With reference to the caption subject matter, we have received discrepancies regarding Non-Disclosure of reasons for delay in submission of financial results for Period/Year ended March 31, 2024.

We would like to clarify that the company has mentioned reason in the covering letter stating that there was a health issue of the Accountant of the company reason of which there was delay in the submission of financial results. Further due emergency medical issue, Directors needs to rush from the office immediately after the board meeting and were not available afterwards. Hence, as and when the directors gets available, the company complete the procedural work and submit the necessary documents with the Bombay stock exchange.

Kindly consider the above matter and obliged us.
