Central govt staff stick to their guns on NPS, reject panel's terms of reference

Shishir Sinha New Delhi

Associations representing Central government employees have rejected the terms of reference of the committee appointed to review the National Pension System (NPS). In a submission to the Finance Secretary, who is also the Chairman of the committee, the employees' bodies have called for restoration of the old pension scheme (OPS).

Associations representing the employees have urged the government to bring back the old pension scheme ahead of the 2024 general election. And, it is believed that this has led to the formation of a four-member committee under the chairmanship of Finance Secretary TV Somanathan to suggest measures to improve the pensionary benefits of government employees covered under the NPS.

TERMS OF REFERENCE

The terms of reference of the panel are: Whether in the light of the existing framework and structure of the NPS, as applicable to government employees, any changes therein are warranted; If so, to suggest such measures as are appropriate to modify the same with a view to improving upon the pensionary benefits of government employees covered under the NPS, keeping in view the fiscal implications and impact on overall budgetary space, so that fiscal prudence is maintained to protect the common citizen. The committee may also appoint any officer of the Central government as part of its deliberations whenever such a need is felt by the panel, the Finance Ministry has said. However, no timeline has been specified for the submission of the report. Meanwhile, the panel has started taking feedback from various stakeholders.

GPF SCHEME

Second, implementation of the GPF (General Pension Fund) scheme for employees who were recruited on or after January 01, 2004 by depositing the accumulated contribution of employees along with the returns to the GPF Accounts of the employees. "No Central government employees organisations and the staff side of the National Council-JCM have ever demanded any improvement in the NPS. Therefore, the terms of reference are not acceptable," Shive Gopal Mishra, Secretary of NCJCM, said in communication to all its members. Though the Centre has been maintaining that going back to the OPS will be a financial disaster, the issue could snowball

GST administration detects 11,140 bogus entities

STEPPING UP THE GAME. FM calls for more stringent registration process, nationwide campaign to highlight the need for special drive

Shishir Sinha New Delhi

UNDER LENS

The drive identified 60,000 entities with potentially fake registration, prompting physical verifications by tax officers.

CBIC Chairman Vivek Johri

The GST administration has undertaken a special drive against GST fraudsters and has detected 11,140 bogus registrations, Finance Minister Nirmala Sitharaman was told on Friday. The CBIC is computing the amount claimed as input tax credit (ITC) by these bogus entities.

The Minister chaired a review meeting of the ongoing drive against fake billing for GST evasion. The meeting was attended by Revenue Secretary Sanjay Malhotra and Johri. The Finance Minister was briefed about action being taken against fake registrations. She was apprised of

the methods being adopted, like identity theft.

She took note of existing measures such as OTP-based Aadhaar verification and biometric-based Aadhaar authentication at the time of registration in high-risk cases.

According to tweets from the Finance Ministry office, the Secretary and the CBIC Chairman apprised her that AI and ML tools are being ex-

tensively used to identify possible fake networks. The Minister instructed that the GST registration process may be further strengthened using technology to curb the entry of such fake entities into the GST ecosystem. The FM called for a nationwide campaign to explain the objectives of the special drive.

Last month, the Centre and State governments

launched a two-month special drive to detect suspicious or fake GSTINs and conduct the requisite verification and further remedial action to weed out these fake billers from the GST ecosystem and to safeguard government revenue.

itation organised by the Confederation of Indian Industries on Friday, Johri said that GST Network identified 60,000 entities that potentially had fake registration. As a result, tax officers from the Central and State governments have initiated physical verification of these entities' premises.

ther measures to tighten regulations on fake registration and fraudulent generation of ITC as it looks to check tax evasion. "We are thinking of other measures, and we will take them through the due process of the law committee and GST council," he said. Additionally, the CBIC has issued new guidelines for GST registration, with a focus on high-risk applicants.

JOHRI'S STATEMENT

Earlier, talking to reporters, after a meeting on trade facil-

ities, he also mentioned that the GST Council will discuss fur-
