President of Serbia inaugurates Motherson's wiring harness facility in Serbia

Požarevac (Serbia) – 8th September 2022, President of Serbia, Mr. Aleksandar Vučić and Mr V C Sehgal Chairman, Motherson today inaugurated Motherson's new facility in Požarevac. This is Motherson's third facility in Serbia and will be manufacturing wiring harnesses for Daimler trucks. The new facility will play an important role for Motherson in supporting its commercial vehicle customers and will create exciting career opportunities for over 1000 people in the region.

The state-of-the-art facility will contribute to global growth strategy of wiring harness division. The focus will be towards making this plant self-sufficient and providing full system solutions.

The latest facility will further strengthen the company's global position as a leading automotive solutions provider and a trusted long-time partner to its customers, allowing us to provide employment and growth opportunities for our future colleagues in Požarevac area.

Speaking on the occasion Mr. V C Sehgal, Chairman, Motherson said,

"We are delighted to strengthen our footprints in Serbia which has been a strategically important location for Motherson. We are committed to continuing our efforts to support the automotive sector in this region to reach its full potential. I appreciate the Serbian government's continuous encouragement and thankful for the collaboration offered by Serbian representatives. We also want to express our gratitude to our customers for their encouragement and support in the establishment of the new facility."

Samvardhana Motherson International Limited (SAMIL) [Formerly Motherson Sumi Systems Ltd.]

Samvardhana Motherson International Limited (SAMIL) is one of the world's leading specialised automotive component manufacturing companies for OEMs. The company, formerly known as Motherson Sumi Systems Limited was established in 1986 as a joint venture with Sumitomo Wiring Systems and was listed in 1993 on BSE and NSE in India. SAMIL is a focused, dynamic, and progressive company providing customers with innovative and value-added products, services, and solutions. With a diverse global customer base of nearly all leading automobile manufacturers globally, the company has a presence in 41 countries across five continents. SAMIL is among the top 25 automotive component suppliers globally.

Motherson is one of the largest manufacturers of wiring harnesses and electrical components globally and is a complete solutions provider to all its customers - from the product and concept development with complete in-house design capability & global engineering support to manufacturing and aftersales service. Wiring Harness business division of Motherson specialises in products that enable mobility around the world by being part of its customers' transportation vehicles and helping people and businesses move around the globe, every single day. The division has 98 facilities spread across 21 countries. Division's vertical integration supports its customers with increased content and capabilities; components manufacturing, testing & validation and production engineering as well as enterprise production planning systems.
