4.	Steps taken to ensure smooth functioning of operations	Strict measures ensuring social distancing, hygiene practices and sanitization to ensure safety of workers / employees at workplace, worker housing, hospital, roads etc are being done. The State administration has also helped in providing masks, gloves etc.
5.	Estimation of the future impact of CoVID-19 on its operations	Health and hygiene practices have evolved owing to the Pandemic. Regular field practices have resumed and productivity and growth of tea has reached normal levels. There should not be much drop in value of teas produced in the first quarter of F.Y 2020, the prices remaining remunerative due to no carry over stocks in the supply chain or with tea buyers.
