15. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circulars and SEBI Circulars.
16. **Procedure for Remote-voting**

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 62nd AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL:

The instructions for members for voting electronically are as under:-

For Members whose e-mail addresses is registered with the Company / Depositories:

- (i) The voting period begins on 11th September 2023, 9.00 a.m. and ends on 13th September 2023, 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 6th September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Item No. 3: Appointment of Smt. Tejal Nirav Shah (DIN 09753319) as Non-executive Independent Director

The Board of Directors of the Company, pursuant to the recommendation of the Nomination and Remuneration Committee has appointed Smt. Tejal Nirav Shah (DIN 09753319) as an Additional Non-Executive Independent Director of the Company with effect from 1st November, 2023. She holds office upto the date of the ensuing Annual General Meeting pursuant to section 161 of the Companies Act, 2013 ("the Act") and the Articles of Association of the Company.

Smt. Tejal Nirav Shah is a Chartered Accountant by profession. Smt. Tejal Nirav Shah is an experienced professional having expertise in the area of Finance and Accounts, Audit, Corporate tax, Appeals and Indirect Tax. She was partner in reputed Chartered Accountant firm Manish Chokshi & Co. She renders advisory services for all corporate matters. She has also experienced in analysing and making publications on Finance Budgets for Bombay Chartered Accountant's Society in past.

In terms of the provisions of sub-section (1) of section 161 of Companies Act, 2013, Smt. Tejal Nirav Shah would hold office up to the date of the ensuing Annual General Meeting.

The Company has received a notice in writing from a member along with the deposit of requisite amount under Section 160 of the Act proposing the candidature of Smt. Tejal Nirav Shah for the office of Director of the Company.

Smt. Tejal Nirav Shah is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has provided his consent to act as a Director.

Section 149 of the Act inter alia stipulates the criteria of independence should a Company propose to appoint an independent director on its Board. As per the said Section 149, an independent director can hold office for a term up to 5 (five) consecutive years on the Board of a Company and he shall not be included in the total number of directors for retirement by rotation.

The Company has received a declaration from Smt. Tejal Nirav Shah that she meets with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and relevant clause of The SEBI (LODR) Regulations, 2015. Smt. Tejal Nirav Shah possesses appropriate skills, experience and knowledge.

The Board considers that her continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Smt. Tejal Nirav Shah as an Independent Director. Accordingly, the Board recommends the resolution in relation to appointment of Smt. Tejal Nirav Shah as an Independent Director for a term of five years, for the approval by the shareholders of the Company.

Smt. Tejal Nirav Shah herself and her immediate relatives do not hold any equity shares in the Company. She is not related to any of the Directors on the Board of the Company.

Except Smt. Tejal Nirav Shah, being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 3.

Item No. 4: Investments and Loan Under Section 186(3):

In the prevailing environment, the Company foresees plenty of opportunities for earnings out of temporary surplus funds available with the Company by investing in the stock Market, units of mutual funds and the equity capital of several companies or give loan or provide guarantees to other Companies. As a result, investment or loan may exceed the prescribed limit U/s 186(3) of the Companies Act, 2013. Therefore, a general power is required for the Board of Directors, authorizing them to invest in Equity Markets, Mutual funds and Equity Capital of several Companies, exceeding the limits specified under above section.

Accordingly, item No. 4 is recommended for approval by the shareholders.

None of the Directors or Key Managerial personnel or their relatives is concerned or interested, weather financially or otherwise in above resolution.

Item No. 5 and 6

Keeping in view the existing and future financial requirements to support its business operations, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which may exceed the aggregate of the paid-up capital and free reserves of the Company. Hence it is proposed to set the maximum borrowing limits of Rs. 15 Crores for the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any time except with the consent of the members of the Company in a general meeting. In order to facilitate securing the borrowing made by the Company, it may be necessary to create charge on the assets or whole or part of the undertaking of the Company. Further, Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting, which authorisation is also proposed to be set to Rs. 15 Crores for the Company. Hence, the Special Resolution at Item No.5 & 6 of the Notice is being proposed, since the same exceeds the limits provided under Section 180(1)(a) & 180(1)(c) of the Act. The Directors recommend the Special Resolution as set out at Item No. 5 & 6 of the accompanying Notice, for members approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Special Resolution except to the extent of their shareholding in the Company.

Item No. 7: Approval for Related Party Transactions:

The Company is proposing to enter into a Potential Related Party Transaction with Warden Farms Private Limited and/or any of the proposed Subsidiary company of the Company for lease hold land held by the company from Shyama Prasad Mookerjee Port Trust, Kolkata (hereinafter referred to as 'SPMPT').

Since the transaction is subject to regulatory approval from SPMPT. The Company is seeking in principal approval from Shareholders.

Please find below the disclosure as per Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014:

1.	Name of the related Party	Warden Farms Private Limited / or any of the Subsidiary of the company
2.	Name of the director or Key Managerial personnel who is related	Shri Pradyumna Jajodia, Shri Padmanabh Jajodia and Shri Devang Jajodia
3.	Nature of Relationship	Common Directors and Shareholders
4.	i. Nature	Development of Lease hold property
	ii. Material terms	Subject to approval of SPMPT
	iii. Monetary Value	Rs. 10 Crores
	iv. Particulars of Contract or arrangement	Subject to approval of SPMPT
	v. any other information relevant or important for the members to take decision on the proposed resolution	-

Accordingly, item No. 5 is recommended for approval by the shareholders.

Except for Shri. Pradyumna Jajodia, Shri. Padmanabh Jajodia, and Shri. Devang Jajodia none of the Directors or Key Managerial personnel or their relatives is concerned or interested, weather financially or otherwise in above resolution no 7.

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Lynx Machinery and Commercials Limited
Warden House, 340 J.J. Road,
Byculla, Mumbai 400 008

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s Lynx Machinery and Commercials Limited CIN: L29299MH1960PLC011870 (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the M/s. Lynx Machinery and Commercials Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives electronically during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined electronically the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2023 and found them to be in order, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

INDEPENDENT AUDITOR'S REPORT

To the Members of
LYNX MACHINERY AND COMMERCIALS LIMITED
Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of **LYNX MACHINERY AND COMMERCIALS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

(a) The Company's trade receivables aggregating to Rs 2,445,169 are old and under litigation. The said amount includes Rs 2,134,761 receivable from a trade debtor, in respect of which reference is invited to Note No 22. Since the Hon'ble City Civil & Sessions Court, Greater Mumbai, has ordered the company to pay Rs 29,38,735 to the said party (plus interest from date of filing of suit), recovery of the said sum of Rs 2,134,761 from the same party is doubtful in our opinion, more so because the debt is now barred by limitation. Hence, in our opinion, provision for doubtful debts needs to be maintained against the said Trade Receivable of Rs 2,134,761. Thus Trade Receivables and Other Equity are overstated by Rs 2,134,761 and loss and comprehensive loss for the year are understated by the same amount.

(b) The company's investment in unquoted equity shares have been stated at cost instead of their fair value, which is not in accordance with Indian Accounting Standard (Ind-AS) 109 Financial Instruments. We were unable to obtain sufficient appropriate audit evidence in support of their respective cost to be an appropriate estimate of their fair value. Further, in respect of the company's investment in quoted equity shares, necessary adjustments have not been made for changes in their fair value as at the year end when compared to their respective fair value as at the end of the previous year. This is also not in accordance with the said Ind-AS 109.

Consequently, we are unable to determine whether and to what extent any adjustments to these amounts were necessary.

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matter

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

KAM – 1 Evaluation of claims against the company

The company has material uncertain matters under dispute which involved significant judgment to determine the possible outcome of these disputes. Refer Note No 22 and 23.

Auditors' Response

Principal Audit Procedures

Obtained details of dispute and litigation for the year ended 31.03.2023 from the management. We involved our internal experts to challenge the management's underlying assumptions in estimating the possible outcome of the disputes.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, and subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph, we report to the extent applicable that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued there under, subject to non-compliance with Ind-AS 109 as detailed in Basis for Qualified Opinion paragraph;

(e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- I. The Company has disclosed the impact of pending litigations on its financial position in its Ind-AS financial statements – Refer Note No 6, 22 and 23 to the Ind-AS financial statements;

LYNX MACHINERY AND COMMERCIALS LIMITED
Report on the Internal Financial Controls under Clause (i) of
Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)
for the year ended 31st March 2023

We have audited the internal financial controls over financial reporting of Lynx Machinery And Commercials Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls considering the essential components of internal financial controls as per section 134(5)(e) of the Act and as stated in the applicable Standards of Auditing issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance 168 Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The methods used to measure fair values are discussed in Note 2.13

2.1.3 Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest hundred Rupees for the Company.

2.1.4 Use of estimates and management judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures including contingent assets and liabilities at the Balance Sheet date. The estimates and management's judgements are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised. In order to enhance understanding of the financial statements, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that may have the most significant effect on the amount recognised in the financial statements are included in the following notes:

a) Useful life of Property, Plant and Equipment

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, completion and other economic factors (such as the stability of the industry and known technological advancement) and the level of maintenance expenditure required to obtain the expected future cash flows from the assets.

b) Recoverable amount of property, plant and equipment and capital work in progress

The recoverable amount of property, plant and equipment and capital work in progress is based on estimates and assumptions. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount resulting in impairment.

c) Provisions and contingencies

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has been made on the basis of best judgement by management regarding probable outflow of economic resources. Such estimation can change due to unforeseeable developments.

d) Impairment of the Trade Receivables

Considering the historical credit loss experience for trade receivables, the Company applies the simplified approach of recognising the expected losses from initial recognition of the receivables on a case to case basis as a provision for impairment.

2.2 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The Board of Directors is collectively the Company's CODM. Based on the synergies, risks and returns associated with business operations and in terms of Ind AS 108, the Board of Directors of the Company has assessed that the Company is predominantly engaged in the business of a single reportable segment of warehousing during the year. Therefore disclosure requirements of Ind AS 108 on Operating Segments are not applicable to the Company.

2.3 Revenue Recognition and Other Income

Revenue is recognised when significant risks and rewards of ownership have been transferred to the buyers and to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

2.3.1 Rental Income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit and loss due to its operating nature.

2.3.2 Interest

Interest Income is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective

interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

2.3.3 Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Additional income taxes that arise from the distribution of dividends are recognised at the same time the liability to pay the related dividend is recognised.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

It may be noted that deferred tax asset arising as a result of this policy has not been recognised as there is no virtual certainty that sufficient future taxable income will be available against which deferred tax assets can be realised.

2.4 Impairment of non financial assets other than inventories

a) The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of the Company. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

b) In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

2.5 Statement of Cash Flows

a) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown under borrowings in current liabilities in the Balance Sheet.

b) Statement of Cash Flows is prepared in accordance with the indirect method prescribed in Ind AS-7 "Statement of Cash Flow"

2.6 Trade receivables

Trade receivables are recognised initially at transaction price and subsequently measured at amortised cost less provision for impairment.

2.7 Financial Assets other than Investments in subsidiaries and joint venture

2.7.1 Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit and loss), and
- those measured at amortised cost

The classification depends on the company's business model for managing the financial assets and the contractual terms of cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt instruments when and only when its business model for managing those assets changes.

2.7.2 Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of financial asset not at fair value through profit and loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit and loss are expensed in profit and loss.

Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its Debt instruments.

- Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship

is recognised in profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- Fair Value through Other Comprehensive Income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- Fair Value through profit and loss

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit and loss and is not part of a hedging relationship is recognised in profit and loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit and loss. Dividends from such investments are recognised in profit and loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognised in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

2.7.3 Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 2.26 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach of recognising the expected losses from initial recognition of the receivables on a case to case basis as provision for impairment.

2.7.4 Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

2.7.5 Offsetting financial instruments

Financial Assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.8 Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

Transition to Ind AS

Property, Plant and Equipment upto 31st March, 2016 were carried in the Balance Sheet in accordance with Indian GAAP. The Company has elected to avail the exemption granted by Ind AS 101 "First Time adoption of Ind AS" to regard those amounts as 'Deemed cost' at the date of transition to Ind AS (i.e. as on 1st April, 2016).

Stand-by equipments and servicing equipments which meet the recognition criteria of property, plant and equipment are capitalised. Spare parts (procured along with Plant & Machinery) or subsequently which meet the recognition criteria are capitalised. Other spare parts are treated as "Stores & Spares" forming part of inventory.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013.

Leasehold land is amortised on a straight line basis over the period of lease.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit and loss within other gains/ (losses).

2.9 Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable, borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Transition to Ind AS

Investment property upto 31st March, 2016 were carried in the Balance Sheet in accordance with Indian GAAP. The Company has elected to avail the exemption granted by Ind AS 101 "First time adoption of Ind AS" to regard those amounts as deemed cost at the date of transition to Ind AS.

2.10 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value/transaction value and subsequently measured at amortised cost using the effective interest method.

2.11 Borrowings Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

2.12 Financial liabilities

Financial liabilities of the Company are contractual obligation to deliver cash or another financial asset to another entity or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company.

The Company's financial liabilities include loans & borrowings, trade and other payables.

a) Classification, initial recognition and measurement

Financial liabilities are recognised initially at fair value minus transactions costs that are directly attributable and subsequently measured at amortised cost. Financial liabilities are classified as subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, over the period of the borrowings using the effective rate of interest.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

b) Subsequent measurement

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, when the liabilities are derecognised as well through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an

exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.13 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the Company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

2.14 Provisions, Contingent liabilities and Contingent Assets

Provisions for legal claims, discounts, and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are possible obligations that arise from past events and whose existence will be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company, such obligation is disclosed as contingent liability.

Contingent Assets are possible assets that arise from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are disclosed in financial statements when in flow of economic benefits is probable on the basis of judgement of management.

22 CONTINGENT LIABILITIES AND COMMITMENTS TO THE EXTENT NOT PROVIDED FOR

Claims against the Company not acknowledged as debts Rs 66.04 lacs (PY Rs 66.04 lacs) and interest thereon. It includes a sum of Rs 38,19,817 towards amount claimed by a trade debtor. A suit was filed by the said trade debtor in 1996 for recovery of Rs 38,19,817 from the company together with interest. The Hon'ble City Civil & Sessions Court, Greater Mumbai, ordered the company to pay Rs 29,38,735 to the said party plus interest from date of filing of suit, vide their order of 20.10.2018. The Company has filed an appeal against the said order of The Hon'ble City Civil & Sessions Court, Greater Mumbai, before Hon'ble High Court Mumbai. Attention is also drawn to the fact that Trade Receivables (Note No 6) include a sum of Rs 21,34,761 receivable by the company from the said trade debtor. The management is hopeful of recovery of this amount. Effect will be considered in the accounts on final outcome of the issue.

23 In respect of company's leasehold premises, the company has claimed certain amounts from the sub-lessee towards damages caused by them to the company's property during their occupation, against which the company has withheld the security deposit. Against the same, the sub-lessee has filed a suit against the company which according to the management is not maintainable. The matter is sub-judice, and final effect will be considered in the accounts when the issue is finally settled.

24 Pursuant to a term sheet entered into by and between the company and Warden Farms Private Limited ('Warden' hereafter), the company has received an Advance of Rs (in '00) 3,65,000.00 for potential of development of leasehold land wherein the said Warden will hold a stake, for development of logistics and or retail leasing business.

In view of the fact that the substantive conditions of the Term Sheet are yet to be complied, the amount so received from Warden has been disclosed under the head Advances Received under "Other Current Liabilities" in Note No. 16 to the Financial Statements for the year.

25 As per an offer letter dated 21.10.2022 received by the company from Shyama Prasad Mookerjee Port Trust, Kolkata for renewal of long term lease of land at Taratalla, the company was required to pay, and has paid annual lease rental and taxes on land, GST etc, aggregating to Rs (in '00) 2,81,147.94 to the said Port Trust prior to execution of lease deed. The lease deed / agreement shall eventually be executed during Financial Year 2023-24, and therefore the entire aforesaid amount of annual lease rent paid has been disclosed as part of Advances under the head Other Current Assets in Note No. 10 to the Financial Statements for the year. The same shall be adjusted in the accounts in FY 2023-24.

26 Based on the synergies, risks and returns associated with business operations and in terms of Ind AS – 108, the company is predominantly engaged in the business of a single reportable segment of warehousing during the year. Therefore disclosure requirements of Ind AS - 108 on Segment Reporting are not applicable.

27 In the opinion of the Board, any of the assets other than Fixed Assets have a value on realization, in the ordinary course of business, at least equal to the amount at which they are stated.
