The financial results have been prepared in accordance with the Companies (Indian Accounting Standard) Rules, 2015 as amended (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable In March 2020, the World Health Organisation declared COVID 19 to be a pandemic. The Company has adopted measures to

curb the spread of infection in order to protect the health of its employees and ensure business continuity with minimal disruption including remote working, maintaining social distancing, sanitization of work spaces etc. The Company has considered internal and external information while finalizing various estimates in relation to its financial statement upto the date of approval of the financial statements by the Board of Directors and has not identified any material impact on the carrying value of assets, liabilities or provisions. Considering that the Company deals with pharmaceutical drugs that are classified as essentials, there has been minimal disruption with respect to operations including production and distribution activities. The Company also has not experienced any difficulties with respect to market demand, collections or liquidity. The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID-19 situation evolves in India and globally. The Company will continue to closely monitor any material changes to future economic conditions.
