3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.switchingtechnologiesguntherltd.com The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.
9. The Share Transfer Register and Register of Members will be closed from Wednesday the 15th September, 2021 to Tuesday the 21st September, 2021 (both days inclusive) for the purpose of AGM.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The e-voting period begins on Saturday the 18th September, 2021 at 9.00 a.m. and ends on Monday the 20th September, 2021 at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the Cut-off or Record date i.e., 14th September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXTRACT OF ANNUAL RETURN

An extract of the Annual Return in Form MGT-9 is annexed as Annexure-D to the Report.

PERFORMANCE OF THE COMPANY

The Sales and other income during the year had decreased to ₹ 109.851 million in the FY ending 31st March 2021 compared to ₹ 132.595 million during the FY ended 31st March 2020. Thus the company has made an operational loss during the financial year under reporting. Your company has incurred a loss of ₹ 40,332,932 due to exchange fluctuation loss, and reduction in sales orders throughout the financial year due to recession in European Market, over which your company's management had no control. Nevertheless, your company is proud to present the results on "Going Concern" basis due to introduction of various cost cutting measures, productivity enhancement measures and scrap generation control measures.

The management's tight efficiency, effectiveness and pro-active commitment and control of cost measures and other related activities helped the present management to keep the losses at lower end. The present management is confident of moving further forward to convert the company into profitable position yet again in the ensuing future.

DEPOSITS

During the year under review, the Company has not accepted any deposits in terms of provisions of Companies Act 2013 or Chapter V there under. This disclosure is made as required under Rule 8(5)(v) of Chapter IX of the Companies Act, 2013.

B) Other Initiatives

Initiative has been taken up by your company for development of various types of products and sensors.

C) Outlook

It had been a difficult year as the operations of the Company were affected due to Covid. There were no sufficient business orders and supplies were also affected due to logistics

issues. The prices of the raw materials had increased particularly Radium whose prices had sky rocketed but the Company could not pass on the proportionate increase in prices to the end consumer. However the Company had undergone cost cutting measures to bring down the losses. In this context, we also wish to inform that the sales of the Company had come down due to the above factors in particular due to the unexpected Covid pandemic last year which is a temporary phenomenon. As a result the operational loss amounted to ₹ 40,332,932/- However the Management is confident of reviving the business of the company in the years to come through cost cutting measures and increasing the productivity and by adding new products and reduce the scrap generation because of which, your company will be in a position to reduce the loss and be profitable in the years to come.

D) Finance and Investments

Your company has not taken any loan, or deposit etc. from any one, except for issuance of zero coupon redeemable preference shares of ₹ 98,17,800/- totaling 98178 Nos. of shares of ₹ 100/- each, having been issued to M/s.Gunther America Inc., which is the holding company on 14/02/2009 redeemable at par after the expiry of 5 (five) years from the date of allotment.

Reserve Bank of India (RBI) had given permission for extension of redemption of 98,178 (Ninety Eight Thousand One Hundred and Seventy Eight only) Preference Shares of ₹ 100/- (Rupees One Hundred only) each allotted to M/s.Gunther America Inc., having its registered office at 454 Allwood Road Clifton, N.J.07012 USA (Preference Shareholder) for 7 (seven) years from 14/02/2014 vide its letter No.CHE:FED:FID/7630/25.19.319/2013-14 dated 19/05/2014. The Preference Shareholder had also consented for the said extension of Preference Shares.

The Company had again applied for extension of redemption of Preference Shares for a further period of 7 (seven) years vide its letter dated 23/01/2021. RBI vide its letter dated 26/02/2021 had given its acceptance for conversion of preference shares into equity shares subject to the compliance of the required regulations.

The Company in compliance of the approval given by RBI as stated above, would initiate the conversion of the Preference Shares into Equity Shares after the due approval from the Preference Shareholder.

E) Human Resource Development and Industrial Relations

Human Resource Development and Industrial Relations was very cordial. Your company's subsisting wage agreement with the STG's worker Union is due for finalisation.

F) Policy to Prevent Sexual Harassment at the work place

The Mechanism exists to receive complaints and redress Grievances with respect to sexual harassment to female employees of the Company.

G) Internal Control Systems and Their Adequacy

Your company has got sufficient internal control system. Your company has appointed independent third party internal auditor, and cost auditors besides statutory auditor. The present system is sufficient to meet the requirement of the company.

H) Information Security

Your company has a full proof information security system. The data backup are taken and kept separately so as to return back to the working in case of any unforeseen circumstances. This apart, your company has introduced adequate measures to avoid theft of information.

I) Opportunities and Threats & Risks and Concerns

Your company is located in to MEPZ-SEZ area. There is a minimum commitment of exports given by your company to the Development Commissioner of MEPZ-SEZ as mandated by law. Secondly, your company has entered into an export marketing agreement with the group companies. As per the agreement, the group companies provide the Raw Material and your company converts them into Finished Goods and export them back to the group companies. Under such scenario, after meeting the commitments of the group company as per the agreement and also the commitment given to the MEPZ-SEZ authorities, your company can make independent sales of left over finished goods. In general, demand for your company's products keeps fluctuating upward and downward and is very volatile.

With regard to the threat, the major threat is the obsolescence of technology involved in the production machinery and equipment. Your company has however been successful in customizing those machinery and equipment to suit the latest technological requirement vis-à-vis production and export requirement. Secondly, your company is manufacturing gold plated reed switches whereas lot of competitors have emerged in the international market who are offering low cost tin and copper plated reed switches performing the same function as that of your company's reed switches. However, your company is able to offset this threat by canvassing the product's superior quality and longtime durability.

ANNEXURE-B
Forming Part of the Board's Report
BUSINESS RESPONSIBILITY REPORT FOR
SWITCHING TECHNOLOGIES GUNTHER LIMITED

Part A:

SUSTAINABILITY EFFORTS BY SWITCHING TECHNOLOGIES GUNTHER LTD.

Your company's plants and machineries are age old and the manufacturers of those plants and machineries have either closed their facilities or stopped manufacturing the same. Nevertheless, your company has been customizing the repairs and maintenance aspect to suit the technological upgradation requirements. This has been possible by utilizing the in-house intellectual expertise and also by appointing outside consultants.

Your company's other sustainable efforts were to focus on reducing the scrap rate and increasing the productivity. This has been introduced in all segments of the production processes.

Part B:

BUSINESS RESPONSIBILITY INITIATIVES BY SWITCHING TECHNOLOGIES GUNTHER LIMITED

Your company is very particular in keeping the surrounding environment green and clean. In this regard, your company has ensured meticulous compliance of pollution control norms.

Your company is very particular about taking care of requirements of its workers and their family members. Even though the company is under severe financial crisis, the company still manages to assist its employees in the best possible way within its means and bounds. This will be evidenced from the very fact that till the year 2007 – 08, your company was stuck with lots of labour issues, besides being rendered sick company and having been referred to BIFR. Due to initiatives taken by your management over a period of time, the company has not only come out of clutches of BIFR but has also broken even in the financial year 2013-14 and booked profits in FY 2014-15. This could not have been possible without the paternalistic approach of your company towards the needs and requirements of the employees. However, during the financial year 2015-16 to 2017-18, your company has incurred loss again purely due to the fact that there was steep decline in sales order. During the financial year under reporting i.e. 2020-21, your company has posted operational loss of ₹ 40,332,932/- due to the factors as mentioned in the outlook.

We further report that during the financial year, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Independent Directors subject to the following observations.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and less than seven days in applicable cases with the consent of all the directors in accordance with the provisions of the Act and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, reappointment, their being independent and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board as the case may be.

We further report that during the audit period there were no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

We further report that there are adequate systems and processes in place in the Company commensurate with the size, nature of business and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. The following are our observations:

- (a) *Two Independent Directors on the Board of the Company had resigned from the Company on 18.09.2020 & 19.09.2020 thereby falling below the minimum number of Directors required in case of a public company under Section 149(1) of the Companies Act, 2013. The Company subsequently appointed 2 Independent Directors on 11.11.2020 and complied with the provisions of the Act. The Management had informed that due to the COVID pandemic situation prevailing at that point of time, it took them less than two months time to induct new independent directors and the delay in appointing new directors was not intentional.*
- (b) *Two Independent Directors of the Company who were members of the NRC had resigned from the Company on 18.09.2020 & 19.09.2020. The Company subsequently appointed 2 Independent Directors on 11.11.2020 and appointed Chairman on 10.02.2021 and reconstituted the NRC with 2 Independent Directors and Chairman with effect from 10.02.2021. The Management had informed that due to the COVID pandemic situation prevailing at that point of time, it took them less than two months time to induct new independent directors and the delay in appointing new directors was not intentional.*

REPORT ON CORPORATE GOVERNANCE

Clause 49 of the Listing Agreement with the Indian Stock Exchanges stipulates the norms and disclosure standards that have to be followed on the Corporate Governance front by listed Indian companies.

1. THE COMPANY'S PHILOSOPHY

The Company is one of the group companies of Comus International based in New Jersey, USA. The company is in a field of manufacturing and sales of electrical and electronic components which among others includes Reed Switches. Besides the operational part, your company has come a long way from being a sick company to breaking even and posting a nominal profit in the FY 2014-15. However, the company could not continue the trend of posting profits in subsequent financial years from 2015-16 to 2017-18 due to volatile and lower demand for the products of your company. However, during the current FY 2018-19 under review, your company has posted operational profits. This could be possible because of the management's strong commitment towards paternistic approach for its employees at large on one hand, and towards intellectual support and guidance in the operational side on the other hand. Further, your company has introduced new product lines as a process of diversification to ensure that the losses so occurred be kept at a lower end.

The Company's philosophy of corporate governance is to achieve business excellence by enhancing the long-term welfare of all its stakeholders. The Company believes that corporate governance is about creating organisations that succeed in the market place with the right approach and values. This will enhance the value for all its stakeholders.

Independent Auditors' Certificate on Corporate Governance

To
The Members of Switching Technologies Gunther Limited

We, M L Srinivasan & Associates, Chartered Accountants, the statutory auditors of Switching Technologies Gunther Limited ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company for the year ended on March 31, 2021, as stipulated in regulations 17 to 27 and clause (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("SEBI Listing Regulations").

Managements' Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the SEBI Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representation provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clause (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI Listing Regulations during the year ended March 31, 2021.

We state that such compliance is neither an assurance as to the further viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT

To the Members of Switching Technologies Günther Limited

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Switching Technologies Günther Limited ("the company"), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss (including other comprehensive income), the statement of Changes in Equity and the Statement of Cash Flow for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the Loss and total comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs), Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matter are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matter were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the there are no key audit matters to communicate in our report.

Emphasis of Matter

We draw attention to the Notes in the Financial Statements. The company has incurred net loss of ₹ 4,03,32,932/- during the year ended 31st March, 2021 and as of that date, the Company's accumulated losses aggregate to ₹ 7,49,13,744/- resulting in complete erosion of its net worth. Further, as of that date, Company's current liabilities exceeded its current assets by ₹ 4,08,54,632/- . These factors along with other matters as set forth in said notes raise substantial doubt about the Company's ability to continue as a going concern in the foreseeable future. However, the Company's financial statement has been prepared on going concern basis as disclosed by management in said note. Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, change in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, further events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the result of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, statement of change in equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

- e) On the basis of written representations received from the directors as on 31 March, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021, from being appointed as a director in terms of Section 164(2) of the Act
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to our best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund and

- 2. As required by the Companies (Auditors' Report) Order, 2016 ('the Order') issued by the Central Government of India it terms of sub-section (11) of section 143 of the Act, we give in the Annexure B, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS

1 CORPORATE INFORMATION

- 1.1 Switching Technologies Günther Limited (“the Company”) is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is into the business of manufacturing and trading of Switching products. The Company commenced its manufacturing operations in a modest way.

2 SIGNIFICANT ACCOUNTING POLICIES

- 2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 (“the 2013 Act”) read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules 2016. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Going Concern

The company has reported net loss of ₹ 40,332,932/- during the current year and reported accumulated losses of ₹ 74,913,744/- as at 31st March, 2021. Further owing to the accumulated losses as at 31st March 2021 the Company’s net-worth is eroded completely. However, the accompanying financial statements have been prepared on a going concern basis, as the management is confident on the Company’s ability to continue as a going concern for a foreseeable future in view of the revised business strategy and performance improvement measures undertaken by the management.

2.3 Use of Estimates

The preparation of the financial statements in conformity with IND AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known to materialise.

2.4 Cash Flow Statement

Cash flows are reported using the indirect method, whereby loss before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash and Cash Equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Property, Plant and Equipment

An item of property, plant and equipment is recognised as an asset if it is probable that the the ture economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of profit and loss.

Subsequent to implementation of IND AS as required under IND AS 101 - First Time Adoption of Indian Accouting Standards, the plant & equipments have been adopted at historical values.

2.6 Capital work-in-progress

Projects under which tangible assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.7 Depreciation

Depreciation or amortisation is provided so as to write off, on a straight line basis as per the useful life prescribed in Schedule II to the Companies Act, 2013, the cost of property, plant and equipment and other intangible assets, including those held under finance leases to their residual value. These charges are commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of leased assets, over the lease period, if shorter. Depreciation on assets under construction commences only when the assets are ready for their intended use.

Freehold land is not depreciated. Leasehold land is amortised over the duration of the lease.

2.8 Impairment of assets

The carrying values of assets | cash generating units at each balance sheet date are reviewed for impairment. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset. When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

2.9 Inventories

Inventories are stated at the lower of cost and net realizable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution. Stores and spare parts are carried at lower of cost and net realisable value. Provisions are made to cover slow moving and obsolete items based on historical experience of utilisation on a product category basis, which involves individual businesses considering their product lines and market conditions.

2.10 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

(a) Financial assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income

De-recognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

(b) Financial liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant. Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire

2.11 Provisions, Contingent liabilities and Contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

Revenue Recognition

2.12 Sale of Goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.

2.13 Other Income

Interest income is accounted on accrual basis. Dividend Income is accounted for when the right to receive it is established.

2.14 Foreign currency transactions and translations

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost. Exchange differences arising on

settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

2.15 Employee Benefits

Employee benefits include provident fund, employee state insurance scheme, gratuity and compensated absences.

i) Defined Contribution Plan

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

ii) Defined Benefit Plan

The liability for Gratuity to employees as at Balance Sheet date is determined on the basis of actuarial valuation based on Projected Unit Credit method. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight- line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost. Any asset resulting from this calculation is limited to past service cost.

iii) Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

iv) Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

2.16 Borrowing Cost

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction or development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.17 Segment Reporting

The Company operates in only one product – Reed Switches

Information about geographical segments :

Particulars	Current year		Previous Year	
	Domestic	Overseas	Domestic	Overseas
Segment Revenue	86.06	1003.94	112.26	1192.98

2.18 Earning per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined

independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits I reverse share splits and bonus shares, as appropriate.

2.19 Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.20 Goods and Service tax input credit

Goods and Service tax input credit is accounted for in the books in the period in which the underlying Goods or Services received is accounted and when there is reasonable certainty in availing / utilising the credits.

2.21 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.
