FOR TAKING AN INVESTMENT DECISION, INVESTORS MUST USE THEIR OWN JUDGMENT AND RELY ON THEIR OWN EXAMINATION OF THE COMPANY AND THE ISSUE INCLUDING THE RISKS INVOLVED.

INSTRUMENTS OFFERED THROUGH THE OFFER DOCUMENT ARE NON-CONVERTIBLE REDEEMABLE PREFERENCE SHARES AND NOT DEBENTURES/BONDS. THEY ARE RISKIER THAN DEBENTURES/BONDS AND MAY NOT CARRY ANY GUARANTEED COUPON AND CAN BE REDEEMED ONLY OUT OF THE DISTRIBUTABLE PROFITS OF THE COMPANY OR OUT OF THE PROCEEDS OF A FRESH ISSUE OF SHARES MADE, IF ANY, BY THE COMPANY, OR OTHERWISE AS PERMITTED UNDER APPLICABLE LAWS, FOR THE PURPOSE OF REDEMPTION.

LISTING

THE NCRPS ARE PROPOSED TO BE LISTED ON THE WHOLESALE DEBT MARKET SEGMENT OF BSE (“**STOCK EXCHANGE**”) AND BSE SHALL BE THE DESIGNATED STOCK EXCHANGE FOR THE ISSUE. THE ISSUER SHALL COMPLY WITH THE REQUIREMENTS OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015, AS AMENDED (THE “**SEBI LODR REGULATIONS**”) TO THE EXTENT APPLICABLE TO IT ON A CONTINUOUS BASIS.

CREDIT RATINGS

The NCRPS have been rated ‘**CARE AAA (RPS) (“CARE TRIPLE A rating with stable outlook”)**’ by CARE pursuant to the revalidation letter dated September 10, 2019. CARE’s ratings are opinions on credit quality and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE has based its ratings on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments.

RISK FACTORS

An investment in NCRPS involves a high degree of risk. You should carefully consider each of the following risk factors and all other information set forth in this Information Memorandum, before making an investment in NCRPS. The risks and uncertainties described below are not the only risks that we currently face. Additional risks and uncertainties not presently known to us or that we currently believe to be immaterial may also adversely affect our business, financial condition, results of operations and cash flows. If any or some combination of the following risks, or other risks that are not currently known or believed to be adverse, actually occur, our business, financial condition and results of operations could suffer, the trading price of, and the value of your investment in, our NCRPS could decline and you may lose all or part of your investment.

In making an investment decision with respect to this Issue, you must rely on your own examination of our Company and the terms of this Issue, including the merits and risks involved. Unless otherwise indicated, the financial information included herein is based on our Audited Consolidated Financial Statements as of and for the Financial Years ended March 31, 2019, 2018 and 2017. Unless the context otherwise requires, in this section, reference to “we”, “us” “our” or “Our Group” refers to our Company together with our Subsidiaries, on a consolidated basis.

INTERNAL RISK FACTORS

1. *Restrictions on payment of dividend and redemption*

In accordance with the provisions of the Companies Act, the dividends payable on the NCRPS can only be out of distributable profits of the company for that year, calculated in accordance with the provisions of the Companies Act or out of the distributable profits of the company for any previous fiscal year(s) arrived at as laid down by the Companies Act. Further, where the profits (including accumulated profits standing in the profit or loss account) are inadequate, dividends can be paid out of free reserves, in accordance with the Companies Act and the rules made thereunder. Redemption of the NCRPS can only be made out of the distributable profits of the Company or fresh issue of shares. In case the Company does not have adequate distributable profits, the Company will not be able to pay the dividends on the NCRPS. Further, in case the Company does not have adequate distributable profits or the Company is unable to raise money by fresh issue of shares, the Company may be unable to redeem the NCRPS.

2. *The Company’s primary source of revenue is the dividend declared by each of its Subsidiaries*

The Company is the holding company for the L&T Financial Services Group and has only limited operations. As a result, the revenues of the Company are derived mainly from the dividends that the Subsidiaries companies declare from time to time. Consequently, in the event that if one or more of the Subsidiaries companies are unable to or do not declare dividends for whatsoever reasons including but not limited to any

macroeconomic situation or other factors generally affecting the industry in which such Subsidiaries operate, the Company may have lesser, significantly lower or no revenues. In such a situation, the profits of the Company may be affected which would affect the Company's ability to declare and pay dividend on the NCRPS.

3. *Company and its Subsidiaries have undertaken covenants which may affect the Company's ability to pay dividend*

The Company and its Subsidiaries are party to certain financing documents under which the Company or its Subsidiaries are restricted from declaring a dividend if in relation to the Company or such Subsidiary an event of default has occurred including defaults on payments and breach of financial covenants and is continuing. While, the Company is not a party to the financing arrangements entered into by its Subsidiaries, any continuing breach of financial covenants by the Company itself for its Subsidiaries could impact the Company's ability to declare dividends on the NCRPS or the profits of the Company may be affected on account of the inability of the Subsidiaries /s to pay dividend which would in turn affect the Company's ability to declare and pay dividend on the NCRPS. Further, the Company has independently entered into financing arrangements and this risk factor shall be applicable on the occurrence of any events of default under such financing arrangements. As of the date of the Information Memorandum, there is no event of default subsisting in the Company or its Subsidiaries.

4. *Downgrading of rating*

In case the Company is unable to pay the dividend in accordance with the terms of the NCRPS for any reason whatsoever, including for reasons of inadequate profit, the rating for the NCRPS as well as other rated instruments of the Company may be downgraded which may adversely impact the business, profitability and financing abilities of the Company.

5. *Any disruption in our sources of funding or increase in costs of funding could adversely affect our liquidity and financial condition.*

The liquidity and profitability of our business depend, in large part, on our timely access to, and the costs associated with, raising funds. Our funding requirements historically have been met from various sources, including bank loans and working capital facilities, non-convertible debentures, perpetual debts, FCNR, commercial paper, equity and preference shares and subordinated debt. Our business thus depends and will continue to depend on our ability to access a variety of funding sources. Further, our ability to compete effectively will depend, in part, on our ability to maintain or increase our margins. Our margins are affected in part by our ability to continue to secure low-cost funding at rates lower than the interest rates at which we lend to our customers. Our ability to raise funds at competitive rates depends on various factors including our current and future results of operations and financial condition, our risk management policies, the shareholding of our Promoter in our Company, our credit ratings, our brand equity,

the regulatory environment and policy initiatives in India and developments in the international markets affecting the Indian economy. If we are unable to access funds at an effective cost that is comparable to or lower than that of our competitors, our net interest margins, income and market share may be adversely affected.

Certain regulatory developments have affected NBFCs access to select funding sources, and have affected their costs of borrowings including through funding from banks and securitization and assignment transactions. For example, pursuant to the RBI circular dated May 3, 2011, loans extended by commercial banks to NBFCs after April 1, 2011, are not considered priority sector loans. While scheduled commercial banks may still choose to lend to NBFCs, they may charge higher rates to do so as these loans no longer count towards their priority sector lending requirements. However, pursuant to the RBI circular on “Priority sector lending – lending by banks to NBFCs for on lending” dated August 13, 2019, bank credit extended to registered NBFC’s (other than Micro Finance Institutions) for on-lending to the categories of agriculture and micro and small enterprises will now be classified as priority sector lending; further, this circular has also increased the existing limits for on-lending by HFCs from Rs. 10 lakh per borrower to Rs. 20 lakh per borrower in housing category.

Further, the restrictions imposed on NBFCs by the RBI through a Master Circular – Bank Finance to Non- Banking Financial Companies dated July 1, 2015, as amended (“**Master Circular**”) may restrict our ability to obtain bank financing for specific activities. Pursuant to the Master Circular, the RBI has imposed certain restrictions on banks providing financing to NBFCs. Under this Master Circular, certain activities by NBFCs are ineligible for financing by banks, including certain types of discounting and rediscounting of bills; current and long term investments in shares, debentures, loans and advances by NBFCs to their subsidiaries and group companies; lending by NBFCs to individuals for subscribing to public offerings and purchasing shares from the secondary market; unsecured loans; inter-corporate deposits provided by NBFCs; and subscription to shares or debentures by NBFCs. In addition, the Master Circular prohibits:

- banks from granting bridge loans of any nature, provide interim finance against capital or debenture issues or in the form of loans of a temporary nature pending the raising of long term funds from the market by way of capital, deposits, or other means to any category of NBFCs;
- banks from accepting shares and debentures as collateral for secured loans granted to NBFCs; and
- banks from executing guarantees covering inter-company deposits or loans that guarantee refund of deposits or loans accepted by NBFCs.

Changes in economic, regulatory and financial conditions or any lack of liquidity in the market could adversely affect our ability to access funds at competitive rates, or at all, which could adversely affect our liquidity and financial condition.

6. *We operate in a highly competitive industry and our inability to compete effectively may adversely affect our business.*

We operate in a highly competitive industry. Given the diversity of our businesses, and the products and services offered by us, we face competition from the full spectrum of public sector banks, private sector banks (including foreign banks), financial institutions, captive finance affiliates of players in various industries, small finance banks and other NBFCs who are active in infrastructure, retail and corporate finance. Many of our competitors have greater resources than we do, may be larger in terms of business volume and may have significantly lower cost of funds compared to us. Many of them may also have greater geographical reach, long-standing partnerships and may offer their customers other forms of financing that we may not be able to provide. Competition in our industry depends on, among other things, the ongoing evolution of government and regulatory policies, the entry of new participants and the extent to which there is consolidation among banks and financial institutions in India.

In relation to the asset management, wealth management, advisory and syndication services we offer, we also face competition from banks, asset management companies and consulting organizations. Currently we are in the process of selling our stake in the wealth management business in India to IIFL Wealth Finance Limited. The transaction is subject to regulatory approvals and the conditions specified in the share purchase agreement. However, we continue to provide wealth management services through our wholly owned subsidiary in Dubai, UAE, (L&T Capital Markets (Middle East) Limited). For further information, please refer to the section on “material developments” on page 67 of this Information Memorandum.

Potentially, other banks and NBFCs could compete with us for business as well as procurement of funds at competitive rates. Further, in relation to our farm equipment and two wheeler finance businesses, we rely on tie-ups with equipment manufacturers and are a preferred financier to them and their dealers. We rely on these relationships to procure customers and effectively sell our services. In the event such equipment manufacturers set up their own in-house financiers or expand their in-house financing capabilities, they may terminate or reduce the extent of their relationship with us, and such in-house financiers may compete with us in providing loans under these businesses. We cannot assure you that we will be able to react effectively to these or other market developments or compete effectively with new and existing players in our increasingly competitive industry and our inability to compete effectively may adversely affect our business.

7. *We may not be able to maintain our current levels of profitability due to increased costs or reduced spreads between the interest rates at which we borrow and lend.*

Our business strategy involves a high level of ongoing interaction with our customers. We believe that this involvement is an important part of developing our relationship with

our customers, identifying new cross-selling opportunities and monitoring our performance. However, this level of involvement also entails higher levels of operating costs and also requires a relatively higher gross spread, or margin, on the finance products we offer in order to maintain profitability. There can be no assurance that we will be able to maintain our current levels of profitability if the gross spreads on our finance products were to reduce substantially, which could adversely affect our results of operations.

8. *We are affected by volatility in interest rates for both our lending and treasury operations, which could cause our net interest income to decline and adversely affect our results of operations and profitability.*

A significant component of our revenue is the interest on term loans and other financing activity (net of reversal) we receive from the loans we disburse, which comprised ₹ 3,058.32 crore or 90.38 % of our total income of ₹ 3,383.92 crore for the quarter ended March 31, 2019 and ₹ 11,637.90 crore or 87.49 % of our total income of ₹ 13,301.52 crore for the Financial Year 2019.

Our net interest margins are affected by any volatility in interest rates in our lending operations. Interest rates are highly sensitive to many factors beyond our control, including competition from other banks and NBFCs, the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions and other factors, which have historically generated a relatively high degree of volatility in interest rates in India. Persistently high inflation in India may discourage the Government from implementing policies that would cause interest rates to decrease. Moreover, if there is an increase in the interest rates we pay on our borrowings that we are unable to pass to our customers, we may find it difficult to compete with our competitors, who may have access to funds at a lower cost or lower cost deposits. To the extent our borrowings are linked to market interest rates, we may have to pay interest at a higher rate than lenders that borrow only at fixed interest rates. Further, our ability to pass on any increase in interest rates to borrowers may also be constrained by regulations implemented by the Government or the RBI.

Fluctuations in interest rates may also adversely affect our treasury operations. In a rising interest rate environment, particularly if the rise is sudden or sharp, we could be adversely affected by the decline in the market value of our securities portfolio and other fixed income securities. In addition, the value of any interest rate hedging instruments we may enter into in the future would be affected by changes in interest rates, which could adversely affect our ability to hedge against interest rate volatility. There can be no assurance that we will continue to enter into such interest rate hedging instruments or that we will be able to enter into the correct amount of such instruments to adequately hedge against interest rate volatility in the future. Our inability to effectively and efficiently manage interest rate variations and our failure to pass on increased interest

rates on our borrowings may cause our net interest income to decline, which would decrease our return on assets and could adversely affect our business, future financial performance and result of operations.

9. *The risk of non-payment or default by borrowers may adversely affect our financial condition and results of operations.*

As of March 31, 2019, our total loans outstanding were ₹ 99,121 crore. The table below sets out a breakdown of our total loans and NPAs by business segments:

	Adjusted Total Loans and Advances	Gross NPAs	
	₹ crore	₹ crore	% of total loans*
Wholesale finance	47,178	4,161	9.68%
Housing finance	25,519	208	0.83%
Rural finance	25,577	864	3.46%
Defocused business	848	316	37.46%
Adjusted Total Loans and advances	99,121	5,549	5.90%

%age is derived based on principal outstanding

Our wholesale finance business primarily provides debt, equity or hybrid financing, and financial advisory and syndication services related to infrastructure projects in India. Infrastructure projects are characterized by project - specific risks as well as general risks. These risks are generally beyond our control, and include:

- interruptions or disruption in domestic or international financial markets, whether for equity or debt funds;
- changes in government and regulatory policies;
- time and cost overruns in the construction and operation of infrastructure projects;
- adverse changes in market demand or prices for the products or services that the project, when completed, is expected to provide;
- the unwillingness of consumers to pay for infrastructure services;
- the inability of consumers to pay for infrastructure services;
- the inability of infrastructure developers to pass on additional costs to government infrastructure utilities under contractual arrangements with them;
- shortages of, or adverse price developments in respect of raw materials and key project inputs such as oil and natural gas;
- potential defaults under financing arrangements with lenders and investors;
- failure of third parties to perform on their contractual obligations;
- adverse developments in the overall economic environment in India;
- interest rate or currency exchange rate fluctuations or changes in tax regulations;
- and

- economic, political and social instability or occurrences such as natural disasters, armed conflict and terrorist attacks, particularly where projects are located or in the markets they are intended to serve.

Our inability to effectively and efficiently manage interest rate variations and our failure to pass on increased interest rates on our borrowings may cause our net interest income to decline, which would decrease our return on assets and could adversely affect our business, future financial performance and result of operations.

Further, we provide construction finance loans through our housing finance segment and construction finance loans may be exposed to risks related to time and cost overruns and related increases. Factors such as third party performance risks, delays in obtaining the requisite approvals, environmental risks, changes in market conditions, changes in government or regulatory policies, permits, licenses or certifications from the relevant authorities as well as shortages of, or material increases in prices of, construction materials, equipment, technical skills and labor, or other unforeseeable problems and circumstances may lead to delays in, or prevent the completion of, real estate development projects and result in costs substantially exceeding those originally budgeted, which may affect real estate developers' ability to repay their loans.

In addition, real estate developers may be impacted by the passing of the Real Estate (Regulation and Development) Act, 2016, as amended ("**Real Estate Act**"). The Real Estate Act sets forth a reporting, compliance regime governing real estate projects, including mandating developers to disclose details of registered projects including with respect to the land status, approvals and other such details, and requiring developers to pay interest in case of delays in project completion. Further, the Real Estate Act also makes it mandatory for real estate developers to put 70.00% of the amount collected from buyers for a real estate project into a separate bank account, which amount may only be used for land costs and costs for construction of such real estate projects and sets forth a separate resolution mechanism for real estate disputes.

For our rural finance business, our NPAs are impacted by the difficulty to carry out precise credit risk analysis on borrowers as they typically do not have formal credit histories supported by tax returns and other documents that would enable us to assess their creditworthiness. In addition, we may not receive updated information regarding any change in the financial condition of these borrowers or may receive inaccurate or incomplete information as a result of any fraudulent misrepresentation by these borrowers or our employees. Borrowers in our rural finance segment are also typically less sophisticated and may be particularly susceptible to adverse economic conditions, adverse environmental factors such as weak monsoons or flooding and other natural calamities.

Our borrowers may also default on their obligations to us as a result of their bankruptcy, competition within their respective sectors, lack of liquidity, time and cost overrun,

operational failure, breach of contract, government or other regulatory intervention and other reasons such as their inability to adapt to changes in the macro business environment. As of March 31, 2019, our total loans outstanding were ₹ 91,324.63 crore and we expect that the size of our loan assets will grow as a result of our expansion strategy in existing as well as new products, which may expose us to an increase in NPAs and an increased risk of defaults. Non-payment or default by borrowers in the future may adversely affect our financial condition and results of operations.

10. *Any adverse developments in the industries in which we operate, may adversely affect our business and results of operations.*

We operate under five principal business segments: rural finance, housing finance and wholesale finance under our lending business, and investment management and wealth management under our non-lending business. Pursuant to a share purchase agreement dated August 28, 2019, our Company has agreed to sell its entire shareholding (including shares held by our nominee directors) in its wholly owned subsidiary (L&T Capital Markets Limited (“**LTCM**”)) in the wealth management business in India to IIFL Wealth Finance Limited (“**IWFL**”) or its affiliates. The transaction is subject to regulatory approvals and the conditions specified in the share purchase agreement. However, we continue to provide wealth management services through our wholly owned subsidiary in Dubai, UAE, (L&T Capital Markets (Middle East) Limited). Any adverse developments in the industries we operate in, may adversely affect our business and results of operations. Our asset portfolios include, and will likely continue to include, a high concentration of the foregoing business lines and the success of our lending business is thus dependent on, amongst others:

- the demand for two-wheelers, farm equipment and micro loans in India, including the factors affecting such demand (e.g. changes in Indian regulations and policies affecting utility vehicles, tractors and commercial vehicles, demand for transportation services in India, fuel price and consumer access to financing in the rural market);
- the demand for housing in India and developments in the real estate sector in India, including movement in real estate prices and changes in the legal and regulatory framework governing real estate transactions;
- the demand for infrastructure projects in India;
- any adverse developments in the microfinance industry, such as the microfinance crisis of 2010 in India and the impact of currency demonetization in 2016 on micro-loans generally;
- monsoons, failed rains, droughts, natural disasters and calamities;
- political events such as loan waivers, subsidies and other schemes announced by central and state governments; and
- other macroeconomic conditions in India and globally.

11. *We have significant exposure to certain sectors. Any negative trends in these sectors may affect the ability of our borrowers to perform their obligations under their existing financing agreements with us and increase the level of non-performing assets in our portfolio, adversely affecting our business, financial performance and results of operations.*

As at March 31, 2019, with 19.68%, 15.16%, 9.83%, 7.43%, 5.79% and 1.49% of our total adjusted loans and advances comprising loans towards renewable energy projects, construction finance, transportation projects, farm equipment, two-wheelers and power transmission projects, respectively, we have significant exposure in renewable energy, roads, transportation projects, power transmission, housing, construction and rural sectors in India and may continue to have significant concentration of loans in these sectors. Any significant negative trends in these sectors may affect the business of our borrowers, which in turn may affect their ability to perform their obligations under their existing financing agreements with us. Consequently, this may increase the level of non-performing assets in our portfolio and may adversely affect our business, financial performance and results of operations.

12. *We have significant exposure to certain borrowers. Any negative developments impacting the ability of such borrowers to perform their obligations under their existing financing agreements with us and increase in the level of non-performing assets in our portfolio, may adversely affect our business, financial performance and results of operations.*

Our top 20 borrowers in terms of adjusted loans and advances represented 26.91%, 15.99%, and 9.82% of our total adjusted loans and advances as of March 31, 2019, 2018 and 2017, respectively. We may continue to have significant concentration of loans to such borrowers or other large corporate groups in India. Any negative developments impacting the ability of such borrowers to perform their obligations under their financing agreements with us, including any defaults on their obligations as a result of their bankruptcy, competition within their respective sectors, lack of liquidity, operational failure, government or other regulatory intervention, among others, may increase the level of non-performing assets in our portfolio and may adversely affect our business, financial performance and results of operations.

13. *Our Company is a holding company and all our company's business operations are conducted through our Subsidiaries and the performance of our Subsidiaries may adversely affect our results of operations.*

We are a holding company and all our business operations are conducted through our Subsidiaries, primarily L&T Infrastructure Finance Company Limited, L&T Finance Limited, L&T Housing Finance Limited, L&T Infra Debt Fund Limited, L&T Capital Markets Limited and L&T Investment Management Limited. The financial condition and results of operations of our Company are thus dependent upon the performance of

our Subsidiaries and the dividends our Company receives from them. Our financial condition and results of operations could be adversely affected should our equity stake in our Subsidiaries be diluted or in the event they cease to be our subsidiaries. The ability of our Subsidiaries to make dividend payments is subject to applicable laws and regulations in India relating to payment of dividends. In addition, loans obtained by these Subsidiaries may contain restrictions on the payment of dividends, including, among others, financial covenants being met and certain debt service accounts being adequately funded prior to the declaration or payment of dividends by these Subsidiaries. Further, in the event of a bankruptcy, liquidation or re-organisation of a Subsidiary, our Company's claim in the assets of such Subsidiary as a shareholder remains subordinated to the claims of lenders and other creditors of such Subsidiary.

14. *We are subject to laws and regulations governing the banking and financial services industry in India as well as those for companies having listed securities in India. Changes in laws and regulations governing us could adversely affect our business, results of operations and prospects.*

As an NBFC, we are subject to regulation by Government authorities, including the RBI and SEBI. For example, we are subject to the RBI's guidelines on regulation of NBFCs, including capital adequacy, exposure and other master directions. The RBI also regulates the credit flow by banks to NBFCs and provides guidelines to commercial banks with respect to their investment and credit exposure norms for lending to NBFCs. Additionally, we are required to make various filings with the RBI, the Registrar of Companies and other relevant authorities pursuant to the provisions of RBI regulations, the Companies Act and other regulations. As we have equity, debt and other securities listed on Indian stock exchange, we are also required to comply with the regulations of SEBI from time to time. If we fail to comply with these requirements, or a regulator claims we have not complied with these requirements, we may be subject to penalties and legal proceedings.

Certain of our Subsidiaries are similarly subject to regulation by Government authorities. For example, our Subsidiary, L&T Housing Finance Limited, is registered as a housing finance company ("**HFC**") with the NHB under the National Housing Bank Act, 1987 ("**NHB Act**"). Pursuant to the NHB Act and various regulations, circulars and guidelines issued by the NHB, HFCs are currently required to comply with, among others, limits on borrowings, investments, interest rates and tenure on deposits, prudential norms for income recognition, asset classification and provisioning for standard and non-standard assets, norms for creation of special reserves and provision for demand and time liabilities as well as minimum capital adequacy and liquidity requirements. The regulations applicable to us also address issues such as our conduct with customers and recovery practices, market conduct and foreign investment. NHB regulations also require HFCs to maintain a minimum capital adequacy ratio, consisting of tier I capital and tier II capital of not lower than 12% of its aggregate risk weighted assets and risk adjusted value of off-balance sheet items, as applicable. Further the total tier II capital at any point

of time shall not exceed 100% of the tier I capital. At a minimum, tier I capital shall not be less than 6% of risk weighted assets. Pursuant to Finance Act (No. 2) Act, 2019, Government of India has transferred the regulation of HFC's from NHB to Reserve Bank of India ("**RBI**"). Subsequently RBI, through a press release dated August 13, 2019, has informed that till the revised framework is issued, HFCs shall comply with the directions and instructions issued by NHB.

Compliance with many of the regulations applicable to our operations in India, including any restrictions on investments and other activities currently being carried out by us, involves a number of risks, particularly in markets where applicable regulations may be subject to varying interpretations. If the interpretation of the regulators and authorities varies from our interpretation, we may be subject to penalties and our business could be adversely affected. Further, the legal, regulatory and policy environment in which we operate is evolving and subject to change. The laws, regulations and policies applicable to us may be amended, supplemented or changed at any time such that we may be required to restructure our activities and incur additional expenses to comply with applicable laws and regulations. Such changes may also adversely affect our business, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law, regulations and policies.

15. *We are subject to supervision by regulatory authorities and non-compliance with observations made by regulatory authorities during their periodic inspections could expose us to penalties and restrictions.*

As an NBFC, we are subject to periodic inspection by the RBI under Section 45N of the Reserve Bank of India Act, 1934 ("**RBI Act**"), pursuant to which the RBI inspects our books of accounts and other records for the purpose of verifying the correctness or completeness of any statement, information or particulars furnished to the RBI. Certain of our Subsidiaries are similarly subject to periodic inspection by the relevant Government authorities governing them. For example, our Subsidiary, L&T Housing Finance Limited, is registered as an HFC with the NHB and is subject to periodic inspections by the NHB with respect to the controls, laws and regulations applicable to it as an HFC. Any irregularities found during such investigations by such regulatory authorities could similarly, expose us to warnings, penalties and restrictions.

During the course of finalization of inspection, regulatory authorities share their findings and recommendations with us and give us an opportunity to provide justification and clarifications. Further, such regulatory authorities also seek certain clarifications and share their findings in the ordinary course of business. We have responded to observations made by such authorities and addressed them, however we cannot assure you that these authorities will not find any deficiencies in future inspections or otherwise, or, the authorities will not make similar or other observations in the future. In the event we are unable to resolve such deficiencies to the satisfaction of the relevant authority, we may be restricted in our ability to conduct our business as we currently do. While we

seek to comply with all regulatory provisions applicable to us, in the event we are unable to comply with the observations made by the authorities, we could be subject to penalties and restrictions which may have an adverse effect on our business, results of operations, financial condition and reputation.

16. *We may be exposed to potential losses due to a decline in value of assets secured in our favour, and due to delays in the enforcement of such security upon default by our borrowers.*

As at March 31, 2019, a large percentage of our total loan portfolio (excluding inter-corporate deposits), is secured by a mix of both movable and immovable assets or other forms of collateral, depending on the nature of the transaction. The value of certain types of assets may decline due to inherent operational risks, the nature of the asset secured in our favour and adverse market and economic conditions (both global and domestic). For example, in relation to our wholesale finance business, our collateral is typically the assets and cash-flows from infrastructure projects such as renewable energy generation projects, power distribution projects and operational road projects. Any decrease in the value of such projects, including due to deterioration in the quality of such projects, inadequate development or maintenance or as a result of decreased demand, may result in diminishing the value of our collaterals. In the event of default by our customers, we cannot assure you that we will be able to sell our collateral including machinery, stock, two-wheelers or agricultural equipment or properties provided as security, due to among other things, unforeseen delays in our ability to take immediate action, winding up and foreclosure proceedings, defects in title, defects in perfection of the collateral or documentation relevant to the assets, stock market downturns, fraudulent transfers by our customers, difficulty in locating movable assets and the necessity of obtaining regulatory approvals and/or court orders for the enforcement of our collateral over those assets.

In addition, as the underlying security on our housing loans is primarily mortgages or other form of security over the other real property of the borrower, a substantial portion of our loan portfolio is exposed to fluctuations in real estate prices and any negative events affecting the real estate sector. The value of real estate properties secured under our loans is largely dependent on prevalent real estate market conditions, as well the quality of the construction and the pedigree of the relevant developer. The value of the collateral on the loans disbursed by us may decline due to adverse market conditions including an economic downturn or a downward movement in real estate prices. Any developments or events that adversely affect the real estate sector, including without limitation, changes in government policies, introduction of any stringent norms regarding construction, floor space index or other compliances, may also result in diminishing the value of our collaterals. If any of the projects which form part of our collateral are delayed for any reason, it may affect our ability to enforce our security, thereby effectively diminishing the value of such security.

Similarly, for the asset-backed loans of our rural finance segment, the equipment and vehicles purchased by our customers are hypothecated in our favor as security for the loans provided by us. The value of the equipment or vehicles, however, is subject to depreciation, deterioration, or a reduction in value on account of a number of external factors (such as wear and tear), over the course of time. Consequently, the realizable value of the collateral for the loan provided by us, when liquidated, may be lower than the outstanding loan from such customers. Any default in repayment of the outstanding credit obligations by our customers may expose us to losses. Further, in the case of a default, we typically repossess the asset financed and sell such vehicles through auctions. The hypothecated vehicles, being movable property, may be difficult to locate or seize in the event of any default by our customers.

Further, certain ownership documents of the immovable properties that are mortgaged to us may not be duly registered or adequately stamped. Failure to adequately stamp and register a document renders the document inadmissible in evidence. Consequently, should any default arise in relation to the corresponding loans, we may be unable to, or may incur additional expenses to, enforce our rights in relation to such mortgaged properties. Further, if any of our borrowers take recourse of arbitration or litigation against our repayment claims or if a specialized regulatory agency gains jurisdiction over any of our borrowers, it may cause a further delay in our recovery process leading to depreciation of the secured asset. A failure or delay in recovering the expected value from sale of collateral security could expose us to a potential loss. Any such losses could adversely affect our business prospects, financial condition and results of operations. As a result, if our customers default, we may receive less money from liquidating collateral than is owed under the relevant financing facility, and, in turn, incur losses, even where we successfully repossess and liquidate the collateral, thereby adversely affecting our business, future financial performance and results of operations.

17. *Micro loans poses unique risks not generally associated with other forms of lending in India, and, as a result, we may experience increased levels of non-performing loans and related provisions and write-offs that could have an adverse effect on our business, future financial performance and results of operations.*

Our micro loans customers typically belong to economically weaker segments of society in India, who have limited sources of income, savings and credit records, and who typically cannot provide us with any collateral or security for their borrowings. As a result, our micro loans customers present a higher credit risk of default than the customers of the other segments of our business (who have greater financial resources and more established credit histories) and other borrowers living in urban areas with better access to education, employment opportunities, and social services. In addition, we rely on non-traditional guarantee mechanisms in connection with our loan products, which are generally secured by informal individual and joint liability group guarantees, rather than tangible assets. There can however be no assurance that such joint liability arrangements will ensure repayment by the other members of the joint liability group in

the event of default by any one of them. Such joint liability arrangements are likely to fail if there is no meaningful personal relationship or bond among members of such group, if inadequate risk management procedures have been employed to verify the group members and their ability to repay such loans, or as a result of adverse external factors such as natural calamities or forced migration. Further, while we have our own customized due diligence and credit analysis procedures, there can be no assurance that we will be able to ensure a lower delinquency rate. As a result, our customers potentially present a higher risk of loss in case of a credit default compared to that of borrowers in other asset-backed financing products. In addition, repayment of micro loans is susceptible to various political and social risks, including any adverse publicity relating to the micro loans sector, public criticism of the micro loans sector, the introduction of a stringent regulatory regime, or religious beliefs relating to loans and interest payments. As a result, our micro loans pose a higher degree of risk than loans secured with physical collateral.

As at March 31, 2019, adjusted loans and advances for our micro loans segment were ₹ 12,476 crore, which accounted for 12.59 % of our total adjusted loans and advances. As at March 31, 2019, the Gross NPAs for our micro loans segment was ₹ 357 crore. The gross NPAs as a percentage of the gross loans and advances for our micro loans segment were 2.91%, 4.68%, and 4.06% as at March 31, 2019, 2018 and 2017, respectively, while the net NPAs as a percentage of net loans and advances were 0.24%, 0.58%, and 0.00% as at March 31, 2019, 2018 and 2017, respectively. Due to the underlying financial and social circumstances of our micro loans customers and our non-traditional lending practices we may, in the future, experience increased levels of non-performing loans and related provisions and write-offs that could have an adverse effect on our business, future financial performance and results of operations.

18. *We may be unable to sell or reduce the size of loans under our other financing businesses which may adversely affect our business and results of operations.*

Commencing on April 1, 2016, we have streamlined and reorganized our financing businesses and employees under three primary financing business segments, i.e., rural finance, housing finance and wholesale finance. Correspondingly, we have divested certain part of, and are in the process of running-down, non-core business assets. These businesses include commercial vehicle financing, construction equipment financing, receivable discounting, small and medium enterprise term loans, car financing, loyalty and personal loans, debt capital markets among others. Additionally, we are in the process of running-down our structured finance business. Our other financing businesses comprised 0.86%, 1.84%, and 4.01%, of our total adjusted loans and advances as of March 31, 2019, 2018 and 2017, respectively. We may also consider divesting certain of our existing investments. In the event we are unable to further reduce the amount of loans outstanding under our other financing businesses or sell these loans to third parties at acceptable rates, or at all, or if we have to write-off these loans or classify them as NPAs, our business, asset quality and results of operations may be adversely affected.

19. *If our provisioning requirements are insufficient to cover our existing or future levels of non-performing loans or if future regulation requires us to increase our provisions, our ability to raise additional capital and debt funds as well as our results of operations and financial condition could be adversely affected.*

We adhere to provisioning requirements related to our loan assets pursuant to applicable RBI and NHB regulations, as are relevant to us and our various Subsidiaries. If our provisioning requirements are insufficient to cover our existing or future levels of non-performing loans or if future regulation requires us to increase our provisions, our ability to raise additional capital and debt funds as well as our results of operations and financial condition could be adversely affected.

20. *Part of our collections from customers is in cash, exposing us to certain operational risks.*

Part of our collections, specifically collections in our rural finance business segments, is in cash. Large cash collections expose us to the risk of theft, fraud, misappropriation or unauthorized transactions by employees responsible for dealing with such cash collections. These risks are exacerbated by the high levels of responsibility we delegate to our employees and the geographically dispersed nature of our network. Certain of our customers are from the rural and semi-urban markets, which carry additional risks due to limitations on infrastructure and technology. While we obtain insurance for our cash in transit and safes for storage of cash, we cannot assure you that the insurance obtained by us adequately covers all risks involved or will be paid in relation to the entire amount involved, or at all.

While we have implemented technology that tracks our cash collections, taken insurance policies, including coverage for cash in safes and in transit, and undertaken measures to detect and prevent unauthorized transactions, fraud or misappropriation, this may not be sufficient to prevent or deter such activities in all cases, which may adversely affect our operations and profitability. Further, we may be subject to regulatory or other proceedings in connection with any unauthorized transactions, fraud or misappropriation by our representatives and employees, which could adversely affect our goodwill. We may also be party to criminal proceedings and civil litigation related to our cash collections.

Our business is also susceptible to fraud by dealers, distributors and other agents through the forgery of documents, multiple financing of the same vehicle and unauthorized collection of instalments on behalf of us. Given the high volume of transactions involving cash processed by us in our rural finance business, certain instances of fraud and misconduct by our representatives or employees may go unnoticed for some time before they are discovered and successfully rectified. Even when we discover instances of fraud and other misconduct and pursue legal recourse or file claims with our insurance carriers, there can be no assurance that we will recover any amounts lost through such fraud or other misconduct. Our dependence upon automated systems to record and

process transactions may further increase the risk that technical system flaws or employee tampering or manipulation of such systems will result in losses that are difficult to detect or rectify.

21. *We depend on the accuracy and completeness of information about borrowers and counterparties for our credit assessment and risk management. Any misrepresentation, errors in or incompleteness of such information could adversely affect our business and financial performance.*

In deciding whether to extend credit or enter into other transactions with customers, we rely on information furnished to us by or on behalf of borrowers (including in relation to their financial transactions and past credit history). We may also rely on certain representations from borrowers as to the accuracy and completeness of that information. For ascertaining the creditworthiness and encumbrances on collateral we may depend on the respective registrars and sub-registrars of assurances, credit information companies or credit bureaus such as TransUnion CIBIL Limited and Equifax, and on independent valuers in relation to the value of the collateral, and our reliance on any misleading information given may affect our judgment of credit worthiness of potential borrowers, and the value of and title to the collateral, which may affect our business, prospects, results of operations and financial condition. We may receive inaccurate or incomplete information as a result of negligence or fraudulent misrepresentation on the part of our customers or employees. In addition, customers may misrepresent information in the loan application forms including in relation to the intended end use of the loans and may apply the loans disbursed for end uses different from those mentioned in the loan application form. Our risk management measures may not be adequate to prevent or deter such activities in all cases, which may adversely affect our business prospects, financial condition and results of operations.

Moreover, the availability of accurate and comprehensive credit information on retail customers and small businesses in India is more limited than for larger corporate customers, which reduces our ability to accurately assess the credit risk associated with such lending. Although as part of our credit policy, we are required to conduct credit checks of all our customers, including with credit bureaus, and conduct site-visits (wherever relevant) and personal discussions, there can be no assurance that such credit information will be accurate or comprehensive. There may be relatively less financial and credit information available on retail and rural individual borrowers, micro, small and medium enterprises and in relation to the possibility of double-financing obtained by any such clients, than may have been available in a more developed economy, and the availability of such financial and credit information in India may be considered to suffer from an absence of competitive pressure at present. Difficulties in assessing credit risks associated with our day- to-day lending operations may lead to an increase in the level of our non-performing and restructured assets, which could adversely affect our business prospects, financial condition and results of operations.

22. *We are in the process of upgrading our information technology systems and any failure to achieve intended results from such upgrades may adversely affect our operations and reputation.*

Our business is dependent upon increasingly complex and interdependent information technology systems and as part of our emphasis on data analytics and increasing use of electronic processes in our businesses, we are in the process of upgrading such systems. We have commenced utilizing the loan management system capabilities of a reputed third party and have migrated our data from our previous loan management systems. We have also entered into agreements with third parties such as IT companies to upgrade our IT infrastructure and are in the process of establishing new technology enabled centralized processing units. If our IT vendors are unable to fulfill their contractual obligations or if we encounter any failure in the timely implementation, performance or integration of such systems, we may not be able to recover the expenses we incurred, experience interruptions in our operations, loss of customers, damaged reputation and weakening of our competitive position.

Further, our ability to operate and remain competitive will depend in part on our ability to maintain and upgrade our information technology systems on a timely and cost-effective basis, including adopting and implementing new technologies before our competitors. We may experience difficulties in upgrading, developing and expanding our systems quickly enough to accommodate our growing customer base and range of products. Any failure to effectively maintain or improve or upgrade our technology systems in a timely manner could adversely affect our competitiveness, financial position and results of operations.

23. *Any downgrade in our credit ratings could increase borrowing costs and adversely affect our access to capital and lending markets and could also affect our interest margins, business, results of operations and financial condition.*

The cost and availability of capital depends in part on our short-term and long-term credit ratings. Credit ratings reflect the opinions of rating agencies on our financial strength, operating performance, strategic position and ability to meet our obligations. Certain factors that influence our credit ratings may be outside of our control. For example, our credit ratings may depend on the financial performance and business prospects of our Promoter and its majority shareholding in our Company. ICRA had rated our Company's non-convertible debentures ("NCDs") at ICRA AAA/Stable in August 2018. In August 2019, while the ratings have been reaffirmed by ICRA, the outlook on the long-term rating has been revised from Stable to Negative because of the increased systemic risks in the wholesale sector.

CARE has rated our Company's NCDs at 'CARE AAA/Stable' and non-convertible cumulative preference shares at 'CARE AAA(RPS)/Stable' and India Ratings has rated our NCDs at 'IND AAA/ Stable'. The rating on our Company's short-term debt by ICRA, CARE and India Ratings are at ICRA A1+, CARE A1+, IND A1+, respectively.

Credit ratings across the industries we operate may also depend on the underlying circumstances and economic environment around such industries. For instance, during the Financial Year 2010, credit ratings were downgraded for micro-finance institutions with substantial lending exposure to a particular state, as a result of a crisis in the microfinance industry, there was an impact on fundraising activities and the business and financial performance of companies with large exposure to micro-finance sector. Further, in 2016, as a result of a number of factors, such as the Government of India's demonetization measures, the credit ratings of a number of microfinance companies were downgraded. Any downgrade in our credit ratings could increase borrowing costs and adversely affect our access to capital and debt markets, which could in turn adversely affect our interest margins, our business and results of operations. In addition, any downgrade in our credit ratings could increase the probability that our lenders impose additional terms and conditions to any financing or refinancing arrangements we enter into in the future. However, these ratings are not recommendations to buy, sell or hold securities and prospective investors should take their own decisions.

24. *We may require additional financing for our business operations, including for our Subsidiaries, and the failure to obtain additional financing on terms commercially acceptable to us may adversely affect our ability to grow and our future profitability.*

We may require additional capital for our business operations. The actual amount and timing of our future capital requirements may differ from estimates as a result of, among other things, unforeseen delays or cost overruns in developing our products, changes in business plans due to prevailing economic conditions, unanticipated expenses and regulatory changes, including any changes to RBI's monetary policies which are applicable to us. To the extent our planned expenditure requirements exceed our available resources; we will be required to seek additional debt or equity financing. Additional debt financing could increase our interest costs and require us to comply with additional restrictive covenants in our financing agreements.

Our ability to obtain additional financing on favourable terms, if at all, will depend on a number of factors, including our future financial condition, results of operations and cash flows, the amount and terms of our existing indebtedness, security, our track record of compliance of the covenants contained in our financial agreements, general market conditions and market conditions for financing activities and the economic, political and other conditions.

We cannot assure you that we will be able to raise additional financing on acceptable terms in a timely manner or at all. Our failure to renew arrangements for existing funding or to obtain additional financing on acceptable terms and in a timely manner could adversely impact our ability to incur capital expenditure, our business, results of operations and financial condition.

25. *We may experience difficulties in expanding our business into new regions and markets in and outside India.*

As part of our growth strategy, we continue to evaluate opportunities to expand our business into new markets in and outside India. For our rural finance business we intend to expand our branch network services in the rural and semi-urban markets of India, as well as additional districts in the states in which we are present. Further, we seek to expand our business to locations outside of India in addition to our subsidiary in Dubai, UAE, (L&T Capital Markets (Middle East) Limited) with respect to our wealth management business. Factors such as competition, customer requirements, regulatory regimes, business practices and customs in these new markets may differ from those in our existing markets, and our experience in our existing markets may not be applicable to these new markets. For instance, a number of states in India have enacted laws to regulate money lending transactions. These laws establish a maximum rate of interest that can be charged. There is ambiguity on whether or not NBFCs are required to comply with the provisions of these state money lending laws. There are severe civil and criminal penalties for non-compliance with the relevant money lending statutes. If it is judicially determined or clarified in law that such statutes apply to NBFCs, our expansion in such states could be hindered.

In addition, as we enter new markets and geographical regions, we are likely to compete with not only other banks and financial institutions but also the local unorganized or semi-organized private financiers, who are more familiar with local regulations, business practices and customs, and have stronger relationships with target customers.

As we plan to expand our geographic footprint, our business may also be exposed to additional challenges, including obtaining necessary governmental approvals, identifying and collaborating with local business partners with whom we may have no existing relationship; successfully marketing our products in markets in which we have no familiarity; attracting customers in a market in which we do not have significant experience or visibility; being subject to additional local and/or foreign taxes; attracting and retaining new employees; expanding our technological infrastructure; maintaining standardized systems and procedures; and adapting our marketing strategy and operations to new markets in and outside of India, in which different languages are spoken. To address these challenges, we may have to make significant investments that may not yield desired results or incur costs that we may not be able to recover. Our inability to expand our current operations may adversely affect our business, financial conditions, and results of operations.

26. *We undertake certain business operations outside of India and it is possible that we find it difficult to maintain our operations in such jurisdictions.*

We currently provide wealth management services to clients outside of India, through our wholly owned subsidiary in Dubai, UAE. Operating in such jurisdictions presents additional difficulties including:

- lack of equivalent experience in operating in these jurisdictions as compared to our experience in operating in India;
- operations in such jurisdictions are subject to different competitive environments and regulatory regimes in respect of which we have less knowledge and expertise; and
- the client base in such jurisdictions that may be interested in our wealth management services is more limited than in India.

Therefore, we may not be able to grow our business outside of India at the same rate as we grow our domestic business, or at all, and it is possible that we find it difficult to maintain our operations in such jurisdictions.

27. *We may make acquisitions of, or investments in, complementary businesses or products, or seek to engage in strategic transactions which may be on terms that may not be commercially advantageous, may require additional debt or equity financing, and may not yield intended results.*

We periodically review potential acquisition of products, product rights and complementary businesses and intend to continue to evaluate, potential product or business acquisitions including to expand our geographic presence and product portfolio. Further, we may seek to engage in strategic transactions with third parties, such as tie-ups, joint ventures, restructuring, business combinations, among others. We cannot assure you that we will be able to identify suitable acquisition, strategic transactions or investment opportunities. To the extent that we do identify opportunities that we believe to be suitable, we cannot assure you that we will be able to reach an agreement, that the terms we may agree to will be commercially advantageous to us, or that we will be able to successfully consummate such investments, acquisitions or transactions even after definitive documents have been signed.

If we require financing in order to fund such transaction, we cannot assure you that we will be able to obtain required financing when needed on commercially acceptable terms, or at all. Further, any such transactions may require us to incur non-recurring and other charges, increase our near and long-term expenditures, pose significant integration challenges, require additional expertise, result in dilution of our existing shareholders and disrupt our management and business, which may adversely affect our business, financial position and results of operations. We also may face significant competition in seeking appropriate investments or acquisitions. We cannot assure you that, following the consummation of such investments or acquisitions, these transactions will yield intended results.

28. *We depend on the services of our management team and employees and our inability to recruit and retain them may adversely affect our business.*

Our future success depends substantially on the continued service and performance of members of our management team, and in particular, our Managing Director & Chief Executive Officer and key managerial personnel and also upon our ability to manage

key issues relating to human resource such as selecting and retaining key employees, developing managerial experience, addressing emerging challenges and ensuring a high standard of client service. There is intense competition for experienced senior management and other qualified personnel, particularly office managers, field executives and employees with local knowledge in client procurement, loan disbursement and instalment collections. If we cannot hire additional or retain existing management personnel and employees, our ability to expand our business will be impacted and our revenue could be adversely affected. Failure to train and motivate our employees properly may result in an increase in employee attrition rates, require additional hiring, divert management resources, adversely affect our origination and collection rates, increase our exposure to high-risk credit and impose significant costs on us. While we have an incentive-based remuneration structure, employee stock option schemes and training and development programs designed to encourage employee retention, our inability to attract and retain talented professionals, or the resignation or loss of senior personnel, may have an adverse impact on our business, future financial performance.

As of March 31, 2019, we employed 21,042 permanent employees. Though we believe that we maintain good relationship with our employees, we cannot assure you that we will not experience future disruptions to our operations due to disputes or other problems with our work force, which may adversely affect our business and result operations.

29. *Our business is heavily dependent on our operations in certain regions in India, and any adverse changes in the conditions affecting these regions can adversely impact our business, financial condition and results of operations.*

Our housing finance business has the highest contribution from the Mumbai Metropolitan Region and the National Capital Region with 66%, 74%, and 59% of our outstanding housing finance loans as of March 31, 2019, 2018 and 2017, respectively, arising from these regions. Further, our farm equipment finance business is dependent on the state of Madhya Pradesh, with 14.39%, 17.81%, and 23.79% of our outstanding farm equipment finance loans as of March 31, 2019, 2018 and 2017, respectively, arising from these regions. In the event of a regional slowdown in the economic activity in these regions or factors such as a slowdown in sectors such as real estate or agriculture in these states, we may experience more pronounced effects on our financial condition and results of operations. Our business, financial condition and results of operations have been and will continue to be largely dependent on the performance of, and the prevailing conditions affecting, the economy in these regions. Therefore, any significant social, political or economic disruption, or natural calamities or civil disruptions in these regions, or changes in the policies in these regions may affect our business operations, require us to incur additional expenditure and change our business strategies.

30. *We have presented in this Information Memorandum certain financial measures and other selected statistical information relating to our financial condition and operations which is not prepared under or required by Ind AS or erstwhile Indian GAAP. These*

financial measures and statistical information may vary from any standard methodology that is applicable across the financial services industry, and therefore may not be comparable with financial or statistical information of similar nomenclature computed and presented by other financial services companies.

We compute and disclose such non-GAAP financial information relating to our financial condition and operations as we consider such information to be useful measures of our business and financial performance. Such non-GAAP financial information is based on management accounts and internal financial information systems of our Company and is prepared by adjusting, based on management estimates, the financial measures in the audited or reviewed consolidated financial statements of our Company. Non-GAAP information should not be considered in isolation from, or as a substitute for, financial information presented in the audited or reviewed consolidated financial statements of our Company.

Further, the non-GAAP financial information may be different from financial measures and statistical information disclosed or followed by other NBFCs and HFCs. The non-GAAP financial information relating to our operations and financial performance may not be computed on the basis of any standard methodology that is applicable across the industry and therefore may not be comparable to financial measures and statistical information of similar nomenclature that may be computed and presented by other NBFCs, HFCs or other financial services companies. Accordingly, investors should not place undue reliance on the non-GAAP financial information included in this Information Memorandum.

All the financial numbers and ratios provided in the Information Memorandum pertaining to March 2019 are in accordance with applicable IndAS and previous financial numbers are stated in erstwhile IGAAP.

31. *We enter into assignment transactions to transfer certain receivables from our outstanding loan portfolio. If such assignment of receivables is held to be unenforceable under applicable law, our business, financial condition and results of operations could be adversely affected.*

From time to time we novate or assign receivables from our outstanding loan portfolio to other NBFCs and banks for a consideration to, among other reasons, improve our liquidity and financial ratios. As of March 31, 2019, our portfolio of assigned outstanding loans was ₹ 9.81 crore. In January 2009, the High Court of Gujarat held that the provisions of the Banking Regulation Act, 1949 do not permit banks to assign debt due to them, including the assignment of debt between two banks. However, on appeal, the Supreme Court of India reversed the decision of the High Court of Gujarat and held that assignment of debts by the banks inter-se is not barred by law. If in the future, one or more of the assignment transactions entered into by us is held to be unenforceable by a court of law, we may be required to terminate such assignment transactions. Such events may adversely affect our business, financial condition and results of operations.

32. *We face difficulties and incur additional expenses in operating in rural and semi-urban markets, where infrastructure may be limited.*

Certain of our customers are from the rural and semi-urban markets, which may have limited infrastructure, particularly for transportation and electricity. At offices in remote markets, we may face difficulties in conducting operations, such as accessing power facilities, transporting people and equipment, implementing technology measures. We may also face increased costs in conducting our business and operations and implementing security measures. There can be no assurance that such costs will not increase in the future as we expand our network in rural and semi urban markets, which could adversely affect our profitability.

33. *A decline in our Company's capital ratio or capital adequacy requirement could restrict our future business growth.*

As a NBFC-CIC-ND-SI, our Company is required to maintain a capital ratio requirement of at least 30% of our aggregate risk-weighted assets of our balance sheet (on-balance sheet and of risk adjusted value of off balance sheet items) on an ongoing basis. In addition, our Subsidiaries, being financial institutions regulated by the RBI and/or NHB, are subject to certain capital adequacy ratios. The minimum capital requirement or capital adequacy ratios required to be maintained by us and our Subsidiaries, as well as the respective capital adequacy ratios of us and our Subsidiaries as at March 31, 2019 are as follows:

Name of Company	Category	Minimum capital requirement/ adequacy ratio	Capital Adequacy Ratio		
			31 March 2019	31 March 2018	31 March 2017
L&T Finance Holdings Ltd	NBFC-CIC-ND-SI	30%	77.88%	95.08%	82.17%
L&T Infrastructure Finance Company Ltd	NBFC-ND-SI	15%	21.19%	20.67%	19.69%
L&T Finance Ltd	NBFC-ND-SI	15%	15.77%	17.92%	16.42%
L&T Infra Debt Fund Ltd	NBFC-IDF	15%	24.13%	28.39%	39.32%
L&T Housing Finance Ltd	HFC	12%	17.92%	17.74%	15.39%

If we continue to grow our loan assets and asset base, we will be required to raise additional capital in order to continue to meet applicable capital adequacy ratios with respect to our business. We cannot assure you that we will be able to raise adequate additional capital in the future on terms favorable to us.

34. *Our risk management measures may not be fully effective in mitigating our risks in all market environments or against all types of risks, which may adversely affect our business and financial performance.*

We are exposed to a variety of risks, including liquidity risk, interest rate risk, credit risk, operational risk and legal risk. The effectiveness of our risk management is limited by the quality and timeliness of available data. Our hedging strategies and other risk management techniques may not be fully effective in mitigating our risks in all market environments or against all types of risk, including risks that are unidentified or unanticipated such as the risk of employee or human error. Some methods of managing risks are based upon observed historical market behaviour. As a result, these methods may not predict future risk exposures, which could be greater than the historical measures indicated. Other risk management methods depend upon an evaluation of information regarding markets, customers or other matters. This information may not in all cases be accurate, complete, current, or properly evaluated. Management of operational, legal or regulatory risk requires, among other things, policies and procedures to properly record and verify a number of transactions and events.

Some of our borrowers may not have any credit history supported by tax returns, bank or credit card statements, statements of previous loan exposures, or other related documents, have limited formal education, and may only be able to furnish limited information for us to assess their creditworthiness accurately. In addition, we may not receive updated information regarding any change in their financial condition or may receive inaccurate or incomplete information as a result of any fraudulent misrepresentation. It is therefore, difficult to carry out credit risk analysis on our borrowers. Our future success will depend, in part, on our ability to respond to new technological advances and evolving NBFCs, standards and practices in the sectors we cater to, on a cost-effective and timely basis. The development and implementation of standards and practices entails significant technical and business risks. We cannot assure you that we will successfully implement new technologies or adapt our transaction-processing systems to customer requirements or evolving market standards.

35. *Any failure, inadequacy and security breach in our information technology systems may adversely affect our business.*

Our operations depend on our ability to process a large number of transactions on a daily basis across our network of offices, most of which are connected through computer systems and servers to our head office. Our financial, accounting or other data processing systems may fail to operate adequately or become disabled as a result of events that are beyond our control, including a disruption of electrical or communications services, particularly in the rural and semi-urban markets in which we primarily operate. Our business is particularly susceptible to such disruptions because of our reliance on technology systems and processes, our mobility solutions and the higher cost of installation and implementation of technology in the rural and semi-urban markets for our rural finance business. For example, our two-wheeler finance business is conducted entirely through our mobile based technology relying on electronic customer checks, electronic data capture, online income assessment and automated processes. Any failure in these systems may adversely affect our business.

Our operations also rely on the secure processing, storage and transmission of confidential and other information in our computer systems and networks. Our computer systems, servers, software, including software licensed from vendors and networks may be vulnerable to unauthorized access, computer viruses or other malicious code and other events that could compromise data integrity and security and result in identity theft including customer data, know your customer documents (including identity proofs, income and tax statements and bank account details), employee data and propriety business data, trade secrets or other intellectual property, for which we could potentially be liable. In addition, our systems are potentially vulnerable to data security breaches, whether by employees, who may have a lack of experience with our newer information technology systems, or others, that may expose sensitive data to unauthorized persons. Although we have not experienced any significant disruptions to our information technology systems in the past, we cannot assure you that we will not encounter disruptions in the future. Any such security breaches or compromises of technology systems could result in institution of legal proceedings against us and potential imposition of penalties. Moreover, if there are other shortcomings or failures in our technology systems, it could affect our operations or result in financial loss, disruption of our businesses, regulatory intervention or damage to our reputation.

36. *We utilize the services of certain third parties for our operations. Any deficiency or interruption in their services could adversely affect our business and reputation.*

We engage third party service providers from time to time for services including the valuation of assets and legal services, direct selling agents and as collection agents. Such third parties are typically proprietorships or professionals. Our agreements with them typically do not provide for any exclusivity, and accordingly, they can work with other lenders, including our competitors. There can be no assurance that our direct selling agents will continue to provide a significant number of leads for loans to us in comparison with our competitors, or at all. Some third-party vendors may also be small companies which are likely to experience financial or operational difficulties than larger, well established companies due to limited financial and other resources. This may result in a delay of services or products delivered to us and we may be unable to find alternative vendors.

In addition, we utilize third party vendors for our information technology systems and rely on such vendors for adequate and timely delivery of services, providing support and troubleshooting advice and maintaining adequate resources and bandwidth for the smooth running of our operations. Our ability to control the manner in which services are provided by third party service providers is limited and we may be held liable on account of any deficiency of services on the part of such service providers. We cannot assure you that we will be successful in continuing to receive uninterrupted and quality services from our third-party service providers. Any disruption or inefficiency in the services provided by our third-party service providers could affect our business and reputation.

37. *We may face asset-liability mismatches, which could affect our liquidity and consequently may adversely affect our operations and profitability.*

We may face potential liquidity risks because our assets and liabilities mature over different periods. As is typical for NBFCs, we meet a portion of our funding requirements through short-term funding sources, such as by issuing commercial paper, short-term loans from banks. The majority of our loan assets, however, mature over the medium term. Consequently, our inability to obtain additional credit facilities or renew our existing credit facilities in a timely and cost-effective manner or at all may lead to mismatches between our assets and liabilities, which in turn may adversely affect our operations and profitability.

38. *There are outstanding litigation pending against us, which, if determined adversely, could affect our business, results of operations and financial condition.*

Our Company, Promoter, our Directors and Subsidiaries are party to various legal proceedings. These legal proceedings are pending at different levels of adjudication before various courts, tribunals and statutory, regulatory and other judicial authorities in India, and, if determined against us, could adversely affect our business, results of operations and financial condition. We can give no assurance that these legal proceedings will be decided in our favour or that no further liability may arise from these claims in the future.

Should any new developments arise, such as any change in applicable Indian law or any rulings against us by appellate courts or tribunals, we may need to make provisions in our financial statements that could increase expenses and current liabilities, which could adversely affect our results of operations.

39. *We benefit from our relationship with our Promoter. Our Promoter will continue to retain majority shareholding in us after the Issue, which will allow it to exercise significant influence over us.*

Our Promoter shall continue to exercise significant influence over our business policies and affairs and all matters requiring ordinary shareholder approval. This concentration of ownership also may delay, defer or even prevent a change in control of our Company and may make some transactions more difficult or impossible without the support of our Promoter.

In addition, we operate in a competitive environment, and we believe that our brand recognition is a significant competitive advantage to us. We leverage on the goodwill of the L&T group. We believe that this goodwill ensures a steady inflow of business. In the event L&T significantly dilutes its shareholding in our Company, withdraws the use of its trademark and logo for our operations, is unable to maintain the quality of its services or brand name or its goodwill deteriorates for any reason whatsoever, our business and results of operations may be adversely affected. L&T has also provided corporate guarantees in relation to certain borrowings availed of by us. In the event that any of these

guarantees are revoked, the lenders for such facilities may require alternate guarantees, repayment of amounts outstanding under such facilities, or may even terminate such facilities.

In addition, in the event of any change of control, merger, consolidation, takeover or other business combination involving us, a transfer of shares by our Promoter, or actions such as a preferential allotment to any investor or a conversion of any convertible instruments, our ability to leverage the “Larsen & Toubro” brand may be adversely affected and the benefits of being a Larsen & Toubro group company, which includes access to capital and human resources, various operational synergies and our ability to leverage business from other Larsen & Toubro group companies, may no longer be possible and as a result of which, could adversely affect our business, future financial performance and results of operations.

40. *We have entered into, and may continue to enter into, related party transactions and we cannot assure you that we could not have achieved more favorable terms had such transactions not been entered into with related parties.*

We have entered into transactions with several related parties, including our Promoter and companies in the L&T Group. We can give no assurance that we could not have achieved more favorable terms had such transactions been entered into with parties that were not related parties. Furthermore, it is likely that we may enter into related party transactions in the future. We cannot assure you that such transactions, individually or in the aggregate, will not have an adverse effect on our financial condition and results of operations. The transactions we have entered into and any future transactions with our related parties have involved or could potentially involve conflicts of interest.

41. *Fluctuations in the market values of our investments and other asset portfolio could adversely affect our result of operations and financial condition.*

We maintain a portfolio of investments, which includes government securities, certificates of deposits and various mutual fund units. Any financial turmoil in the financial markets has the ability to adversely impact the economic activity in India and globally. Continued deterioration of the credit and capital markets could result in volatility of our investment earnings and impairments to our investment and asset portfolio, which could adversely affect our reported income and financial condition.

42. *Any failure or significant weakness of our internal controls system could cause operational errors or incidents of fraud, which would materially and adversely affect our profitability and reputation.*

We are responsible for establishing and maintaining adequate internal measures commensurate with the size and complexity of operations. Our internal or concurrent audit functions are equipped to make an evaluation of the adequacy and effectiveness of internal controls on an ongoing basis to ensure that business units adhere to our internal risk policies, compliance requirements and internal circular guidelines. While we

periodically test and update, as necessary, our internal controls systems, we are exposed to operational risks arising from the potential inadequacy or failure of internal processes or systems, and our actions may not be sufficient to guarantee effective internal controls in all circumstances. Given the size of our operations, it is possible that errors may repeat or compound before they are discovered and rectified.

Our management information systems and internal control procedures that are designed to monitor our operations and overall compliance may not identify every instance of non-compliance or every suspicious transaction. If internal control weaknesses are identified, our actions may not be sufficient to correct such internal control weakness. We face operational risks in our various businesses and there may be losses due to failures or inadequacies of our internal controls systems. Failures in our internal controls systems may lead to deal errors, pricing errors, inaccurate financial reporting, fraud and failure of critical systems and infrastructure. Such instances may also adversely affect our reputation, business and results of operations. Failures or material weaknesses in internal controls may also lead to incidents of fraud. There can also be no assurance that we would be able to prevent frauds in the future or that our existing internal mechanisms to detect or prevent fraud will be sufficient. Any fraud discovered in the future may have an adverse effect on our reputation, business, results of operations and financial condition.

43. *We require certain statutory and regulatory approvals for conducting our business and our inability to obtain, retain or renew them in a timely manner, or at all, may adversely affect our operations.*

We require certain statutory and regulatory approvals for conducting our business and may also need additional approvals from regulators in connection with other fee-based products to our customers. For example, we are required to obtain and maintain a certificate of registration for carrying on business as an NBFC. We are also required to comply with the prescribed requirements including exposure limits, classification of gross stage 3s, know your customer requirements and other internal control mechanisms. We also require licenses and approvals to operate our various lines of business under our Subsidiaries. In the future, we will be required to maintain such permits and approvals and obtain new permits and approvals for any proposed expansion strategy or diversification into additional business lines or new financial products. We may not be able to obtain such approvals in a timely manner or at all.

In addition, our various offices, meeting centres and customer care centres are required to be registered under the relevant shops and establishments laws of the states and also require a trade license in municipal limits of certain states which are subject to periodic renewals, which we may not be able to obtain in a timely manner. The shops and establishment laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. A court, arbitration panel or regulatory authority may in the future find that we have not complied with applicable legal or regulatory requirements. We may also be subject to lawsuits or arbitration claims by

customers, employees or other third parties in the different state jurisdictions in India in which we conduct our business. If we fail to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner or at all, our business may be adversely affected.

If we fail to comply, or a regulator claims we have not complied, with any of these conditions, our certificate of registration may be suspended or cancelled, and we shall not be able to carry on such activities. We may also incur substantial costs related to litigation if we are subject to significant regulatory action, which may adversely affect our business, future financial performance and results of operations.

44. *Our insurance coverage may not adequately protect us against losses.*

We maintain insurance coverage that we believe is adequate for our operations. Our insurance policies, however, may not provide adequate coverage in certain circumstances and are subject to certain deductibles, exclusions and limits on coverage. We cannot, however, assure you that the terms of our insurance policies will be adequate to cover any damage or loss suffered by us or that such coverage will continue to be available on reasonable terms or will be available in sufficient amounts to cover one or more large claims, or that the insurer will not disclaim coverage as to any future claim. A successful assertion of one or more large claims against us that exceeds our available insurance coverage or changes in our insurance policies, including premium increases or the imposition of a larger deductible or co-insurance requirement, could adversely affect our business, financial condition and results of operations.

45. *We do not own the "L&T" trademark and logo. In the event that we are unable to use the "L&T" trademark and logo or if there are any unauthorized usage which may result in the dilution of the trademarks recognized with our Company and loss of reputation, our business and results of operations may be adversely affected.*

The "L&T" trademark is registered in favour of our Promoter. Pursuant to a trademark license agreement dated December 1, 2010, as amended from time to time (the "Trademark License Agreement"), with our Promoter, our Company and our Subsidiaries have been granted a global non-exclusive, non-transferrable license to use the "L&T" trademark and logo for a consideration payable by each of the licensees of up to 0.15% of the assets, or 1.5% of the profit after tax for the first year, 3.0% of the PAT for the second year or 5.0% of profit after tax for the third year onwards, of each of the licensees, whichever is lower, plus goods and service tax. The payment of such consideration is made on an annual basis, unless otherwise agreed amongst the parties. The Trademark License Agreement can be terminated by the parties thereto upon written notice in accordance with its terms. Furthermore, the Trademark License Agreement can also be terminated by any party upon change in management control of any of the licensees or upon breach of the terms of the Trademark License Agreement by any of the

licensees. In the event that the Trademark License Agreement is terminated, we may have to discontinue the use of the "L&T" trademark and logo.

Further, third parties may infringe our intellectual property, causing damage to our business prospects, reputation and goodwill. Our efforts to protect our intellectual property may not be adequate and any third party claim on any of our unprotected brands may lead to erosion of our business value and our operations could be adversely affected. We may need to litigate in order to determine the validity of such claims and the scope of the proprietary rights of others. Any such litigation could be time consuming and costly and a favorable outcome cannot be guaranteed. We may not be able to detect any unauthorized use or take appropriate and timely steps to enforce or protect our intellectual property. We cannot assure you that any unauthorized use by third parties of the trademarks will not similarly cause damage to our business prospects, reputation and goodwill.

Our inability to use these trademarks and any unauthorized usage could result in the dilution of the trademarks recognized with our Company and loss of reputation, which may result in adverse effects to our business and results of operations.

46. *Our home loans business is subject to certain tax and fiscal benefits which may be discontinued in the future by the GoI or state governments relating to financing of purchase or construction of property.*

The rapid growth in the housing finance industry in India in recent periods has in part been due to tax and related fiscal benefits extended to homeowners by the Government of India or state governments. Interest and principal repayments on capital borrowed for the purchase or construction of housing have been tax deductible up to certain limits and tax rebates have been available for borrowers of such capital up to specified income levels. We cannot assure you that the Government of India will continue to offer such tax benefits to borrowers at the current levels or at all, which may adversely affect the demand for housing and consequently housing finance. The Government of India has also provided incentives to the housing finance industry by extending priority sector status to certain housing loans and making funds available to housing finance companies at lower rates. In addition, our Subsidiary, L&T Housing Finance Limited, being a housing finance company, is entitled for other tax benefits under the Income Tax Act which result in a reduction of our annual income tax rate. We cannot assure you that the Government of India will continue to make such tax or fiscal benefits available to housing finance companies such as us or that it will continue to offer us low cost funding on the same terms or at all. If such low cost funding is not made available to us, there may be an adverse effect on our cost of funds and consequently our operating margins and net interest margin.

47. *Most of our offices and branches are located on leased premises and non-renewal of lease agreements or their renewal on terms unfavorable to us could adversely affect our operations.*

As of March 31, 2019 all the 322 branches of our subsidiaries are housed on leased premises. Lease agreements entered into in relation to such premises have provisions which allow us to renew the agreement on mutually agreed terms and contain provisions for issuance of notices subject to a notice period in case of termination or non-renewal. In the event, any of the owners of these premises do not renew the agreements under which we occupy the premises, or if they seek to renew such agreements on terms and conditions unfavorable to us, or if they terminate the agreement, we may suffer a disruption in our operations or increased costs, or both, which may adversely affect our business and results of operations. All or any of the leases may not be renewed on similar terms or at all, or we may be evicted from all or a number of these premises and be required to pay damages to the landlord. This may adversely impact our business and financial condition.

48. *Our Company has incurred significant indebtedness and may incur additional debt. The conditions and restrictions imposed by our financing agreements could adversely impede our flexibility in conducting our business.*

As of March 31, 2019, our Company, at a consolidated level, had total borrowings of ₹ 91,506.98 crore. Most of our financing arrangements are secured by charge on receivables from our outstanding loans and other business operations. Certain of our financing agreements also include certain conditions and covenants requiring us to maintain stipulated financial ratios and obtain consents from lenders prior to carrying out certain activities and entering into certain transactions. For instance, certain entities forming part of our Group are required to obtain prior written consents from their respective lenders for, among others, the following matters:

- to declare or pay dividend to any of their shareholders whether equity or preference, during any Financial Year unless they have paid to the lender the dues payable by them in that year;
- to change their capital structure;
- to undertake or permit any merger, amalgamation or compromise with their shareholders, creditors or effect any scheme of amalgamation or reconstruction;
- to amend their MOA and AOA or alter their constitution;
- to undertake substantial change in general nature of business;
- to change their ownership or control; and
- to make any major investments by way of deposits, loans or share capital in any manner.

Compliance with the various terms of our loans is subject to interpretation and we cannot assure you that we have requested, received or will receive all consents from our lenders that would be advisable under our financing documents. As a result, it is possible that a lender could assert that we have not complied with certain terms under our financing documents. Any failure to service our indebtedness, comply with a requirement to obtain consent or perform any condition or covenant could impede our flexibility in

conducting our business, which may have an adverse effect on our business and results of operations.

49. *Certain loans and debt raised by us entail interest at variable rates and any increases in interest rates may adversely affect our results of operations.*

There are certain loans and debt, including NCDs raised by us, aggregating to ₹ 30,363.70 crores as of March 31, 2019, interest rates for which are either fully floating or partially floating in nature, expressed as a base rate and interest spread, which is variable. Further, financing agreements in relation to such debt include provisions providing for interest rates to be periodically reset or changed based on the lender's internal policies. We are susceptible to fluctuations in interest rates and associated risks for such debt. As such, any increase in interest rates may have an adverse effect on our business, results of operations, cash flows and financial condition.

50. *We have experienced negative cash flows in relation to our operating activities and investment activities in recent years/periods. Any negative cash flows in the future could adversely affect our results of operations and financial condition.*

We had a cash outflow from operating activities for Financial Years 2019, 2018, and 2017. No assurance can be made that this will not continue in the future.

51. *We have certain contingent liabilities, which, if materialized, may adversely affect our financial condition.*

As of March 31, 2019, we had certain contingent liabilities not provided for, amounting to ₹ 3,220.50 crores determined in accordance with our accounting policies as disclosed under our significant accounting policies and notes to the accounts. Further, the contingent liability of amounts disclosed in our audited financial statements represents estimates and assumptions of our management based on advice received. In the event that any of these contingent liabilities materialize, our financial condition may be adversely affected. In the event that any of these contingent liabilities materialize, our financial condition may be adversely affected.

52. *Some of our Subsidiaries have incurred losses in the past.*

Certain of our Subsidiaries have incurred losses in the last three Financial Years as indicated in the table below:

Particulars	in ₹ crores		
	Financial Year 2019	Financial Year 2018	Financial Year 2017
	IndAS	IGAAP	IGAAP
L&T Investment Management Limited	-	-	25.81
L&T Capital Markets (Middle East) Limited	1.56	-	-
Mudit Cement Private Limited	6.88	5.68	5.49

L&T Access Distribution Services Limited (amalgamated with L&T Capital Markets Limited, appointed date being April 1, 2017)	-	-	0.94
L&T Mutual Fund Trustee Limited	0.10	0.06	-
L&T Infra Investment Partners Trustee Private Limited	-	0.01	-
L&T Infra Investment Partners Advisory Private Limited	4.26	-	-

We cannot assure you that our Subsidiaries will not continue to incur losses in future, that their net worth will be positive in the future or that any of the foregoing will not adversely affect our business, future financial performance and results of operations.

53. *We are required to prepare our financial statements with effect from April 1, 2018 under the Ind AS. As Ind AS differs in various respects from Indian GAAP, our financial statements for the Financial Year 2019 may not be comparable to our historical financial statements.*

The Companies (Indian Accounting Standards) Rules, 2015 (“**IAS Rules**”), as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, enacted changes to Indian GAAP that are intended to align Indian GAAP with IFRS. The IAS Rules provide that financial statements of companies to which such rules apply shall be prepared and audited in accordance with Ind AS. Ind AS differs in various respects from Indian GAAP. We are required to prepare our financial statements in accordance with Ind AS with effect from April 1, 2018 with comparatives for prior periods. While we have not determined with any degree of certainty the impact that the adoption of Ind AS will have on our financial statements, we are aware that Ind AS will impact certain items in our financial statements such as income from loan and advances, finance cost, provision on non-performing assets and deferred tax. However, this summary may not contain all significant differences between Indian GAAP and Ind AS applicable to our Company and reliance by prospective investors on this summary should be limited. Accordingly, our financial statements for the period commencing from April 1, 2018 will not be comparable to our historical financial statements. Further, our financial statements for the Financial Year 2018 prepared under Ind AS will not be comparable to our financial statements prepared for such period under Indian GAAP.

In addition, our Promoter, L&T, currently prepares its consolidated annual and quarterly financial statements in Ind AS. As a result, and solely for the purposes of consolidation, our Company has been preparing and providing its financial information under Ind AS to L&T for periods prior to April 1, 2018. These results are used by L&T to prepare its consolidated results and are also disclosed by L&T as a part of its financial services segment. Our financial results under Ind AS will vary from the results currently published by L&T as part of its financial services segment since the date of transition to Ind AS shall be different under both the scenarios.

54. *The introduction of GST effective July 1, 2017 has resulted in an increase in our tax expenses and future increases in our tax expenses may result in additional cost which may adversely affect our business, financial condition and results of operations.*

The introduction of the GST effective July 1, 2017 has resulted in an increase in the cost of tax compliance as a result of the change to state-level tax compliance from centralized tax compliance pre-GST. The rate of GST on financial services, excluding interest revenue, is 18% compared to the 15% service tax rate that was payable before the implementation of GST. While certain companies are allowed 100% of the input tax credit, NBFCs, such as our Company, and banks are required to reverse 50% of the input tax credit under GST, which was also the rule under the service tax regime. However, due to the increase in the tax rate, our input tax credit reversal has increased from 7.75% under service tax to 9.0% under GST for most of the services that we avail resulting in additional cost. Although this impact is partially offset due to the fact that we are entitled to avail input tax credit on the goods and services we purchase, the implementation of GST has resulted in an overall increase in our tax expenses. Also, as under GST, more than one adjudicating authority will be involved, each authority may hold a different opinion on the same underlying issue which will prolong the adjudication process and may lead to increase in pending litigations.

RISK RELATING TO THE INSTRUMENT

55. *In case the Company does not have adequate profits, the Company will not be able to pay dividends on the NCRPS.*

As per the provisions of the Companies Act, the dividends payable on the NCRPS can only be out of profits of the Company for that year, calculated in accordance with the provisions of the Companies Act or out of the profits of the Company for any previous fiscal year(s) arrived at as laid down by the Companies Act. Further, where the profits (including accumulated profits standing in the profit or loss account) are inadequate, dividends can be paid out of free reserves, in accordance with the Companies Act and the rules made thereunder. Further, it is clarified that the dividend on NCRPS is required to be paid out of respective current year's profit only. In case the Company does not have adequate profits, the Company will not be able to pay the dividends on the NCRPS.

56. *There could be adverse changes in the future to the credit rating assigned to the NCRPS, which will adversely affect the holders of the NCRPS.*

The current issue has been rated 'CARE AAA (RPS)'.

In the event of deterioration in the financial health of the Company, there is possibility that the rating agency may downgrade the ratings of the NCRPS. In such a case, a potential investor may incur losses on revaluation of the investments or may have to make provisions towards sub-standard / non-performing investment as per their standard norms. The rating is not a recommendation to purchase, hold or sell the NCRPS in as much as

the ratings do not comment on the market price of the NCRPS or its suitability to a particular investor. There is no assurance either that the rating will remain at the same level any given period of time or that the rating will not be lowered or withdrawn entirely by the rating agency.

57. *There may not be an active secondary market for the NCRPS which will affect the tradability of NCRPS in the market.*

While the NCRPS are being issued on a private placement basis, investors are requested to note that there may not be an active secondary market for NCRPS. There is no assurance that a trading market for the NCRPS will exist and no assurance as to the liquidity of any trading market. Further, the liquidity and market prices of NCRPS can be expected to vary with changes in market and economic conditions, our financial condition and prospects and other factors that generally influence market price of such instruments.

58. *Failure to receive listing approval for issuance of NCRPS will affect the holders of NCRPS.*

An issuer desirous of making an offer of NCRPS on a private placement basis shall make an application for listing to the Stock Exchanges. The Issuer is required to comply with conditions of listing of such NCRPS as specified in the listing agreement with the Stock Exchange where the NCRPS are sought to be listed. Failure to receive listing approval will adversely affect the holders of NCRPS.

EXTERNAL RISKS

Risks Relating to India

59. *Our business is affected by prevailing economic, political and other prevailing conditions in India and the markets we currently service.*

Our Company is incorporated in India, and the majority of our assets and employees are located in India. As a result, we are dependent on prevailing economic conditions in India and our results of operations are affected by factors influencing the Indian economy. Factors that may adversely affect the Indian economy, and hence our results of operations, may include:

- any increase in Indian interest rates or inflation;
- any exchange rate fluctuations;
- any scarcity of credit or other financing in India, resulting in an adverse impact on economic conditions in India and scarcity of financing of our developments and expansions;
- volatility in, and actual or perceived trends in trading activity on, India's principal stock exchanges;
- changes in India's tax, trade, fiscal or monetary policies, like application of GST;

- political instability, terrorism or military conflict in India or in countries in the region or globally, including in India's various neighboring countries;
- occurrence of natural or man-made disasters;
- infectious disease outbreaks or other serious public health concerns;
- prevailing regional or global economic conditions, including in India's principal export markets; and
- other significant regulatory or economic developments in or affecting India or its financial services sectors.

Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could adversely impact our business, results of operations and financial condition. Our performance and the growth of our business depend on the performance of the Indian economy and the economies of the regional markets we currently serve. These economies could be adversely affected by various factors, such as political and regulatory changes including adverse changes in liberalization policies, social disturbances, religious or communal tensions, terrorist attacks and other acts of violence or war, natural calamities, interest rates, commodity and energy prices and various other factors. Any slowdown in these economies could adversely affect the ability of our customers to afford our services, which in turn would adversely impact our business and financial performance.

60. *Any adverse change in India's credit rating by an international rating agency could adversely affect our Company's business and profitability.*

In May 2013, Standard & Poor's, an international rating agency, reiterated its negative outlook on India's credit rating. It identified India's high fiscal deficit and heavy Government borrowing as the most significant constraints on its ratings and recommended the implementation of reforms and containment of deficits. In June 2013, Fitch, another international rating agency, returned India's sovereign outlook to "stable" from "negative" a year after its initial downgrade of the outlook, stating that the authorities had been successful in containing the upward pressure on the central Government budget deficit in the face of a weaker-than-expected economy and that the authorities had also begun to address structural factors that have weakened the investment climate and growth prospects. Similarly, Standard & Poor's upgraded its outlook on India's sovereign debt rating to "stable" in September 2014 and retained such rating in October 2015, while reaffirming the "BBB" long-term rating on bonds. Standard & Poor's stated that the revision reflects the view that India's improved political setting offers an environment which is conducive to reforms that could boost growth prospects and improve fiscal management. Further, Moody's raised the rating from the lowest investment grade of Baa3 to Baa2 and changed the outlook from stable to positive. Going forward, the sovereign ratings outlook will remain dependent on whether the Government is able to transition the economy out of a low-growth and high inflation environment, as well as exercise adequate fiscal restraint. Any adverse change in India's credit ratings by international rating agencies may adversely impact our Company's business and limit its access to capital markets.

61. *The instability of economic policies and the political situation in India could adversely affect the Indian financing industry.*

There is no assurance that the liberalisation policies of the government will continue in the future. Protests against privatisation could slow down the pace of liberalisation and deregulation. The Government of India plays an important role by regulating the policies and regulations that govern the private sector. The current economic policies of the government may change at a later date. The pace of economic liberalisation could change and specific laws and policies affecting the industry and other policies affecting investments in our Company's business could change as well. A significant change in India's economic liberalisation and deregulation policies could disrupt business and economic conditions in India and thereby affect our Company's business.

Unstable domestic and international political environment could impact the economic performance in the short term as well as the long term. The Government of India has pursued various economic liberalisation policies such as relaxing the restrictions in the private sector over the past few years.

The Government has traditionally exercised and continues to exercise a significant influence over many aspects of the Indian economy. As a result, our Company's business may be affected by changes in the interest rates, government policy and taxation. Furthermore, our Company's business may be adversely affected by social and civil unrest or other negative political, economic or other developments in or affecting India.

62. *Any volatility in the exchange rate may lead to a decline in India's foreign exchange reserves and may affect liquidity and interest rates in the Indian economy, which could adversely impact our Company.*

Capital inflows into India have remained extremely volatile responding to concerns about the domestic macroeconomic landscape and changes in the global risk environment. While the current account deficit ("CAD") remained a main area of concern over fiscal year 2012 and fiscal year 2013, it has shrunk sharply in fiscal year 2015 and fiscal year 2016. A substantial decline in the imports bill, mainly on account of lower crude oil prices led to a significant narrowing in the trade deficit that in turn reduced the size of the CAD. However, the primary challenge for the Indian Rupee was the volatile swings in capital flows. In fiscal year 2018, the Indian Rupee recorded a high of INR 74.72 and has been volatile in the past few months. Although the Indian Rupee is less vulnerable given the improvements in the CAD and visible moderation in inflation rates, there remains a possibility of needing to intervene in the foreign exchange market to control volatility of the exchange rate. The need to intervene at that point in time may result in a decline in India's foreign exchange reserves and subsequently reduce the amount of liquidity in the domestic financial system. This in turn could impact domestic interest rates.

63. *Terrorist attacks, civil unrest and other acts of violence or war involving India and other countries could adversely affect the financial markets and our business.*

Terrorist attacks and other acts of violence or war may result in a loss of business confidence and as a result, these events may negatively affect our Company's business and the global financial markets. In addition, any deterioration in relations between India and its neighbouring countries might result in concerns by investors in relation to the stability in the Indian region, which may adversely affect our Company's business.

India has also witnessed civil disturbances in recent years and it is possible that future civil unrest as well as other adverse social, economic and political events in India could have a negative impact on our Company. Such incidents may also result in general

perception that investment in Indian companies involves a higher degree of risk and may have an adverse impact on our Company's business.

64. *Natural calamities could have a negative impact on the Indian economy and could adversely affect our Company's business.*

India has experienced natural calamities such as earthquakes, a tsunami, floods and drought in the past few years. The extent and severity of these natural disasters determines their impact on the Indian economy. Further, prolonged spells of below normal rainfall or other natural calamities could have a negative impact on the Indian economy thereby, adversely affecting our Company's business.

INFORMATION ABOUT THE COMPANY

(i) **BRIEF SUMMARY OF THE BUSINESS/ACTIVITIES OF THE COMPANY AND ITS LINE OF BUSINESS.**

(a) *Overview and Corporate Structure*

We are one of the leading private non-banking financial services companies in India in terms of total loans outstanding, with ₹ 99,121 crore of total loans outstanding as of March 31, 2019. We had ₹ 70,944 crore of average assets under management in our investment management (mutual funds) business as of March 31, 2019 averaged over three months and ₹ 28,164 crore of assets under service in our wealth management business, as of March 31, 2019. Our primary businesses are wholesale finance, housing finance, rural finance, investment management and wealth management.

Our Company is registered with the RBI as a NBFC-CIC-ND-SI and has received a certificate of registration as a core investment company dated September 11, 2013 under Section 45-IA of the Reserve Bank of India Act, 1934, registering the Company as a non-deposit taking, non-banking financial institution, core investment company. The equity shares of our Company are listed on the BSE Limited and National Stock Exchange of India Limited. In April 2016, we streamlined and reorganized our financing businesses under three primary business segments, i.e., wholesale finance, housing finance and rural finance, and re-allocated capital towards these business segments, with return on equity as an important performance metric. Post this reorganization, we have divested or are in the process of running-down certain non-core business assets, i.e. our defocused businesses

Our Promoter, L&T is one of the leading business conglomerates in India, with presence across infrastructure, power, heavy engineering, electrical and automation, hydrocarbons, IT and technology services, financial services, project development, metallurgical and material handling, realty, shipbuilding, construction equipment, machinery and industrial products sectors. L&T entered into the financial services business in 1994. In 2008, our Company was incorporated as a holding company for L&T's financial services businesses and in 2011, our Company became a publicly listed company.

Our network of offices has been established to cater to the business needs of our diverse customer base, which includes individual retail customers as well as large companies, banks, multinational companies and small and medium-enterprises, and to provide them with satisfactory customer service according to their varying requirements.

Our wholesale business initially comprised of infrastructure finance, supply chain finance and structured corporate finance. Earlier in Financial Year 2018-19, our Company, by way of a slump sale, had agreed to transfer its supply chain financing business to Centrum Financial Services Ltd ("**Centrum**") by way of a business transfer agreement dated September 4, 2018. The supply chain financing business was effectively transferred to Centrum through a deed of assignment dated December 31, 2018. However, to support the transfer of a large portfolio, our Company in terms of a transition services agreement ("**Transition Services Agreement**") had agreed to provide certain transition support services to Centrum till March 31, 2019, where our Company would assist them with certain portfolio maintenance activities regarding the supply chain financing business transferred to Centrum. This Transition Services Agreement was

effective from December 31, 2018. Additionally, we are in the process of running-down our structured finance and the debt capital market business.

As of March 31, 2019, our total adjusted loans and advances under our wholesale finance business were ₹47,178 crore; with ₹41,017 crore, ₹6,161 crore of adjusted loans and advances under our infrastructure finance, structured corporate finance respectively.

Our housing finance business comprises home loans and loans against property, and real estate finance. As of March 31, 2019, our adjusted total loans and advances under our housing finance business were ₹25,519 crore; with ₹10,492 crore and ₹15,027 crore of adjusted loans and advances under our home loans and loans against property and real estate finance businesses, respectively.

Our rural finance business comprises farm equipment finance, two-wheeler finance and micro loans. As of March 31, 2019, our adjusted total loans and advances under our rural finance business were ₹25,577 crore, with ₹7,362 crore, ₹5,739 crore and ₹12,476 crore of adjusted loans and advances under our farm equipment finance, two-wheeler finance and micro loans businesses, respectively.

Our investment management business had average assets under management of ₹70,944 crore as of March 31, 2019 averaged over three months and our wealth management business had assets under service of ₹28,164 crore as of March 31, 2019.

We have a professional and experienced management team, led by our Managing Director and CEO, which is supported by a capable and motivated pool of employees. Each of our businesses are led by senior executives who are, generally, also responsible for certain organizational functions for our Issuer. Together, they have demonstrated an ability to manage and grow our operations. Our senior managers have diverse experience in various financial services businesses across functions related to our business. Our senior managers have an in-depth understanding of the specific industry, products and geographic regions they cover, which enables them to appropriately lead and provide guidance to our employees. Our Board, including the independent directors, also has extensive experience in the financial services and banking industries in India. Further, we have instituted several training and mentorship programs for our junior and mid-management employees. We have successfully recruited and retained talented employees from a variety of backgrounds, including credit evaluation, risk management, treasury, technology and marketing.

1. The National Company Law Tribunal, Kolkata bench, passed two orders dated November 24, 2016 (the "**Orders**") to compound the offences under Section 220(1) of the Companies Act, 1956 for failure to attach the auditors' report to the balance sheet filed with RoC, West Bengal and Section 372 A (3) of the Companies Act, 1956 for provision of loan at a rate lower than the prevailing bank rate. The Orders were passed pursuant to the prosecution initiated against L&T Finance and certain of its officials by the RoC, West Bengal and the suo moto application filed by L&T Finance under section 621A of the Companies Act, 1956, respectively, and payment of compounding fees was made to the credit of the Central Government.
2. L&T Finance Limited ("**Transferor 1**") and L&T Fincorp Limited ("**Transferor 2**") amalgamated with Family Credit Limited (subsequently name changed to L&T Finance Limited, the "**Transferee**") by virtue of an order ("**Amalgamation Order**") passed by the National Company Law Tribunal, Mumbai, approving the scheme of amalgamation ("**Scheme**"). The Transferee had filed a special civil application before the Gujarat High Court against the order of the Collector and Superintendent of Stamps, Gujarat (the "**Collector**") in

relation to adjudication of stamp duty payable pursuant to the Scheme. The Transferee had filed an application before the Collector for adjudication of stamp duty payable on transfer of certain immovable property belonging to Transferor 2 which is situated in Gujarat, to the Transferee, pursuant to the Amalgamation Order. Subsequently, the Collector passed an order dated August 29, 2017 (the “**Collector Order**”) requiring the Transferee to pay a stamp duty amounting to INR 12,35,73,859 within a period of 90 days, under the provisions of Gujarat Stamp Act, 1958 computed on the basis of the market value of the equity shares of Transferor 1 and the Transferor 2 which were issued to the shareholders of the Transferee pursuant to the provisions of the Scheme. The Transferee through its application filed with the Collector sought for recall and/ or modification of the Collector Order since the adjudication was erroneously conducted on the equity shares and not on the immovable property concerned. Accordingly, the Transferee had filed the aforesaid special civil application before the Gujarat High Court seeking quashing of the Collector Order. The Gujarat High Court has passed a stay order against the Collector Order. Subsequently, the Transferee basis the order of the Gujarat High Court approached the Chief Controlling Revenue Authority (“CCRA”) Gandhinagar, Gujarat with a plea to set aside the order of the Additional Collector and Superintendent of Stamps, Gandhinagar dated August 31, 2017. The CCRA vide its order dated September 14, 2018 has remanded the matter to the Additional Collector and Superintendent of Stamps, Gandhinagar to reevaluate the properties and to adjudicate and order accordingly." Vide its order dated 10th December, 2018, Collector had calculated stamp duty of INR 12,35,73,859 w.r.t. adjudication of stamp duty application filed before them. Thereafter a representation along with detailed submission was submitted with the Collector on 16th January, 2019. After repeated follow up the Transferee received a notice from the Collector on 18 July 2019 requesting for details of valuation of the shares of Transferor 1 and Transferor 2. The Transferee vide its letter dated 13th August, 2019 filed a reply providing the requisite information as well as outlining its stand that it is the property which needs to be adjudicated and not the issue of shares, as directed by the CCRA, Gujarat.

OTHER DETAILS

Capital Redemption Reserve Creation – Relevant Regulations and Applicability

Adequate capital redemption reserve will be created by the Company, in accordance with applicable statutory provisions.

Issue and Instrument Specific Regulations - Relevant Details (Companies Act, RBI guidelines etc.)

The NCRPS offered are subject to provisions of the Companies Act, SEBI NCRPS Regulations, SEBI LODR Regulations, Securities Contracts (Regulation) Act, 1956, as amended, the Depositories Act, 1996, as amended, and rules and regulations made under these enactments.

Future Borrowings

The Company shall be entitled to borrow or raise loans or avail of financial assistance in whatever form as also issue NCRPS, debentures, notes or other securities in any manner with ranking pari passu or otherwise and to change its capital structure, including issue of shares of any class or redemption or reduction of any class of paid up capital, on such terms and conditions as the Company may think appropriate, without the consent of, or intimation to the NCRPS Holders in this connection.

Business Day Convention / Effect of Holidays

If any of the Dividend Payment Date(s), other than the ones falling on the Redemption Date, falls on a day that is not a Business Day, the payment shall be made by the Issuer on the immediately succeeding Business Day, which becomes the Dividend Payment Date for that coupon. However, the future coupon payment date(s) would be as per the schedule originally stipulated at the time of issuing the NCRPS. In other words, the subsequent Dividend Payment Date(s) would not be changed merely because the payment date in respect of one particular coupon payment has been postponed earlier because of it having fallen on a non-Business Day.

If the Redemption Date of the NCRPS falls on a day that is not a Business Day, the Redemption Amount shall be paid by the Issuer on the immediately preceding Business Day, which becomes the new redemption date, along with interest accrued on the NCRPS until but excluding the date of such payment.

For holders of NCRPS in demat format, payment of the Dividend shall be directly credited through ECS, RTGS or NEFT to the bank account available from the Depositories' record and where such facilities are not available the Company shall make payment of all such amounts by way of cheque/demand draft.</p> <p>b) Payment on Redemption</p>

The NCRPS shall be redeemed by the Company, on the Redemption Date. The Company shall pay the principal amount of the NCRPS along with the accrued dividend on the Redemption Date.

- (a) In case of NCRPS held in physical form, the NCRPS certificate(s), duly discharged by the sole/all the joint holders (signed on the reverse of the NCRPS Certificate(s)) to be surrendered for redemption should be sent by the NCRPS Holder(s) by registered post with acknowledgement due or by hand delivery to the Company or RTA or to such persons at such addresses as may be notified by the Company from time to time at least 15 days prior to the Redemption Date.

The Company may, at its discretion, redeem the NCRPS without the requirement of surrendering of the certificates by the NCRPS Holder(s). Redemption Amounts shall be paid to those NCRPS Holders whose names stand in the Register of NCRPS Holders maintained by the Company on the Record Date fixed for the purpose of redemption.

Hence, the transferee(s), if any, should ensure deposit of the transfer documents with the Company or RTA before the Record Date. In case the transfer documents are not deposited before the Record Date and the Company dispatches the Redemption Amount to the transferor, claims in respect of the Redemption Amount should be settled amongst the parties inter se and no claim or action shall lie against the Company or the RTA.

Further, the Company shall not be required to verify the bank account details of each NCRPS Holder and make payment of Redemption Amount by way of direct credit through ECS, RTGS or NEFT and where such facilities are not available the Company shall make payment of all such amounts by way of cheque/demand draft(s) to the first/sole NCRPS Holder. Direct credit or dispatch of cheques/pay order etc., in respect of such payment will be made on the Redemption Date/ or within a period of 30 days from the date of receipt of the duly discharged NCRPS Certificate. (viii) **Offer or Issue of executed PPOAL to successful Eligible Investors**

The PPOAL along with the application form will be issued to the successful Eligible Investors, who are required to complete and submit the Application Form and part B of the PPOAL to the Issuer in order to accept the offer of NCRPS.

No person other than the successful Eligible Investors to whom the PPOAL has been issued by Issuer may apply for the Issue through the PPOAL and any Application Form received from a person other than those specifically addressed will be invalid.

However, Eligible Investors should refer to the BSE EBP Guidelines prevailing on the date of the bid.

Documents to be provided by Eligible Investors at the time of application

In order to be able to bid under the BSE EBP Platform, Eligible Investors must have provided the requisite documents (including but not limited to know your customer) in accordance with the BSE EBP Guidelines or Applicable Law. The Issuer is entitled at any time to require an Eligible Investor to provide any know your customer or other documents as may be required to be maintained by it or delivered to a third party by it in accordance with Applicable Laws.

Bids by the Arranger

The Arranger as authorized on BSE EBP Platform by the Issuer is allowed to bid on a proprietary, client and consolidated basis. At the time of bidding, the Arranger is required to disclose the following details to the BSE EBP Platform:

- (i) Whether the bid is proprietary bid or is being entered on behalf of an Eligible Investor or is a consolidated bid, i.e., an aggregate bid consisting of proprietary bid and bid(s) on behalf of Eligible Investors.
- (ii) For consolidated bids, the Arranger shall disclose breakup between proprietary bid and bid(s) made on behalf of Eligible Investors.
- (iii) For bids entered on behalf of Eligible Investors, the Arranger shall disclose the following:
 - (a) Names of such Eligible Investors;
 - (b) Category of the Eligible Investors (i.e. QIB or non-QIB); and
 - (c) Quantum of bid of each Eligible Investor.

Provided that the Arranger shall not allowed to bid on behalf of any Eligible Investor if the bid amount exceeds 5% (five per cent.) of the Issue size or ₹15,00,00,000 (Rupees Fifteen Crores Only), whichever is lower (or such revised limits as may be specified in the BSE EBP Guidelines from time to time).

Withdrawal of Issue

The Issuer may, at its discretion, withdraw the issue process on the following conditions:

- (i) Non receipt of bids up-to the Issue size;
- (ii) The bidder has defaulted on payment towards the allotment, within the stipulated time frame, due with which the Issuer is unable to fulfil the Issue size;
- (iii) The cut-off yield entered by the bidder is higher than the estimated cut-off yield disclosed to the EBP.

Provided that the Issuer shall accept or withdraw the Issue of the EBP within 1 (one) hour of the closing of the bidding window, and not later than 6 pm on the Issue Closing Date.

However, Eligible Investors should also refer to the SEBI EBP Circulars read with the BSE EBP Guidelines, as prevailing on the date of the bid.

Basis of Allocation or Allotment

Allocation shall be made as approved by the Issuer in accordance with applicable SEBI regulations, BSE EBP Guidelines, and Applicable Laws.

Post completion of bidding process, the Issuer will upload the provisional allocation on the BSE EBP Platform. Post receipt of details of the successful Eligible Investors, the Issuer will upload the final allocation file on the BSE EBP Platform.

Acknowledgements

No separate receipts will be provided by the Issuer for the Application Money.

Payment Mechanism

Payment of subscription money for the NCRPS should be made by the successful Eligible Investor as notified by the Issuer (to whom the Issuer has issued given the offer by issue of PPOAL).

Successful Eligible Investors should do the funds pay-in to the following bank account of ICCL (“**Designated Bank Account**”):

Bank: HDFC BANK

Beneficiary Name: INDIAN CLEARING CORPORATION LTD

Account Number: ICCLEB

IFSC Code: HDFC0000060

Mode: NEFT/RTGS

The Designated Bank Account information shall be displayed in the front end of BSE EBP Platform and the same shall also be available in the obligation file downloaded to Eligible Investors.

Successful Eligible Investors must do the subscription amount payment to the Designated Bank Account on or before 10:30 a.m. on the Pay-in Date (“**Pay-in Time**”). Successful Eligible Investors should ensure to make payment of the subscription amount for the NCRPS from their same bank account which is updated by them in the BSE EBP Platform while placing the bids. In case of mismatch in the bank account details between BSE EBP Platform and the bank account from which payment is done by the successful bidder, the payment would be returned.

Note: In case of failure of any successful bidders to complete the subscription amount payments by the Pay-in Time or the funds are not received in the ICCL’s Designated Bank Account by the Pay-in Time for any reason whatsoever, the bid will liable to be rejected and the Issuer shall not be liable to issue the NCRPS to such successful bidders.

Subscription monies will be paid out from the ICCL Designated Bank Account to the Issuer’s account. The transfer will be done in accordance with the procedure prescribed by the SEBI EBP Circulars and the BSE EBP Guidelines.

Settlement Process

Upon final allocation by the Issuer, the Issuer or the Registrar and Transfer Agent on behalf of the Issuer shall instruct the Depositories on the Pay-in Date, and the Depositories shall accordingly credit the allocated NCRPS to the demat account of the successful Eligible Investor.

The Issuer shall give the instruction to the Registrar and Transfer Agent for crediting the NCRPS by 12:00 p.m. on the Pay-In Date. The Registrar shall provide corporate action file along with all requisite documents to Depositories by 12:00 p.m. on the Pay-In Date. On the Pay-In Date, the Depositories shall confirm to ICCL the transfer of NCRPS in the demat account(s) of the successful Eligible Investors.

Post-Allocation Disclosures by the EBP

Upon final allocation by the Issuer, the Issuer shall disclose the Issue size, coupon rate, ISIN, number of successful bidders, category of the successful bidder(s), etc., in accordance with the SEBI EBP Circulars and BSE EBP Guidelines. The EBP shall upload such data, as provided by the Issuer, on its website to make it available to the public.

Date of Allotment

All benefits relating to the NCRPS will be available to the Eligible Investor(s) from the Date of Allotment. The actual allotment of NCRPS may take place on a date other than the Date of Allotment. The Issuer reserves the right to modify allotment date or Date of Allotment at its sole and absolute discretion without any notice. In case if the Issue Closing Date is changed (pre-poned or postponed), the Date of Allotment may also be changed (pre-poned or postponed) by the Issuer at its sole and absolute discretion.

Allotments or Refunds

Allotment of the NCRPS shall be made in dematerialized form to the demat accounts in accordance with the details provided in the Application Form. Pending allotment, all monies received for subscription of the NCRPS shall be kept by the Issuer and be utilized only for the purposes permitted under this Information Memorandum. In case no demat details are provided in the Application Form or such details are incomplete or insufficient, the Issuer reserves the right to hold the Application Money until such details are provided accurately.

In case the Issuer has received money from applicants for NCRPS in excess of the aggregate of the Application Money relating to the NCRPS in respect of which allotments have been made, the RTA shall upon receiving instructions in relation to the same from the Issuer repay the moneys to the extent of such excess, if any.

If any application is rejected in full, the whole of the Application Money received, and if the application is rejected in part, the excess Application Money, after adjustment of allotment money if any, will be refunded to the applicants in its bank account mentioned with depositories. In the event the RTA is unable to retrieve the applicant's bank account details from the depositories or is unable to credit the amount to the applicant's bank account as above, the Issuer shall make the refund to the applicant's bank account as mentioned in the Application Form. If no bank account details are provided on the Application Form, then refund through demand draft/pay order/bankers cheques or such other similar mode shall be dispatched by registered post/speed post.

However, the Issuer shall not be liable to pay any interest on any Application Monies or refunds, except as required by Applicable Law.

In terms of Section 42(6) of the Companies Act, if the NCRPS is not allotted within 60 days from the date of receipt of the payments from the applicants, the Issuer shall repay such monies to the applicants within 15 days from the date of completion of the aforesaid 60 days. If the Issuer fails to repay the payments within the aforesaid period, it shall be liable to repay that money with interest at the rate of 12% per annum from the expiry of the sixtieth day. The NCRPS will be allotted within 2 working days from the Date of Allotment to the relevant demat account of each allottee in accordance with the SEBI LODR Regulations and the SEBI NCRPS Regulations.

Force Majeure

The Issuer reserves the right to withdraw the issue prior to the closing date in the event of any unforeseen development adversely affecting the economic and regulatory environment. The Issuer reserves the right to change the Issue schedule.

Right to Accept or Reject Applications

The Issuer reserves its full, unqualified and absolute right to accept or reject the application, in part or in full, without assigning any reason thereof. The rejected applicant will be intimated along with the

refund warrant, if applicable. No interest on Application Money will be paid on rejected applications. The Application Form that is not complete in all respects is liable to be rejected and would not be paid any interest on the Application Money.

Application would be liable to be rejected on one or more technical grounds, including but not restricted to:

- a. Number of NCRPS applied for is less than the minimum application size;
- b. Applications are not duly signed by the sole/joint applicants;

Terms of Redemption

The NCRPS shall be redeemed in accordance with Section 55 of the Companies Act, 2013.

Dematerialisation

The Company is issuing the NCRPS only in the dematerialized form and hence there is no physical holding of the NCRPS being issued in terms of the Information Memorandum. The Company undertakes that it shall use a common form/ procedure for transfer of the NCRPS issued under the terms of the Information Memorandum, if at a later stage there is some holding in the physical form due to the Depository giving the re-materialisation option to any investor.

Payment of Dividend

Payment of dividend on the NCRPS(s) will be made to those of the NCRPS Holders whose name(s) appear in the Register of NCRPS Holder(s) (or to the first holder in case of joint holders) as on the Record Date fixed by the Company for this purpose and/or as per the list provided by NSDL / CDSL to the Company of the Beneficial Owners who hold NCRPS in demat form on such Record Date, and are eligible to receive dividend. Payment will be made by the Company after verifying the bank details of the Investors by way of direct credit through Electronic Clearing Service (ECS), Real Time Gross Settlement (RTGS) or National Electronic Funds Transfer (NEFT) and where such facilities are not available the Company shall make payment of all such amounts by way of cheque(s)/demand draft(s)/dividend warrant(s), which will be dispatched to the NCRPS Holder(s) by registered post/ speed post/courier or hand delivery on or before the Dividend Payment Dates at the sole risk of the NCRPS Holder. For holders of NCRPS in demat format, payment of dividend shall be directly credited through ECS, RTGS or NEFT to the bank account available from the Depositories' record and where such facilities are not available the Company shall make payment of all such amounts by way of cheque/demand draft.

Computation of dividend

Dividend for each of the dividend periods, shall be computed on the face value of the NCRPS at the rate specified in this IM.

Record Date

The Record Date for payment of dividend or redemption of principal will be 15 calendar days prior to each Dividend Payment Date or the Redemption Date.

Payment of Redemption

The NCRPS shall be redeemed by the Company, on the Redemption Date. The Company shall pay the principal amount of the NCRPS along with the accrued dividend on the Redemption Date.

Buy-Back of NCRPS

Subject to the provisions of the Companies Act and other applicable regulatory provisions, if any, the Company may from time to time buyback the NCRPS(s) at a discount, at par, or at a premium.

Rights of NCRPS Holders

The NCRPS Holders shall have such rights as specified in the Articles and the Companies Act. In pursuance of sub-section (2) of section 47 of the Companies Act every member of a Company and holding any NCRPS shall, in respect of such capital, have a right to vote only on resolutions placed before the Company which directly affect the rights attached to his NCRPS and, any resolution for the winding up of the Company or for the repayment or reduction of its equity or preference share capital and his voting right on a poll shall be in proportion to his share in the paid-up preference share capital of the Company. Provided that the proportion of the voting rights of equity shareholders to the voting rights of the holders of NCRPS shall be in the same proportion as the paid-up capital in respect of the equity shares bears to the paid-up capital in respect of the NCRPS. However, in case where the dividend in respect of the NCRPS have not been paid for a period of two years or more, such holder(s) of NCRPS shall have a right to vote on all the resolutions placed before the Company.

Modification of Rights

The rights, privileges, terms and conditions attached to the NCRPS may be varied, modified or abrogated in accordance with the provisions of the Companies Act.

Mode of Transfer / Transmission of NCRPS

The NCRPS issued under the IM shall be transferable freely to all classes of Eligible Participants. The NCRPS(s) shall be transferred and/or transmitted in accordance with the applicable provisions of the Companies Act. The provisions relating to transfer and transmission and other related matters in respect of shares of the Company contained in the Articles of the Company and the Companies Act shall apply, mutatis mutandis (to the extent applicable to NCRPS) to the NCRPS as well. In respect of the NCRPS held in certificate form, a suitable instrument of transfer as may be prescribed by the Company may be used for the same. The NCRPS held in dematerialised form shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL/CDSL/DP of the transferor/transferee and any other Applicable Laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, dividend will be paid/redemption will be made to the person, whose name appears in the Register of NCRPS Holders/records of the Depository. In such cases, claims, if any, by the transferee(s) would need to be settled with the transferor(s) and not with the Company. The Company confirms that the forms of transfer as set out hereinabove are common forms of transfer as applicable to all NCRPS issued by the Company. Transfer cannot be made to the following persons, as the same is prohibited by Applicable Law:

- (a) Overseas Corporate Bodies (OCBs);
- (b) Any other person restricted by law to hold the NCRPS or any other instrument of like nature; and
- (c) "Person Resident Outside India" As such term is defined in the Foreign Exchange Management Act, 1999

Succession

Where NCRPS are held in joint names and one of the joint holders dies, the survivor(s) will be recognized as the holder(s) of the said NCRPS. It would be sufficient for the Company to delete the name of the deceased NCRPS Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on the Company to register his name as successor of the deceased holder after obtaining evidence such as probate of a will for the purpose of proving his title to the NCRPS.

In the event of demise of the sole/first holder of the NCRPS(s), the Company will recognize the Executors or Administrator of the deceased NCRPS Holder, or the holder of the Succession Certificate or other legal representative as having title to the NCRPS only if such executor or administrator obtains and produces Probate or Letter of Administration or is the holder of the Succession Certificate or other legal representation, as the case may be, from an appropriate Court in India. The Directors of the Company in their absolute discretion may, in any case, dispense with production of Probate or Letter of Administration or Succession Certificate or other legal representation.

Register of NCRPS Holders

Register of NCRPS Holders means the register maintained by the Registrar and Transfer Agent and/or the Company.

Sharing of Information

The Issuer may, at its option, but subject to Applicable Laws, use on its own, as well as exchange, share or part with any financial or other information about the NCRPS Holders available with the Issuer, with its subsidiaries and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither the Issuer nor its subsidiaries and affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCRPS Holder(s) required to be given by the Company shall have and shall be deemed to have been given if sent by ordinary post or by e-mail to the original sole/first allottees of the NCRPS(s) or if notification and mandate has been received by the Company, pursuant to the provisions contained herein above, to the sole/first transferees. All notices to be given by the NCRPS Holder(s), including notices referred to under "Payment of Dividend" and "Redemption" shall be sent by Registered Post/Courier or by e-mail(s) or by hand delivery to the Company or to such persons at such address as may be notified by the Company from time to time.

Obligations of Investors

Notwithstanding anything contained hereinabove, every potential investor of the NCRPS must read, understand and accept, and shall be deemed to have read, understood and accepted, the terms and conditions of this IM prior to investing in the NCRPS.

As a NCRPS Holder, every initial investor undertakes by virtue of this IM, that if the initial investor as the NCRPS Holder sells the NCRPS to subsequent investors, the initial investor as the NCRPS Holder shall ensure that such subsequent investors receive from the NCRPS Holder, a copy of this IM, and shall sell the NCRPS to a subsequent investor only if such subsequent investor has read, understood and accepted all the terms and conditions referred to above and is an investor who falls within the specified categories. Any such subsequent investor shall be deemed to have read, understood and accepted the terms and conditions in the documents referred to above prior to investing in the NCRPS.

Any person selling these NCRPS would be responsible for ensuring full and prior disclosure of the terms and conditions of the NCRPS to the person(s) to whom they are selling these NCRPS and shall sell the NCRPS only if the subsequent investor has read, understood and accepted all the terms and conditions. The Company would presume full knowledge of the contents of this IM and a full understanding of the NCRPS, their nature and the applicable terms and conditions on the part of any person holding/buying these NCRPS, and no claim to the contrary shall be entertained.

Undertaking by the Company

The Company undertakes that:

- (a) it shall attend to the complaints received in respect of the Issue expeditiously and satisfactorily;
- (b) the funds required for making refunds, if any, shall be made available on time; and
- (c) that necessary co-operation shall be extended to credit rating agency in providing true and adequate information till the debt obligations in respect of the instruments are outstanding.

REGULATIONS AND POLICIES

The regulations set out below are not exhaustive and are only intended to provide general information to investors and is neither designed nor intended to be a substitute for professional legal advice in relation to the NCRPS. Laws applicable to the Company in general have not been included below. The statements below are based on the current provisions of Indian law and the judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

Regulations relating to the NCRPS

Issuance and Redemption

The provisions of Section 55 of the Companies Act govern the issuance of NCRPS and the redemption of the NCRPS is subject to the conditions set out in the proviso to Section 55 of the Companies Act.

Payment of Dividends

Dividends payable by the Company in respect of the NCRPS for any particular year shall be paid or declared only out of the profits of the Company for that year, calculated in accordance with the provisions of the Companies Act or out of the profits of the Company for any previous fiscal year(s) and shall be subject to the provisions of section 123 of the Companies Act and the Articles of Association of the Company. Further any dividend payout is subject to a dividend distribution tax (to the account of the Company) at the then prevailing rate on the dividend declared, distributed or paid as per the Applicable Law.

Voting Rights

The NCRPS carry no voting rights other than in respect of matters directly affecting the rights attached to the NCRPS and resolutions in relation to winding up of the Company or for the repayment or reduction of the Company's preference share capital. In the event any due and payable dividends remain unpaid for a period 2 years prior to the start of any general meeting of the equity shareholders then the NCRPS Holders shall have voting rights in respect of all matters placed before the Company at a general meeting of its shareholders in accordance with the provisions of section 47 of the Companies Act and the Articles of Association of the Company.

Liquidation Preference

The NCRPS shall, on a winding up or repayment of capital, carry a preferential right vis-à-vis equity shareholders to be repaid the amount of capital paid up and shall include any unpaid dividends and any fixed premium (if applicable) in accordance with the provisions of the Companies Act and the Articles of Association.

Disclaimer

CARE's ratings are opinions on credit quality and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE has based its ratings/outlooks on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments.

In case of partnership/proprietary concerns, the rating/outlook assigned by CARE is based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating/outlook may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors.

**INDEPENDENT AUDITORS' REPORT
TO THE BOARD OF DIRECTORS OF
L&T FINANCE HOLDINGS LIMITED**

1. We have audited the accompanying Statement of Consolidated Financial Results of **L&T FINANCE HOLDINGS LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the year ended March 31, 2019 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Board of Directors, has been compiled from the related consolidated financial statements which has been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder ("Ind AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such consolidated financial statements.
3. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Parent's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Parent's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in paragraph 5 below, is sufficient and appropriate to provide a basis for our audit opinion.

2 The Group has adopted Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 from April 1, 2018 and the effective date of such transition is April 1, 2017. Such transition has been carried out from the erstwhile Accounting Standards notified under the Act, read with relevant rules issued thereunder and guidelines issued by the Reserve Bank of India ("RBI") and National Housing Bank ("NHB") (Collectively referred to as "the Previous GAAP"). The figures have been presented in accordance with the format prescribed for financial statements for a Non-Banking Finance Company (NBFC) whose financial statements are drawn up in compliance of the Companies (Indian Accounting Standards) Rules, 2015, in Division III of Notification No. GSR 1022 (E) dated 11th October, 2018, issued by the Ministry of Corporate Affairs, Government of India.

3 The results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors at its meeting held on April 28, 2019. The Joint Statutory Auditors of the Company have carried out audit of the aforesaid results.

4 The Company reports quarterly financial results of the group on a consolidated basis, pursuant to the option made available as per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended read with circular dated July 5, 2016. The standalone financial results are available on the website of the Company at www.ltf.com, the website of BSE Limited ("BSE") at www.bseindia.com and on the website of National Stock Exchange of India Limited ("NSE") at www.nseindia.com. The specified items of the standalone financial results of the Company for the quarter and year ended March 31, 2019 are given below.

Independent Auditors' Report

To The Members of L&T Finance Holdings Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **L&T Finance Holdings Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to

provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
Impairment of Investments The impairment review of unquoted equity instruments in subsidiaries, is considered to be a risk area due to the size of the balances as well as the judgmental nature of key assumptions, which may be subject to management override.	Principal audit procedures performed: <ul style="list-style-type: none">• Benchmarking assumptions: Comparing the Company's assumptions to externally derived data in relation to key inputs such as long-term growth rates and discount rates.• Our experience: Assessing the appropriateness of the forecasted cash flows within the budgeted period based on our understanding of the business and sector experience.• Sensitivity analysis: Performing sensitivity analysis in relation to the key assumptions.
The carrying value of such unquoted equity instruments is at risk of recoverability. The net worth of the underlying entity has significantly eroded. The estimated recoverable amount is subjective due to the inherent uncertainty involved in forecasting and discounting future cash flows and there is limited headroom available.	

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis of Board's report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company

or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The comparative financial information of the Company for the year ended March 31, 2018 and the related transition date opening balance sheet as at April 1, 2017 included in these standalone financial statements, have been prepared after adjusting previously issued the standalone financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 to comply with Ind AS. The previously issued standalone financial statements were audited by us and we expressed an unmodified opinion on those standalone financial statements. Adjustments made to the previously issued standalone financial statements to comply with Ind AS have been audited by us.

Our opinion on the standalone financial statements is not modified in respect of this the above matters on the comparative financial information.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness

of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our

opinion and to the best of our information and according to the explanations given to us:

- I. The Company does not have any pending litigations which would impact its financial position.
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A' to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T Finance Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date which includes internal financial controls over financial reporting.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial

reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and

such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditors' Report

To The Members of L&T Finance Holdings Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **L&T Finance Holdings Limited** (the "Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Impairment of goodwill on consolidation:</p> <p>There is a risk that the Group's Goodwill may be impaired due to the inherent uncertainty involved in forecasting and discounting future cash flows, determination of discount and terminal growth rates, which are the basis of the assessment of recoverability. These are the key judgement areas for our audit.</p> <p>The Group annually carries out an impairment assessment of goodwill using a value-in-use model which is based on the net present value of the forecast earnings of the cash-generating units. This is calculated using certain assumptions around discount rates, growth rates and cash flow forecasts.</p>	<p>Principle procedures performed:</p> <p>Besides obtaining an understanding of Management's processes and controls with regard to testing the goodwill for impairment the procedures included the following:</p> <ul style="list-style-type: none"> • Engaged internal fair valuation experts to challenge management's underlying assumptions and appropriateness of the valuation model used. • Compared the Group's assumptions with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates. • Assessed the appropriateness of the forecast cash flows within the budgeted period based on their understanding of the business and sector experience. • Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved. • Performed a sensitivity analysis in relation to key assumptions.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis included Director's report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report

thereon.

- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such branches or entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant

audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) We did not audit the financial statements / financial information of 7 subsidiaries, whose financial statements / financial information reflect total assets of ₹ 1,238.80 crore as at March 31, 2019, total revenues of ₹ 797.41 crore and net cash outflows amounting to ₹ 13.33 crore for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

(b) The comparative financial statements/ information for the year ended March 31, 2018 in respect of 7 subsidiaries and the related transition date opening balance sheet as at April 01, 2017 prepared in accordance with the Ind AS and included in these

consolidated financial statements have been audited by other auditors, whose reports have been furnished to us by the Management and in so far as it relates to the comparative amounts and disclosures included in respect of these subsidiaries, made in these consolidated financial statements, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements is not modified in respect of the above matters on the comparative financial information.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements/ financial information of the subsidiaries referred to in the Other Matters section above we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Parent as on March 31, 2019 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies, is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent and subsidiary companies. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent and its subsidiary companies.

Annexure 'A' to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of L&T Finance Holdings Limited (hereinafter referred to as the "Parent") and its subsidiary companies, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)*. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent, its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively

in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud

may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating

effectively as at March 31, 2019, the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 7 subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

Annexure I

Sr. No.	Components	Key Audit Matter	Auditor's Response
	L&T Infrastructure Company Finance Limited; L&T Finance Limited and L&T Housing Finance Limited	Provision for Expected Credit Loss: The Component exercises significant judgement using subjective assumptions over both when and how much to record as loan impairment, and estimation of the amount of the impairment provision for loans and advances. Because loans form a major portion of the Component's assets, and due to the significance of the judgments used in classifying these loans into various stages stipulated in Ind AS 109 and determining related provision requirements, this audit area is considered a key audit risk.	Audit procedure performed: <ul style="list-style-type: none"> We gained understanding of the Component's key credit processes comprising granting, booking, monitoring and provisioning and tested the operating effectiveness of key controls over these processes; We read the Component's Ind AS 109 based impairment provisioning policy and compared it with the requirements of Ind AS 109; We obtained an understanding of the Component's internal rating models for loans and advances and read the rating validation report prepared by the Component to gain comfort that the discrimination and calibration of the rating model is appropriate;

Sr. No.	Components	Key Audit Matter	Auditor's Response
			<ul style="list-style-type: none"> • We understood the theoretical soundness and tested the mathematical integrity of the Models. Where relevant, we used Information System specialists to gain comfort on data integrity; • We checked consistency of various inputs and assumptions used by the Component's management to determine impairment provisions; • We checked the appropriateness of the Component's determination of significant increase in credit risk and the resultant basis for classification of exposures into various stages; • We checked and understood the key data sources and assumptions for data used in the Expected Credit Loss (ECL) models (the Models) used by the Component to determine Impairment provisions; • For forward looking assumptions used by the Component's management in its ECL calculations, we held discussions with management and corroborated the assumptions using publicly available information; • For a sample of exposures, we checked the appropriateness of the Component's staging, appropriateness of determining Exposure at Default, including the consideration of prepayments and repayments in the cash flows and the resultant arithmetical calculations; • For Probability of Default (PD) used in the ECL calculations we checked the Through the Cycle (TTC) PDs calculation and checked the appropriateness of conversion of the TTC PDs to point in time (PIT) PDs; • We checked the calculation of the Loss Given Default (LGD) used by the Component in the ECL calculations, including the appropriateness of the use of collateral and the resultant arithmetical calculations;

Sr. No.	Components	Key Audit Matter	Auditor's Response
			<ul style="list-style-type: none"> • We checked the completeness of the loans, off balance sheet items, investment securities, placements and other financial assets included in the ECL calculations as at the period end; • For provision against exposures classified as Stage 1 and Stage 2, we obtained an understanding of the Component's provisioning methodology, assessed the reasonableness of the underlying assumptions and the sufficiency of the data used by the management. • For exposures determined to be individually impaired, we tested a sample of loans and advances and examined management's estimate of future cash flows, assessed their reasonableness and checked the resultant provision calculations; and • We checked the appropriateness of the opening balance adjustments.
	L&T Finance Limited	<p>Multiple and discrete Information Technology (IT) Systems:</p> <p>The Component is highly dependent on technology due to the significant number of transactions that are processed daily and discrete IT Systems. The interest income is computed through various IT Systems and the interfacing of these system with the accounting system is critical aspect of audit. The audit approach relies on automated controls and controls around interface of different systems, therefore on the effectiveness of controls over IT systems.</p> <p>IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner. Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data.</p> <p>Management has implemented preventive and detective controls across critical applications and infrastructure to reduce the risk over IT applications in the financial reporting process. Due to the pervasive nature, we assessed the risk of a material misstatement arising from technology as significant for the audit.</p>	<p>Audit procedures performed:</p> <p>We have performed a range of audit procedures, which included of the following:</p> <p>a) Access rights were tested over applications, operating systems and databases relied upon for financial reporting. Specifically, the tests were designed to cover the following:</p> <p style="padding-left: 20px;">New access requests for new recruits were properly reviewed and authorised;</p> <p style="padding-left: 20px;">User access rights were removed on a timely basis when an individual left or moved role;</p> <p style="padding-left: 20px;">Access rights to applications, operating systems and databases were periodically monitored for appropriateness; and</p> <p style="padding-left: 20px;">Highly privileged access is restricted to appropriate personnel.</p> <p>b) Other procedures were performed:</p> <p style="padding-left: 20px;">Where inappropriate access was identified, we understood the nature of the access, and, where possible, obtained additional evidence on the appropriateness of the activities performed;</p>

Sr. No.	Components	Key Audit Matter	Auditor's Response
			c) Other areas that were independently assessed included password policies, security configurations, controls over changes to applications and databases and that business users, developers and production support did not have access to change applications, the operating system or databases in the production environment. Testing of automated controls and interface testing was carried out.
	L&T Infra Debt Fund Limited and L&T Infrastructure Finance Company Limited	<p>Revenue recognition on loans and advances:</p> <p>Revenue recognition is considered to be a significant audit risk as it is a key driver of return to investors and there is a risk that there could be misstatement or omission of amounts recorded in the system.</p> <p>There is an inherent risk around the accuracy of the revenue recorded given the complexity of the IT system and impact of the terms of loan/debenture agreements to the revenue recognition. Revenue mainly comprises of Interest Income on term loans & debentures & financial advisory fee income forming part of other operating income.</p> <ul style="list-style-type: none"> Interest Income: Interest Income is recognised as per Effective Interest Rate (EIR) model for the purpose of determining revenue recognition in accordance with the requirements of Ind AS 109. The calculation includes all fees and points paid or received between parties to the contract that are an integral part of the effective interest rate. <p>While recognising an interest income as per Effective Interest Rate (EIR) model in accordance with the requirements of Ind AS 109, the significant judgements have been applied for inclusion/exclusion of certain components from EIR methodology and also recognising interest on performing & under performing assets (till the period of 90 days past due; Stage 1 & 2) on gross carrying value of a loan asset and on non-performing assets (more than 90 days past due; Stage 3) on net carrying value of the asset</p>	<p>Audit procedures performed:</p> <p>Our audit procedures included considering the appropriateness of Component's revenue recognition accounting policies and assessing compliance with the policies in terms of the applicable accounting standards.</p> <p>As regards to the Interest Income:</p> <p>Performed test of controls, assisted by our IT specialists wherever required, over revenue recognition with specific focus on whether an interest income is recorded as per EIR model over the contract term on a straight-line basis or other applicable basis as per the terms of the contract.</p> <p>We have performed tests of details, on a sample basis, to review the case contracts entered into, with the customers to assess whether interest income recorded is as per the contract terms.</p> <p>Reviewed the completeness of interest income recorded during the year by comparing the income as appearing in component's loan management system with that of accounts.</p> <p>We also performed detailed substantive analytical procedures for select periods and gained more understanding on any variations / corroboration with the results drawn as per the process.</p> <p>As regards to the Fee based Income:</p> <p>We have performed tests of details, on a sample basis, to review the underlying agreement / executed memo along with evidences of contractual services performed as stated per the agreed terms.</p> <p>Reviewed the management assessment of compliance with the conditions put under Ind AS 109 for income recognition based on the principles of Ind AS 115 in respect of certain items which did not form a part of EIR.</p>

Sr. No.	Components	Key Audit Matter	Auditor's Response
		<ul style="list-style-type: none"> Financial advisory fee based income: Such revenues are recognised when the certain criteria are met which includes persuasive evidence of an arrangement exists, evidences of rendering of services available, the fee or commission is fixed or determinable, and collectability is reasonably assured. 	
	L&T Infra Debt Fund Limited and L&T Infrastructure Finance Company Limited	<p>Transition to Ind AS: Pursuant MCA circular dated January 18, 2016, Component being an NBFC has been transitioned to Ind AS w.e.f. April 1, 2018. Application of Ind AS requires an entity to make key changes in its significant accounting policy/practices and thereby affecting recognition, measurement & disclosure requirements. Hence, this has been identified as a key audit matter.</p>	<p>Audit procedures performed: Our audit procedures primarily involved the application of Ind AS framework per the requirements of Companies (Indian Accounting Standards) (Amendment) Rules, 2016 inter-alia including:</p> <ul style="list-style-type: none"> Review of preparation & presentation of Opening balance sheet - on the date of transition i.e. April 1, 2017 as per provisions of Ind AS 101 - First time adoption with a retrospective application of Ind AS principles after applying certain mandatory exceptions & optional exemptions Ensuring application and alignment of significant accounting policies per the requirements of Ind AS. Ensuring the application of relevant Ind AS requirements in terms of recognition, measurement and disclosure.

	L&T Infrastructure Finance Company Limited	<p>Valuation of unquoted shares/debentures and the related diminution in value of investments:</p> <p>Component's investments mainly comprises of investments in quoted instruments, Subsidiaries/associates, unquoted instruments including invoked equity shares of some delinquent borrowers, and subscription to Securities Receipts (SRs) issued by Asset Reconstruction Companies (ARCs) etc.</p> <p>As per the policy adopted by the Component, investments have been fair valued as at the reporting date. Considering that these investments are unquoted and illiquid, the assessment of fair valuation is subjective and requires number of significant estimates and complex judgments to be made by management. The exit value will be determined by the market at the time of realisation and therefore despite the valuation policy adopted and judgments made by management, the final sales value may differ materially from the valuation at the yearend date. There is the risk that inaccurate judgments could be made in the assessment of fair value</p>	<p>Audit procedures performed:</p> <p>Our audit procedures primarily included reviewing the appropriateness of fair valuation methodology used by the Component and to determine whether they are as per the Component's policy and are also in line with applicable accounting standards / regulations. We also reviewed the related control & substantive procedures.</p> <ul style="list-style-type: none"> • Test of detail: Review of investment specific information provided including underlying working/ reports/ methodology/ assumptions provided by the Component for each type of investment. • We obtained an understanding of management's processes and controls for determining the fair valuation of unquoted investments. This included discussing with management the valuation governance structure and protocols around their oversight of the valuation process and corroborating our understanding by applying independent assessments wherever possible. • Wherever feasible, we formed an independent range for the key assumptions used in the valuation of a sample of unquoted investments, with reference to the relevant industry and market valuation considerations and critically challenged appropriateness of significant management assumptions/estimates.

Independent Auditors' Report

To The Members of L&T FINANCE HOLDINGS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **L&T FINANCE HOLDINGS LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards"), and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and

the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit, we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the director of the Company and taken on record by the Board of Directors, none of the Director is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses which have not been provided for in the Statement of Profit and Loss.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of L&T FINANCE HOLDINGS LIMITED (the "Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to

obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure 'B' to the Independent Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties of freehold or leasehold land and building and hence reporting under clause (i) (c) of the Order is not applicable.
- (ii) The Company does not have any inventory and hence reporting under clause (ii) of the Order is not applicable.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans, made investments or provide guarantees and hence reporting under clause (iv) of the Order is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, cess and other material statutory dues applicable to it to the appropriate authorities. To the best of our knowledge and belief, the Company was not required to deposit or pay any dues in respect of Custom Duty, Excise Duty and corresponding cess during the year.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Goods and Service Tax, cess and other material statutory dues in arrears as at March 31, 2018 for a period of more than six months from the date they became payable.
 - (c) There are no dues of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Goods and Service Tax and Value Added Tax as on March 31, 2018 on account of disputes.
- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and government. The Company has not issued any debentures.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.

- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable Accounting Standards.
- (xiv) According to the information and explanations given to us, the Company has made preferential allotment of shares during the year under review.
- In respect of the above issue, we further report that:
- a) the requirement of Section 42 of the Companies Act, 2013, as applicable, have been complied with; and
 - b) the amounts raised have been applied by the Company during the year for the purposes for which the funds were raised, other than temporary deployment pending application.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.

Independent Auditors' Report

TO THE MEMBERS OF L&T FINANCE HOLDINGS LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **L&T FINANCE HOLDINGS LIMITED** (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group") which includes the Group's share of profit in its associate, comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associate in accordance with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards"), and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group

and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraphs (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries and associate referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so

required and give a true and fair view in conformity with the Accounting Standards and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2018, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- (a) We did not audit the financial statements of 7 subsidiaries whose financial statements reflect total assets of ₹121,311.08 lakh as at March 31, 2018, total revenues of ₹79,748.83 lakh and net cash inflows amounting to ₹883.79 lakh for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associate is based solely on the reports of the other auditors.
- (b) The consolidated financial statements also include the Group's share of net profit of ₹83.39 lakh for the year ended March 31, 2018, as considered in the consolidated financial statements, in respect of an associate, whose financial information have not been audited by us. This financial information is unaudited and have been furnished to us by the Management and our opinion on the

consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, this financial information is not material to the Group.

Our opinion on the consolidated financial statements above and our report on other legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditors on separate financial statements of subsidiaries, and associate, referred in the Other Matters paragraph above we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our

examination of those books and the reports of the other auditors.

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and associate company, none of the directors of the Group companies, its associate company is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Holding company, subsidiary companies and associate company. Our report expresses an unmodified opinion on the adequacy

and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, its subsidiaries and its associate company.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of

the Group and its associate.

- ii. The Group and its associate did not have any material foreseeable losses on long-term contracts including derivative contracts which have not been provided for in the Consolidated Statement of Profit and Loss.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies and associate company.

Annexure 'A' To the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of **L&T FINANCE HOLDINGS LIMITED** (hereinafter referred to as "the Holding Company"), its subsidiary companies and its associate company as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and its associate company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiary companies and its associate company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain from audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained from the other auditors of the subsidiary companies and associate company, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary companies and its associate company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control

over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary companies and its associate company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 7 subsidiary companies and an associate company, is based solely on the corresponding reports of the auditors of such companies.

Our opinion is not modified in respect of the above matters.

Independent Auditors' Report

To the Members of L&T Finance Holdings Limited Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **L&T FINANCE HOLDINGS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical

requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the branch auditors and other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit, we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The Company did not have any holdings or dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the CARO 2016 Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure 'A' to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **L&T FINANCE HOLDINGS LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable

assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Independent Auditors' Report

To the Members of L&T Finance Holdings Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **L&T FINANCE HOLDINGS LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate, comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraphs (a) and (b) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of the subsidiaries and associate referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner

so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31st March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

(a) We did not audit the financial statements of 8 subsidiaries whose financial statements/ financial information reflect total assets of ₹ 111,513.12 lakh as at March 31, 2017, total revenues of ₹ 45,176.86 lakh and net cash inflows amounting to ₹ 3,113.61 lakh for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹ 574.64 lakh for the year ended March 31, 2017, as considered in the consolidated financial statements, in respect of an associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associate is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditors on separate financial statements of the subsidiaries and associate referred in the Other Matters paragraph above we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.

(e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and associate company, none of the directors of the Group companies and its associate company is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Holding company, subsidiary companies and associate company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's, subsidiary company's and associate company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associate.

- ii. The Group and its associate did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies and associate company.
- iv. To the best of our information and according to the information and explanations given to us, we report that, except where, for reasons explained in note no. 31.17 to the consolidated financial statements, the disclosures by certain subsidiaries of the Group with regard to the Specified Bank Notes ("SBNs") were restricted to readily available information and also considering that certain amounts directly deposited into the bank accounts of those entities by their customers for which information

relating to SBNs was not available with those entities were classified as "Permitted receipts/ Other Denomination Notes", the Parent Company has provided requisite disclosures in the consolidated financial statements as regards the Group entities' holding and dealings in SBNs, as defined in the Notification S.O. 3407(E) dated 8th November, 2016, of the Ministry of Finance, during the period from November 9, 2016 to December 30, 2016. Based on audit procedures performed by us and the representations provided to us by the management, we report that the disclosures are in accordance with the relevant books of accounts maintained by those entities for the purpose of preparation of the consolidated financial statements, which, as the case may be, were produced before us and the other auditors by the managements of the respective Group entities.

Annexure 'A' To the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of **L&T FINANCE HOLDINGS LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary companies and its associate company as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and its associate company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiary companies and its associate company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal

financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors of the subsidiary companies and associate company, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary company and its associate company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company;

and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors

referred to in the Other Matters paragraph below, the Holding Company, its subsidiary companies and its associate company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 8 subsidiary companies and an associate company is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

ANNEXURE J

DETAILS OF ANY LITIGATION OR LEGAL ACTION PENDING OR TAKEN BY ANY MINISTRY OR DEPARTMENT OF THE GOVERNMENT OR A STATUTORY AUTHORITY AGAINST ANY PROMOTER OF THE ISSUER DURING THE LAST THREE YEARS IMMEDIATELY PRECEDING THE YEAR OF THE CIRCULATION OF THIS IM AND ANY DIRECTION ISSUED BY SUCH MINISTRY OR DEPARTMENT OR STATUTORY AUTHORITY UPON CONCLUSION OF SUCH LITIGATION OR LEGAL ACTION

Litigations involving Promoter

A. Larsen & Toubro Limited

Larsen & Toubro Limited (“**L&T**”) has taken the threshold of Rs. 10,000 lakhs for civil matters in accordance with the internal policy of L&T. Further, no threshold has been applied for other matters disclosed below.

a. Civil Proceedings

1. Northwest Redwater Partnership (“**NWR**”) and L&T had entered into contract where L&T was to provide carbon steel, stainless steel and alloy pipe spools, piping materials and other materials to NWR, Canada. In March 2017, NWR issued a notice to L&T under the Arbitration Act of Alberta, *inter-alia*, claiming an amount of CAD 121 million (₹ 62,550 lakhs) on account of damages due to breach of contract and negligence. Simultaneously, with issue of arbitration notice NWR also filed civil claim before Court of Queen’s Bench, Alberta. L&T filed its reply to claims before the Court of Queen’s Bench, Alberta and subsequently parties by consent agreed to withdraw the proceedings from the Court. NWR submitted an overview of claim to L&T in September 2017 revising claim to CAD 158 million (₹ 81,930 lakhs), L&T submitted its reply on December 22, 2017 reiterating its counterclaim of about CAD 16 million (₹ 8,300.8 lakhs). Subsequently, the parties met at Houston in February 2018 for engaging in negotiations without prejudice. Consequent to the meeting, parties signed the ADR Agreement in June 2018. The first stage of ADR process is information exchange, without prejudice meeting between parties and formal mediation. In the position papers exchanged for mediation NWR has revised its claim to CAD 148 million (₹ 76,740 lakhs). The mediation concluded in June 2019 without a resolution. The matter has now proceeded to arbitration. NWR has filed its Statement of Claim, L&T has to file its Statement of Defence and Counterclaim on September 23, 2019.
2. L&T had applied for de-notification from SEZ of certain units situated at Vadodara and accordingly was required to obtain no objection certificates (“**NOCs**”) from various authorities including the stamp duty department (the “**Department**”) of Gandhinagar. Accordingly, L&T had filed an application with the Department for obtaining a NOC. However, the Collector and Additional Superintendent of Stamps, Gandhinagar (the “**Collector**”) passed an order against L&T (the “**Order**”) demanding L&T to pay stamp duty aggregating to ₹ 3,350 lakhs. L&T then filed a writ petition before the Gujarat High Court against the Order. The writ petition was disposed of by the Gujarat High Court and L&T was directed to file an appeal before the Chief Controlling Revenue Authority

(“CCRA”). The Gujarat High Court directed CCRA to issue the NOC during the pendency of the appeal, subject to L&T depositing a percentage of stamp duty amount and furnishing a corporate guarantee. L&T filed a revision application before the CCRA pursuant to the Gujarat High Court order. CCRA rejected the revision application and ordered payment of stamp duty along with a penalty. L&T filed a special civil application bearing number 15654 of 2016 before the Gujarat High Court for, *inter-alia* setting aside the orders passed by the Collector and CCRA, stay on recovery of penalty and refund of amount deposited with Industries commissioner and CCRA. The Gujarat High Court has admitted the matter. The matter is currently pending.

3. The Additional Director of Mines, Kota, passed order against L&T for deposit of approximately ` 2,000 lakhs towards royalty payment in connection with a supercritical thermal power project executed for Rajasthan Rajya Vidyut Utpadan Nigam Limited (“RRVUNL”), which was thereafter confirmed by the Appellate Authority for Mining. RRVUNL withheld such deposit amount from L&T’s running bills. Thus, L&T filed a writ petition numbered CW 119 of 2017 before the Rajasthan High Court against the withholding of deposit amount. The Rajasthan High Court admitted the petition, directing 50% of the demanded amount to be released by RRVUNL in favour of L&T and Department of Mining. The matter is currently pending.
4. L&T initiated arbitration proceedings against Visa Power Limited (“**Visa Power**”) in relation to the disputes arising out of contract entered into between Visa Power and L&T. Visa Power had awarded a contract to L&T for balance of plant package for setting up of a 2x600 MW Visa Raigarh Super Thermal Power Project at Devari and Dumarपाली villages in the Raigarh District of Chhattisgarh. In terms of the contract, Visa Power was required to make payments to L&T and L&T was required to furnish a bank guarantee in favour of Visa Power. The alleged failure of Visa Power to make timely payments to L&T, resulted in termination of the contract. Subsequently, Visa Power invoked the bank guarantee furnished by L&T. Therefore, L&T initiated arbitration proceedings against Visa Power and filed a statement of claim seeking for a total claim amount of ₹ 60,297.5 lakhs along with interest of 18% per annum till realisation of the same. Visa Power filed a counter claim of ₹ 18,298.7 lakhs consisting mainly consequential damages which was dismissed on December 5, 2017. An application before the National Company Law Tribunal (“**NCLT**”) was filed for initiation of corporate insolvency proceedings against Visa Power filed by Bank of Maharashtra as one of the creditors of Visa Power (the “**Proceedings**”). Pursuant to the Proceedings, a resolution professional was appointed and arbitration proceedings were suspended during the moratorium period. As the bank guarantee was encashed, L&T has filed applications before the NCLT, Kolkata for depositing the amount in a fixed deposit. This amount is already part of the statement of claims filed by L&T before the NCLT, Kolkata. NCLT, Kolkata vide order dated September 7, 2018 dismissed both the applications filed by L&T. L&T has preferred an appeal before NCLAT, New Delhi with respect to the dismissed applications. Further, *vide* an order dated December 3, 2018 passed by the Hon’ble NCLAT, Delhi, the appeal filed by L&T was dismissed against which L&T has preferred an appeal before the Supreme Court which was dismissed vide order dated March 15, 2019. The Corporate Insolvency resolution proceedings have come to an end and Visa Power has gone into liquidation. L&T has filed its claim before the Official Liquidator at present. Further, L&T had written to the arbitrators to revive the arbitration proceedings against Visa Power Limited which was

20. L&T has filed ten appeals before the Income Tax Appellate Tribunal (“**ITAT**”) against the Deputy Commissioner of Income Tax at Mumbai in relation to direct tax matters regarding ESOP Expenses. ESOP discount has been treated as a contingent or notional in nature and therefore disallowed by the income tax authorities. The income tax authorities have regarded ESOP discount as capital in nature while L&T has contended that ESOP discount represents employee remuneration and thus, is a revenue expenditure which is not contingent in nature. The Commissioner of Income Tax (Appeals) has granted L&T relief for the ESOP expenses on the basis of actual exercise of options by employees in Assessment Year 2013-14. The matter will have a tax effect of ` 35,241.6 lakhs. The matter is currently pending.
21. L&T has filed ten appeals before the Income Tax Appellate Tribunal (“**ITAT**”) against the Deputy Commissioner of Income Tax at Mumbai, in relation to direct tax matters regarding taxing notional profit on construction work- in- progress valued at cost. In accordance to the accounting standards (AS), L&T does not recognise profit for projects until it reaches 25% completion. However, the income tax authorities have added notional profit in case of contracts below 25% stage of completion. The matter will have a tax effect of ` 28,805.7 lakhs. The matter is currently pending.

ANY MATERIAL EVENT/ DEVELOPMENT OR CHANGE HAVING IMPLICATIONS ON THE FINANCIALS/CREDIT QUALITY (E.G. ANY MATERIAL REGULATORY PROCEEDINGS AGAINST THE ISSUER/PROMOTERS, TAX LITIGATIONS RESULTING IN MATERIAL LIABILITIES, CORPORATE RESTRUCTURING EVENT ETC) AT THE TIME OF ISSUE WHICH MAY AFFECT THE ISSUE OR THE INVESTOR’S DECISION TO INVEST / CONTINUE TO INVEST IN THE NON CONVERTIBLE REDEEMABLE PREFERENCE SHARES.

1. The Company is a financial creditor of West Gujarat Expressway Limited (“**WGEL**”), Hazaribagh Ranchi Expressway Limited (“**HREL**”), Jharkhand Road Projects Implementation Company Limited (“**JRPICL**”) and Moradabad Bareilly Expressway Limited (“**MBEL**”), all being subsidiaries of IL&FS Transportation Networks Limited (“**ITNL**”), which is a subsidiary of Infrastructure Leasing and Financial Services Limited (“**IL&FS**”).

The Company filed intervention applications in the National Company Law Appellate Tribunal (“**NCLAT**”) under Rule 31 read with Rule 11 of the NCLAT Rules, 2016 to

intervene, seek clarification and make appropriate submissions in Company Appeal (AT) No. 346 of 2018 filed by the Union of India (“**UOI**”) and Company Appeal (AT) No. 347 of 2018 filed by Infrastructure Leasing and Financial Services Limited (“**IL&FS**”), pending before the NCLAT, as a financial creditor of WGEL, HREL, JRPICL and MBEL. The said intervention applications also seek a declaration from the NCLAT that the Interim Order dated October 15, 2018 does not affect the interests of the Company. The Company has also preferred a Civil Appeal before the Hon’ble Supreme Court of India under section 423 of the Companies Act, 2013, assailing the order dated February 11, 2019, passed by the NCLAT. The next dates for the above proceedings are to be posted towards the end of September, 2019.

IL&FS submitted Resolution Framework Report(s) to the National Company Law Appellate Tribunal (“**NCLAT**”) in Company Appeal (AT) No. 346 of 2018 filed by the UOI and Company Appeal (AT) No. 347 of 2018, where WGEL, HREL, JRPICL and MBEL were classified as 'amber', but per order dated July 12, 2019 of NCLAT WGEL, JRPICL and MBEL are to be classified as 'green' upon agreeing to revised terms. The classification of IL&FS subsidiaries as per the Resolution Framework Report(s) is basis their ability to service all their debt, where ‘amber’ companies can only service senior secured lenders, ‘green’ companies can service all their debt and fulfil all their financial obligations.

Required steps as directed by the courts have been undertaken, and WGEL, JRPICL and MBEL have executed binding agreements permitting debt servicing. WGEL and MBEL have cleared secured due amounts and JRPICL is operationalizing the payments.

2. The Director General of GST Investigation (“**DGGI**”) has issued a show cause notice (“**SCN**”) dated October 18, 2018 to L&T Finance Limited (“**LTFL**”), inter-alia, alleging that additional interest, penal interest and default interest charged to customers is liable to service tax and goods and services tax (“**GST**”) as applicable. The SCN will be adjudicated in due course before the Principal Commissioner of CGST.

The amount of tax involved in the SCN is Rs 197.29 Crores for the period starting from April 2013 to June 2017. Based on the tax opinions, LTFL is of the view that such interest is not chargeable to service tax under Section 66D of the Finance, Act 1994.
