Review of Operations

During the year under review, the company's other income was Rs.6.54 lakhs. Due to non-availability of raw fiber there is no operation in the company.

Market Scenario and Outlook

In the second wave of Covid-19 pandemic, sub-urban & rural areas reported more cases than urban ones from the second month itself. An analysis of more than 50 most severely hit districts, 42 were in rural/sub-urban areas. Such areas in the state of Maharashtra, Tamilnadu, Andhra Pradesh were the worst impacted. The situation was further aggravated, due to the inadequacy of medical infrastructure in these areas and the rush of patients to urban centers.

Manufacturing

Manufacturing was at the receiving end in both the first and the second wave. To control the coronavirus spread, most of the manufacturing sector had to work at a lesser capacity or shut down. Non-essentials manufacturing was hit for longer and with more severe restrictions. The fear of prolonged lockdowns led to migration back to villages. In addition, the global and local supply chains had also not fully normalized after the first wave. This has meant higher cost of procuring raw materials for both small and large industries.

Services

Our services and knowledge-based industries had been built on the manufacturing industry premise of the 18th century i.e. proximity and discipline of workers to the factory is critical in getting good output. We applied the same philosophy for our software engineers and tele-calling workforce. However, with the internet revolution, this premise has proven to be an unnecessary legacy of the past.

Now the workforce can be decentralized and anyone can work from anywhere till the time there is 4G internet. In this regard, COVID has proved a positive disruption for the services sector in the long run.

The first wave required a steep learning curve for the organizations to develop infrastructure and processes for remote working. For the employees, first wave lockdowns were a new paradigm and it took them some time to adjust to work from home and be productive. Prolonged lockdown and unlocking phases during the first wave ensured that both the employer and employee got into a rhythm and the productivity started reaching pre-covid levels. The second wave disrupted this rhythm. But the impact of the second wave was localized and centered around groups of people with typical disruptions costing 3-4 weeks of productivity. Services sector was the least hit from wave 2 from an output standpoint of view.

The table below summarizes the above ideas:

Time period	Indian GDP% growth	Ser- vices GDP% growth	Manu- facturing GDP% growth	Agri- culture GDP% growth
FY 21 (Re- flection of the wave-1)	-7.3%	Con- tracted by 16%	Contra- ction by 7.2%	A growth of 3.4%
% contribu- tion to the overall GDP	Nil	55%	17.4%	17.8%

During the financial year 2020-21, GDP contracted by 7.3 percent. It is the most severe contraction from the time, India got its independence. The reasons behind this trajectory are obvious – lockdown leading to the closing of business units, increasing unemployment rate and a significant decline in domestic consumption.

TAMILNADU TELECOMMUNICATIONS LIMITED

To summarize on the macroeconomic numbers of GDP, it is expected to have less severe impact of the second wave due to less strict, localized lockdowns and practically a lesser number of days in reaching the peak number of infections. The hopes of economic revival are pinned to us having an express vaccination drive, which takes away the fear of a third wave and a revival of consumer confidence and spending.

The company has no exception to the impact with its staff still retained in Chennai or working on deputation elsewhere. Fortunately there were no casualties among the staff in the financial year 2020-21. As the roll-out plans of various projects got severely impacted, it has become challenging for the company also to bag new orders.

Cautionary Statement

Statements in the Boards' Report contain forward looking statements. Actual results, performances or achievements may vary materially from those expressed or implied, depending upon economic conditions, Government policies, subsequent developments and other incidental factors.

Risk & Concern

The industry is facing challenging cost pressures as the cost of major raw materials are going up due to shortage & increase in oil prices. The variations in exchange rate fluctuation are also a threat towards cost of production. The competition within OFC business is becoming fierce due to emerging new technologies and frequent new product introductions in Optical fiber products which command competitive prices and preference in the market. The market price of cables is also varying due to competition.

Independent Auditor's Report

Clarification on Auditors observations is given below:

Basis for Adverse Opinion

1. The Company's financial statements have been prepared using going concern assumption of accounting. However, the company's accumulated losses of Rs. 1,72,31,66,612/- (including a loss of Rs. 9,80,28,717/- incurred during the FY 2020-21) has eroded the Net Worth of the Company's ability to

continue as a Going Concern. The Company has not operated its factory since 2017 and No sales effected for more than two years. It is also pertinent to note that power connections in the factory are disabled. Further, as represented by the company, the machineries would involve major overhauling cost to resume operations and the company is also unable to obtain support for supply of major raw material required for manufacture from its supplier. Also, the company has not bagged any new orders to substantiate the going concern assumption.

As per Standard on Auditing (5A) 570, "It the financial statements have been prepared using the going concern basis of accounting but, in the auditor's judgment, management's use of the going concern basis of accounting in the financial statements is inappropriate, the requirement in paragraph 21 for the auditor to express an adverse opinion applies regardless of whether or not the financial statements include disclosure of the inappropriateness of management's use of the going concern basis of accounting."

Hence, considering the cumulative effect of the factors detailed in the above paragraph in the revival of the company, we conclude that the Going Concern assumption of the management in preparation of financial statements is inappropriate.

2. The Company has not recognised the following financial liability/asset at Fair Value in terms of Ind AS 109 (including comparative figures as of 31st March 2020) and impact of the same on the financial statements is not ascertainable.

- (i) Amounts due to M/s. Fujikura Limited amounting to Rs.1,98,07,090/- (previous year—Rs. 2,00,03,590/-)

- (iii) Unsecured Trade Payables amounting to Rs.3,41,14,712/- (previous year – Rs.3,44,09,375/-)

Emphasis of Matter

- 1) We draw attention to Note No.28 (SL.No.22) of the explanatory notes to the financial statements which states the reason for non-recognition of amounts due to the holding company viz., Telecommunications Consultants India Limited amounting to Rs.1,26,18,87,189/- (previous year— Rs.1,17,49,17,114/-) at Fair Value in accordance with IndAS 109 and impact of the same on the financial statements is not ascertainable and our opinion is not modified in respect of this matter.
- 2) Attention is invited to Note Nos. 3,5,8,14,15 of the notes to financial statements, where the balances carried in the debtors, creditors, advances & deposits payable / recoverable are subject to confirmation from all parties

(other than Telecommunications Consultants India Limited) as stated in Note No.28 (Sl.No. 2). The impact if any, on financial statements is not ascertainable and our opinion is not modified in this respect.

- 3) Attention is invited to Note No.28 (Sl.No.19) of the explanatory notes to the financial statements which states that the Company has not received information from vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006. Hence the disclosure relating to amounts unpaid as at the year ended together with interest paid/payable under this Act could not be ascertained. Our opinion is not modified in this respect.

Company's Reply to Basis of Adverse Opinion Para 1 of Going Concern Assumption.

The requirement of OFC in the country is huge. TCIL and TIDCO to provide orders on nomination basis as both TCIL and Tamilnadu state government have huge orders to implement the Bhartnet projects. Efforts are being made to obtain Preferential orders from Tamil Nadu Fibrenet Corporation (TANFINET), State PSU, for supplying Optical Fiber Cable in Tamilnadu. The DOT discussed in the meeting held on 07.03.2019 with regard to takeover of TTL by BSNL, it is suggested by Ministry to BSNL to utilise the capacity of TTL since BSNL requirement is 100000 km per annum against TTL capacity of 10000 km per annum. Therefore, the order booking position is expected to be good in the near future. Renowned real estate consultant has been appointed to monetization of vacant land. Considering the likely order in the near future and with the promoter's financial support, the accounts have been prepared on Going Concern Basis.

As mentioned in our financials, TTL is regularly borrowing from our holding company TCIL for its raw material support and working capital support for running day to day operations. The balances of current liabilities and trade payable pertaining to related party / our holding company TCIL as on 31/03/2021 are given below:

- (i) Current liabilities – short term borrowing
 - (a) Bridge Loan : Rs.11,65,73,000/-
 - (b) Working capital support loan : Rs.17,30,96,956/-
- (ii) Trade payable – Sundry creditors for raw material support : Rs.58,86,81,638/-
- (iii) Other current liabilities – interest accrued : Rs.38,35,35,595/-

Amounts due to Fujikura Limited amounting to Rs.1,98,07,090/-

Trade Receivables (considered good) amounting to Rs.7,13,62,110/-

Unsecured Trade Payables amounting to Rs.3,41,14,712/-

This is to state that the above items are reviewed and monitored on day to day basis in both TTL and TCIL. The balances are

periodically reconciled with TCIL and also approved by board of directors of TTL.

It may not be out of place to mention that all the realizations from TTL clients are routed through Escrow account which is auto credited to TCIL's Account for which standing instructions have been given to bank. Moreover, charge has been created in favour of TCIL against fixed assets and current assets of TTL for all the TCIL loans, advances and liabilities towards raw material supply. The loans are repayable on demand basis.

Ind AS 109 requires all financial assets/liabilities to be recognised initially at fair value and subsequently at amortised cost it satisfies the criteria with reference to Ind As 32 Para 11 and para 4.2.1 of Ind As 109. Since these financial assets/liabilities are current in nature, there is immaterial finance cost/income involved, therefore, as a general practice, demand deposits are carried at cost and not at fair value/amortised cost.

In view of the commitment to pay to TCIL, the holding company/ related party on demand basis, and the company is taking a conservative approach, management assume book value of current liabilities at a amortized cost i.e instead to book profit by discounting liabilities the company prefers to go and disclose liabilities with full amount under law of prudence.

Company's Reply to Para 2 of Emphasis of Matter regarding balances carried in the debtors, creditors, advances & deposits payable/ recoverable are subject to confirmation from all parties (other than Telecommunications Consultants India Limited)

Wherever possible the Company is getting confirmation. Since TTL does not have fund to pay to the Creditor including M/s. Fujikura, the company does not ask for balance confirmation from any Creditors which will trigger to make payment.

Company's Reply to Para 3 of Emphasis of Matter regarding Company has not received information from vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006.

As stated in Notes to Accounts No.19, the Company has not received information from the vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006.

Cost Auditors:

As per the provisions of the Companies (Cost Records and Audit) Rules, 2014, the operation of the company is not falling within the scope of cost audit. Hence cost auditor was not appointed for the financial year 2020-21.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of Tamilnadu Telecommunications Limited.

**Report on the Audit of the Standalone Ind AS Financial
Statements**

Adverse Opinion

We have audited the standalone financial statements of Tamilnadu Telecommunications Limited ("the Company"), which comprise the Balance sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity and the Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the aforesaid financial statements do not give

a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Adverse Opinion

1. The Company's financial statements have been prepared using the going concern assumption of accounting. However, the Company's accumulated losses of Rs.1,72,31,66,612/- (including a loss of Rs.9,80,28,717/- incurred during the FY 2020-21) has eroded the Net Worth of the Company, indicating the existence of material uncertainty that may cast a doubt about the Company's ability to continue as a Going Concern. The Company has not operated its factory since 2017 and NO sales effected for more than three years. It is also pertinent to note that power connections in the factory are disabled. Further, as represented by the company, the machineries would involve major overhauling cost to resume operations and the company is also unable to obtain support for supply of major raw material required for manufacture from its supplier. Also, the company has not bagged any new orders to substantiate the going concern assumption.

As per Standard on Auditing (SA) 570, "If the financial statements have been prepared using the going concern basis of accounting but, in the auditor's judgment, management's use of the going concern basis of accounting in the financial statements is inappropriate, the requirement in paragraph 21 for the auditor to express an adverse opinion applies regardless of whether or not the financial statements include disclosure of the inappropriateness of management's use of the going concern basis of accounting."

Hence, considering the cumulative effect of the factors detailed in the above paragraph in the revival of the company, we conclude that the Going Concern assumption of the management in preparation of financial statements is inappropriate.

2. The Company has not recognized the following financial liability/asset at Fair Value in terms of Ind AS 109 (including comparative figures as of 31st March 2020) and impact of the same on the financial Statements is not ascertainable.
 - i) Amounts due to M/s Fujikura Limited amounting to Rs.1,98,07,090/- (Previous Year- Rs.2,00,03,590/-)
 - ii) Trade Receivables (considered good amounting to Rs.7,13,62,110/- (Previous Year- Rs.7,14,10,296/-)

- iii) Unsecured Trade Payables amounting to Rs.3,41,14,712/- (Previous Year Rs.3,44,09,375/-).

Emphasis of Matter

- 1) We draw attention to Note No.28 (Sl.No.22) of the explanatory notes to the financial statements which states the reason for non-recognition of amounts due to the holding Company viz., Telecommunications Consultants India Limited amounting to Rs.1,26,18,87,189/- (Previous Year – Rs.1,17,49,17,114/-) at Fair Value in accordance with IndAS 109 and impact of the same on the financial statements is not ascertainable and Our opinion is not modified in respect of this matter.
- 2) Attention is invited to Note Nos.3,5,8,14,15 of the notes to financial statements, where the balances carried in the debtors, creditors, advances & deposits payable / recoverable are subject to confirmation from all parties (other than Telecommunications Consultants India Limited) as stated in Note No.28 (Sl.No.2). The impact if any, on financial statements is not ascertainable and Our opinion is not modified in this respect.
- 3) Attention is invited to Note No. 28 (Sl.No.19) of the explanatory notes to the financial statements which states that the Company has not received information from vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006. Hence the disclosure relating to amounts unpaid as at the year end together with interest paid / payable under this Act could not be ascertained. Our opinion is not modified in this respect.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Adverse Opinion section, we have determined that there are no other key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

TAMILNADU TELECOMMUNICATIONS LIMITED

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional Skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate

with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Tamilnadu Telecommunications Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Tamilnadu Telecommunications Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- I. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- II. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- III. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Level 1 - Quoted Prices (unadjusted) in active markets for financial instruments

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates

4. After restructuring as per the Sanctioned Scheme of erstwhile BIFR during 2010-11, the net worth of the Company was positive during 2010-11. However, during the year 2011-12 the net worth had again eroded. The Company was under rehabilitation period as per the erstwhile BIFR Sanctioned Scheme. Lack of executable orders and dull phase of Optical Fiber Cable (OFC) market from the year 2010-11 onwards is the reason for the poor performance.

During the year 2012-13 the Company had received order from BSNL for supply of 3206 KMs of OFC valuing Rs.15,97,011 and successfully executed the order in time and got 50% add-on order of 1602 KMs and executed during 2013-14 valuing Rs.7,98,007. These two were the only major orders executed during these two years.

Bharat Broadband Network Limited (BBNL), the Special Purpose Vehicle of the Government, had floated the tender towards the National Optic Fiber Network (NOFN) project to connect all the villages by broad band. The date of tender opening was 08.05.2013. Though the initial projection was 600000 KMs, the tender called for is to cover 404995 KMs under six packages based on geographical location. For this huge quantum, BBNL has fixed the delivery time frame of eight months only including initial two months for preliminary arrangements. The Company has participated in one package considering its production capacity to cover the quantum in the given short delivery period. The Company has received APO and given acceptance during February, 2014 for 5800 KMs including accessories. The Value of the APO is Rs. 31,90,444. BBNL has proposed to issue PO in two phases of 50% each. During April,2014, BBNL has issued the first 50% PO for 2900 KMs including accessories valuing Rs. 1,595,273. Delivery period was upto October, 2014. BBNL has issued the consignee details in full periodically for four months consignments of 1740 KMs only. For fifth month consignment, consignee details were provided for only 48 KMs out of 580 KMs. Hence consignee details are not provided for balance around 1112 KMs. BBNL has extended the delivery schedule by another six months beyond October,2014. Hence the supply of balance around 1112 KMs and second 50% PO for 2900 KMs was anticipated during 2016-17 and 2017-18 for execution. However, BBNL did not decide on the consignees and no supply could, therefore, be made thereafter.

The Company had participated in the tender floated by BSNL for supply of 24,000 KMs of 24F HDPE DS OFC. The technical bid opened and the company has been technically qualified. Financial bid opened on 21.5.2015 which was followed by e reverse auction but TTL could not compete in the e-reverse auction.

The company had railway orders worth Rs.10 cr during the financial year 2016-17 and 2017-18. But due to non-availability of fiber from Fujikura, Japan, the orders could not be executed.

The requirement of OFC in the country is huge; however the delay in procurement is due to various procedural matters / issues in execution of big projects by the Government Clients.

The Company is hoping to get continuous orders since the OFC market has picked up. The order booking position is expected to improve in future as there is huge requirement of OF cable for Tamil Nadu Fibrenet Corporation (TANFINET) for implementing BharatNeta scheme for making broadband connectivity available in rural areas of Tamilnadu. The company and the promoters of the company are taking various efforts for revival of the company as detailed below:

- i. MOU was signed with ITI Limited (PSU) in the presence of Hon'ble Minister of Communication during the synergy meeting held on 22th February 2018 at New Delhi for contract manufacturing.
- ii. The proposal of taking over the company/utilizing capacity by BSNL is being discussed with BSNL & TCIL both under Department of Telecommunication. DOT discussed in the meeting held on 07.03.2019 with regard to takeover of TTL by BSNL, it is suggested by Ministry to BSNL to utilize the capacity of TTL since BSNL requirement is 100000 km per annum against TTL capacity of 10000 Km per annum. Follow up action is being taken up by the company and TCIL.
- iii. Diversion of existing skilled employees to Fiber Optic Splicing, Survey, Optical Laying Supervision and other telecom related service contracts to maximize the utilization of existing skilled manpower has been taken care. Orders for deputation to TCIL were issued to all the employees of TTL and 60 employees joined in TCIL on deputation basis till Last Financial Year. Few employees have been posted at TCIL Chennai to attend of minimum requirement of TTL factory and TTL office work.
- iv. To obtain preferential orders from Tamil Nadu Fibrenet Corporation (TANFINET), State PSU, for supplying Optical Fiber Cable in Tamilnadu. Management is continuously pursuing and approaching the concerned secretaries and ministers of Government of Tamilnadu. TANFINET is in the process of finalization of tender.
- v. To obtain Turnkey contracts with the help of TCIL on nomination basis from DOT / PSUs / Tamilnadu Govt. and execute the orders so that excess skilled manpower will be utilized.

TAMILNADU TELECOMMUNICATIONS LIMITED

- vi. Efforts are being made to carry out major repair / upgradation of plant and machineries in order to make the existing plant more operational. Efforts are being taken to restore the electricity connection in the factory for initiating the revival plan of TTL factory.
- vii. TCIL management is taking efforts to revive TTL through various correspondence and meeting with Ministers of Government of Tamilnadu and TIDCO CMD.
- viii. Since TTL has 5.51 acres of vacant land which can only be used for telecom related industrial purpose, efforts are being taken to utilize vacant land by venturing into other areas by way of Joint Venture with public / private partners.
- ix. Department of Telecom is also pursuing the matter and required data has been shared. Consultant is being appointed for factory and (vacant) land monetization of TTL.
- x. Promoter TCIL has initiated the proposal of sale of entire stake of TCIL in TTL through DIPAM as per the revised procedure for strategic disinvestment in CPSEs. The same has been pursued with Department of Telecom, Ministry of Communication. The strategic disinvestment will pave the way for revival of the company by the prospective buyers.

Board advised TTL management in the 162nd board meeting held on 30.05.2019 to take support of promoters company TCIL and TIDCO by providing orders on nomination basis as both TCIL and Tamilnadu state government.

Impact of Covid-19 pandemic

Tamilnadu is the one of most Covid-19 affected state and had major impact on economic and business activities during the year 2020 and 2021. The major expected cable orders could not be obtained from Tamilnadu government due to Covid-19 as the implementation of Bharat net project could not take-up till date. The various efforts of the revival of the company could not materialize and have slowed down due to Covid-19 pandemic. During the pandemic situation, further efforts are taken to revive the company as given below:

- a) The newly appointed CMD of TCIL (promoter Company) visited TTL premises on 02-04-2021 and also interacted with officials of TIDCO & Govt. of Tamilnadu and is keen on the revival of TTL.
- b) As the first step, electricity connection restoration has been processed and funds of Rs.4.83 lakh has been approved by TCIL for payment of pending dues and restoration of HT connection.
- c) As TCIL management is keen on the revival of TTL and EoI was floated in Jan-2021 for engaging Consultant to explore various revenue generation options. TCIL management is keen on wider participation and more responses and EoI is under finalization. Once the Pandemic situation is eased out EoI will be concluded.
- d) GGM (IT&OFC)/TCIL/HQ & GGM/Civil & BD/TCIL have been assigned a task of perusing business development opportunities for TTL in close co-ordination with TIDCO.
- e) As new Government has taken over in Tamilnadu, preferential order being pursued through TIDCO with new Government for Telecom infra Projects in Tamilnadu.

Considering the scope during the immediate future and TCIL's financial support the accounts have been prepared on going concern basis.

5. Land

- a) The Company is currently in possession of 2.42 acres of land acquired from CMDA. In respect of the said land Memorandum of Lease cum Sale Agreement has been entered and on completion of payment, the Company has executed Sale Deed and the same in original was surrendered to SBI, which is yet to be returned by SBI for which due clearances were received from all the banks of the consortium. The Company is following up with SBI, in this regard.
- b) The Company is also in possession of 7.36 acres of free hold land of the Tamilnadu State Government. The cost of land determined by the Government in 2010 was paid by the Company. Land delivery receipt was issued to the Company by the Government. In the case of TN Government land, it is to be utilized for the purpose for which it is allotted.
