Notes :

- 1 The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 11 September 2020.
- 2 The Company operates on a single reportable segment, which is co-production, acquisition and distribution of Indian language films in multiple formats, being governed by similar risks and returns, forming the primary business segment. Accordingly, no segment information has been submitted as a part of the quarterly financial results presented.
- 3 The Company's financial results for any period fluctuate due to film release schedules which take into account holidays and festivals in India and elsewhere, competitor film releases and sporting events.
- 4 COVID-19 and the resultant lockdowns has resulted in the closure of all the theatres across India and caused disruptions in the production and availability of content, including delayed, or in some cases, shortened or cancelled theatrical releases. The lockdown has affected the company's ability to generate revenues from the monetization of Indian film content in various distribution channels through agreements with commercial theatre operators. The Central and State Governments have initiated the steps to lift the lockdown, however, theatres are still not allowed to operate till the further directives issued by the governments. The company have considered the possible effects that may results from the pandemic on the carrying amount of the asset as at March 31, 2020 and have made appropriate adjustments, wherever required. The position has been further reviewed as on June 30, 2020. The extent of the impact on company's operations remains uncertain and may differ from that estimated as at the date of approval of these financial results and will be dictated by the length of time that such disruptions continue, which will, in turn, depend on the currently unknowable duration of COVID-19 and among other things, the impact of governmental actions imposed in response to the pandemic. The company is monitoring the rapidly evolving situation and its potential impacts on the company's financial position, results of operations, liquidity, and cash flows.
- 5 Exceptional Items in the previous year comprises of impairment charge of ₹ 127,850 lacs on content advance, film rights and related advances arising on the annual impairment assessment following the requirements of Ind AS 36 'Impairment of Assets'.
- 6 The company has incurred loss for the year amounting ₹ 116,073 lakhs [after considering the impact of an impairment loss amounting ₹ 127,850 lakhs as described in Note 5] in previous financial year and loss of ₹ 3,381 lakhs for the quarter ended June 30, 2020. The company is dependent upon external borrowings for its working capital needs and investment in content and film rights. Given the economic uncertainty created by the novel coronavirus coupled with significant business disruptions for film distributor and broadcasting companies, there is likely be an increase in events and circumstances which may cast doubt on a Company's ability to continues as a going concern. The company has considered the impact of these uncertainties and factored them into their financial forecasts, including renewal of short-term borrowings. For this reason, Management continues to adopt the going concern basis in preparing the financial results.
- 7 The figures for the quarter ended 31st March, 2020 is the balancing figures between the audited figures in respect of full financial year ended 31st March, 2020 and unaudited published year to date figures upto the nine months of the relevant financial year which were subject to limited review by the Statutory Auditors.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the recognition and measurement principles laid down in applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
