Notes to the Statement of Standalone Financial Results

1. The above results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on 18th August, 2020. The statutory auditors of the company have audited the said results for the year ended 31st March, 2020.
2. The outbreak of COVID-19 pandemic has disrupted regular business operations of the Company due to the lock-down restrictions and other emergency measures imposed by the Central and State Governments from time to time, because of interruption in the project activities, supply chain disruption, human resource availability constraints etc. The business operations have recommenced on a lower scale post relaxation of lockdowns as compared to pre-pandemic levels. The management has evaluated the possible impact of known events, upto the date of approval of these financial results, arising from COVID-19 pandemic on the carrying value of the assets and liabilities as at 31st March, 2020 and has concluded that no material adjustments are required currently at this stage. However, there exists some uncertainty in relation to the future impact of COVID-19 pandemic on the Company and, accordingly, the actual impact in the future may be different from those presently estimated. The Company will continue to monitor any material change to the future economic conditions and consequential impact on the financial results.
3. During the current year, the Company has defaulted in payment of dues to its financial creditors. It is facing working capital constraints and its borrowal facilities are irregular with certain financial creditors as at 31st March, 2020 . The Company is in the process of formulating a resolution plan with such creditors. Based on the expectation of the implementation of the resolution plan, underlying strength of the Company's business plans and future growth outlook as assessed, the management is confident of improving the credit profile of the Company, including through monetisation of its assets including arbitration awards, claims etc. which would result in it being able to meet its obligations in due course of time. Accordingly, the Company's Board of Directors considers it appropriate to prepare these financial results on a going concern basis.
4. Interest on YTM basis amounting to Rs. 1,317.99 lakhs and Rs. 5,143.45 lakhs for the quarter and year ended 31st March,2020 respectively has not been provided on Optionally Convertible Debentures (OCDs) issued to lenders under S4A scheme, as the same is not payable until maturity of such OCDs. Statutory Auditors report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2019 and the Limited Review Reports for the first three quarters of FY 2019-20 were similarly modified in respect of this matter.
5. Clients of the Company had foreclosed certain projects/contracts which are presently under arbitration/litigation proceedings. The management, based on the facts of the cases, is confident to recover / realise the trade receivables and inventories as at 31st March, 2020 of Rs. 6,142.27 lakhs and Rs. 1,040.62 lakhs respectively, related to the aforesaid projects/contracts. The Statutory Auditors have expressed their inability to comment upon the recoverability/realisability of the aforesaid amounts and their audit report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2019 and the Limited Review Reports for the first three quarters of FY 2019-20 were similarly modified in respect of this matter.

6. The Company has certain trade and other receivables of Rs. 37,195.44 lakhs as at 31st March, 2020 backed by arbitration awards pronounced in its favour over the years. Further, the Company has recognised interest income of Rs. 639.43 lakhs and Rs 2,522.09 lakhs during the quarter and year ended 31st March, 2020 respectively on such arbitration awards. Against these awards, the customers have preferred appeals in the jurisdictional courts and the legal proceedings are going on. Pending the outcome of the said legal proceedings, the above amounts are being treated as fully realisable as based on the facts of the respective case, the management is confident that the final outcome of the legal proceedings would be in its favour.
7. An application for initiation of Corporate Insolvency Resolution Process ('CIRP'), under Section 7 of the Insolvency and Bankruptcy Code, 2016 has been admitted against Luni Power Company Pvt. Ltd. ('Luni'), a subsidiary of the Company, on 23rd December, 2019 by the Hon'ble NCLT, Chandigarh Bench. Consequently, since the said date, the Company is not exercising control or significant influence over Luni so as to treat it as its subsidiary or associate and is carrying its equity investment in Luni at FVTPL as at 31st March, 2020. Accordingly, as a matter of prudence, the Company has impaired its equity investment of Rs. 337.92 lakhs in Luni to the extent of 50% (i.e Rs. 168.96 lacs) during the quarter and year ended 31st March, 2020. Further, the recoverability of the Company's remaining direct exposure in Luni as at 31st March, 2020 (Rs. 168.96 lakhs by way of equity, Rs. 331.64 lakhs by way of loan and Rs. 59.51 lakhs by way of trade receivables) would be assessed on an ongoing basis since the CIRP process is in its initial stages now and the consequent impairment, if any, will be dealt with appropriately in the subsequent financial results.
8. Other Income includes the following amounts:

Sl. No.	Particulars	For the quarter ended 31 st March, 2020 (Rs. In Lacs)	For the year ended 31 st March, 2020 (Rs. In Lacs)

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors as referred to in the *Other Matters* section of our report below, the Statement:

- (i) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, except for the effects / possible effects of the matters described in the *Basis for Qualified Opinion* section of our report below; and
- (ii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India, of the standalone net profit and other comprehensive income and other financial information of the Company for the year ended on 31st March, 2020 except for the effects / possible effects of the matters described in the *Basis for Qualified Opinion* section of our report below.

Basis for Qualified Opinion

As stated in:

- a. Note 4 to the Statement, interest on YTM basis amounting to Rs. 1,317.99 lakhs and Rs. 5,143.45 lakhs for the quarter and year ended 31st March, 2020 respectively was not provided on Optionally Convertible Debentures (OCDs) issued to lenders under S4A scheme. Had such interest provision been made as required under the accrual basis of accounting, the finance cost would have been higher and profit before tax would have been lower by the aforesaid amounts, for the quarter and year ended 31st March, 2020 respectively. Further, since the issue of OCDs, the total liability not provided for in respect of such interest on YTM basis is Rs 11726.69 lakhs as at 31st March, 2020. The Auditor's Report for the year ended 31st March, 2019 and the Limited Review Reports for the quarters ended 30th June, 30th September and 31st December, 2019 were also qualified in respect of this matter.
- b. Note 5 to the Statement, regarding the Company's trade receivables (net of ECL) and inventories as at 31st March, 2020 of Rs. 6,142.27 lakhs and Rs.1,040.62 lakhs respectively, relating to certain projects foreclosed by clients in earlier years and where the claims are presently under arbitration/ litigation proceedings. Pending the ultimate outcome of these matters (fate of which is presently unascertainable), we are unable to comment on the recoverability thereof. The Auditor's Report for the year ended 31st March, 2019 and the Limited Review Reports for the quarters ended 30th June, 30th September and 31st December, 2019 were also qualified in respect of this matter.

for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

Notes to Statement of Consolidated Financial Results:-

1. SPML Infra Ltd. (the 'Parent Company') and its subsidiaries are together referred to as 'the Group' in the following notes.
2. The above consolidated results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Parent Company at their respective meetings held on 18th August, 2020. The statutory auditors of the Parent Company have audited the said results for the year ended 31st March, 2020.
3. The outbreak of COVID-19 pandemic has disrupted regular business operations of the Group due to the lock down restrictions and other emergency measures imposed by the Central and State Governments from time to time, because of interruption in the project activities, supply chain disruption, human resource availability constraints etc. The business operations have recommenced on a lower scale post relaxation of lockdowns as compared to pre-pandemic levels. The management of the Parent Company has evaluated the possible impact of known events, upto the date of approval of these consolidated financial results, arising from COVID-19 pandemic on the carrying value of the assets and liabilities as at 31st March, 2020 and has concluded that no material adjustments are required currently at this stage. However, there exists some uncertainty in relation to the future impact of COVID-19 pandemic on the Group and, accordingly, the actual impact in the future may be different from those presently estimated. The Parent Company will continue to monitor any material change to the future economic conditions and consequential impact on the financial results.
4. During the current year, the Parent Company has defaulted in payment of dues to its financial creditors. It is facing working capital constraints and its borrowal facilities are irregular with certain financial creditors as at 31st March, 2020. The Parent Company is in the process of formulating a resolution plan with such creditors. Based on the expectation of the implementation of the resolution plan, underlying strength of the Parent Company's business plans and future growth outlook as assessed, the management is confident of improving the credit profile of the Parent Company, including through monetisation of its assets including arbitration awards, claims etc. which would result in it being able to meet its obligations in due course of time. Accordingly, the Parent Company's Board of Directors considers it appropriate to prepare these consolidated financial results on a going concern basis.
5. Interest on YTM basis amounting to Rs.1,317.99 lakhs and Rs.5,143.45 lakhs for the quarter and year ended 31st March, 2020 respectively was not provided on Optionally Convertible Debentures (OCDs) issued to lenders under S4A scheme by the Parent Company, as the same is not payable until maturity of such OCDs. Statutory Auditors report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2019 and the Limited Review Reports for the first three quarters of FY 2019-20 were similarly modified in respect of this matter.
6. Clients of the Parent Company had foreclosed certain projects/contracts which are presently under arbitration/litigation proceedings. The management, based on the facts of the cases, is confident to recover / realise the trade receivables and inventories as at 31st March, 2020 of Rs.6,142.27 lakhs and Rs.1,040.62 lakhs respectively, related to the aforesaid projects / contracts. The Statutory Auditors have expressed their inability to comment upon the recoverability/realisability of the aforesaid amounts and their audit report is modified in respect of this matter by way of a qualification. The Audit Report for the year ended 31st March, 2019 and the Limited Review Reports for the first three quarters of FY 2019-20 were similarly modified in respect of this matter.

7. The Parent Company made all the efforts to obtain the requisite financial statements / financial information / financial results of 1 (one) Joint Venture Company, namely Aurangabad City Water Utility Co. Ltd. for the quarter and year ended 31st March, 2020. However, in their absence, the consolidated financial results for the quarter and year ended 31st March, 2020 have been prepared without considering the financial impact of the financial statements / financial information/financial results of the said joint venture. Further, the management has assessed that such financial statements/financial information/financial results are not material to the overall consolidated financial results for the quarter and year ended 31st March, 2020.
8. The Parent Company has certain trade and other receivables of Rs.37,195.44 lakhs as at 31st March, 2020 backed by arbitration awards pronounced in its favour over the years. Further, the Parent Company has recognised interest income of Rs.639.43 lakhs and Rs.2,522.09 lakhs during the quarter and year ended 31st March, 2020 respectively on such arbitration awards. Against these awards, the customers have preferred appeals in the jurisdictional courts and the legal proceedings are going on. Pending the outcome of the said legal proceedings, the above amounts are being treated as fully realisable as based on the facts of the respective case, the management is confident that the final outcome of the legal proceedings would be in its favour.
9. An application for initiation of Corporate Insolvency Resolution Process ('CIRP'), under Section 7 of the Insolvency and Bankruptcy Code, 2016 has been admitted against Luni Power Company Pvt. Ltd. ('Luni'), a subsidiary of the Parent Company, on 23rd December, 2019 by the Hon'ble NCLT, Chandigarh Bench. Consequently, since the said date, the Parent Company is not exercising control or significant influence over Luni so as to treat it as its subsidiary or associate and is carrying its equity investment in Luni at FVTPL as at 31st March, 2020, in its standalone financial statements. However, accounting impact of derecognizing Luni as a subsidiary of the Parent Company has not been provided in these consolidated financial results as the relevant financial statements/financial information of Luni, duly approved by the IRP/RP/relevant authority, are presently not available. The management of the Parent Company has assessed that the impact of the same on profit before tax and the carrying amounts of assets and liabilities in these consolidated financial results is insignificant / not material. The necessary accounting impact as aforesaid would be provided in the consolidated financial statements when the relevant financial statements/financial information of Luni, duly approved by the IRP/RP/relevant authority, are available.
10. "Other Income" includes the following amounts:

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF SPML INFRA LIMITED

Report on the Audit of the Consolidated Financial Results

Qualified Opinion

We have audited the accompanying Consolidated Financial Results ("the Statement") of **SPML Infra Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its associates and joint ventures, for the year ended 31st March, 2020, being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including relevant circulars issued by the SEBI from time to time ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial results and other financial information of the subsidiaries, associates, joint ventures and joint operations, as referred to in the Other Matters section of our report below, the Statement:

- (i) includes the annual financial results of the entities listed in the Annexure ;
- (ii) presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, except for the effects / possible effects of the matters described in the *Basis for Qualified Opinion* section of our report below; and
- (iii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India, of the consolidated net profit and other comprehensive income and other financial information of the Group, its associates and joint ventures, for the year ended on 31st March, 2020 except for the effects / possible effects of the matters described in the *Basis for Qualified Opinion* section of our report below.

Basis for Qualified Opinion

As stated in:

- a. Note 5 to the Statement, interest on YTM basis amounting to Rs.1,317.99 lakhs and Rs.5,143.45 lakhs for the quarter and year ended 31st March, 2020 respectively was not provided on Optionally Convertible Debentures (OCDs) issued to lenders under S4A scheme by the Parent. Had such interest provision been made as required under the accrual basis of accounting, the finance cost would have been higher and profit before tax would have been lower by the aforesaid amounts, for the quarter and year ended 31st March, 2020 respectively. Further, since the issue of OCDs, the total liability not provided for in respect of such interest on YTM basis is Rs.11,726.69 lakhs as at 31st March, 2020. The Auditor's Report for the year ended 31st March, 2019 and the Limited Review Reports for the quarters ended 30th June, 30th September and 31st December, 2019 were also qualified in respect of this matter.

- b. Note 6 to the Statement, regarding the Parent's trade receivables (net of ECL) and inventories as at 31st March, 2020 of Rs.6,142.27 lakhs and Rs.1,040.62 lakhs respectively, relating to certain projects foreclosed by clients in earlier years and where the claims are presently under arbitration/ litigation proceedings. Pending the ultimate outcome of these matters (fate of which is presently unascertainable), we are unable to comment on the recoverability thereof. The Auditor's Report for the year ended 31st March, 2019 and the Limited Review Reports for the quarters ended 30th June, 30th September and 31st December, 2019 were also qualified in respect of this matter.
- c. The Independent Auditor's Report dt. 29 July, 2020 of SPM Holdings Pte. Ltd., a sub-subsidiary company of the Parent upto 30th March, 2020, as submitted by its statutory auditors in respect of the year ended 31st March, 2020, the following *Basis for Disclaimer of Opinion* appears:

“1) Trade and other receivables

The total assets of the Company as at 31 March 2020 include trade and other receivables amounting to US\$ 29,030,547 (2019: US\$ 34,546,962) [Rs.21,877.42 lakhs (2019: Rs.23,989.41 lakhs)]. As at the Balance sheet date, the past due debts amounted to US\$ 18,387,245 (Rs.13856.63 lakhs) out of which US\$ 1,797,148(Rs. 1354.33 lakhs) is collected subsequently till the report date.

At the reporting date, the Company assessed that there is no expected credit loss to be recognised and accordingly did not make any provision for expected credit loss. However we are unable to obtain sufficient and appropriate evidence for the basis of the Company's assessment. Consequently, we are unable to determine whether any adjustment to the company's financial statements for the financial year ended 31 March 2020 was necessary.

Also, Included in the above trade and other receivables, discount receivable amounting to US\$ 2,569,306 (Rs.1,936.23 lakhs) and other receivables amounting US\$ 5,263,183 (Rs.3,966.33 lakhs) for which we were unable to verify accuracy, existence and completeness as no balance confirmation was obtained. We were not able to carry out alternative auditing procedures in relation to these receivables. Consequently, we are unable to determine whether any adjustment to the company's financial statements was necessary.

Our audit report for the year ended 31 march 2019 dated 26 June 2019 contained qualification for the above reasons.

2) Interest expense

The Statement of profit or loss and other comprehensive income of the Company for the year include interest paid to its holding company amounting to US\$ 1,057,500 (Rs.749.66 lakhs) on an interest fee loan that was settled during the year ended 31 March 2018. The company has accounted for the interest in the current year as the holding company has calculated interest and charged the same in the current year. However, we are unable to verify the accuracy, completeness of interest expense and whether the interest should be accounted in the current year or prior years. There were no other alternative audit procedures we could perform to satisfy ourselves as to the appropriateness of interest amount recorded in the income statement of the year.

3) Secretarial records

We have been informed that the secretarial records are in the custody of erstwhile service provider and the company is unable to get access for our verification of records. Consequently, we are unable to determine whether any adjustments to, or disclosures in the financial statements may have been found necessary; had we been given access to the secretary records.

Our independent auditor's report for the financial years ended 31 March 2019 and 31 March 2018 contained a qualified opinion for the similar reasons as above.” **(Figures in Rs. Lakhs inserted by us based on the applicable exchange rate, as INR is the reporting currency for the Parent)**.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information/financial statements of the entities within the Group and its associates and joint ventures, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement, of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Parent and such other entities included in the Statement, of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with SEBI Circular CIR/CFD/CMD1/44/2019 dated 29th March, 2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, to the extent applicable.

- c) The Independent Auditor's Report dt.29 July, 2020 of SPM Holdings Pte. Ltd., a sub-subsidiary company of the Parent upto 30th March, 2020, as submitted by its statutory auditors in respect of the year ended 31st March, 2020, the following Basis for Disclaimer of Opinion appears:

"1) Trade and other receivables

The total assets of the Company as at 31 March 2020 include trade and other receivables amounting to US\$ 29,030,547 (2019: US\$ 34,546,962) [Rs.21,877.42 lakhs (2019: Rs.23,989.41 lakhs)]. As at the Balance sheet date, the past due debts amounted to US\$ 18,387,245 out of which US\$ 1,797,148 is collected subsequently till the report date.

At the reporting date, the Company assessed that there is no expected credit loss to be recognised and accordingly did not make any provision for expected credit loss. However we are unable to obtain sufficient and appropriate evidence for the basis of the Company's assessment. Consequently, we are unable to determine whether any adjustment to the company's financial statements for the financial year ended 31 March 2020 was necessary.

Also, Included in the above trade and other receivables, discount receivable amounting to US\$ 2,569,306 (Rs.1,936.23 lakhs) and other receivables amounting US\$ 5,263,183 (Rs.3,966.33 lakhs) for which we were unable to verify accuracy, existence and completeness as no balance confirmation was obtained. We were not able to carry out alternative auditing procedures in relation to these receivables. Consequently, we are unable to determine whether any adjustment to the company's financial statements was necessary.
