Subject - Prayer for issuing duplicate share certificates

Sir,
In continuance of your correspondence dated 31 January 2018, I like to state that I am a retired teacher and senior citizen and hence unable to men to and fro for legal procedures as advised by you. The number of my share in your company is 90 (50+30+10) with the Folio No - E/M 10441... The original certificate of 50 (fifty) shares did not reach me through any communication from your company and I made a general diary in the local police station on 20/01/18. I had already sent all the original relevant documents to your department but you still insist on the share procedure. In this condition, I am compelled to pray to you either you buy the shares on your terms and condition or donate those shares for the good of your company. Thanking you and hoping a prosperous future of your company,
