based on the internal business reporting system, identified that the Company has only one segment viz. manufacture and sale of Auto Component - Piston Rings, Differential Gears Pole Wheel and other transmission Components. Accordingly there are no other reportable segments in terms of Ind AS 108 'Operating Segments'.

. The outbreak of Coronavirus (Covid-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In such a situation, the Company has taken due care in concluding on accounting judgements and estimates; viz., in relation to recoverability of receivables, assessment of impairment of assets and inventory, based on the internal and external information available up to the date of approval of these financial results and expects to recover the carrying value of its assets. The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID-19 situation evolves in India and globally. The Company continues to monitor the economic effects of the pandemic on the operations and take appropriate actions as and when required.

For Financial year 2021, the Board recommended a dividend of Rs.1.50/- per Equity share (Face Value per share Rs. 10/-) and the same was approved by the shareholders in the Annual General Meeting of the Company held on July 29, 2021.

5. The figures for the quarter ended March 31, 2021 above are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the nine months ended December 31, 2020 which were subject to limited review by the statutory auditors.
