PM set to unveil scheme to reward honest taxpayers

Platform For Greater Transparency To Be Launched Today

TIMES NEWS NETWORK

New Delhi: Prime Minister Narendra Modi is set to unveil the much-awaited scheme to reward honest taxpayers on Thursday.

While the government has for long talked about various plans — ranging from cashback or rewards under GST for those using digital modes of payment to make purchases — it has so far failed to implement them. In fact, several other steps were contemplated on the GST side, but none have seen the light of the day so far.

Similarly, there have been recommendations from the Central Board of Direct Taxes to recognise taxpayers at district and state level, besides helping them access government services quickly. Again, the revenue department has failed to implement

Non-Covid hospital bills add to health claim surge

Mamtha A & Rachel Chitra TNN

Chennai/Bengaluru: After a four-month lull, insurance claims for hospitalisation are gathering pace, for both Covid as well as non-Covid treatments. While the number of claims on account of the pandemic crossed 1.5 lakh (Rs 2,000 crore in value), the number of non-Covid claims is almost back at pre-lockdown levels but with the average claim size increasing 25%

This is a trend shift from the first four months of the lockdown where health insurance claims shrank as policyholders delayed elected procedures like cataract, knee-replacement surgeries were postponed, and hospitalisation for accidental injury or infectious atment was undertaken at government facilities.

Health claims had dropped to 50% of pre-Covid monthly average in April-May, rose after Unlock 1.0 to 85% in June, and returned to the earlier average in July, said Cholamandalam MS General Insurance MD Suryanarayanan V. According to Star Health and Allied Insurance MD S Prakash, average claim size of (non-Covid) ho-

spitalisation is now Rs 51,000 from Rs 41,000 because of mandatory Covid-19 tests, personal protective equipment costs and staff-handling charges.

Of the 1.5 lakh Covid claims, 1.2 lakh (Rs 1.625 crore in value) are those reported by insurers to the General Insurance Council. The remaining Bharat, according to National Health Authority (NHA) data.

Of the 23 lakh people tested positive, only about 16 lakh have required hospitalisation, and of these only 10% are covered under insurance, NHA said. This could rise to 15% as reliance on Ayushman Bharat increases in tier-2 and -3 cities, along with rural areas.

"We saw non-Covid claims fall sharply in April. However, the rate of these claims doubled in June and again in July. Today, we have close to about 20 lakh claims as markets and malls have opened up," said Max Bupa Health Insurance director Bhabatosh Mishra.

Bajaj Allianz General's claims in July are 64% over the first quarter average. "We have witnessed an approximately 12% increase in the average claim size recorded in the first quarter of FY21," said head (he-

"My father was protective but I stuck to my decision to do engineering. My mother supported me," Mondal said.

She credits her parents for driving home the importance of education and being financially independent. "My mother was an educated woman. She had done her MA in those days. She always wanted to be a doctor but she could not. She wanted her daughters to be professionally qualified and financially independent. Once you do well, the world will respect vou." Mondal said, recalling her mother's words.

"Forus it was studies. It was very clear that you have to ultimately do something. My sister became a doctor and is practising in the US. I had an elder brother who was also a doctor but he passed away in an accident." she said.

Mondal's husband, an engineer and IIM-Ahmedabad alumnus who worked with UTI, passed away in 2005 and she brought up her three children with help from her parents and mother-in-law while conti-

Banks told to be ready with lists for loan recast

RBI Special Window Only For Tackling Virus-Related Stress

Surojit Gupta & Sidhartha TNN

New Delhi: Banks have been advised to be ready with the list of borrowers who will be eligible for one-time debt restructuring under a special window opened by the Reserve Bank of India (RBI) to tackle stress due to the Covid-19 pandemic.

There have been doubts over the one-time loan restructuring scheme being fully available, given that the committee under veteran KV Kamath will start functioning after a few days and will have another 30 days to submit its recommendations before the RBI notifies the norms. The committee has been tasked with working out the broad parameters for loan restructuring and vet if the process is being followed or not, without getting into specifics of the case.

The scheme has been formulated in consultation with the banks and the issues have been discussed by the RBI and lenders in detail, sources told TOI. Besides, the regulator has made it clear that banks will have a list of cases where the default was under 30 days after the six-month standstill ends on August 31.

In addition, they will also have the track record of the borrower, which will help them prepare a list of possible beneficiaries, and they can decide the eligibility norms and start implementing it once the final guidelines are out. Banking sources also said

that banks have four months up to December to finalise the

issues and then up to six $months \, to \, implement \, them.$

The RBI has made it quite

clear that it does not want an open-ended scheme to avoid a repeat of the 2008-09 situation. **GIVING RELIEF** > The government is weighing various

Bankers and a section within the government are keen that the loan restructuring package should be rolled out faster to help several crucial services sector industries such as tourism, hospitality and civil aviation — regain some momentum.

The appointment of Kamath as the head of the panel too has met with stiff opposition from bank unions and others. But a possibility of a review of the committee members has been ruled out with the RBI being of the view that Kamath is the most-suited person for the job. given his long experience.

New Delhi: Air India has cut its European footprint by half as a cost-cutting move. Five cities — Milan, Madrid, Vienna, Copenhagen and Stockholm

have been removed from the cash-strapped airline's network due to the pandemicinduced severe downturn in travel. Air India will now fly to London, Birmingham, Frankfurt, Paris and Rome in EU and the UK, said an official.

"We have not flown to the five cities that have been removed from our EU network for almost two months now. As of now, we cannot say when flights to those places will be resumed," said the official. AI's non-stop flights from Delhi to Milan, Madrid, Vienna, Copenhagen and Stockholm, using its Boeing 787 Dreamliners, were the only direct flights on these routes and werepopular with travellers.

An airline spokesperson said. "In view of the Covid situation, (AI has) approved to close down these stations." India has so far created air bubbles with the US, Canada, the UK, France, Germany and the UAE. Till scheduled flights resume, people can travel under this interim arrangement

Desi jobs attract resumes from abroad

Mumbai: When TeamLease Services recently advertised for a marketing role at the recruitment firm, it was surprised to receive a response from candidates not only across India but from the US as well. Both employers and employees have recognised the potential

of working from any location. The situation could be advantageous for India as global companies are expected to outsource jobs, said hiring firms. Randstad India head (strategic account management) Sanjay Shetty said global CEOs the firm interacts with are keen on outsourcing to India jobs in R&D, processing and design, in addition to technology. एकेकाळी आपल्या महान भारतातून सोन्याचा धर निघत होता. त्यावर हल्ला करण्यासाठी परकीय भारतावर तुटून पडले. भारतीय मंदिरे, भारतीय संस्कृती, परंपरा यावर त्यांनी घाला घातला असे इतिहास सांगतो. राम हा भारतीयांचा आदर्श आहे. राम हा प्रथम राजा व नंतर त्यांना देवत्व प्राप्त झाले. ते आदर्श राजकारणी, आदर्श समाजकारणी, आदर्श नेते, आदर्श पती, आदर्श पिता, आदर्श मुलगा, आदर्श बंधू होते. त्यांनी समाजावर जे संस्कार घडविले त्या संस्काराची पुनर्प्रतिष्ठापना करण्यासाठी
