Chairman's Letter:

Dear Member,

I am pleased to welcome you to the 37th Annual General meeting (AGM) of your Company, and share with you its 37th Annual Report for FY 2019-20. This AGM is being held virtually due to the prevailing COVID-19 pandemic and our effort to keep our stakeholders safe as per government mandated social distancing norms. I would have much rather interacted with you in person as we have in the past. Let's hope we can reverse this trend next year!!

Over the past several years, the Board has overseen the Company's evolution and growth.

The Board strives continually to take a proactive approach to ensure that the appropriate structures and processes are in place, to facilitate independent and effective oversight of operations, capital deployment, strategic growth initiatives and risk management practices. The Board takes great pride in the systems of strong corporate governance it has built, which, we believe, serve as the foundation for enduring success and shareholder confidence.

We have always stayed firm on running a business where every decision and transaction is made with transparency. Our practice of following disclosure guidelines and strict adherence to business sustainability, wealth creation and high standards of corporate governance has today made us a respected name in the industry.

Lastly, I am grateful to our stakeholders, customers, vendors, lenders and bankers for reposing their faith in us, employees for their resolve and unstinted devotion, our Members on the Board for their wisdom and continuous support and you, our shareholders for reposing trust & faith. Thank you for your support and we hope you continue your association with us.

Best regards, and wishing you and your families a safe rest of the year.

Yours,

**Sd/-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

REAL ESTATE AND DEVELOPER

The management has vision, experience and resources to promote real estate business aggressively. To improve the financial resources more efforts are put to recover the old dues and settling with parties to maintain cordial relations.

The avenues of resources of funds shall be explored by the managements and there is bright hope to turn around the Company with new objects of business.

FUTURE PROSPECTS

The Real Estate and construction sector plays a crucial role in overall development of India's core infrastructure. India is the second largest populated country in the world which means that there is huge potential in the real estate sector in India. Overall, the long-term view for the Indian real estate sector is positive since its fundamental demand drivers - increasing urbanization, favorable demographics, growth of the services sector and rising incomes are still intact. The long term demand projection for real estate is certainly healthy given the housing shortage. In the short term, the demand for optimally priced and quality real estate is expected to grow.

Your Company focuses to provide a meaningful work with a measureable outlook & maximum impact on the society. It also plans to primarily focus on the development/redevelopment of residential projects in certain key locations.

Despite challenging environment, the management of your company is continuing its efforts to bring the favorable results and hence looks in the intricacies of designing, developing and construction of the project with an eye to perfection.

OPPORTUNITIES AND THREATS

➤ Opportunities

There are good opportunities available in the real estate market in India since price of property are in south trend. The Government has been pragmatic and supportive in its approach in reducing interest rate on housing and providing finance through bank for property development business project to projects. We are hopeful for demand of commercial and residential property in near future.

Your management has committed to turnaround the company and makes it profitable at an early date by their sincere efforts, business acumen, experience and resources on emerging opportunities in the current scenario of the real estate industry.

➤ Threats

The slowdown of consumer demands and reduction of real estate prices, the credit squeeze by the Reserve Bank of India to Real Estate Development Company is likely to slow down the momentum of growth on capital gearing of the company.

SEGMENT WISE PERFORMANCE

The company operates in only single segment. Hence segment wise performance is not applicable.

RISKS AND CONCERNS

In any business, risk and prospects are inseparable. As a responsible management, the company's principal endeavor is to maximize returns. Your Company aims at enhancing and maximizing shareholders value by achieving appropriate trade-off between risk & returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

INTERNAL CONTROL SYSTEMS

Company has an adequate internal audit and control system. The Internal audits are conducted by firms of Chartered Accountants. All operational activities are subject to internal audits at frequent intervals. The existing audit and inspection procedures are reviewed periodically to enhance their effectiveness, usefulness and timeliness.

Your Company has an effective system of accounting and administrative controls supported by an internal audit system with proper and adequate system of internal check and controls to ensure safety and proper recording of all assets of the Company and their proper and authorised utilization.

HUMAN RESOURCES

Our people are our most important asset and we value their talent, integrity and dedication. We offer a highly entrepreneurial culture with a team based approach that we believe encourages growth and motivates our employees. The Company plans with prudent knowledge management leading to enhanced skills and capabilities and market ability to promote real estate business in the current time. The Company shall evaluate performance management system, which reinforces its work ethics and results in profitability to enhance the shareholders' value.

ENVIRONMENT PROTECTION, HEALTH AND SAFETY

Environment Protection, Health and Safety continue to receive highest priority in all operational and functional areas. Adequate safety measures are undertaken at plant for prevention of any untoward incidents. Various processes required for pollution control and environmental protection are strictly adhered to.

CAUTIONARY STATEMENT

Statement in this Management's Discussion and Analysis detailing the Company's objectives, projections, estimates, expectations or predictions are "forward-looking statements" within the meaning of applicable securities laws and regulations. These statements are subject to certain risks and uncertainties. The actual results may be different from those expressed or implied since the company's operations are affected by the many external and internal factors, which are beyond the control of the management.

INDEPENDENT AUDITORS' REPORT

To,
The Members Of,
JOY REALTY LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial statements of **JOY REALTY LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed u/s 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March, 2020, the Profit and Total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in Accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provision of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Ministry of Home Affairs on March 24, 2020 notified a nation wise lockdown in India to contain the outbreak of the COVID-19 pandemic due to which there have been several restrictions imposed by the Government across the globe on the travel, movement of goods and transportation considering public health and safety measures. In view of the lockdown across the country, operations of the Company's are not affected much from March 21, 2020. As per the management no significant impact on carrying amounts of inventories, trade receivable and other financial assets is expected and the management continue to monitor changes in future economic conditions. The eventual outcome of the impact of the global health pandemic may be different from those

estimated as on the date of approval of these financial results. The operations have not been resumed till date.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements. As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

37th Annual Report 2019-20

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty does not exist, our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("The Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of changes in Equity dealt with by this Report are in agreement with the books of account;

37th Annual Report 2019-20

- d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act read with the relevant rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of written representations received from the directors as on 31 March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2020, from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule, 2014, as amended in our opinion and to the best of our information and according to the explanation given to us:
- i. The Company does not have any pending litigations which shall impact its financial positions.
 - ii. The Company does not have any long terms contracts for which provisions are required to be made.
 - iii. The Company is not liable to transfer any amount to the Investor Education and Protection Fund.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE IND AS FINANCIAL STATEMENTS OF JOY REALTY LIMITED**Independent Auditors Report on Internal Financial Control over Financial Reporting****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **JOY REALTY LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Ind AS financial statements for the year ended 31st March 2020

1. Background

JOY REALTY LIMITED (“the Company”) is a public Company domiciled in India and incorporated under the provisions of Companies Act, 1956. The Company is incorporated with an object to carry on the Real Estate Business.

The Company’s shares are listed on Bombay Stock Exchange (BSE) in India and Metropolitan Stock Exchange of India Limited (MSEI).

2. Basis of preparation

2.1. Statement of compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

The financial statements under Ind AS were authorized for issue by the Company’s Board of Directors on 30/07/2020.

Details of the Company’s accounting policies are included in Note 3.

2.2. Going concern

These financials are prepared on going concern basis on following basis:

- i) Company has incurred loss during the year and in the preceding previous years;
- ii) The future business prospects.

2.3. Functional and presentation of currency

The financial statements are prepared in Indian Rupees which is also the Company’s functional currency. All amounts are rounded to the nearest rupees.

2.4. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair values, as applicable, have been determined for measurement and / or disclosure purpose using methods as prescribed in “Ind AS 113 Fair Value Measurement”.

2.5. Use of significant accounting estimates, judgement, and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates

37th Annual Report 2019-20

and assumptions that affect the reported balances of assets and liabilities, disclosure of contingent liabilities as on the date of financial statements and reported amounts of income and expenses for the periods presented. The Company based its assumptions and estimates on parameters available when the financial statements were prepared.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected.

Estimates and Assumptions

In preparing these financial statements, the management has made judgments, estimates and assumptions which are prudent and reasonable.

Key assumptions concerning the future and key sources of estimation at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described below.

Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

3. Significant Accounting Policies

3.1. Presentation and disclosure of financial statement

All assets and liabilities have been classified as current and non-current as per Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013 for a company whose financial statements are made in compliance with the Companies (India Accounting Standards) Rules, 2015.

Based on the nature of products / services and time between acquisition of assets for processing / rendering of services and their realization in cash and cash equivalents, operating cycle is more than 12 months, however for the purpose of current/ non- current classification of assets and liabilities, period of 12 months have been considered as its normal operating cycle.

An asset / liability is treated as current when it is:

- Expected to be realized / settled in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized / settled within twelve months after the reporting period, or

All other assets / liabilities are classified as non-current.

3.2. Financial instruments

Recognition and initial measurement

Trade receivables are recognized when they are originated. All other financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial assets: Classification and Subsequent Measurement

On initial recognition, a financial asset is classified as measured at

- Amortized Cost;
- FVOCI – applicable for debt investment &/or equity investment; or

- FVTPL.

Financial assets are not reclassified after their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at Amortized Cost if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

At present the Company does not have investment in any debt securities classified as FVOCI.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – Equity Investment). This election is made on an investment-by-investment basis.

At present there are no such investments.

All financial assets not classified as above, are measured at amortized cost or FVOCI as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Subsequent measurement and gains and losses for financial assets held by the Company

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.
Financial assets at Amortized Cost	These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured:

- Amortized Cost; or
- FVTPL

A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss.

Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

Presently, all the financial liabilities are measured at amortized cost.

Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters transactions whereby it transfers assets recognized on its balance sheet but retains either all or substantially all the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

1. 3.3 Property, Plant and Equipment and Depreciation

Recognition and measurement

Under the previous GAAP, property, plant and equipment were carried at historical cost less depreciation and impairment losses, if any. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used the carrying value as at the date of transition i.e. 1st April 2016 as the deemed cost of the property, plant & equipment under Ind AS.

Properties plant and equipment are stated at their cost of acquisition. Cost of acquisition includes purchase price including non-refundable taxes and duties, borrowing cost directly attributable to the qualifying asset, any costs directly attributable to bringing the asset to the location and condition necessary for its intended use and the present value of the expected cost for the dismantling/decommissioning of the asset.

A qualifying asset is an asset which necessarily takes a substantial period to get ready for its intended use or sale.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits

37th Annual Report 2019-20

associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

Capital work-in-progress comprises of cost incurred on property, plant and equipment under construction / acquisition that are not yet ready for their intended use at the Balance Sheet Date.

Depreciation and useful lives

Depreciation on the property, plant and equipment (other than freehold land and capital work in progress) is provided on a straight-line method (SLM) over their useful lives which is in consonance of useful life mentioned in Schedule II to the Companies Act, 2013,

De-recognition

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal.

Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is de-recognized.

1.1. Inventories

Work-in-Progress of Projects

(i) Inventories are valued at cost or net realizable value whichever is less. The Construction Work in Progress includes Cost of Land, Properties, Development Rights, TDR Rights, Construction Costs and Direct Expenses attributable to the projects.

(ii) Inventories of finished tenements, if any, are valued at cost or estimated net realizable value whichever is less, as certified by management.

1.2. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, considering contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and discounts given to the customers.

The estimated profit on any ongoing project is recognized on money realized of sale agreements on yearly basis as per prevailing consistency method of percentage of profit on sales realization.

1.3. Employee benefits

The Company does not make any provision for gratuity/retirement benefits payable to the employees. The amounts in respect of gratuity/retirement benefits payable in accordance with the Payment of Gratuity Act, 1972 / other statutory provisions, if any, shall be accounted in the year of actual payment thereof.

1.4. Borrowing cost

Borrowing costs consist of interest expenses calculated as per effective interest method. Borrowing costs that are directly attributable to the acquisition and construction of a qualifying asset are capitalized as part of the cost of the respective asset till such time the asset is ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur

1.5. Taxes on income

Tax expense comprises current and deferred tax. Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961.

The deferred tax resulting from timing difference between taxable and accounting income is accounted using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred Tax asset is recognized and carried forward only to the extent that there is virtual certainty that the asset will be realized in future.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

1.6. Cash and cash equivalent

Cash and cash equivalents include cash in hand, bank balances, deposits with banks (other than on lien) and all short term and highly liquid investments that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

For cash flow statement, cash, and cash equivalent as calculated above also includes outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.7. Cash flow statement

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities are segregated.

1.8. Provisions, contingent liabilities, contingent assets

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is

37th Annual Report 2019-20

recognized as a finance cost. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

The Company does not recognize a contingent asset but discloses its existence in the financial statements if the inflow of economic benefits is probable. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

Provisions, contingent liabilities, contingent assets, and commitments are reviewed at each balance sheet date.

1.9. Earnings per share

Basic Earnings Per Share is computed by dividing the profit / (loss) after tax by the weighted average number of equities shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares by weighted average number of equity shares plus dilutive potential equity shares.
