Notes:

The above results have been taken on record by the Board at its meeting held on November 11, 2020 The Stautory Auditors of the Company have carried out the limited review of the same.

This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extension applicable.

The Company has only one business and geographical segment viz. real estate development and consultancy in real estate in India, Hence no further disclosures are required to be made as per Indian Accounting Standard-108 on "Operational Segments"

The Figures have been regrouped & rearranged where necessary to confirm the figures of the current period. The figures for the guarter ended September 30, 2020 and September 30, 2019 are balancing figures between unaudited figures in respect o the half year ended September 30, 2020 and September 30, 2019 and the unaudited figures of guarter ended June 30, 2020 and June 30, 2019 respectively.

COVID-19 outbreak was declared a pandemic by the World Health Organization on March 11, 2020. The Indian Government or March 24, 2020, announced a 21-day complete lockdown across the country, to contain the spread of the virus. The operations of the company, being engaged in the real estate developement and consultancy, are severally affected due to continuance of the lockdown in the area where the operating assets and corporate and registered office of the company are located. The lockdown is still imposed in the area till the date of submission of these results, resulting into contraints on the free movement of concerned corporate staff. The Statutory Auditor were also unable to visit the office and assets of the company to carry out their limited review and could not perform the required review procedures in usual manner, resulting into restrictive verification of books of accounts, underlying statements, physical verification of supporting, vouchers, statements, communications and assets etc. Hence the review was carried out on restrictive basis, based on the limited available documents, management discussions representations and digital verification of the documents, wherever possible.

The Company faced some business interruption on account of the lockdown. The Board is of the opinion that there has been no material change in the controls or processes followed in the closing of the financial statements of the Company. Given the dynamic nature of the pandemic situation, the carrying value of the Company's assets as at June 30, 2020, may be affected by the severity and duration of the outbreak; however the Company believes that it has taken into account all the possible impact of known events arising out of COVID 19 pandemic in the preparation of financial statements resulting out of fair valuation of these assets. However the impact assessment of COVID 19 is a continuing process given its nature and duration. The Company will continue to monitor for any material changes to future economic conditions.

The provision for Income Tax and Deferred Tax (as per Ind AS-12); Employee Benefits (as per Ind AS 19) and other annual provisions are disclosed at estimation basis subject to final provisions to be made at the end of the Financial Year

The company has adopted Ind AS 116, 'Leases', effective 1 April 2019, using modified retrospective approach and there is no significant impact on the financial results. For Victoria Enterprises Limited
