Dear Sir/Madam,

Sub.: Transfer of our scrip under Surveillance framework for companies under IBC.

As per extant provisions of Additional Surveillance Measure (ASM) IBC framework, the shortlisting of securities for placing under ASM IBC framework is based on objective criteria. The criteria for IBC (Stage-I) falls when there will be Close to-Close Price Variation greater than 25% in 5 Trading days. In the week commencing February 06, 2023 to February 10, 2023, due to corporate action filed by Raj Oil Mills Limited, there was constantly an upper circuit in the price of the shares of Raj Oil Mills Limited, which was total market driven and to which, that there was no involvement of the Raj Oil Mills Limited or any of its key managerial personnel, due to which Raj Oil Mills Limited share trading was listed under Surveillance by Bombay Stock Exchange and National Stock Exchange of India Limited. As per the above mentioned criteria provided in Exchange circular NSE/SURV/55582 dated May 20, 2022, RAJ OIL MILLS LIMITED (ROML) was shortlisted under IBC framework (Stage – I) w.e.f. 14 February, 2023 and hence the scrip is under “once a week trading” and the scrip from exit will be reviewed on the last trading day of the month by the Stock Exchanges.

Kindly take the above information on your record.

Thanking You.

Yours faithfully,

For Raj Oil Mills Limited
