APPEAL TO SHAREHOLDERS

In order to save trees and environment by cutting down the consumption of costly paper habits, the Ministry of Corporate affairs (MCA) has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliance by the Companies through electronic mode including service of notice / documents including Annual Report to be sent by email to its members. In accordance with the Circular No. 17/2011 dated 21.04.2011 and Circular No. 18/2011 dated 29.04.2011 issued by the Ministry, Companies had started the practice of sending various notices and documents, including documents for Annual General Meeting and Annual Report to its shareholders through electronic mode, whose e-mail addresses are registered with the Company. In such case, the Company is required to obtain email addresses of its members for sending the notice / documents through email by giving an opportunity to every member to register their email address and changes therein, if any, from time to time with the Company. To be a part of Green Initiative in the Corporate Governance, Indokem Limited has started to send documents like the notices for convening the General Meeting and Annual Reports in electronic form, to the email addresses of those members which are available in the Register of Members of the Company. To support this green initiative of the Government in full measure, members who have not registered their email addresses so far, are requested to register their email addresses in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to register their email addresses to the Company or its Registrar and Share Transfer Agents (RTA).

You are kindly requested to send an email to rnt.helpdesk@linkintime.co.in and / or iklsecretarial@gmail.com in order to register your email ID with Name of first holder, Folio No. / DP ID and Client ID. Members are further requested to provide copy of their PAN Card, Aadhar Card, bank details, contact number and address with proof, if there is any change.

On registration, all the communication will be sent to the email ID registered in the Folio No. /DP ID and Client ID to save time and to save trees.

We are sure you would appreciate the "Green Initiative" taken by MCA and as a responsible citizen you will whole heartedly support this initiative.

This move by the Ministry will benefit the society at large through reduction in paper consumption and contribution towards a Greener Environment. It will also ensure prompt receipt of communication and avoid loss in postal transit. We are sure that you would appreciate the "Green Initiative" taken by MCA and Indokem's desire to participate in such initiatives. Please contact the following:

Through Video Conferencing ("VC") / Other Audio Visual Means.

CHAIRMAN'S MESSAGE

My Dear Shareholders,

It is my privilege to present the 56th Annual Report of your company. I express my sincere gratitude for your support and confidence over the last years where we have successfully charted the path towards profitable growth. The year 2022 is a momentous one for India, as the country prepares to commemorate 75 years of its journey as an independent and progressive nation. What makes this present time even more special is that India finds itself on a springboard for rapid growth that will enhance its economic standing in the global order. This growth will be underpinned by an infrastructure push, digital inclusion and rising per capita income, with the Union Government taking the lead on capex, to 'crowd in' private investments.

The financial year gone by was a mixed bag, with most major economies rebounding from the negative effects of COVID-19. However, commodity price volatility, soaring energy prices, lingering supply chain challenges and geopolitical conflicts have made the recovery increasingly fragile. Although global growth expectations have moderated recently, the structural demand drivers for commodities like Dyes and Sizing chemicals remain intact.

Despite the second and third wave of the pandemic in India testing our collective resilience and threatening to derail the economic recovery. However, unlike the first wave, we did not have to shut down our plants. Domestic demand was impacted initially due to localised lockdowns, and we focused on exports to offset the impact during the second wave.

We have attempted to present the company's information in an all-encompassing format for a deeper and richer understanding of our sustainable journey. Coming to our financials, the total gross revenue earned by the Company was ₹113.56 crores as against total revenue of ₹79.24 crores of previous year, which has increase by 43% as compared to last year, despite COVID-19 pandemic. Profit after tax for the year 2021-22 was ₹2.83 crore compared to profit after tax of ₹2.96 crores in financial year 2020-21.

We are living in time where various extraordinary changes are taking place around us which is altogether reshaping the way we live and the way we work. Though our inspiring Legendary Founder, Shri. Dharamsey Khatau, is not in our midst, the values he cherished and which have in fact equipped our Company to withstand the test of time - Integrity, Excellence, Humility, Hard work and Larger purpose - continue to guide us as we endeavor strengthening our people, processes and products, keeping in focus what our Company can and ought to be in the years to come.

The size of the world Textile Dye stuff industry is estimated at US\$ 6.2 bn and is expected to grow at about 3% in the coming years. China continues to be the largest manufacturer of dyes followed by India. The world market for high performance pigments is estimated at US\$ 5.4 bn (constitutes both organic and inorganic pigments) and is expected to grow at about 4% in the coming years. Most of the products we use in our life are enabled by chemistry. As a diverse entity, driven by science and technology, our Company is well poised to face the future.

Company has also invested in new machineries to manufacture new products range from Ambernath Units. IT system and infrastructure is being continuously monitored and enhanced with any required upgrades. Our major products have received GOTS (Global Organic Textile Standard) certification. Company has invested on automation and attractive Packing Material for our products which has shown better effects. Company has invested in Quality Control machinery in Laboratory and qualified staff to meet global standards. Company has invested in digitization by purchasing Laptops for the employees working from home, and ensured that work continued despite overall tough times. Company will continue to invest in digitization and modernization. Company has successfully registered maximum of its products under Zero Discharge of Hazardous Chemicals (ZDHC) certification. Company has been assessed and received ISO 45001:2008 certification. You would be happy to note that we have arranged free vaccination drive for our employees and labourers at all offices and plants.

The Board of Directors of the Company, at its meeting held on 27th July, 2021, 13th September 2021 and 15th January 2022 have considered and approved a Scheme of Amalgamation (the "Scheme") between the Company and Refnol Resins and Chemicals Limited ("RRCL"). The scheme contemplates the amalgamation of RRCL with the Company. The appointed date for the scheme is 1st April, 2021 or such other date as may be fixed or approved by the National Company Law Tribunal ("NCLT") as and when applicable. The Company has received approval of BSE Limited and Securities and Exchange Board of India on 30th May 2022 for the aforesaid scheme and the company has made application on 13th July 2022 for the approval of National Company Law Tribunal, Mumbai Bench ("NCLT"). The Scheme is subject to receipt of approvals of shareholders and creditors of the Companies involved and approval of other regulatory authorities, if any as may be required.

We believe in continuous efforts to innovate/ enhance existing technologies, services or products and offer new products to satisfy the changing requirements of customers and thereby moving forward in our journey. At the same time, we continue to uphold the highest standards of corporate governance treating them as an ethical requisite rather than a regulatory necessity and continue to base all our actions on the principles of fairness trust and transparency. Looking forward the business environment will remain true to its nature – as uncertain and as unpredictable as ever. In such an environment only those organisations that put in efforts to remain relevant to the changing needs and preferences of customers – understanding the consumer requirements and adapting the business model to suitably address these requirements will be able to deliver long-term growth and sustainable returns to all the stakeholders.

Looking ahead into the future, we are confident that our expanded installed base, newly added products, new sales approach of industry and product segment wise go to market strategy will drive our march forward. We take immense pride in our people, who have demonstrated extreme agility, resilience and commitment towards serving the customers amid these testing times while also ensuring safety and well-being of themselves and their families. On behalf of our Board, I thank our shareholders, for your continued trust and guidance in taking Indokem to greater heights. Please join me in acknowledging the invaluable role of all our frontline warriors and praying for a speedy return to normalcy for our 1.35+ billion fellow Indians and everyone across the globe!

To conclude, we remain encouraged and confident of achieving our long-term objectives of inclusive, sustainable and profitable growth. As we look ahead, I feel confident of strong growth in the medium to long term. I am confident that our disciplined strategy, prudent approach, focus on agile execution and our committed team will enable us to improve performance further and create greater shareholder value.

Even in 2022, after completion of many decades of journey, we work with the same newness, optimism and purpose. We at Indokem deeply value the involvement, critical analysis and encouragement shown by Directors and I am privileged to have them on the Board of our Company. I appreciate the efforts of every member of Khatau family - we may be growing in numbers, but our Purpose is common and shared. In the travails of the past and in the new paradigm we are envisaging for the future, our constant source of strength is the indefatigable spirit of our employees and I would like to thank them for their commitment, patience and hard work. I am grateful to our employees, customers, suppliers, banks and financial institutions for giving us an opportunity to serve and helping us evolve our vision and articulate growth related strategies. The Company has received and I am sure, will continue to receive active cooperation from all the shareholders of the Company. I recognise the positive approach of the communities which surround our production sites in India. I thank you for your faith; it brings out the best in us.

Sincerely,

Mahendra K. Khatau
Chairman and Managing Director

Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013, Secretarial Standard - 2 on General Meetings and Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015:

ITEM NO. 3:

Though not mandatory, this statement is provided for reference.

The Members of the Company had approved the appointment of M/s. CNK & Associates LLP ("CNK"), Chartered Accountants (Firm Registration No. 101961W/ W100036) as the Statutory Auditor of Company at the 51st Annual General Meeting (AGM) held on 29th September, 2017 to hold office from the conclusion of the said 51st AGM till the conclusion of the ensuing 56th AGM of the Company.

M/s. CNK & Associates LLP, Chartered Accountants were established in 1936 and have headquarters in Mumbai, India, with branches in Vadodara, Chennai, Bengaluru and associate firms in Ahmedabad, Gandhinagar (GIFT City) and Delhi. It has also an overseas office in Dubai and Sharjah through which they service clients in the Middle Eastern region. It has large client base spanning Indian business, listed companies and multinationals in India across sectors. They have vast experience of Audit & Assurance and related area of services in various sectors like manufacturing, information technology, logistics, chemicals, health etc. The firm is regularly Peer Reviewed and holds a valid Peer Review Certificate issued by the Institute of Chartered Accountants of India which is valid till 31.07.2024. The said firm has an experience in Indian GAAP, IFRS and US GAAP led by expert partners and Directors

The Board and the Audit Committee considered various parameters while recommending the re- appointment of M/s. CNK & Associates LLP as the Statutory Auditor of the Company including but not limited to their capability to serve the Company, existing experience in the Company's business verticals and segments, market standing of the firm, clientele, technical knowledge, and found CNK suited to continue to provide audit services to the Company. Pursuant to the provisions of Section 139(2) of the Companies Act, 2013 ("the Act") read with the Companies (Audit and Auditors) Rules, 2014, CNK is eligible for re-appointment for a second term of five consecutive years. CNK has given their consent for the re-appointment as the Statutory Auditor of the Company and has confirmed that the re-appointment, if made, will be within the limits and criteria prescribed under the provisions of the Act and the rules made thereunder.

Based on the recommendations of the Audit Committee and the Board of Directors of the Company, it is proposed to re-appoint M/s. CNK & Associates LLP, Chartered Accountants (Firm Registration No. 101961W/W100036) as the Statutory Auditor of the Company for a second term of five consecutive years from the conclusion of this 56th AGM till the conclusion of the 61st AGM of the Company to be held in the year 2027.

The remuneration proposed to be paid to M/s. CNK & Associates LLP for the financial year 2022-23 shall not exceed ₹ 6.65 Lakhs [including audit of annual standalone financial statements and financial results, audit of internal financial controls over financial reporting, limited reviews of quarterly results as per SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 and tax audit] plus applicable taxes and out of pocket expenses, as may be incurred, in connection with the aforesaid. The Board of Directors and the Audit Committee are authorised to vary the terms including revision to the fees commensurate with the efforts, in discussion with the Statutory Auditor. For the subsequent years, the remuneration will be determined by the Board of Directors from time to time based on the recommendations of the Audit Committee and in consultation with the Statutory Auditor.

Your Directors recommend the Resolution at Item No. 3 for approval by the Members by way of an Ordinary Resolution.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned or interested, financially or otherwise, in the Resolution.

ITEM NO. 4:

As per the provisions of Section 148 of the Companies Act, 2013 ('the Act') read with the Companies (Cost Records and Audit) Rules, 2014, as amended from time to time, the Company is required to have an audit of its cost records conducted by a cost accountant in practice for products covered under the Companies (Cost Records and Audit)

Rules, 2014. The Board, based on the recommendation of the Audit Committee, has approved the appointment of M/s. Y. S. Gokhale & Associates, Cost Accountants, (Firm Registration Number 101710, Membership No.32936), as the Cost Auditors to conduct the audit of the cost records of the Company, for the financial year ending March 31, 2023, at a remuneration of ₹ 90,000/- plus applicable taxes.

In accordance with Section 148(3) of the Act, read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors has to be ratified by the Members of the Company. Accordingly, the consent of the Members is sought for passing an Ordinary Resolution as set out in Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditors, for the financial year ending March 31, 2023.

The Board commends ratification of remuneration of Cost Auditors, as set out in Resolution no. 4 of the Notice for approval by the Members as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned or interested, financially or otherwise, in the Resolution.

ITEM NO. 5:

As per the provisions of Section 188 of the Companies Act, 2013 ("Act"), transactions with related parties which are on an arm's length basis and in the ordinary course of business, are exempted from the obligation of obtaining prior approval of the shareholders. However, as per the provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), transactions between the Company and related parties of the Company, if material, require the approval of Members through a resolution, notwithstanding the fact that the same are on an arm's length basis and in the ordinary course of business.

With effect from 1st April, 2022, Regulation 23 of the Listing Regulations, mandates obtaining prior approval of the Members through ordinary resolution for all 'material Related Party Transactions'. For this purpose, a Related Party Transaction will be considered 'material' if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds ₹1,000 crore or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

The Company is already purchasing and selling goods on an ongoing basis from/to Refnol Resins and Chemicals Limited ("hereinafter referred as "Refnol") at actual Price.

The Company and Refnol are part of the entities having significant influence by the common Promoters and these transactions ensure seamless business operations for both the Companies, provides assured quality and quantity of goods and services for un-interrupted operations and generate revenue and margins for both the companies.

The Company undertakes the major transactions with Refnol for purchase and sales of Goods.

The aggregate value of the proposed RPTs is estimated at ₹20 crores in a financial year which exceeds the materiality thresholds as per SEBI Listing Regulations. Accordingly, these RPTs require prior approval of Shareholders of the Company.

The Company has in place a policy and process for approval of Related Party Transactions. The Policy provides the details required to be provided to the Audit Committee for the purpose of review of such transactions and grant of approval for the proposed transactions. A justification for each and every related party transaction is provided to the Audit Committee which enables them to arrive at the right decisions. Additionally, an update on the actual related party transactions entered during every quarter is provided to the Audit Committee.

Keeping in view the significance of the proposed transactions for the continuing operations of the Company, the aforesaid proposed transactions with Refnol, being material were approved by the Audit Committee, at its meetings held on 14th January, 2022 and 26th May, 2022, in terms of Section 177 of the Companies Act, 2013, and also recommended by the Board at its meetings held on 14th January, 2022 and 26th May, 2022 for approval by the Members.

In terms of Section 102 of the Companies Act, 2013, the shareholding interest of the Promoters / Directors / Key Managerial Personnel of the Company in Refnol, being not less than 2%, is set out below:

Sr. No.	Name of the Promoter / Director / Key Managerial Personnel of the Company	Number of shares held in excess of 2% in Refnol Resins and Chemicals Limited	%
1.	Mahendra Kishore Khatau	12,81,789	41.48
2.	Khatau Leasing And Finance Company Private Limited	2,25,000	7.28
3.	Vindhyapriya Holdings Private Limited	1,25,000	4.05

This Explanatory Statement may also be regarded as a disclosure of the information required pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014, as amended till date.

Mr. Mahendra Khatau, the Promoter, Chairman and Managing Director of the Company is also the Promoter and Chairman in Refnol Resins and Chemicals Limited and consequently, Refnol is a related party for the Company.

ITEM NO. 6:

As per the provisions of Section 188 of the Companies Act, 2013 ("Act"), transactions with related parties which are on an arm's length basis and in the ordinary course of business, are exempted from the obligation of obtaining prior approval of the shareholders. However, as per the provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), transactions between the Company and related parties of the Company, if material, require the approval of Members through a resolution, notwithstanding the fact that the same are on an arm's length basis and in the ordinary course of business.

With effect from 1st April, 2022, Regulation 23 of the Listing Regulations, mandates obtaining prior approval of the Members through ordinary resolution for all 'material Related Party Transactions'. For this purpose, a Related Party Transaction will be considered 'material' if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds ₹1,000 crore or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

Goods are purchased on an ongoing basis by the company from M/s. Orchard Acres at actual Price. Further, Company is using premise owned by M/s. Orchard Acres on Leave and License basis in accordance with Leave and License Agreement executed as on 1st April 2022, for a period of five (5) years, effective from April 1, 2022 to March 31, 2027.

The Company and M/s. Orchard Acres are the entities having significant influence by the common Promoters/ Partners and these transactions ensure seamless business operations for both the entities, provides assured quality and quantity of goods and services for un-interrupted operations and generate revenue and margins for both the entities.

The Company undertakes the major transactions with M/s. Orchard Acres for purchase of Goods.

The aggregate value of the proposed RPTs is estimated at ₹21 crores in a financial year which exceeds the materiality thresholds as per SEBI Listing Regulations. Accordingly, these RPTs require prior approval of Shareholders of the Company.

The Company has in place a policy and process for approval of Related Party Transactions. The Policy provides the details required to be provided to the Audit Committee for the purpose of review of such transactions and grant of approval for the proposed transactions. A justification for each and every related party transaction is provided to the Audit Committee which enables them to arrive at the right decisions. Additionally, an update on the actual related party transactions entered during every quarter is provided to the Audit Committee.

Keeping in view the significance of the proposed transactions for the continuing operations of the Company, the aforesaid proposed transactions with M/s. Orchard Acres, being material were approved by the Audit Committee, at its meeting held on 14th January, 2022 and 26th May, 2022, in terms of Section 177 of the Companies Act, 2013, and also recommended by the Board at its meetings held on 14th January, 2022 and 26th May, 2022 for approval by the Members.

This Explanatory Statement may also be regarded as a disclosure of the information required pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014, as amended till date.

Less: Interest	133	123
Depreciation	114	115
Profit / (Loss) Before Tax	283	299
Less: Provision for Tax	-	-
Less: Excess / Short Provision of previous year	-	3
Profit / (Loss) After Taxes	283	296
B – Income from Discontinuing Operations	-	-
Profit / (Loss) for the year	283	296
Total other comprehensive income	7	(6)
Total comprehensive income / (loss) for the year	290	290
Profit / (Loss) Brought Forward from last year	(1,372)	(1,662)
Surplus / (Deficit) carried to Reserves	(1,082)	(1,372)

2. Operational Performance:

Revenue from operations for F. Y. 2021-22 at ₹11,356 lakhs was increased by 43% over previous year ₹7,924 lakhs. EBITDA at ₹530 lakhs registered decline over EBITDA of ₹537 lakhs in F. Y. 2020-21. PAT for the year was ₹283 lakhs registered decrease over the PAT of ₹296 lakhs in F. Y. 2020-21.

3. COVID-19 and outlook:

The Delta variant of COVID-19 struck India in the beginning of 2021-22 marking the onset of the second wave. Although the second wave of the pandemic during April-June 2021 was more severe from a health perspective, the economic impact was muted compared to the national lockdown of the previous year. This is supported by strong rebound seen in several high frequency indicators in Q3 F.Y. 2021-22 and rapid progress in vaccination coverage.

The COVID-19 pandemic developed rapidly into a global crisis, forcing governments to enforce lock-downs for Q1 of the F.Y. 2021-22 of all economic activity. For the Company, the focus immediately shifted to ensuring the health and well-being of all employees, and on minimizing disruption of services to all our customers globally. During the Q1 of F.Y. 2021-22, the Company's head Office had adopted work from home policy as per guidelines.

Although the probability of a full-blown geopolitical crisis is low, the World remains on tenterhooks as it closely watches the evolving scenario. Inflation is expected to rise more than anticipated, demanding more aggressive policy responses. Moreover, the economic sanctions imposed by developed economies on Russia following the war with Ukraine, are likely to lead to realigning of trade relations, thereby impacting the global supply chain.

Even as the aforementioned has led to uncertainty across financial and commodity markets, it also provides newer avenues for many emerging economies to build trade relations. Besides, better healthcare measures and more widespread vaccinations should help stabilise activity across economies.

4. Corporate Restructuring:

The Board of Directors of the Company, at its meetings held on 27th July, 2021, 13th September 2021 and

15th January 2022 have considered and approved a Scheme of Amalgamation (the “Scheme”) between the Company and Refinol Resins and Chemicals Limited (“RRCL”). The scheme contemplates the amalgamation of RRCL with the Company. The appointed date for the scheme is 1st April, 2021 or such other date as may be fixed or approved by the National Company Law Tribunal (“NCLT”) as and when applicable.

The Company has received approval of BSE Limited and Securities and Exchange Board of India on 30th May 2022 for the aforesaid scheme and for the approval of National Company Law Tribunal, Mumbai Bench (“NCLT”), the Company has made application on 13th July 2022.

The Scheme is subject to receipt of approvals of shareholders and creditors of the Companies involved and approval of other regulatory authorities as may be required.

The corporate restructuring is viewed as a potential value creator for all shareholders combined with an objective of consolidating the business activities, expand the business and achieve larger product portfolio, economies of scale, efficiency, optimisation of logistics and distribution network. It also creates an opportunity for pooling of resources resulting in stronger Balance Sheet and Net Worth to meet future investment requirements. Once the scheme is made effective, after due regulatory and other approvals (as may be required), 1,153 (One Thousand One hundred and Fifty Three) equity shares of Indokem Limited having face value of ₹10 each fully paid up shall be issued for every 1,000 (One Thousand) equity shares held in RRCL having face value of ₹10 each fully paid up, as a consideration for the proposed corporate restructuring.

5. Transfer to Reserves:

Pursuant to provisions of Section 134(3)(j) of the Companies Act, 2013, in view of inadequate profits for the year under review, no amount has been transferred to the reserves.

MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW OF ECONOMY, INDUSTRY STRUCTURE AND DEVELOPMENTS:

Business Environment

a. Global Economic Outlook

In 2021, the global economy continued to recover even as the pandemic re-surfaced. Since the Q3 of 2021-22, growth rebounded, pulled by exports and strong consumer demand. While the worst of the COVID-19 pandemic was left behind, the global crisis escalated due to the ongoing Russia-Ukraine war. Rising energy and oil prices, increase in raw material prices and global supply disruptions have resulted in higher and more broad-based inflation than anticipated. Global growth is expected to moderate from 5.9% in 2021 to 4.4% in 2022.

The outlook is mixed with reopening of economies supporting greater demand coupled with challenges of Eastern Europe conflict having direct and global spillovers through commodity markets. In addition, there is the continued impact of lockdowns with new bottlenecks in global supply chains.

Inflation is expected to remain elevated for longer period driven by commodity price increases and broadening price pressures. For Calendar Year ('CY') 2022, inflation is projected at 5.7% in advanced economies and 8.7% in emerging markets and developing economies.

Among the Emerging Market and Developing Economies ('EMDE'), China is expected to grow by 4.4% in CY 2022. India is expected to grow at the rate of 8.2% for CY 2022 and 6.9% in CY 2023. Growth is forecasted to be 4.6% in Middle East and Central Asia, while 3.8% in Sub-Saharan Africa region for CY 2022.

The global chemical industry outlook in 2022 is expected to be cautiously optimistic. The industry grew ~6% in FY 2021-22 driven by strong demand recovery post pandemic and gradual easing of supply chains towards the end of the year. In 2022, the industry faces pressure from rising inflation (increase in energy and raw material costs), supply chain disruptions, ongoing geopolitical tensions and conflict in Europe.

The global Textile Dyes market is majorly segmented on the basis of types, application, fibers, and region. Based on types textile dyes market is segmented as Direct dyes, Acid dyes, Basic dyes, Fiber-reactive dyes, Vat dyes, Mordant dyes, Solvent dyes, Disperse dyes, and others (Sulphur dyes, Azoic colours, etc.). Based on application of textile dyes the market is segmented into yarn dyeing, garment dyeing. Based on fiber the market is segmented into cotton, wool, silk, nylon, viscose, and others (acrylic, jute etc.) and based on region market is segmented into North America, Europe, APAC, Latin America, Middle East and Africa.

The size of the World Textile Dyestuff industry is estimated at US\$ 6.2 bn and is expected to grow at about 3% in the coming years. China continues to be the largest manufacturer of dyes followed by India. The World market for high performance pigments is estimated at US\$ 5.4 bn (which constitutes both organic and inorganic pigments) and is expected to grow at about 4% in the coming years.

b. India Economic Outlook

India's Gross Domestic Product ('GDP') growth is estimated to be 8.2% for CY 2022 as against the real GDP growth rate of 8.9% in CY 2021. This growth is despite the impact of higher oil and commodity prices weighing on private consumption and investment.

COVID-19 vaccination has played a critical role in minimizing loss of lives, boosting confidence in the economy towards resumption of activity and containing the sequential decline in output. 96% of the adult population has been inoculated with the first dose, while 82% of the adult population and over 3.4 crore children in the 15 to 18 years' age group are fully vaccinated. Vaccination drive has further been extended to the age group from 12 years which has further boosted people's confidence of returning to normal.

According to estimates, the Indian Chemical Industry is expected to contribute US\$ 300 billion to India's GDP by 2025. The export of Indian Chemical registered a significant growth during the FY 2021-22. The Supply disruption in China had caused the global end-user industries to diversify their vendor base mainly towards Indian Companies. The increased environmental concerns coupled with Covid related issues led to closure of plants in the Europe and China, due to which the Indian Speciality Chemical Companies were in demand. From April 2021 to March 2022, exports of organic and inorganic chemicals increased approximately 33.75% Year-over-Year to reach US\$ 26.48 billion.

While the Indian chemical industry was adversely affected due to COVID-19 in the first half of CY 2020, demand recovery was seen in CY 2021 and the trend is expected to continue through CY 2022. However, uncertainties exist due to rising costs of energy, unavailability of raw material on account of supply chain disruption and other inflationary pressures by virtue of continued pandemic and recent geopolitical conflict in Europe.

OPPORTUNITIES AND CHALLENGES:

- The world market for textiles is growing and, therefore, the demand for dyes will continue to grow in future.
- Rising domestic demand in Textile Dyes and Chemicals, India's attractiveness as a manufacturing destination and its improved ease of doing business are some factors that suggest possibility of further growth in the chemical industry.
- The Indian Textile Chemicals industry continues to be benefited due to availability of technically skilled manpower and competitive labour costs.
- Pollution and effluent problems have become the single biggest factor in restricting the growth of the textiles dyes industry in the developed nations. Tighter rules and regulations, strict laws and high standard for treatment of the effluents have forced these countries to look for better opportunities without sacrificing their interest. If India has to capitalize on these opportunities, then there seems to be no harm in encouraging this industry in the country provided proper measures are taken for effluent treatment.
- Shutdown of capacities in China due to the environmental issues is likely to continue in the near term. Most of the raw materials for textile dye stuffs is coming from China; due to the ongoing strict environment standards in place; there is an acute shortage of raw material, leading to huge increase in prices. Main products affected are VAT dyes, Disperse dyes, Direct dyes, Pigment emulsions and Reactive dyes etc.
- As per new environmental regulations of Government of China, higher environment standards have been made top priority wherein they will expand environmental inspections to more cities and regions in a fresh round of checks as part of a three-year anti-pollution plan. The regulations have had an adverse effect on the availability of raw material for the industry. This has raised major concerns for us and impacted the rate of most of the products which has gone up steeply, mainly due to production disruptions as a result of the environment controls. Cost of few of the raw materials used in manufacturing of VAT, Pigment, Disperse and Basic Dyes have gone up abnormally. Another main reason for severe impact on profits was reduction in gross margin due to increase in raw material input costs which could not be passed on to the customers.
- This increase in prices and shortage of raw materials is impacting production and thereby leading to abnormal increase in prices and disruption in raw material supply of VAT, Pigment and Disperse Dyes which viciously again leads to increase in prices and shortage of raw materials. Fluctuations in foreign exchange and availability of raw materials may impact sales realizations. Treatment costs are expected to remain high because of stricter regulatory norms and increasing demand for cleaner and greener products from user industries.
- Risk of global economic slowdown as a result of the pandemic, ongoing Russia-Ukraine war, inflation and rising trade tensions may impact the Textile Dyes and chemicals sector as a whole.
- The cost of compliance and complex regulatory process also impact operations economically. The ability to scale up, offering differentiated products through innovations, implementing effective sales and marketing strategy and maintaining high levels of regulatory standards will clearly separate winners from the crowds in this space.

OVERVIEW OF COMPANY: -

Indokem Limited is one of the leading manufacturing Company of Textiles Dyes and Chemicals and Exporter of related products. The manufacturing Index of the Company remained broadly positive but had shown temporary weakness at the beginning of the year due to the COVID-19 pandemic. In spite of this, the Company has kept pace with the changes and there is a tremendous growth forecast for the future.

- During the F. Y. 2021-22, your Company achieved a turnover of ₹113.56 Crores, which has increase by 43% as compared to last year, which is mainly due to strong demand recovery post pandemic, gradual easing of supply chains and higher price level of both inputs and finished goods.

- The Board of Directors of the Company, at its meeting held on 27th July, 2021, 13th September 2021 and 15th January 2022 have considered and approved a Scheme of Amalgamation (the “Scheme”) between the Company and Refinol Resins and Chemicals Limited (“RRCL”). The scheme contemplates the amalgamation of RRCL with the Company. The appointed date for the scheme is 1st April, 2021 or such other date as may be fixed or approved by the National Company Law Tribunal (“NCLT”) as and when applicable.
- Second and third wave of COVID-19 in F. Y. 2021-22 has disrupted the nation’s essential services and transport facilities. Production and business operations have been severely affected and brought to a standstill for another year. The Company has utilized whatever lessons it has learnt, invested in digitization by purchasing Laptops for the employees, to push through tough times. Company will continue to investing in digitization and modernization.
- Company has also invested in new machineries to manufacture new products range from Ambernath Units.
- Company has also invested in modernization of Effluent Treatment Plants of all the Ambernath Units.
- Company is continuously investing in Quality Control machinery in Laboratory and has qualified staff to meet global standards.
- IT system and infrastructure is being continuously monitored and enhanced with any required upgrades.
- Our major product has received Global Organic Textile Standard (GOTS) certification and successfully completed annual GOTS audit. GOTS is the worldwide leading textile processing standard for organic fibers, including ecological and social criteria, backed up by independent certification of the entire textile supply chain.
- Company has successfully registered maximum of its products under Zero Discharge of Hazardous Chemicals (ZDHC) certification.
- Company is continued as ISO 45001:2008 certified Company.
- Customers have shown great trust in our Reactive Dyes range of products and now we are focusing on Pigment Emulsions range for which there is less competition.
- Company is regularly investing in new and attractive Packing Material for the products which has shown better effects.
- Company is continuously investing in the registration and renewal of Trademarks to safeguard Intellectual Property Rights.
- New Corporate clients have shown faith in our products since last couple of years.

FUTURE OUTLOOK:

The long-term growth prospects of the Indian economy being positive, the textile chemical industry is also expected to grow in view of growing population, increasing disposable income, and changing consumer trends. The growing demand for textile dyes for various fiber types, such as cotton, polyester, and viscose, is expected to fuel the growth of the textile dyes market. Constantly changing fashion trend is also expected to drive textiles industry, thereby propelling the market growth. The Company is intending to add more product range for customers in existing and new markets. During the year under review, the Company rebound by its strong performance after turbulence in the market due to COVID-19. The Company is taking all measures to strengthen itself against the volatility and inflation. We hope that our commitment will continue to drive the Company, as we move forward.

RISKS AND CONCERNS:

- Chemicals industry is a highly regulated industry with stringent environmental norms. Any change in policy by the Government may have an adverse impact on the performance of the Industry. However, Indokem Limited follows best in class process controls and systems, and hence we are always ready to adapt to any changes in the Government Regulations.
- Shutdown of capacities in China due to environmental issues leads to increase in price of input materials, which impacts Company's profitability to the extent that the same are not absorbed by the market through price increases and / or could have a negative impact on the demand in the market. The Company has started concentrating on supply chain Management system with focus on inventory Management to mitigate impact of fluctuation in the raw material prices.
- Huge fluctuation in the foreign exchange rates had an adverse impact on the Company's import and export transactions which finally impacted financials of the Company. Further rise in the crude oil prices has weakened Indian Rupee due to increase in import costs.
- As part of the global policy, the relevant parameters for all manufacturing sites are analyzed to minimize the risk associated with protection of environment, safety of operations and health of people at work. These are then monitored regularly with reference to statutory regulations prescribed by Government authorities and guidelines defined by Indokem. The Company fulfills its legal requirements concerning emission, waste water and waste disposal. Improving work place safety continues to be top priority at all manufacturing units.
- The Company continues its focus on compliance in all areas of its business operations by rationalizing and strengthening controls. This is also an important component of Company's Code of Conduct. The Company has set in place the requisite mechanism for meeting with the compliance requirements and periodic monitoring to avoid any deviation. Company aims to set exemplary and sustainable standards, not only through products, services and performance, but also through integrity and behavior.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. In order to supplement the internal control process, the Company has appointed an Internal Auditor who is authorised by the Audit Committee to assess the adequacy and compliance of internal control process and provide their report covering observations and recommendations. Based on the report of internal audit function, the Company undertakes corrective actions in their respective areas and thereby strengthens the controls. Significant audit observations and recommendations along with corrective actions thereon are presented to the Audit Committee of the Board.

Further, in compliance with the Companies Act, 2013, and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Company has laid down a system of internal financial controls over financial reporting and adequacy and operating effectiveness of such controls. These controls are designed to provide a reasonable assurance regarding:

- Adherence to the Company's policies and procedures;
- Safeguarding assets;
- Prevention and detection of fraud and error;

- Reliability, completeness and accuracy of accounts;
- Timely reporting of information (financial, non-financial, internal and external).

QUALITY MANAGEMENT SYSTEM:

Your Company maintains its quality systems from lower level Management to higher level Management by imparting ethical standards in its approach and behavior and implementing the same in day to day business practices. The Company is complying with ISO, GOTS and ZDHC certification for its manufacturing units.

HUMAN RESOURCE MANAGEMENT:

2021-22 witnessed the second and third waves of the COVID-19 pandemic. HR remained engaged with the workforce to ensure safe and uninterrupted operations. People and culture are the cornerstones for building a company and for it to face the test of time. The Company took further initiatives to enhance i) its HR processes (particularly using technology) related to recruitment, performance management, learning and development, manpower planning and employee care and ii) work environment related to culture and code of conduct to manage a growing business.

Industrial Relations remain cordial during the financial year 2021-22. The Company acknowledges the importance of the workforce with belief that growth of the Company largely depends on the contribution made by the employees. It always lays an emphasis on creating an environment which is favourable for the employees and motivates performance, customer focus and innovation Company's strategies are based, inter alia, on processes of continuous learning and improvement.

The Board gives guidance to the Management ensuring that the implications of safety and sustainability are addressed properly in all the strategic initiatives. Company considers its committed and talented workforce as one of its most critical assets and key to driving sustainable performance, growth and developing competitive advantage. The number of employees increased from 100 as on 31st March, 2021 to 117 as on 31st March, 2022.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis describing the Company's objectives, expectations or forecast may be forward looking within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic supply and demand conditions affecting selling prices of finished goods, input availability and prices, changes in Government regulations, tax laws, economic developments with the country and other factors such as litigations and industrial relations.

CONCLUSION:

Your Company has already turned around and expects future growth in its performance in the coming year on account of several initiatives taken by the Company in improving plant efficiency, new product developments and focus on Research and Development. We have come a long way from where we had begun and we continue to set new benchmarks for ourselves in order to constantly improve our performance. To summarise, your Company is optimistic for the growth in the medium term in revenues as well as operating margins.

The equity shares of the Company are listed with BSE Limited and the Company has complied with all the applicable regulations of capital markets. There were no instances of penalties, strictures imposed on the Company by the Stock Exchanges, SEBI or any statutory authority on any matter related to capital markets during the last three years.

22. Disclosure of commodity price risk or foreign exchange risk and hedging activities:

The Company is working on to manage its risks associated with commodity imports from international markets as well as local market. The objective of this is to ensure protection from risk arising out of adverse and volatile movement in commodity prices by proper monitoring of the exposures and taking timely actions to keep risks to acceptable levels.

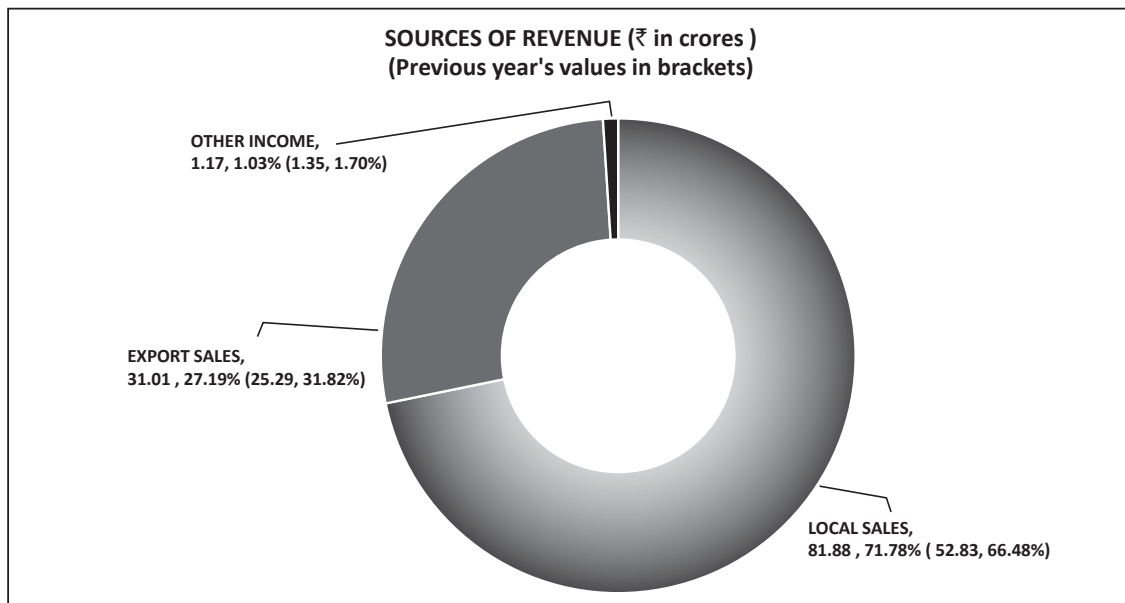

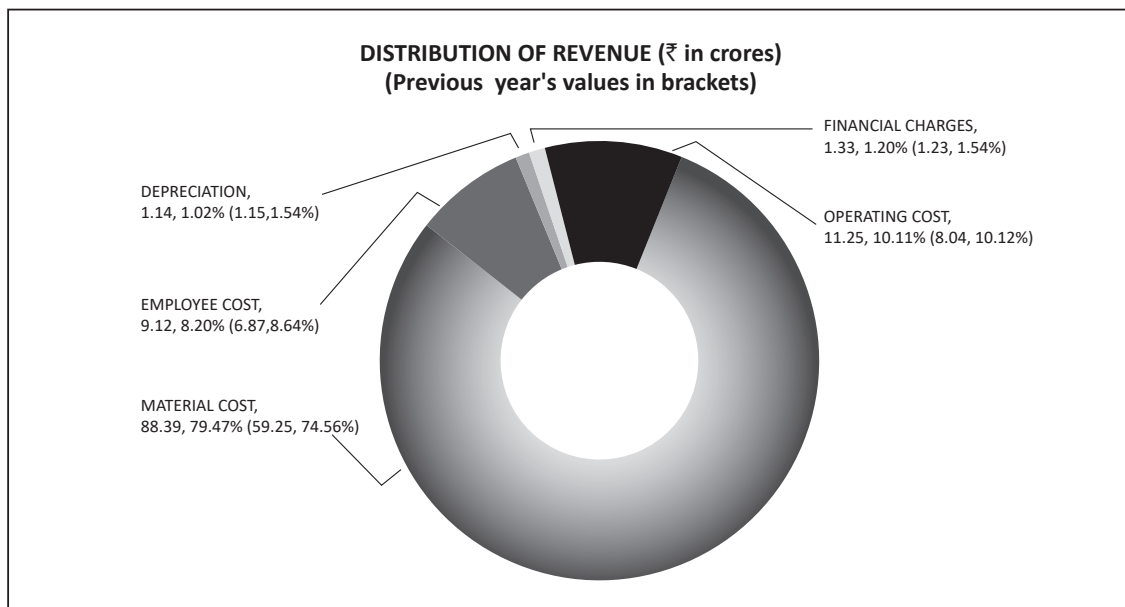

The volatility and significant increases in raw material prices in recent years, has already had, and could in the future, have a material adverse effect on the Company's results of operations and financial condition. While the Company is trying to take certain commercial and technical measures to reduce the impact of this adverse development including increasing or changing the commercial terms of the sales of finished products, but there can be no assurance that such measures will be successful.

Further, the Company has a dedicated Procurement team with strong understanding of chemical raw material markets. This team works closely with suppliers and the Company's operations team to plan and source its raw material supplies through reliable and lowest cost supply chain.

Volatility in raw material prices significantly impacts the input costs of manufacturing and therefore, profitability. Dependence on global supply chains as well as geo-political events requires close tracking of potential risks. The Company being a sizable user of commodities, exposes it to the price risk on account of procurement of commodities. However, there are no hedging instruments suitable to the company to specifically mitigate the aforesaid risk. In respect of foreign exchange risk, the Company proposes to use foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to its commitments.

- 23. The Board of Directors confirmed that during the financial year, it has accepted all the recommendations of the mandatorily constituted committees.

INDEPENDENT AUDITOR'S REPORT

To the Members of Indokem Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of INDOKEM LIMITED ("the Company"), which comprises the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 31 of the financial statements regarding Revised Scheme of Amalgamation. The board of directors had at their meeting held on 15th January, 2022 inter alia approved Revised Scheme of Amalgamation between Indokem Limited and Refnol Resins and Chemicals Limited w.e.f. the Appointed Date i.e. 1st April, 2021. The Scheme is subject to necessary approvals from regulatory authorities. Pending such approvals, no effect of the above mentioned scheme has been given in financial statements for the year ended 31st March, 2022.

Our Opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statement and Auditor's Report thereon

The Company's Board of Directors is responsible for preparation the other information. The other information comprises the information included in the Management discussion and analysis, board's report including Annexure to Board's Report, Corporate Governance and Shareholder's information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer note 22 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March 2022.
 - iv. i. The Management has represented that, to the best of its knowledge and belief, as disclosed in note no. 33(f) to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly

lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- ii. The Management has represented that , to the best of its knowledge and belief, as disclosed in note no. 33(g) to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- iii. Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
- v. There is no dividend declared or paid during the year by the Company and hence provisions of section 123 of the Companies Act, 2013 are not applicable.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of the company of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of the property, plant and equipment;
- (B) The Company has maintained proper records showing full particulars of Intangible Assets;
- (b) The Company has a phased programme of physical verification of its Property, plant and equipments so as to cover all assets once in two years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets. In accordance with this programme, certain Property, plant and equipments were verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification;
- (c) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the financial statements, are held in the name of the Company as at the Balance Sheet date except following:

SN	Description of item of property	Gross carrying value as on 31.03.22 (₹ in Lakhs)	Title deeds held in the name of	Whether promoter, director or their relative or employee	Property held since which date	Reason for not being held in the name of the company
1	Buildings (Delhi)	133.60	M/s Ramakem Limited	Amalgamated Company	01/10/1994	The Company became the owners of the premises by virtue of Scheme of Amalgamation of M/s. Manish Dyes Products Private Limited and M/s. Ramakem Limited, with the Company. However, pending completion of the relevant registration formalities, the immovable properties continue to be in the name of the erstwhile amalgamated company.

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year;
- (e) The Company does not have any proceedings initiated or pending for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Hence the requirements under paragraph 3(i)(e) of the Companies (Auditor's Report) Order, 2020 ("the Order") are not applicable to the Company;
- (ii) (a) In our opinion and according to information and explanations given to us, physical verification of inventory has been conducted at reasonable intervals with appropriate coverage and procedures of such verification by the management and no discrepancies were noticed on physical verification of 10% or more in aggregate for each class of inventory;
- (b) The Company has working capital limits sanctioned from banks or financial institutions exceeding Rs. 5 crores during the year and as represented by the management and as per the documents made available to us, the Company is not required to file quarterly returns / statements during the year for the above working capital limits sanctioned from banks or financial institutions.
- (iii) The Company has made investments in companies which prima facie, are not prejudicial to the Company's interest and the company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence the requirements under paragraph 3(iii) (a), (c) (d) (e),(f) of the Companies (Auditor's Report) Order, 2020 ("the Order") are not applicable to the Company;
- (iv) The Company has complied with the provisions of sections 185 and 186 of the Companies Act 2013 in respect of loans granted, investment made, and guarantee and securities provided, as applicable;
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, therefore, the provisions of paragraph 3(v) of the Order are not applicable to the Company;
- (vi) We have broadly reviewed the cost records maintained by the Company as prescribed by the Central Government under sub section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been made and maintained by the company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete;
- (vii) (a) In our opinion, the company is generally regular in depositing undisputed statutory dues including Goods and Service tax, provident fund, employee state insurance, income-tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues as applicable to the appropriate authorities, except in case of following;

Category	Month of Delay	No. of Days	Amount in ₹

Category	Month of Delay	No. of Days	Amount in ₹
ESIC – CBE	October, 2021	4	810
ESIC – HO	November, 2021	2	823

There were no undisputed amounts payable with respect to above statutory dues in arrears as at March 31, 2022 for a period of six months from the date they became payable;

- (b) The particulars of statutory dues as at March 31, 2022 which have not been deposited on account of a dispute are as follows:

Name of the Statute	Nature of Dues	Amount (₹ in Lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	11.92	2007 - 2008	Commissioner of Income Tax (Appeals)

The Employees Provident Funds and Miscellaneous Provisions Act, 1952	Provident fund Mumbai	3.78	December 2012 to March 2013	Central Government Industrial Tribunal - Mumbai

Note: - Net off amounts paid under protest

- (viii) There were no transactions which were not recorded in the books of account, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961);
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
- (b) The Company is not declared as wilful defaulter by any bank or financial institution or other lender;
- (c) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company;
- (e) According to the information and explanations given to us, and the records examined by us, the Company has no subsidiaries, associates or joint ventures. Accordingly, reporting under the clause 3 (ix) (e) and (f) is not applicable;
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable;
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable;

- (xi) (a) No fraud by the Company and no material fraud on the company has been noticed or reported during the year;
- (b) According to the information and explanations given to us, no report under sub - section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
- (c) According to the information and explanations given to us, and based on our examination of the records, Company has not received any whistle blower complaints during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable;
- (xiii) In our opinion, all the transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements as required by the applicable accounting standards;
- (xiv) (a) In our opinion and the records examined by us, the company has an internal audit system commensurate with the size and nature of its business;
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures;
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him and the provisions of section 192 of the Companies Act, 2013 are not applicable;
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion and as presented by management there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable;
- (xvii) The Company has not incurred any cash losses in the financial year and in the immediately preceding financial year;
- (xviii) There has been no resignation of the statutory auditors during the year;
- (xix) Based on our examination of financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date;
- We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due;
- (xx) The Company is not required to spend any amount on CSR activities during the current year Accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year;
- (xxi) The Company has no subsidiary, associates or joint venture and the company is not required to prepare Consolidated Financial Statements as per the section 129 of the Companies Act. Accordingly reporting under clause 3(xxi) is not applicable to the Company.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of INDOKEM LIMITED ("the Company") as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about internal financial controls with reference to financial statements of the Company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the Company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal Financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an internal financial controls system with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022
Note 1 : Corporate Information

Indokem Limited (referred to as "the Company") manufactures and deals in dyes, sizing chemicals and auxiliaries in textile industry. The Company also deals in electrical capacitors. It has its head office in Mahim, Mumbai and branch offices at Ahmedabad, Delhi and Coimbatore. Its manufacturing facilities are located at Dahisar Mori and Ambarnath near Mumbai and warehousing facilities are located at Dahisar Mori, Ambarnath near Mumbai, Narol-Ahmedabad and Coimbatore locations. The Company is incorporated and domiciled in India and is listed on the Bombay Stock Exchange in India.

The financial statements for the year ended March 31, 2022 were approved for issue in accordance with the resolution of the Board of Directors in its meeting held on May 26, 2022.

Note 2 : Significant Accounting Policies
a) Statement of compliance:

These financial statements are prepared in accordance with the Indian Accounting Standard (referred to as "Ind AS") notified under Section 133 of Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use."

b) Basis of preparation and presentation:
1) Basis of preparation:

These financial statements have been prepared in accordance with historical cost basis except for the following assets and liabilities :

- i) Certain financial assets and liabilities are measured at fair value;
- ii) Assets held for sale are measured at the lower of carrying value and fair value less costs to sell; and
- iii) Defined benefit plans where plan assets are measured at fair value.

2) Functional and presentation currency:

The Company's presentation and functional currency is in Indian rupees. All amounts in these financial statements, except per share value and unless stated otherwise, have been rounded off and presented in lakhs.

3) Classification of assets and liabilities into current/ non-current:

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. All the assets and liabilities have been classified as current/ non-current as per the Company's normal operating cycle and other criteria set out in Division II to Schedule III of the Companies Act, 2013.

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current .

c) Use of estimates:

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Critical estimates and judgements :

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022
The areas involving critical estimates or judgement are :

- Estimation of defined benefit obligation - Refer Note 24
- Estimation of current tax expenses - Refer Note 20
- Useful lives of property, plant and equipment - Refer Note 2(g)
- Fair valuation of financial and non-financial assets - Refer Note 23

d) Principles of business combination :

The acquisition method of accounting under Ind AS 103 is used to account for business combinations by the Company from the date of transition to Ind AS i.e. April 1, 2016. Prior to the date of transition to Ind AS, business acquisition has been accounted based on previous GAAP.

e) Property, plant and equipment ("PPE") :

The initial cost of an item of PPE comprises its purchase price net of any trade discounts and rebates and includes import duties and other taxes (other than those subsequently recoverable from the tax authorities) and any other directly attributable expenditure incurred in making the asset ready for its intended use, including interest on borrowings attributable to acquisition of qualifying assets up to the date the asset is ready for its intended use. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Material items such as spare parts, stand-by-equipment and service equipment are classified as PPE when they meet the definition of PPE as specified in Ind AS 16- property, plant and equipment.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of Profit and Loss when the asset is derecognised.

f) Capital work in progress :

Capital work in progress is stated at cost, net of impairment losses, if any.

g) Depreciation :

The Company provides depreciation as per the useful life of PPE as per Schedule II to the Companies Act, 2013. Depreciation is provided on Straight Line Method on all PPE at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013, except in the case of following assets:

Nature of asset	Useful life
Leasehold Land and Building	Lease term
Temporary shed	Remaining lease term

Assets costing less than ₹ 5,000/- are fully depreciated in the year of capitalisation. Depreciation on additions/ deductions to PPE made during the year is provided on pro-rata basis from/ upto the date of such additions/ deductions, as the case may be.

h) Intangible assets :

Intangible assets that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment, if any. The Company determines the amortisation period as the period over which the future economic benefits will flow to the Company after taking into account all relevant facts and circumstances. The estimated useful life and amortisation method are reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis.

Nature of asset	Useful life
Computer software	3 years

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022
i) Borrowing costs :

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

j) Assets held for sale :

Non-current assets are classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for sale in its present condition subject only to terms that are usual and customary for sale of such assets. Non-current assets classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment classified as held for sale are not depreciated.

k) Leases :

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short-term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

l) Impairment of non-financial asset :

Non-financial assets other than inventories and non-current assets held for sale are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is higher of the asset's or cash generating unit's (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

m) Inventories :

- 1) Inventories are valued as follows :

Raw materials and packing materials are valued at lower of cost and net realisable value (NRV). Cost is determined on FIFO basis. The cost of inventory comprises of its purchase price, including non-refundable purchase taxes, and any directly attributable costs related to the inventories.

- 2) Work-in-process is valued at lower of cost and net realisable value. Cost of finished goods and WIP includes cost of raw materials, direct labour, other direct costs and related production overheads upto the relevant stage of production. Cost of inventories is computed on FIFO basis.
- 3) Stock in trade is valued at cost or net realisable value whichever is lower.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and/ or estimated costs necessary to make sale.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022
n) Foreign currency transactions :

The transactions in currencies other than the Company's functional currency are translated at the rates of exchange prevailing at the dates of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the year end exchange rates. Foreign exchange gains and losses arising from such translation are recognised in the statement of profit and loss.

Foreign exchange differences regarded as adjustments to borrowing costs are presented in the statement of profit and loss, within finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/ losses.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using exchange rate as on the date of initial recognition.

Effective April 1, 2018, the Company has adopted Appendix B to Ind AS 21, Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

o) Revenue recognition :

The Company derives revenues primarily from sale of manufactured goods, traded goods.

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) – 'Revenue from contracts with customers'. The effect on adoption of Ind AS-115 was insignificant.

Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

The Company satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Company; or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue from sale of products are recognised at a time on which the performance obligation is satisfied.

Income from export incentives is recognised on accrual basis to the extent the ultimate realisation is reasonably certain.

Interest income is recognised on time proportion basis taking into account the amount outstanding on effective interest rate.

Insurance claims are accounted on accrual basis when the claims become receivable.

Recoveries from group Companies and third parties include recoveries towards common facilities/ resources and other support provided to such parties which is recognised as per terms of agreement and in the year in which such services are rendered.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022
p) Income taxes :

Current tax is the amount of tax payable on taxable income for the year determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred income tax is recognised on differences between the carrying amount of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit and is accounted for using the liability method. Deferred tax liabilities are generally recognised for all deductible temporary differences and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and deferred tax liabilities are measured at applicable tax rates and offset and presented as net.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

q) Fair value measurement :

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value is based on the presumption that the transaction to sell the assets or transfer the liability takes place either:

- 1) In the principal market for the asset or liability; or
- 2) In the absence of a principal market, in the most advantageous market which can be accessed by the Company for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i) Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- ii) Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;
- iii) Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

r) Financial assets :
Initial recognition and measurement :

Financial assets are recognised and measured in accordance with Ind AS 109 on financial instruments. Accordingly, the Company recognises financial asset only when it has a contractual right to receive cash or other financial assets from another entity.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Financial assets are initially recognised at fair value plus transaction costs directly attributable to its acquisition. The transaction costs incurred for the purchase of financial assets held at fair value through profit or loss are expensed in the statement of profit and loss immediately.

Subsequent measurement :

Subsequent to initial recognition, financial assets are measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVPL). The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

1) Debt instruments :

There are three measurement categories into which the Company classifies its debt instruments:

At amortised cost :

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are accounted for at amortised cost using the effective interest method. This category comprises trade accounts receivable, loans, cash and cash equivalents, bank balances and other financial assets. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI) :

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). The movements in carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to the statement of profit and loss and recognised in other gains/ (losses). Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through profit or loss (FVPL) :

Assets that do not meet the criteria for amortised cost or FVOCI are measured at FVPL. A gain or loss on a debt instrument that is subsequently measured at FVPL and is not part of a hedging relationship is recognised in the statement of profit and loss and presented within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

2) Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVPL. For all other equity instruments, the Company decides to classify the same either as at FVOCI or FVPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. Equity instruments included within the FVPL category are measured at fair value with all changes recognised in the profit or loss.

Derecognition:

A financial asset is primarily derecognised when:

- (i) The rights to receive cash flows from the asset have expired, or
- (ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - 1) The Company has transferred substantially all the risks and rewards of the asset, or
 - 2) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

On de-recognition, any gains or losses on all debt instruments (other than debt instruments measured at FVOCI) and equity instruments (measured at FVPL) are recognised in the statement of profit and loss. Gains and losses in respect of debt instruments measured at FVOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition. Gains or losses on equity instruments measured at FVOCI that are recognised and accumulated in OCI are not reclassified to profit or loss on de-recognition.

Impairment of Financial Asset :

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (i) Financial assets that are debt instruments and are measured at amortised cost e.g. loans, debt securities, deposits and bank balance.
- (ii) For trade receivables, the company uses a simplified approach as permitted under IndAs 109
- (iii) Financial assets measured at fair value through other comprehensive income.
- (iv) In case of other assets (listed as (i) and (ii) above), the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognised as loss allowance.

s) Financial Liabilities :
Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings.

Subsequent measurement :

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as fair value through profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

Financial liabilities at amortised cost :

Financial liabilities classified and measured at amortised cost such as loans and borrowings are initially recognised at fair value, net of transaction cost incurred. After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition :

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**Borrowings :**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any differences between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowing using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facilities will be drawn down. In this case, the fee is deferred until the drawdown occurs. The borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred to another party and the consideration paid including any noncash asset transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statement for issue, not to demand payment as a consequence of the breach.

t) Employee benefits :**1) Short term employee benefits :**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the services. These benefits include compensated absences such as paid annual leave and performance incentives.

2) Long term employee benefits :

The Company provides post-employment benefits under defined contribution and/ or defined benefit plans:

(i) Defined benefit plan :

For defined benefit plan, the cost of providing benefits is determined using projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains or losses are recognised in full in other comprehensive income for the period in which they occur. Past service costs both vested and unvested are recognised as an expense (a) when the plan amendment or curtailment occurs ; (b) when the entity recognises related restructuring cost or termination benefits, whichever is earlier. The retirement benefits obligation recognised in the Balance Sheet represents the present value of defined benefit obligations reduced by the fair value of plan assets.

(ii) Defined contribution plans :

Contribution to defined contribution plans are recognized as an expense when the employees have rendered services entitling them to such benefits.

u) Provisions, contingent liabilities and contingent assets :

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each Balance Sheet date and are adjusted to reflect the current best estimate.

If the effect of the time value of money is material, provisions are discounted using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost.

Contingent liabilities are disclosed by way of a note to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Contingent assets are not recognized in financial statements but disclosed when the inflow of economic benefits is probable. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

v) Cash and cash equivalents :

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. These do not include bank balances earmarked/ restricted for specific purposes.

w) Cash flow statement :

Cash flows are reported using the indirect method, whereby profit/ loss before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

x) Earnings per share :
1) Basic earnings per share :

Basic earnings per share is calculated by dividing the profit/ (loss) after tax attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year.

2) Diluted earnings per share :

Diluted earnings per share is calculated by dividing the profit/ (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

y) Ind AS 108: Segment Reporting :

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. Based on "Management Approach" as defined in Ind AS 108 - Operating segments, the operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

2.2 Recent accounting pronouncements :

The following standards / amendments to standards have been issued and will be effective from 1st April 2022. The Company is evaluating the requirements of these standards, improvements and amendments and has not yet determined the impact on the financial statements.

Indian Accounting Standard (Ind AS) 103 – Business Combinations – Qualifications prescribed for recognition of the identifiable assets acquired and liabilities assumed, as part of applying the acquisition method – should meet the definition of assets and liabilities in the Conceptual Framework for Financial Reporting under Ind AS (Conceptual Framework) issued by the ICAI at the acquisition date.

Modification to the exceptions to recognition principle relating to contingent liabilities and contingent assets acquired in a business combination at the acquisition date.

Indian Accounting Standard (Ind AS) 109 – Financial Instruments – Modification in accounting treatment of certain costs incurred on derecognition of financial liabilities.

Indian Accounting Standard (Ind AS) 16 - Property, Plant and Equipment – Modification in treatment of excess of net sale proceeds of items produced over the cost of testing as part of cost of an item of property, plant, and equipment.

Indian Accounting Standard (Ind AS) 37 - Provisions, Contingent Liabilities and Contingent Assets – Modifications in application of recognition and measurement principles relating to onerous contracts.

Fair Value Hierarchy :

The fair value hierarchy is based on the inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels :

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices and mutual funds are measured using the closing net asset value (NAV)

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs are required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3 – if one or more of the significant inputs is based on observable market data, the instrument is included in Level 3.

The fair value hierarchy of assets and liabilities measured at fair value as of March 31, 2022 is as follows :

₹ in lakhs

Financial assets :				
At fair value through profit and loss				
Investment in equity shares	-*	-	-	-*
Investment in optionally convertible debentures	-	-	1	1
Total	-*	-	1	1

Note: * Amount is below the rounding off limits followed by the Company's norms.

The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

Cash and cash equivalents, other bank balances, trade and other receivables, trade and other payables and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities or nature of these instruments.

The fair value of Company's interest bearing borrowings are determined using amortised cost basis using a discount rate that reflects issuer's borrowing rate as at the end of reporting date.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022
Financial risk management objectives:

The Company's activities exposes it to a variety of financial risk viz. market risks, credit risks and liquidity risks. In order to manage the aforementioned risks, the Company has a risk management policy and a program that performs close monitoring of and responding to each risk factors.

Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates and other market changes.

Foreign currency risk:

Foreign currency risk mainly arises from transactions undertaken by an operating unit in currencies other than its functional currency. The carrying amount of Company's financial assets and financial liabilities denominated in foreign currencies at the reporting date are as follows :

(₹ in lakhs)

Particulars	USD	₹
As at March 31, 2022		
Financial assets	19	14,40
Financial liabilities	1	80

5% appreciation/ depreciation of the respective foreign currencies with respect to the functional currency of the Company would result in decrease/ increase in the Company's profit before tax by approximately ₹ 67.99 lakhs (net) for the year ended March 31, 2022.

(₹ in lakhs)

Particulars	USD	₹
As at March 31, 2021		
Financial assets	16	11,49
Financial liabilities	-*	21

* Amount is below rounding off limits followed by the Company's norms

Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have significant floating interest rate borrowings during the year ended March 31, 2022 and March 31, 2021. Hence, the Company is not exposed to significant interest rate risk as at the respective reporting dates.

Credit risk:

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the Company through continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain.

Liquidity risk:

The responsibility for liquidity risk management rests with the Board of Directors, which has an appropriate liquidity risk management framework for the management of the Company's short, medium and longterm funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities by regularly monitoring forecast and actual cash flows.
