Mr. Sharib Hashmi, who plays a crucial role in the film, shares his excitement about the project: "I'm really excited to work on this film as I'm getting to work with two of my favourites in this film, Ms. Tannishtha Chatterjee and Ms. Kirti Kulhari Also, because of the character I'm getting to portray... it is unlike anything I have done in the past and unlike the kind of person I am in real life. So, it's going to be a big challenge for me. Really looking forward to the shoot."

Ms. Kirti Kulhari, portraying the titular character, expresses her enthusiasm for the unique opportunity: "I'm very, very excited about this film and the story that it is, and of course, the character that I'm getting to play. And I'm most thrilled about collaborating with Ms. Tannishtha in this film. I really admire her. I think she is going to make a kickass film, and I think she is someone who will help me do justice to the character. I'm really looking forward to this whole journey of being Amreen and bringing the character to life. I'm super excited. It's a simple story. It's a warm story. And it's a coming-of-age story. The milieu that the story is set in and everything it talks about, it's very simple, yet very deeply written, and I can't wait to be on this journey and become Amreen in the process."

"Amreen" promises to be a captivating cinematic experience, exploring themes of acceptance, cultural diversity, and the power of resilience. The film will get on floor for shooting on the 9th of February 2024 in Mumbai.
