EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013**Item No. 3****To Re-Appoint Mr. Virat Mehta (DIN: 07910116) as an Independent Director**

Mr. Virat Mehta was appointed as an Independent Director of the Company effective June 01, 2018 pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 and the rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) read with Schedule IV to the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), by the Shareholders at the 60th Annual General Meeting ("AGM") of the Company held on September 29, 2018. He holds office as an Independent Director of the Company up to September 28, 2023 ("first term" in line with the explanation to Sections 149(10) and 149(11) of the Act).

The Board on August 07, 2023, based on the recommendations of the Nomination and Remuneration Committee and pursuant to the performance evaluation of Mr. Virat Mehta as a Member of the Board and considering that his continued association would be beneficial to the Company, proposed to re-appoint Mr. Virat Mehta as an Independent Director of the Company, not liable to retire by rotation, for a second term effective from September 29, 2023 to September 28, 2028. Further, the Company has, in terms of Section 160(1) of the Act, received a notice in writing from a Member proposing the candidature of Mr. Virat Mehta for the office of Director. The Company has received from Mr. Virat Mehta (i) Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014 (ii) Intimation in Form DIR-8 in terms of the Companies (Appointment and Qualifications of Directors) Rules, 2014, to the effect that he is not disqualified under Section 164(2) of the Act (iii) Declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act read with Regulation 16 and Regulation 25(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('Listing Regulations') and (iv) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that he has not been debarred from holding office of a Director by virtue of any Order passed by Securities and Exchange Board of India or any other such authority. In terms of Section 149, 152 and other applicable provisions of the Act, read with Schedule IV of the Act and the Rules made thereunder, and in terms of the applicable provisions of the Listing Regulations, each as amended, the reappointment of Mr. Virat Mehta as an Independent Director of the Company for a second term is being placed before the Shareholders for their approval by way of a special resolution.

Mr. Virat Mehta, once appointed, will not be liable to retire by rotation. In the opinion of the Board, Mr. Virat Mehta is a person of integrity, fulfils the conditions specified in the Act and the Rules made thereunder read with the provisions of the Listing Regulations, each as amended, and is independent of the Management of the Company. A copy of the draft letter of appointment of Mr. Virat Mehta as an Independent Director setting out the terms and conditions of his appointment is available for inspection without any fee payable by the Members at the Registered Office of the Company during the normal business hours on working days up to the date of the Annual General Meeting ('AGM') and will also be kept open at the venue of the AGM till the conclusion of the Meeting. The profile and specific areas of expertise of Mr. Virat Mehta are provided as annexure to this Notice.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives, except Mr. Virat Mehta, to whom the resolution relates, is concerned or interested in the Resolution mentioned at Item No. 3 of the Notice. The Board of Directors recommends the Resolutions at Item No. 3 of the accompanying Notice for the approval of the Members of the Company as a Special Resolution.

Return on Net worth %	-3.50%	9.31%
EPS	-1.29	3.51
P E Ratio	(36.55)	14.39

Reason for significant change:

- Revenue from Operations & other Income: The Revenue has decreased in the current year. Other Income has also reduced mainly due to conservative approach adopted to avoid & limit our exposure to volatility & sensitivity in the Financial Markets.
- Debt Equity Ratio: The debt equity ratio has increased as the Company has availed vehicle loan during the year.
- Trade Receivable Turnover Ratio: There is decrease in revenue in the financial year 2022-23.
- The Interest coverage ratio has become negative as compared to the previous year.
- The net profit margin has decreased as compared to last previous year due to decrease in revenue from operations and other income.
- The earnings per share have gone down from INR 3.51 to INR (1.29). The negative EPS is mainly because of decrease in revenue.
- Details of any change in Return on Net Worth as compared to the immediately previous financial year: The return on net worth i.e. the return on shareholders' equity has gone down from 9.31% to -3.50%. However, the management's contention is that it the Ind AS affect wherein the notional losses of current investments have been factored in.

Independent Auditors' Report

**To the Members of
Informed Technologies India Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Informed Technologies India Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. no	Key Audit Matters	Our Response
1.	Defined benefit obligation The valuation of the retirement benefit scheme in the company is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation mortality rates and attrition rates. Due to the size of these assumptions can have a material impact on the defined benefit obligation	We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purpose of our audit. We tested the employee data used in calculating the obligation and where material, we also considered the treatment of curtailments, settlement, past service costs, remeasurements, benefits paid, and other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by the management in the actuarial valuations for retirement benefit obligations to be appropriate.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/(loss) (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing

of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. (A) As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.

(c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(a) The Company has disclosed the impact of pending litigations as at 31st March 2023 on its financial position in its standalone financial statements - Refer Note 35 to the standalone financial statements;

(c) The Company did not have any long-term contracts including derivatives contract for which there were any material foreseeable losses.

(d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) The management has represented that, to the best of its knowledge and belief, no fund have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d)(i) and (d)(ii) contain any material mis-statement.

(e) The company has not declared any dividend during the year; and

(f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording trail (edit log) facility is applicable to the Company with effect from 1st April, 2023 and accordingly reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

(C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company

to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure B

TO THE INDEPENDENT AUDITOR'S REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Informed Technologies India Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31st March 2023, based on the internal control with reference to financial statements criteria established by the company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects. Because of the matter described in Disclaimer of opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financials Controls with reference to Financials Statements Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements may become inadequate because of changes in the conditions or that the degree of compliance with the policies or

procedures may deteriorate.

Notes on Standalone financial statements for the year ended 31st March, 2023**Note - 1****Significant Accounting Policies****1. Corporate Information**

Informed Technologies India Limited ('ITIL' 'The Company') is a limited Company incorporated and domiciled in India. The Company is a public limited company and its equity shares are listed with Bombay Stock Exchange ("BSE") in India.

The registered office of the Company is situated at 20th Floor, Nirmal Building, Nariman Point, Mumbai-400021.

2. Statement of Compliance

These standalone financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standard) Rules, 2017 notified under section 133 of the Companies Act, 2013, the relevant provisions of the Companies Act, 2013 and the guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

3. Basis of Preparation

The standalone financial statements of the Company have been prepared and presented on the going concern basis and at historical cost except for the following assets and liabilities which have been measured at fair value.

- Certain financial assets and liabilities at fair value (refer accounting policy regarding financial instruments)
- Employee's Defined Benefit Plan as per actuarial valuation

4. Functional and Presentation Currency

The standalone financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

5. Use of Estimates

The preparation of standalone financial statements in conformity with the Indian Accounting Standards requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of the standalone financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

6. Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realization in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

7. Overall Consideration

The standalone financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

8. Revenue Recognition**Sale of services**

Sale of services are recognized on satisfaction of performance obligation towards rendering of such services.

Dividend, Interest and Rental Income

Dividend from investments are recognized in profit or loss when the right to receive payment is established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Rental income is recognized in accordance with recognition and measurement criteria of Ind AS 116 for Lessor.

9. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed off.

Items such as spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise, such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Standalone Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Standalone Statement of Profit and Loss during the period in which they are incurred.

10. Depreciation and Amortization

Depreciation on tangible assets is provided on Straight Line Method and based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013, except in respect of the following assets, where the useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely:

Description	Range of Useful lives in years
Furniture	1 – 9 years
Electrical Installation	2 years

Depreciation on assets purchased / sold during the period is proportionately charged. The residual value for all the above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

11. Intangible Assets

Intangible assets are stated at Cost of acquisition, less accumulated amortization/depletion and accumulated impairment losses, if any, are amortized over a period of 6 years or license period, whichever is lower. Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Standalone Statement of Profit and Loss.

12. Investment Property

Investment properties are recognized initially at cost. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation. The Company has depreciated assets based on Straight line method as per Schedule II to the Companies Act, 2013.

13. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An Impairment loss is recognised immediately in the Standalone Statement of Profit and Loss.

14. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts, EEFC accounts and other short-term highly liquid investments with original maturities of three months or less.

15. Segment reporting

The Company is principally engaged in the business of Business process outsourcing which is the only operating reportable segment as per Ind AS 108.

16. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to interest costs.

17. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated. Exchange difference on monetary items is recognised in the Standalone Statement of Profit and Loss in the period in which these arise.

18. Income Taxes

Tax expense recognized in the Standalone Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the 'Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in standalone financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

19. Employee Benefits

Short-term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Standalone Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Standalone Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust maintained by LIC.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Standalone Statement of Profit and Loss.

Bonus Payable:

The Company recognized a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

20. Lease

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019 as per Ind As 116.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-

of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the Standalone Statement of Profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

In accordance with the standard the company has elected not to apply the requirements of Ind AS 116 to short term leases less than 12 months.

21. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

22. Financial Instruments

Initial Recognition and Measurement:

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Standalone Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business are recognised at their transaction value as the same do not contain significant financing component.

(I) Financial Assets:

Classification and Subsequent Measurement:

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI.

All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Associates are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Associates at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Standalone Statement of Profit and loss or transfer to retained earnings, as the case may be.

(II) Financial Liabilities and Equity Instruments

Classification as Debt or Equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- At fair value through Standalone Statement of Profit and Loss,

- Loans and borrowings, payables, or
- As derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Standalone Statement of Profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Standalone Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Standalone Statement of Profit and Loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the Standalone Statement of Profit and loss or transfer to retained earnings, as the case may be.

23. Provisions and contingent liabilities**Provisions:**

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability.

Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the standalone financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

24. Investment in Associates

The investments in associates are carried in these standalone financial statements at historical cost except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations.

When the Company is committed to a sale plan involving disposal of an investment, or a portion of an investment in an associate the investment or the portion of the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Any retained portion of an investment in an associate that has not been classified as held for sale continues to be accounted for at historical cost. Upon loss of significant influence over the associate the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate and the fair value of retained investment and proceeds from disposal is recognised in Standalone Statement of Profit and Loss.

25. Cash Dividend to Equity Holders of the Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

26. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Financial instruments : Fair values measurement

Accounting classification and fair value hierarchy

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: if one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

Set out below, is a comparison by category of the carrying amounts and fair value of the company's financial instruments.

Market risk- interest rate risk	Security deposits	Sensitivity analysis	Periodical reset of interest rate linked to market

1 Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivable from customers and loans and advances.

The carrying amount of following financial assets represents the maximum credit exposure:

(i) Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business.

The Company has established a credit policy under which each customer is analysed individually for creditworthiness before the company's standard payment terms and conditions are offered.

All the trade receivables are realised well with in due dates. Accordingly, management is in the opinion that requirement of provision is not arisen.

As at 31st March, 2023, the ageing of trade receivables was as follows: ₹ in Thousand

Particulars	31st March, 2023 (Rs.)	31st March, 2022 (Rs.)

31st March, 2023	1,15,843.15	72,581.83	43,261.32	
31st March, 2022	1,25,562.10	85,006.78	40,555.32	

Company's surplus funds are more than to total borrowings outstanding as on 31st March, 2023. Hence, the liquidity risk is very low.

3 Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates, interest rates and equity prices - will affect the company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. Management exposed to market risk primarily related to the market value of investments and interest rate risk. Thus, our exposure to market risk is function of investing and borrowing activities only.

4 Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in interest rates.

Exposure to interest rate risk

Company is not having interest rate risk arises from borrowings, as company is having borrowings with fixed interest rate. The interest rate profile the company's interest bearing financial instruments as reported to the management of the company.

Independent Auditors' Report

To the Members of Informed Technologies India Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Informed Technologies India Limited (hereinafter referred to as "the Holding Company") and its associate 'Entecres Lab Private Limited (Holding Company and its associate together referred to as "the Group"), which comprise the consolidated balance sheet as at 31 March 2023, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2023, of its consolidated loss and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matters	Our Response
1.	Defined benefit obligation The valuation of the retirement benefit scheme in the company is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation mortality rates and attrition rates. Due to the size of these assumptions can have a material impact on the defined benefit obligation	We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purpose of our audit. We tested the employee data used in calculating the obligation and where material, we also considered the treatment of curtailments, settlement, past service costs, remeasurements, benefits paid, and other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by the management in the actuarial valuations for retirement benefit obligations to be appropriate.

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditors' report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and associate) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the consolidated financial statements of the associate company, namely, Entecres Labs Private Limited whose financial statement reflects total assets of Rs. 50,022.37 Thousand as at 31st March 2023, total revenue of Rs.83071.54 Thousand and profit after tax of Rs.3141.34 Thousand for the year ended on that date, as considered in the consolidated Financial Statement. These Financial statement and other information have been audited by the other auditor whose report has been furnished to us by the management, and our opinion on the Consolidated financial statement, in so far as it relates in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. A. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors of the Holding Company and its associate which are incorporated in India, as on 31 March 2023 and taken on record by the Board of Directors of respective companies, none of the directors of the Group companies incorporated in India is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its associate company incorporated in India and the operating effectiveness of such controls, refer to our separate report in Annexure B.

2. B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2023 on the consolidated financial position of the Group. Refer Note 35 to the consolidated financial statements.

ii. The group did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended 31 March 2023.

iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its associate company incorporated in India during the year ended 31 March 2023.

iv. The respective Managements of the Company and its associates which are companies incorporated in India, have represented to us that to the best of their knowledge and belief that no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.

v. The respective Managements of the Company and its associates which are companies incorporated in India, have represented to us to the best of their knowledge and belief that no funds (which are material either individually or in aggregate) have been received by the Holding Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.

C. With respect to the matter to be included in the Auditors' report under Section 197(16): In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its associate which are incorporated in India is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its associate which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure B

TO THE INDEPENDENT AUDITOR'S REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2023

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Informed Technologies India Limited ("the Holding Company") as of 31 March 2023, we have audited the internal financial controls with reference to the financial statements of the Holding Company and its associate, which are incorporated in India as of that date.

Opinion

In our opinion, the Holding Company and its associate which are incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2023, based on the internal control with reference to financial statements criteria established by the Holding Company and its associate which are incorporated in India, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the act on the adequacy and operation effectiveness of the internal financial controls over financial reporting in so far as it related to an associate company incorporated in India, based on the corresponding report of the auditor of such company.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its associate which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding company and its associate, which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective entity's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its associate which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system with reference to financial statements of the Holding Company and its associate which are incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financials Controls with reference to Financials Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements may become inadequate because of changes in the conditions or that the degree of compliance with the policies or procedures may deteriorate.

Notes on Consolidated Financial Statements for the year ended 31st March, 2023

Note - 1 Significant Accounting Policies

1. Corporate Information

Informed Technologies India Limited ('ITIL' 'The Company') is a limited Company incorporated and domiciled in India. The Company is a public limited company and its equity shares are listed with Bombay Stock Exchange ("BSE") in India. The registered office of the Company is situated at 20th Floor, Nirmal Building, Nariman Point, Mumbai- 400021.

Under Companies Act, 2013 Group is defined as parent, subsidiaries, joint ventures and associates. As ITIL has no subsidiary the consolidation pertains to ITIL (hereafter holding Company) and its Associate viz.

Name of the Associate Companies	Percentage of Holding
Entecres Labs Pvt.Ltd.	27.96%

2. Statement of Compliance

These consolidated financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standard) Rules, 2017 notified under section 133 of the Companies Act, 2013, the relevant provisions of the Companies Act, 2013 and the guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

3. Principles of Consolidation

The consolidated financial statements relate to Informed Technologies India limited ('the Company or Investor') and its Associate Entecres Labs Pvt. Ltd. The company and its Associate together constitute 'The Group'. The consolidated financial statements have been prepared on the following basis.

- i. The financial statements of the Company and Associate used in the consolidated procedure are drawn up to the same reporting date i.e. 31st March, 2023.
- ii. Investment in associate company has been accounted in this consolidated financial statements as per the equity method in terms of Indian Accounting Standards (Ind AS) 28-'Investments in Associates and Joint Ventures'.
They are initially recognised at cost, which include transactions costs. Subsequent to initial recognition, Consolidated Financial Statements include the Group' share of profit or loss and OCI of equity accounted investees until the date on which significant influence ceases.
- iii. Where the Group's share of losses of an equity accounted investee exceed the Group's interest in that associate, the group discontinues recognizing its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligation or made payments on behalf of the associate.
- iv. These consolidated financial statements have been prepared in compliance of section 129 of the Companies Act, 2013.

4. Basis of Preparation

The consolidated financial statements of the Company have been prepared and presented on the going concern basis and at historical cost except for the following assets and liabilities which have been measure at fair value.

- Certain financial assets and liabilities at fair value (refer accounting policy regarding financial instruments)
- Employee's Defined Benefit Plan as per actuarial valuation

5. Functional and Presentation Currency

The consolidated financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

6. Use of Estimates

The preparation of consolidated financial statements in conformity with the Indian Accounting Standards requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

7. Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realization in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

8. Overall Consideration

The consolidated financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

9. Revenue Recognition**Sale of services**

Sale of services are recognized on satisfaction of performance obligation towards rendering of such services.

Dividend, Interest and Rental Income

Dividend from investments are recognized in profit or loss when the right to receive payment is established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Rental income is recognized in accordance with recognition and measurement criteria of Ind AS 116 for Lessor.

10. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an assets if, and only if, it is probable that the economic benefits associated with the item will flow the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed off.

Items such spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Consolidated Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are

disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Consolidated Statement of Profit and Loss during the period in which they are incurred.

11. Depreciation and Amortization

Depreciation on tangible assets is provided on Straight Line Method and based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013, except in respect of the following assets, where the useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely:

Description	Range of Useful lives in years
Furniture	1 – 9 years
Electrical Installation	2 years

Depreciation on assets purchased / sold during the period is proportionately charged.

The residual value for all the above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

12. Intangible Assets

Intangible assets are stated at Cost of acquisition, less accumulated amortization / depletion and accumulated impairment losses, if any, are amortized over a period of 6 years or license period, whichever is lower.

Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Consolidated Statement of Profit and Loss.

PPE procured for research and development activities are capitalized.

13. Investment Property

Investment properties are recognized initially at cost. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation. The Company has depreciated assets based on Straight line method as per Schedule II to the Companies Act, 2013.

14. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An Impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss.

15. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts, EEFC accounts and other short- term highly liquid investments with original maturities of three months or less.

16. Segment reporting

The Company is principally engaged in the business of Business process outsourcing which is the only operating reportable segment as per Ind AS 108.

17. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to interest costs.

18. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Consolidated Statement of Profit and Loss in the period in which these arise.

19. Income Taxes

Tax expense recognized in the consolidated Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity. Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in consolidated financial statements and the amount used for taxation purposes.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

20. Employee Benefits

Short-term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Consolidated Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the consolidated Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust maintained by LIC.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Consolidated Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

21. Lease

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019 as per Ind As 116.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the consolidated statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

In accordance with the standard the company has elected not to apply the requirements of Ind AS 116 to short term leases less than 12 months.

22. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the

reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

23. Financial Instruments

Initial Recognition and Measurement:

Financial assets (other than trade receivables) and financial liabilities (other than trade payables) are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Consolidated Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component. Trade payable is in respect of the amount due on account of goods purchased in the normal course of business are recognised at their transaction value as the same do not contain significant financing component.

(I) Financial Assets:

Classification and Subsequent Measurement:

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (iii) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (iv) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Associates are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Associates at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognize in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the

asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Consolidated Statement of profit and loss or transfer to retained earnings, as the case may be.

(II) Financial Liabilities and Equity Instruments

Classification as Debt or Equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- At fair value through Consolidated Statement of Profit and Loss,
- Loans and borrowings, payables, or
- As derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Consolidated statement of profit and loss. Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Consolidated Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortization process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Consolidated Statement of Profit and Loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the consolidated statement of profit and loss or transfer to retained earnings, as the case may be.

24. Provisions and contingent liabilities**Provisions:**

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability.

Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

25. Investment in Associates

The investments in associates are carried in these consolidated financial statements at historical cost except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations.

When the Company is committed to a sale plan involving disposal of an investment, or a portion of an investment in an associate the investment or the portion of the investment that will be disposed off is classified as held for sale when the criteria described above are met.

Any retained portion of an investment in an associate that has not been classified as held for sale continues to be accounted for at historical cost.

Upon loss of significant influence over the associate the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate and the fair value of retained investment and proceeds from disposal is recognised in Consolidated Statement of Profit and Loss.

26. Cash Dividend to Equity Holders of the Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

27. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Financial instruments : Fair values measurement

Accounting classification and fair value hierarchy

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
Level 2: inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
Level 3: If one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

Set out below, is a comparison by category of the carrying amounts and fair value of the company's financial instruments.

1 Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivable from customers and loans and advances.

The carrying amount of following financial assets represents the maximum credit exposure:

(i) Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business.

The Company has established a credit policy under which each customer is analysed individually for creditworthiness before the company's standard payment terms and conditions are offered.

All the trade receivables are realised well with in due dates. Accordingly, management is in the opinion that requirement of provision is not arising.
