## **Infosys Compaz Collaborates with Singapore's StarHub for their IT Transformation Journey**

*Infosys Compaz, a joint venture between Infosys and Temasek, will enhance StarHub's operations transformation and service experience using Infosys Cobalt*

**Singapore – January 4, 2023:** [Infosys Compaz](#), a joint venture between [Infosys](#) (NSE, BSE, NYSE: INFY), a global leader in next-generation digital services and consulting, and [Temasek](#), today announced a collaboration with Singapore-based communications, entertainment and digital services provider [StarHub](#), to enable their IT transformation, while strengthening their technology operations, service management and cybersecurity. Through this engagement, Infosys Compaz will boost the quality, performance, availability, responsiveness, and cost efficiency of StarHub's foundational technology platform, while improving customer satisfaction and minimizing cyber risks.

Infosys Compaz will work with StarHub to execute large-scale IT operations management projects, while bringing strong digital capabilities, depth of solutions, robust cybersecurity, and the ability to drive business innovation powered by [Infosys Cobalt](#). As part of this collaboration, Infosys Compaz will help StarHub enhance their sourcing strategy for IT services, to support their changing business needs while establishing a variable cost structure. Additionally, Infosys Compaz will work alongside StarHub to restructure their service management and governance models to improve control and delivery management while updating their security infrastructure to maintain high levels of security.

**Kee Yaw Yee, CIO, StarHub**, said, "We are excited to collaborate with Infosys Compaz to strengthen key components of our IT application and infrastructure landscape as we prepare for the future with a new IT operating model. StarHub's technology leadership, coupled with Infosys' deep domain competencies, local presence, and proven digital capabilities, will definitely strengthen and accelerate StarHub's digital journey, which augurs well for our DARE+ strategy and promises to benefit our customers."

**Mohit Joshi, President, Infosys**, said, "Across several global engagements, Infosys has proven its command in the sphere of large-scale technology operations and digital transformation. We are delighted that Infosys Compaz was chosen to drive StarHub's digital transformation journey and to accelerate their innovation agenda."

**Manohar Atreya, CEO, Infosys Compaz** said, "We are delighted to collaborate with StarHub in their strategic digital journey. We are proud to leverage our global experience and benchmarked best practices to strengthen StarHub's digital transformation."

### **About Infosys**

Infosys is a global leader in next-generation digital services and consulting. Over 300,000 of our people work to amplify human potential and create the next opportunity for people, businesses, and communities. With over four decades of experience in managing the systems and workings of global enterprises, we expertly steer clients, in more than 50 countries, as they navigate their digital transformation powered by the cloud. We enable them with an AI-powered core, empower the business with agile digital at scale and drive continuous improvement with always-on learning through the transfer of digital skills, expertise, and ideas from our innovation ecosystem. We are deeply committed to being a well-governed, environmentally sustainable organization where diverse talent thrives in an inclusive workplace.

### **Safe Harbor**

Certain statements in this release concerning our future growth prospects, financial expectations and plans for navigating the COVID-19 impact on our employees, clients and stakeholders are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding COVID-19 and the effects of government and other measures seeking to contain its spread, risks related to an economic downturn or recession in India, the United States and other countries around the world, changes in political, business, and economic conditions, fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India and the US, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry and the outcome of pending litigation and government investigation. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2022. These filings are available at [www.sec.gov](http://www.sec.gov). Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
