Notes to Financial Statement:

1. The Statement has been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on June 28, 2021. The Company confirms that its statutory Auditors ADV & Associates have issued audit report with unmodified opinion on the Financial results for the three months and year ended March 31st 2021.
2. The above financial results have been prepared in accordance with Indian Accounting Standards (Ind AS) - 34 "Interim Financial Reporting" as prescribed under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016.
3. Based on the results & financial information regularly reviewed, the company has identified 2 reportable segments viz Property & Related services and Hospitality Services as per IND AS 108. The segment information is provided in Annexure A.
4. Figures of the previous periods have been regrouped / rearranged / recasted wherever necessary to confirm to the current quarter's and yearly classification.
5. Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases", applied to all lease contracts existing on April 1, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application.
6. Discontinued Operations: The Company had decided to permanently stop its manufacturing activities at Solapur Plant at its Board Meeting held on November 10th, 2018. In accordance with Ind AS-105 the company has presented the financials of Manufacturing & Trading activities as discontinued operations
7. The Company is developing its space for various purposes. Currently more than 90% of the space is under process of development and this is now the main business activity of the company. The pivot from manufacturing to services is very significant and all the employees are fully engaged in work to implement this pivot by development, financing and administration of the space. Since this is WIP for the future earnings through this new offering, we propose to capitalise 92.22% of the cost of salaries for FY21.
8. Exceptional Items: The Company in November, 2018, declared permanent closure of its factory. In view of the same the plant and machinery was transferred to asset held for sale. We were unable to realise the expected sales in the previous year due to the slowdown in economy and other circumstances. Hence the assets were sold at a lower price, resulting in loss which has been booked as one time loss under exceptional items.
9. Asset held for sale: In the previous year 33kv was shown under asset held for sale. In the current year management has decided to not sale the asset but to be used by the company after development. Since the asset is not yet put to use the same is shown under WIP
10. Impact of COVID — 19 and Future Outlook: The Company is closely monitoring the situation arising out of the COVID-19 outbreak and the resultant restrictions imposed by the regulatory authorities. The disruption is unforeseen and beyond the control of the company. It is neither possible to foresee the duration for which this pandemic will last, nor to predict its course. Nevertheless, the Company is making every effort to deal with the current situation and the after effects of the pandemic. In view of the prevailing uncertainty, no precise estimation can be made about the overall impact of this pandemic.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
