Aurionpro announces new win in the Banking segment; secures order from a leading public sector bank in India

Mumbai – December 01, 2023

Aurionpro is pleased to announce new order win from a large public sector bank in India. The order includes the supply, installation, implementation, customization and maintenance of **iCashpro+**, our Cash Management Solution at the bank's site. The project is valued more than INR 30 Crores, comprising implementation and go-live within the next two quarters, followed by maintenance for a period of five years.

iCashpro+ is a next-generation Transaction Banking platform that provides a comprehensive solution for full-spectrum corporate banking. It is designed to deliver a superior and consistent client experience across customer segments, enhancing time-to-market, acquiring improved cash visibility, and reducing expenses.

Sandeep Chiber, Executive Vice President (EVP), in announcing the win, said, "iCashpro+, our cutting-edge Transaction Banking solution, has empowered numerous banks to become regional leaders by enhancing efficiency, sustainability, and overall financial well-being of their corporate customers. This latest win is a testament to our team's commitment to provide next-gen solutions that drive technological transformation for our clients. Adding such a large and forward-looking public sector bank to our clientele further strengthens our credentials within the banking space in India. We express our gratitude to the bank for reposing trust in us."
