girl named Radhika, portrayed by the versatile Avika Gaur, who finds herself in the quaint town of Vrindavan to fulfil her late father's final wish. Radhika's father, portrayed by the talented Namit Das, entrusts his daughter with a poignant mission – to reunite with her long-lost grandmother who had left home as a young widow five decades ago. This heart-touching quest is triggered by the revelation of Radhika's true lineage, shared with her by her father on a fateful night.

As Radhika, delves into the past and explores the depths of Vrindavan, she must navigate through the intricate network of emotions, limited information, and a ticking clock. Her search involves unravelling the stories of 30,000 widows, each representing a chapter of Vrindavan's enigmatic history.

At the centre of this emotional turmoil, Radhika discovers love, closure, and the nuances of human relationships. She finds herself drawn to the enigmatic IAS officer Pratyay, whose charisma and dedication serve as a guiding light in her journey. Pratyay's character embodies dedication, integrity, and selflessness, providing Radhika with the support she needs during her quest.

"**Mr. Mohaan Nadaar** for me is a friend first who really understands emotion and the fact that he has invested in this story speaks volume about his faith in good cinema. And when he commits then he goes all out. I am so happy that I have him, who while giving you complete freedom is always there when you need him" - **Shruti Anindita Varma, Movie Director, Vrindavan.**

"Shruti came up with a story that's heart wrenching and heart-warming, at a same time. Set among the widows in the backend of Vrindavan, it's a very emotional story which will resonate with everybody" - **Mohan Nadaar, Managing Director of GI Engineering Solutions Limited.**
