Sir/Madam,

In compliance with Regulation 30 of the SEBI (LODR) Regulations, 2015 and in continuation to our disclosure dated 24.07.2023 on subject "**Allotment of 5 Hydro Projects of 5097 MW in Arunachal Pradesh**", we inform you that a Memorandum of Agreement (MoA) was signed between the Company and Government of Arunachal Pradesh for executing five hydro power projects of 5097 MW. The MoA was signed in the august presence of Hon'ble Union Power Minister Sh. R.K Singh and Hon'ble Chief Minister of Arunachal Pradesh Sh. Pema Khandu.

Five projects are 3097 MW Etalin, 680 MW Attunli, 500 MW Emini, 420 MW Amulin and 400 MW Mihumdon. Further, 3097 MW Etalin HEP is the largest hydro project under development in India.

The construction of these projects shall involve total investment of around Rs 50,000 crores and would add over 20,652 million units of electricity generation annually to the nation's capacity.

The Detailed Project Reports of Etalin & Attunli projects have already been cleared by CEA. However, the revalidation of the DPRs from CEA shall commence immediately with signing of the MoA. For Emini, Amulin and Mihumdon projects, the Pre-Feasibility Reports have been prepared and with this historic MoA signing the Survey & Investigation works for DPR preparation will commence shortly.

The projects on completion would usher in an era of overall socio-economic development in the state of Arunachal Pradesh by strengthening infrastructure such as roads & bridges, community assets, health care services, women empowerment, skill development & education, generating multiple avenues of employment, sustainable development etc along with added benefits to Project Associated Families.

Kindly take the above information on record and oblige.

Thanking you,

Yours faithfully,

(Soumendra Das)
Company Secretary
