Sub: Request for extension of time period for submission of Financial Results 2020-21

Dear Sir,

We hereby inform you that this year also the government has declared lock down from the middle of April 2021 and even as on the date of this letter, there are severe restrictions imposed on the number of people allowed to attend the office and factory operations. Because of this the company had to operate at a very low level of capacity because of the directives to maintain the operations with only a limited number of persons. Because of this we had to close down the plant and office operations partially from middle of April till now due to Covid 19 pandemic.

However we were trying our best to manage the operations with permitted number of people so as to enable us to maintain the continuity of the operations unlike last year. But since the pandemic was more severe and spreading much faster than the earlier one resulting in more fatalities, we are not taking any chance to let our guard go and put the staff and workmen into more difficulties. Hence in spite of our best efforts, we were unable to complete the audit of our books of account and publish the same on time. Therefore we request you to grant extension up to 30th. July 2021 to submit the Audited financial Results for the FY 2020-21. Please note that we are regular in submitting the financial results and other information/reports and it is only because of this extreme difficult situation we are seeking extension for submission of the financial results. Hence we request you to take up the matter before the respective authorities and grant us the time for submission of the financial results. Further we also request you to take up the matter with respective authorities for granting time up to at least 30th. August 2021 to deserved entities particularly small and medium size companies like our company for submission of Q1 Results. We once again highlight the fact that the MSME companies are now passing through a very difficult phase and it is impossible for MSME to survive this crisis without support from public and government bodies. Hence we seek your support at this point of time.

Thanking you,

Yours' Faithfully,
For Suditi Industries Limited,

R. Chay
