ABOUT JAYANT AGRO

Jayant Agro group manufactures widest range of castor oil based chemicals and specialty chemicals in the world. It's Research and Development centre is focused on developing new products and applications based on castor oil and its derivatives delivering much more than molecules, converting the molecules to products for markets and turning ideas into solutions. The management of the Group have been pioneers of the castor oil industry in India with experience of over 60 years in the processing of castor seeds into various industrial and specialty grades of oil.

The Group's vision is to provide end to end solutions across the castor based value chain to its customers. It firmly believes that great solutions are the result of inspiration, hard work, dedication and team work – collaborative efforts to achieve greater synergy and success.
