Sub: Resignation

Dear Sirs,

I am writing to formally tender my resignation from my position as the Chairman and Managing Director of TIL Limited as well as step down from my role as member of the various Board Committees & also as a Key Managerial Person, effective 24th January 2024.

Over the years, it has been a great privilege to lead and nurture TIL, and witness the Company grow into a renowned brand in the infra space. I am immensely proud of the legacy we have built and one that I am leaving behind – a legacy that reflects our sustained adherence to highest standards of corporate and individual accountability.

The dedication and hard work of our employees, the unwavering support of our stakeholders, have been the driving force behind reaching many remarkable milestones over the decades.

The decision to step down is primarily because of the retirement stipulation of the Company. Although I have been active longer than my retirement age but, as they say, it's never too late. Consequently, I am tendering my resignation as there is no successor to continue the business operations after me.

As I usher in the change of management and new leadership, I sincerely wish that the legacy I leave behind would be successfully carried forward. I have full confidence in the capabilities of the new management and the entire workforce of TIL. I am also confident that with the strong foundation built over many years, TIL will continue to thrive under the new leadership.

I would like to express my gratitude to the Board of Directors, the executive team, and every employee for their spirit of commitment and support throughout my tenure.

I extend my best wishes for the future success of TIL.

Thanking you,

Yours' truly
