CRISIL REPORT

Few firms opting for restructuring 2.0

PRESS TRUST OF INDIA
 Mumbai, August 26

WITH THE RECOVERY in demand and growing confidence in economic growth, very few corporates have opted or looking for debt restructuring under the RBI's Resolution Framework 2.0, according to a report by Crisil Ratings released on Thursday.

It said barely 1% of eligible companies in its rating portfolio have opted for or are con-

templating restructuring under the Resolution Framework 2.0. The finding is based on an analysis of around 4,700 companies rated by the agency.

"The quick recovery in demand after moderation during the second COVID-19 wave, and sanguinity around economic growth have led corporates to give the restructuring option a miss,"

Crisil Ratings chief ratings officer Subodh Rai said in the report. The more localised and less stringent nature of curbs/restrictions during the second wave meant relatively lower disruption in business activities compared to the first wave. So, the muted response is par for the course, he said.

"The fact that only a handful of companies are exploring the restructuring option could be reflective of a relatively improved business outlook accompanying a pick-up in economic activity in the aftermath of the pandemic's second wave," the agency said.

Crisil said its investment grade-rated corporates have shown strong resilience amid the pandemic and hardly any one is planning to avail restructuring 2.0.

RBI appoints Ajay Kumar as ED

THE RBI ON Thursday said Ajay Kumar has been appointed as executive director (ED), who will look after the departments of currency management, foreign exchange, and premises. Before being promoted as ED, he was

heading the RBI's New Delhi Regional Office as the regional director. Kumar has served in foreign exchange, banking supervision, financial inclusion, currency management and other areas in the RBI. —PTI

Sebi issues detailed modalities for accredited investors

PRESS TRUST OF INDIA
 New Delhi, August 26

SEBI ON THURSDAY came out with detailed modalities for implementation of the accredited investors framework, a move expected to open up a new channel of raising funds from sophisticated investors.

A person will be identified as an accredited investor on the basis of net worth or income. Individuals, HUFs, family trusts, sole proprietorships, partnership firms, trusts and body corporates can get accreditation based on financial parameters specified by the regulator.

Under the framework, AIs may avail flexibility in minimum investment amount (lower ticket size) or concessions from specific regulatory requirements applicable to investment products. This is subject to conditions applicable for specific products or services under the rules.
