## 17. VOTING PROCESS

### A. Voting through electronic means:

Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules 2014, as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the Company is pleased to provide to its Members, facility to exercise their right to vote on resolutions proposed to be considered at the 28<sup>th</sup> AGM by electronic means i.e. “Remote e-voting”. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM (“Remote e-voting”) will be provided by Central Depository Services Limited (CDSL). The Company has appointed Mr. Sudeshkumar V. Joshi, Chartered Accountant, Mumbai, to scrutinize the voting process (both Remote e-voting and voting process at the AGM) in a fair and transparent manner. The details of the process and manner of Remote e-voting is explained herein below:

In case a Member receives an e-mail from CDSL [for members whose email IDs are registered with the Company/Depository Participants(s)] :

Open your web browser during the e-voting period. Remote E-voting period begins from **Tuesday, 24<sup>th</sup> September, 2019 (9.00 a.m.) and ends on Thursday, 26<sup>th</sup> September, 2019 (5.00 p.m.)**. During this Period, shareholders holding shares either in physical form or dematerialized form, as on Friday, **20<sup>th</sup> September, 2019**, being cut-off date/entitlement date, may cast their vote electronically. The e-voting shall be disabled by CDSL for voting thereafter.

Any person, who acquires shares of the Company and becomes Member of the Company after dispatch of Notice and holding shares as of the cut-off date i.e. Friday, **20<sup>th</sup> September, 2019** may obtain the Sequence Number (if PAN is not updated with Depository Participant or Company) by sending a request at [rnt.helpdesk@linkintime.co.in](mailto:rnt.helpdesk@linkintime.co.in) or [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) by mentioning their Folio No./DP Id and Client ID No.

- (viii) Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (xi) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiv) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take out print of the voting done by you by clicking on “Click here to print” option on the Voting page.
- (xvi) If Demat account holder has forgotten the same password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

(xvii) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store, Apple and Windows phone. Please follow the instructions as prompted by the mobile app while voting on your mobile.

(xviii) Note for Non- Individual Shareholders and Custodians

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to [www.evotingindia.com](http://www.evotingindia.com) and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the Entity should be emailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com).
- After receiving the login details a compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) which they wish to vote on.
- The list of accounts should be mailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

**In case of members receiving the physical copy:**

- (a) Please follow all steps from sl. no. (i) to sl. no. (xvi) above to cast vote.
- (b) The voting period begins on **Tuesday, 24<sup>th</sup> September, 2019 (9.00 a.m.) and ends on Thursday, 26<sup>th</sup> September, 2019 (5.00 p.m.)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **20<sup>th</sup> September, 2019**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at [www.evotingindia.com](http://www.evotingindia.com) under help section or write an email to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com).

**SECRETARIAL AUDIT REPORT**For The Financial Year Ended 31<sup>st</sup> March 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
HOTEL RUGBY LIMITED  
Mumbai  
CIN: L55101MH1991PLC063265

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by HOTEL RUGBY LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit of the Company, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not applicable to the Company during the Audit Period;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009/The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 - Not applicable to the Company during the Audit Period;
  - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 / The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (effective from October 28, 2014) - Not applicable to the Company during the Audit Period;
  - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - Not applicable to the Company during the Audit Period;
  - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - Not applicable to the Company during the Audit Period and
  - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 - Not applicable to the Company during the Audit Period;

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India;
- ii. The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited under the SEBI (Listing Obligations and Disclosure Requirements), 2015.

During the period under review, the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:

1. *The Company has not appointed a Whole-time Company Secretary as required pursuant to Section 203 of the Companies Act, 2013 and not appointed Company Secretary as Compliance Officer under regulations 6(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company paid fine in respect of the same to BSE & NSE for the quarter ended 31.12.2018 and 31.03.2019. However, the Company Secretary and Compliance Officer was appointed w.e.f. 22<sup>nd</sup> April, 2019.*
2. *The Company has filed its Annual Report late for the year ended 31<sup>st</sup> March, 2018 with NSE and has paid the fine for the same.*

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors / Committees thereof, if any, that took place during the period under review, were carried out in compliance with the provisions of the Act.

Based on the representation given by the Management of the Company and as verified by us, it is observed that there are no such laws which are specifically applicable to the industry in which the Company operates.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions of the Board are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the events/actions as mentioned in Annexure -i has major bearings on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above. This Report is to be read with my letter of even date which is annexed as Annexure - ii and forms an integral part of this Report.

**AUDIT REPORT 2018-19**

To The Members of  
Hotel Rugby Limited

**Report on the Audit of the Financial Statements**

**Qualified Opinion**

We have audited the accompanying financial statements of Hotel Rugby Limited (“the Company”), which comprise the balance sheet as at 31 March 2019, the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and loss and other comprehensive income, changes in equity and cash flows for the year ended on that date.

**Basis for Qualified Opinion**

- a. We are unable to verify the non current investment amounting to Rs. 4,00,000 and the valuation thereof as the supporting evidences for the same has not been produced for our verification.  
The investments in Equity Instruments are taken at cost and not valued at Fair Value through profit or loss or fair value through comprehensive Income as required by Ind As 109 (Refer Note 1.1)
- b. The accounts are prepared on a going concern basis and all the fixed assets of the company have been disposed off long back and company is exploring to new business areas.(Refer Note 20)

We conducted the audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Description of Key Audit Matter**

**A. Non Current Investments**

The Company has made non current investments in equity shares of certain co-operative banks which have been stated at cost in the financial statements. The key audit matter in the above investments was value at which these are recognized in the financial statements and whether the same is as per the requirements of IND AS 109.(Refer note 1.1)

**How the matter was addressed in the audit**

The audit procedures included:

– **Identification:**

For the purpose of identification, We sought the share certificates for the investments made in each of the equity shares stated at an aggregate cost of Rs. 400,000 in the financial statements. This evidence was required for identification of investments made.

– **Controls:**

The ownership control of the investments could be ascertained if the invested shares were in the custody of the management. The production of these investments could establish the control of the management on the above investments.

– **Completeness and accuracy of the value at which stated:**

The equity investments are required to be valued at fair value in accordance with IND AS 109. To ascertain the same, the financial statements of the investee entities as at 31 March 2019 were sought for the purpose of valuation. Alternative, valuation report of a valuer could establish the completeness and accuracy in the valuation of the investments in above equity shares.

As the financial statements of the investee entities were not made available, nor alternative valuation for the correctness of the investment value at which these are stated, our opinion was qualified in this respect.

### Description of Key Audit Matter

#### B. Current Investments

The Company has made current investments in debt oriented mutual funds which have been stated at cost in the financial statements. The key audit matter in the above investments was value at which these are recognised in the financial statements and whether the same is as per the requirements of IND AS 109. (Refer note 3.1).

##### How the matter was addressed in the audit

The audit procedures included:

##### – Identification:

For the purpose of identification, We have sought the depository statement / statement of mutual funds for the investments made in each of the mutual funds and the transactions statement for purchase and sell of the investments stated at aggregate value of Rs.16,30,303 in the financial statements. This evidence was required for identification of investments made/disposed off during the year.

##### – Controls:

The ownership control of the investments could be ascertained if the invested mutual funds were in the custody of the management. The production of the investments by way of depository statements (holding and transactions both,) could establish the control of the management on the above investments.

##### – Completeness and accuracy of the value at which stated:

The mutual fund investments are required to be valued at fair value in accordance with IND AS 109. To ascertain the same, the no. of units at the year end and the net asset value for each of the mutual funds were sought.

The relevant information in respect of the investments made/disposed off and the valuation as at 31 March 2019 was made available and the same was found to be correct to our satisfaction.

#### C. Other Current Assets

The company has given mobilization advance of Rs.5,76,50,000/- for taking certain project, which had been outstanding for a long time and the audit matter was whether the same is recoverable, considering no progress on the project and the prevailing market conditions.(Refer note 5.2)

##### How the matter was addressed in the audit

The audit procedures included:

We made the enquiries from the management with regard to the probability of commencing the project or recovery of the amount from the party.

The management informed that there is every possibility of recovery and negotiation is on, however a possibility of loss in the credit cannot be ruled out and considering the possibility of this, 50% provision has been made for doubtful advances.

#### D. Going Concern assumption

The Company operates only in one segment i.e. Hotels and substantial assets of the same was disposed of to settle one time settlement dues of banker who had attached the properties and took possession of the same. Thus the company is not carrying the hotel business, and till it explores other business avenues, the assumption of going concern was an issue of concern. (Refer note 20)

##### How the matter was addressed in the audit

The audit procedures included:

We made the enquiries from the management with regard to the going concern assumption and the reasons for preparation of financial statements, despite being no hotel properties to carry on the hotel business.

The management informed that the company now intends to go for diversified allied business apart from the hospitality activities and a mobilization advance is also given in this respect.

##### Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is no material misstatement of other information, which we are required to report and we have nothing to report in this regard.

**Management's Responsibility for the Standalone Financial Statements**

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company, in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the preparation of the financial statements by the Directors of the Company, as aforesaid.

In preparing the financial statements, the management and Board of Directors of the Company are responsible for assessing the ability of the company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. The Board of Directors of the Company is responsible for overseeing the financial reporting process of the company.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. we also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, I am also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude, that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

we also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. we describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. (A) As required by Section 143(3) of the Act, we report, that:

a) we have sought and obtained all the information and explanations (except as stated above in the para on basis for qualified opinion) which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act except for the effects of the matter described in the Basis for Qualified Opinion section of our report.

e) On the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors of the Company is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The company does not have any pending litigations as at 31 March 2019 having impact on the financial position in its financial statement.

ii. The company does not have any long-term contracts including derivative contracts for which there are any material foreseeable losses.

iii. There has been no amount due to be transferred to the Investor Education and Protection Fund by the Company.

(C) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, no remuneration is paid during the current year by the Company covered under the provisions of Section 197 of the Act. Therefore, we are not required to comment if the managerial remuneration in excess of the limit laid down under Section 197 of the Act has been paid. The Ministry of Corporate Affairs has also not prescribed other details under Section 197(16) which are required to be commented upon by us.

## ANNEXURE “B” OF THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2.(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

### Opinion

We have audited the internal financial controls with reference to financial statements of Hotel Rugby Limited (“the Company”) as at 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March, 2019, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

### Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

### Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the financial statements based on our audit. We conducted my audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the financial statements.

### Meaning of Internal Financial controls with Reference to Financial Statements

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

16	Segment Reporting: In view of there being no turnover in respect of operating activities, segment reporting is not applicable		

16.1	Basis of identifying operating segments:
	Operating segments are identified as those components of the Company:
	(a) that engage in business activities to earn revenues and incur expenses (including transactions with any of the Company's other components;
	(b) whose operating results are regularly reviewed by the Company's Board of Directors to make decisions about resource allocation and performance assessment and (c) for which discrete financial information is available
	(c) for which discrete financial information is available
16.2	Reportable segments:
	An operating segment is classified as reportable segment if reported revenue (including inter-segment revenue) or absolute amount of result or assets exceed 10% or more of the combined total of all the operating segments. Since neither revenue nor results or assets have more than 10% of the combined results, the Company has only one reportable segments based on the nature of its products and service
16.3	The geographical information in respect of revenues from external customers:
	(a) attributed to the company's country of domicile
	(b) attributed to all foreign countries in total from which the company derives revenues
16.4	There are no revenues from external customers attributed to an individual foreign country which are material. There are no non current assets attributed to any foreign country.
16.5	Since there is no turnover, the Company does not have major customers having revenues from transactions with a single external customer amounting to 10 per cent or more of its total revenues.

18.3	Outstanding balances at the year end are unsecured and settlement occurs in cash. These borrowings are interest free.		
18.4	The Company has not recorded any impairment of receivables relating to amount owed by related parties for which provision has been made for bad debts.		
18.5	This assessment is undertaken each financial year through examining the financial position of the related parties and the market in which the related parties operate.		
19	There are no amounts due and outstanding to be credited to Investor Education & Protection Fund as at March 31, 2019		
20	All the fixed assets of the company have been sold long back, and there are no assets under the management during the year. Therefore, the concept of going concern is affected. However, management is looking for avenues for investment, and based on its judgement and future planning, the accounts are prepared under the concept of going concern.		
21	In the opinion of the board, the Current Assets, Loans and Advances have a value on realisation in the ordinary course of business at least equal to the amount at which these are stated in the balance sheet and provisions for all the known liabilities have been made, subject to read with the notes.		
22	The Company is making efforts to comply with the provision of section 203(1)(ii) of the Companies Act, 2013 regarding appointment of a whole time Company Secretary.

**23 Financial Instruments (Contd.....):**

23(iii)	Financial risk management	As at 31/03/2019	As at 31/03/2018
	The Company has exposure to the following risks arising from financial instruments: - credit risk; - liquidity risk; and - market risk		

Risk management framework
The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the processes to ensure that management controls risks through the mechanism of property defined framework.
The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the board annually to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.
The Company's Audit Committee oversees compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

(a) Credit risk
Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities.
The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk very closely. The Management impact analysis shows credit risk and impact assessment as low.

Current Assets
The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. Since there are no revenue generated from operations, there are no major risks.
The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer/party. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. In view of no operations from its core activities, there are no risks envisaged by the company			
The gross carrying amount of trade receivables		-	-
During the period, the Company has made no write-offs of trade receivables, as it does not have any trade receivables. The Company management also pursue all legal option for recovery of dues wherever necessary based on its internal assessment when such a need arise.			
A default on a financial asset is when counterparty fails to make payments within 60 days when they fall due.			

<b>Reconciliation of loss allowance provision – Loan and advances</b>			
<b>Balance in the beginning</b>		-	-
Provisions made during the year		2,88,25,000	-
<b>Balance at the year end</b>		2,88,25,000	-

<b>(b) Liquidity risk</b>			
Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation			
Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due and to close out market positions.			
Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected future cash flows. This is generally carried out and monitored through caproate office of the Company in accordance with practice and limits set by the Company. These limits vary to take into account requirement, future cash flow and the liquidity in which the entity operates. In addition, the Company's liquidity management strategy involves projecting cash flows considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.			

<b>(i) Financing arrangements</b>			
The company did not have any financial arrangements during the year from the banks or any other financiers except interest free loan from directors			

<b>(ii) Maturities of financial liabilities</b>			
The company does not have any contractual maturities of financial liabilities at the reporting date.			

<b>(c). Market risk</b>			
Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.			
The Company does not envisage any market risks presently as it does not have any operating activity related to its hotel business after the sell off of its fixed assets.			

	<b>Currency risk</b>		
	Since the Company does not have any exposure related to foreign exchange transactions, there is no currency risk exposure		
	<b>Sensitivity analysis</b>		
	Since there is no currency risk exposure, no sensitivity analysis can be presented.		
	<b>Interest rate risk</b>		
	The Company's does not have any interest borrowings. Therefore there is no interest risk from its borrowings. In respect of loans and advances, the rate of interest is fixed in accordance with the provision of the Act based on an arm's length. Therefore there is no interest rate risk exposure		
	<b>Exposure to interest rate risk</b>		
	There is no interest rate risk envisaged by the management as the company does not have such exposure.		
	<b>(i) Cash flow sensitivity analysis for variable-rate instruments</b>		
	In view of no interest risk for any exposure, the sensitivity analysis is not presented.		
	<b>(j) Fair value sensitivity analysis for fixed-rate instruments</b>		
	The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.		
24	The financial assets consisting of non current and current investments, non current loans and advances which constitute less than 50% of its total assets, though the income is 100% from the financial assets. Since both the conditions are not fulfilled by the company for registration as a deemed NBFC, provisions as a loan company are not attracted. ## HOTEL RUGBY LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>st</sup> MARCH 2019

## 27. Significant accounting policies and other disclosures:

**GENERAL INFORMATION:**

HOTEL RUGBY LIMITED (“the Company”), is a public company domiciled in India and was incorporated on 16<sup>th</sup> September 1991 under the provisions of the Companies Act, 1956 (now replaced by Companies Act 2013) as applicable in India. Its shares are listed on Bombay Stock Exchange (BSE) of India and National Stock Exchange of India (NSE).

The registered office of the Company is located at 2, Ground floor, 9, Dev Bhuvan, Gazdar Street, Chira Bazar, Kalbadevi, Mumbai – 400002.

As per the object clause of the Company, it is principally engaged in the business of hotels and restaurants, though presently no business activities are going on, after sale of its property, plant and assets in the past.

## 27.1 BASIS OF PREPARATION:

**A. Statement of compliance**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial statements were approved for issue in accordance with the resolution of the Board of Directors as per its meeting held on 27<sup>th</sup> May 2019

**B. Functional and presentation currency**

These financial statements are presented in Indian Rupees (INR), which is the Company’s functional currency.

**C. Basis of measurement**

The financial statements have been prepared under the historical cost convention on accrual basis.

**D. Use of estimates and judgements**

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual result may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

**Judgments**

Information about judgments made in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in respect of Provision for employee benefits which is based on the estimated basis.

**Assumptions and estimation uncertainties**

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the subsequent period financial statements is included in the notes.

**E. Measurement of fair values**

Company’s accounting policies and disclosures require the measurement of fair values, for both financial and non- financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values, based on which the fair value is measured as and when applicable.

This includes a regular reviews for significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorized in a fair value hierarchy based on the inputs used in the valuation techniques as under:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: inputs other than quoted price included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfer between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

## 27.2 SIGNIFICANT ACCOUNTING POLICIES:

### A. Current and non-current classification

All the assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/ liabilities are classified as non-current.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in Cash or cash equivalents, the Company has ascertained its normal operating cycle as 12 months for the purpose of Current / Non-current classification of assets and liabilities.

### B. Financial Instruments

#### i. Financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

All financial assets are recognised at fair value on initial recognition.

Financial assets are subsequently classified as measured at:

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

#### Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

#### Impairment of financial assets

The Company recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost;

At each reporting date, the Company assesses whether financial assets carried at amortised cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

#### **Measurement of expected credit losses**

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

#### **Presentation of allowance for expected credit losses in the balance sheet**

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

#### **Write-off**

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

#### **ii. Financial liabilities**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortised cost using the effective interest rate (EIR) method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

#### **Derecognition**

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

#### **iii. Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

#### **C. Borrowing costs**

Borrowing costs include interest expense calculated using the effective interest method (EIR), finance charges in respect of assets acquired on finance lease and exchange differences arising on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, which are attributable to the acquisition, construction or production of a qualifying asset are capitalized / inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale.

A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

**D. Income tax**

Income tax comprises current and deferred tax. It is recognised in statement of profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

**Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

**Deferred tax**

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits. Deferred tax is not recognized for:

- Temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction;
- Temporary differences related to investment in subsidiary to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets- unrecognized or recognized, are reviewed at each reporting date and are recognized/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realized.

Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

**E. Cash and cash equivalents**

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

**F. Provision and contingent liabilities**

The Company sets up a provision when there is a present legal or constructive obligation as a result of a past event and it will probably requires an outflow of resources to settle the obligation and a reliable estimate can be made. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or where reliable estimate of the obligation cannot be made. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

#### **G. Contingent Assets**

Contingent Assets are not recognised in the financial statements. However, these are disclosed in the Director's report.

#### **H. Revenue recognition**

Effective 1st April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11.

The adoption of the standard did not have any material impact to the financial statements of the Company.

- (i) Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.
- (ii) Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.
- (iii) Unearned and deferred revenue (“contract liability”) is recognised when there is billings in excess of revenues.
- (iv) In accordance with Ind AS 37, the Company recognises an onerous contract provision when the unavoidable costs of meeting the obligations under a contract exceed the economic benefits to be received.
- (v) Contracts are subject to modification to account for changes in contract specification and requirements. The Company reviews modification to contract in conjunction with the original contract, basis which the transaction price could be allocated to a new performance obligation, or transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation a cumulative adjustment is accounted for.
- (vi) The Company disaggregates revenue from contracts with customers by geography and nature of services.

#### **Use of significant judgements in revenue recognition**

- The Company assesses the products / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables
- Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, service level credits, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.
- The company uses judgement to determine an appropriate standalone selling price for a performance obligation. The Company allocates the transaction price to each performance obligation on the basis of the relative stand-alone selling price of each distinct product or service promised in the contract. Where standalone selling price is not observable, the Company uses the expected cost plus margin approach to allocate the transaction price to each distinct performance obligation.

- The company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.
- Contract fulfilment costs are generally expensed as incurred except when costs which meet the criteria for capitalisation. The assessment of this criteria requires the application of judgement, in particular when considering if costs generate or enhance resources to be used to satisfy future performance obligations

However, there has not been any income from operations during the year and therefore no impact on accounts.

**(ii) Other income**

A. Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.

B. Dividend income is accounted in the period in which the right to receive the same is established.

C. Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

**I. Exceptional items**

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the company is treated as an exceptional item and the same is disclosed in the notes to accounts.

**J. Segment reporting**

There has not been any operations during the year and accordingly segment revenue is not applicable.

**K. Earnings per share**

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

**L. Commitments**

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) estimated amount of contracts remaining to be executed on capital account and not provided for, and;
- b) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

**M. Statement of Cash Flows**

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profit for the effects of:

- i. changes during the period in inventories and operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

**N. Key sources of estimation**

The preparation of financial statements in conformity with Ind AS requires that the management of the company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment, Intangible assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit

plans, provision for rectification costs, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

**O. New / Amended Ind AS and impact thereof:**

Ministry of Corporate Affairs (“MCA”) through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS which the Company has not applied as they are effective from 1<sup>st</sup> April, 2019:

**(a) New Standard**

**Ind AS 116 - Leases**

Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17. The standard allows for two methods of transition: the full retrospective approach, requires entities to retrospectively apply the new standard to each prior reporting period presented and the entities need to adjust equity at the beginning of the earliest comparative period presented, or the modified retrospective approach, under which the date of initial application of the new leases standard, lessees recognize the cumulative effect of initial application as an adjustment to the opening balance of retained earnings as of annual periods beginning on or after 1<sup>st</sup> April, 2019.

Based on preliminary assessment, the Company does not expect a significant impact to opening retained earnings on adoption of Ind AS 116 as the Company does not have any leasing transactions.

**(b) The MCA has also carried out amendments of the following accounting standards:**

**(i) Ind AS 12 – Income taxes (amendments relating to income tax consequences of dividend and uncertainty over income tax treatments)**

This amendment clarifies that the Company shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

The Company does not expect any impact from this amendment. The amendment does not amend situations where the entity pays a tax on dividend which is effectively a portion of dividends paid to taxation authorities on behalf of shareholders. Such amount paid or payable to taxation authorities continues to be charged to equity as part of dividend, in accordance with Ind AS 12. The amendment to Appendix C of Ind AS 12 specifies that the amendment is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12

It outlines:

- (I) the entity has to use judgement, to determine whether each tax treatment should be considered separately or whether some can be considered together. The decision should be based on the approach which gives better clarity of the resolution of the uncertainty.
- (II) the entity is to assume that the taxation authority will have full knowledge of all relevant information while examining any amount.
- (III) the entity has to consider the probability of the relevant taxation authority accepting the tax treatment and the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates would depend upon the probability.

The Company does not expect any significant impact of the amendment on its financial statements.

**(ii) Ind AS 109 – Financial instruments**

The amendments to the above Ind AS relate to the existing requirements regarding termination rights in order to allow measurement at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. The Company does not expect this amendment to have any impact on its financial statements.

- (iii) **Ind AS 19 – Employee benefit**  
 The amendments to the above Ind AS clarify that if a plan amendment, curtailment or settlement occurs, it is mandatory that the current service cost and the net interest for the period after the re-measurement are determined using the assumptions used for the re-measurement. In addition, amendments have been included to clarify the effect of a plan amendment, curtailment or settlement on the requirements regarding the asset ceiling.  
 The Company does not expect this amendment to have any impact on its financial statements.
- (iv) **Ind AS 23 – Borrowing Costs**  
 The amendments to the above Ind AS clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings.  
 The Company does not expect any impact from this amendment.
- (v) **Ind AS 28 – Long-term Interests in Associates and Joint Ventures**  
 The amendments clarify that an entity applies Ind AS 109 Financial Instruments, to long-term interests in an associate or joint venture that form part of the net investment in the associate or joint venture but to which the equity method is not applied.  
 The Company does not currently have any long-term interests in associates and joint ventures.
- (vi) **Ind AS 103 – Business Combinations and Ind AS 111 - Joint Arrangements**  
 The amendments to Ind AS 103 relating to re-measurement clarify that when an entity obtains control of a business that is a joint operation, it re-measures previously held interests in that business. The amendments to Ind AS 111 clarify that when an entity obtains joint control of a business that is a joint operation, the entity does not re-measure previously held interests in that business.  
 The Company does not currently have any Business combinations and joint arrangements.

As per our report of even date.
