**Important Communication to Shareholders
“Green Initiative in the Corporate Governance”**

Ministry of Corporate Affairs (MCA) has taken a “Green Initiative in the Corporate Governance” by allowing paper less compliances by the Companies and has issued a circular No.17/2011 on April 21, 2011 stating that the service of document to shareholders by a Company can be made through electronic mode.

Keeping in view the underlying them and to support this green initiative of Government in the right spirit, members who holds shares in electronic mode and who have not registered their email addresses, so far, are requested to register their email address and changes therein from time to time, with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to fill the below mentioned prescribed form, giving their consent to receive the Notices calling general meetings, audited financial statements, auditors’ report, directors’ report, explanatory statement or any other communication in electronic mode, and register the said form with Link Intime India Private Limited.

Please note that you will be entitled to be furnished, free of cost, with a physical copy of the notice, balance sheet and all other documents required by law to be attached there to including the profit & loss account and auditor’s report etc., upon receipt of a requisition from you, any time, as a member of the Company.

We are sure you would appreciate the “Green Initiative” taken by MCA and your Company’s desire to participate in such initiatives.

Members holding shares in physical form are requested to update their Email Ids at nilesh.dalwadi@linkintime.co.in
23. Voting through electronic means:
Pursuant to Section 108 of the Companies Act, 2013, read with the relevant Rules of the Act, the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means. The Members desiring to vote through electronic mode may refer to the detailed procedure on e-voting given here in after:
 - (i) The voting period begins on 25th September, 2024 09.00a.m. (IST) and ends on 27th September, 2024 05:00 p.m.(IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21st September, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting there after.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail share holders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. INDEPENDENT AUDITORS' REPORT

To
 The Members of
K Z LEASING & FINANCE LTD
AHMEDABAD

Report on the Financial Statements

We have audited the accompanying IND AS Financial Statements of **K Z LEASING & FINANCE LTD** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Changes in Equity and statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and its profit and loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis Report, Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The above-mentioned reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the above-mentioned reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions as per the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("**the Act**") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other Comprehensive Income, cash flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 ("**the Order**") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. **As required by section 143(3) of the Act, we further report that:**
 - (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2(F) under the heading "Report on Other Legal And Regulatory Requirements" of Our Independent Audit Report of even date on the Financial Statements of K Z LEASING & FINANCE LTD for the year ended 31st March, 2024.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of K Z LEASING & FINANCE LTD ("the Company") as of 31 March, 2024 in conjunction with our audit of the Ind As financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements and Significant Accounting Policies

Note Particulars

1 Corporate Information

The standalone financial statements comprise of financial statements of K Z Leasing & Finance Limited for the year ended March 31, 2024. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's shares are listed on BSE, a recognised stock exchange, in India. The registered office of the company is located at 1st Floor, Deshana Chamber, B/H Kadva Patidar Vadi, Ushmanpura, Ahmedabad - 380014. The Company is engaged in the business of Finance. The standalone financial statements were authorized for issue in accordance with the resolution of the board of directors on May 30, 2024.

2 Basis of preparation

i Statement of Compliance with Ind AS

The standalone financial statements for the year ended March 31, 2024 of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and as amended time to time.

ii Accounting Convention and Basis of measurement

The standalone financial statements have been prepared on a historical cost basis, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

The standalone financial statements are presented in Indian Rupees and all values are rounded to the nearest lacs, except where otherwise indicated. Any discrepancies in any table between totals and sums of the amounts listed are due to rounding off.

3 Summary of Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in the financial statements unless otherwise stated.

i Current/non-current classification

The Company presents assets and liabilities in the balance sheet based on current and non-current classification. An asset is treated as current when it is:

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle;
- b) Held primarily for the purpose of trading;
- c) Expected to be realized within twelve months after the reporting period; or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liability is treated as current when it is:

- a) Expected to be settled in normal operating cycle;
- b) Held primarily for the purpose of trading;
- c) Due to be settled within twelve months after the reporting period; or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets/ materials for processing and the irrealisation in cash and cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

ii Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes in to account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- b) Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;
- c) Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

iii Property, Plant and Equipment (PPE)

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities).

Pre-operative expenditure comprising of revenue expenses incurred in connection with project implementation during the period up to commencement of commercial production are treated as part of the project costs and are capitalized. Such expenses are capitalized only if the project to which they relate, involve substantial expansion of capacity or upgradation.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from its use. Difference between the sales proceeds and the carrying amount of the asset is recognized in statement of profit and loss.

Free hold land is carried at historical cost and not depreciated.

Depreciation on all fixed assets is provided on Straight line Method as per the useful life prescribed in Schedule II to the Companies Act, 2013. Depreciation on Property, plant and equipment purchased/acquired during the year is provided on pro-rata basis according to the period each asset was put to use during the year. Similarly, depreciation on assets sold/discarded/demolished during the year is provided on pro-rata basis.

The Company assesses at each reporting date using external and internal sources, whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

iv Intangible assets

Intangible assets acquired separately are measured, on initial recognition, at cost. Following the initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The amortization expense on intangible assets is recognized in the statement of profit and loss.

Intangible assets are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit and loss in the period of derecognition.

The company has elected to measure all its intangible assets and investment property at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

v Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators. The Company bases its impairment calculation on detailed budgets and forecast calculations.

Impairment losses are recognized in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses on assets no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognized in the statement of profit and loss.

vi Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

vii Finance Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

viii Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

Based on Ind AS 18 issued by the ICAI, the Company has assumed that recovery of excise duty flows to the Company on its own account. This is for the reason that it is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not. Since the recovery of excise duty flows to the Company on its own account, revenue includes excise duty.

However, sales tax/ value added tax (VAT)/Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Interest Income

For all financial assets measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

ix Employee Benefit Expenses

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related services.

The gratuity liability is paid in terms of insurance premium and the company does not have any liability once the contribution in terms of premium is paid.

x Foreign currencies

The Company's standalone financial statements are prepared in Indian Rupee which is also Company's functional currency.

Transactions and balances

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the time of the Transaction, i.e. spot rate. Monetary assets and liabilities denominated in foreign currencies are translated using the exchange rate at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the dates of the initial transactions.

xi Taxes on Income

Tax on Income comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognized directly inequity or in other comprehensive income.

Current tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax liability are generally recorded for all temporary timing differences. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences can be utilised. Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss, either in other comprehensive income or directly inequity. The carrying amount of deferred tax assets is reviewed at each reporting date.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The Company recognizes tax credits in the nature of MAT credit as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which tax credit is allowed to be carried forward. In the year in which the Company recognizes tax credits as an asset, the said asset is created by way of tax credit to the Statement of profit and loss. The Company reviews such tax credit asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period. Deferred tax includes MAT tax Credit.

xii Dividend distribution

The Company recognises a liability to make cash distributions to equity holders of the parent when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognised directly inequity.

xiii Provisions, contingent liability and contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an out flow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability arises when the Company has:

- a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) a present obligation that arises from past events but is not recognized because:
 - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recorded in the financial statement but, rather, are disclosed in the note to the financial statements.

Contingent assets are disclosed when an inflow of economic benefits is probable.

xiv Earning per share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

i Key accounting estimates**ii Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments.

iii Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cashflow (DCF) model. The cash flows are derived from the budget and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

iv Taxes

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

v Property, Plant and Equipment

Useful life of Property, Plant and Equipment is taken as stated in Schedule II of Companies Act, 2013. The carrying values of Property, plant and equipment have been disclosed in Note 2.

vi Intangible assets

Useful life of Intangible assets is taken as stated in Schedule II of Companies Act, 2013. The carrying values of Intangible assets have been disclosed in Note 2.
