**ANNEXURE - D****MANAGEMENT DISCUSSION AND ANALYSIS****GLOBAL ECONOMIC REVIEW**

In 2023, the global economy stabilized, with the US leading the recovery and emerging markets showing resilience despite geopolitical tensions. These tensions led to supply chain disruptions and inflationary pressures, prompting coordinated policy responses from global leaders. As supply-side issues eased and monetary policies tightened, inflation was successfully moderated. Although balanced risks persisted, the threat of a hard landing diminished. Structural reforms and fiscal consolidation became crucial to enhancing productivity and addressing debt concerns. Policymakers focused on managing inflation while adjusting monetary policy and prioritizing multilateral coordination to tackle issues like debt resolution and climate change mitigation for sustainable economic development. The global economy reported an estimated growth of 3.2% in 2023, exceeding initial projections. Advanced economies, driven largely by stronger-than-expected growth in the US, reported an estimated growth of 1.6%

**OUTLOOK**

The global economic outlook remains cautiously optimistic, with growth projected to continue at 3.1% in 2024. Headline inflation is expected to decrease from an annual average of 6.8% in 2023 to 5.9% in 2024, and further to 4.5% in 2025, indicating a favourable trajectory. While risks persist, proactive policy measures and international cooperation will help navigate uncertainties and drive sustainable economic growth in the coming years.

**INDIAN ECONOMIC REVIEW**

In FY24, the Indian economy demonstrated strong growth, estimated at 7.8%, an improvement from 7.2% in 2022-23. This robust performance was primarily driven by the mining and quarrying sectors, manufacturing, and select segments of the services sector. India maintained its position as the world's fifth-largest economy. The Indian rupee showed relative stability, opening at INR 82.66 against the US dollar at the start of 2023 and ending at INR 83.35 on December 27, a modest depreciation of 0.8%. Consumer Price Index (CPI) inflation averaged 5.4%, with rural inflation surpassing urban levels. Food inflation spiked due to lower production and erratic weather patterns, while core inflation averaged 4.5%, a sharp drop from 6.2% in FY23. The moderation in global commodity prices contributed to this decline in core inflation. India's foreign exchange reserves reached a historic USD 645.6 Bn. The credit quality of Indian companies remained strong, bolstered by deleveraged balance sheets, sustained domestic demand, and government-led capital expenditure. Rating upgrades outpaced downgrades in the second half of FY24. The Unified Payments Interface (UPI) continued its remarkable growth, with transaction volumes up by 56% and value by 43% year-on-year.

FY24's economic growth was the highest since FY17, excluding the 9.7% post-COVID rebound in FY22. However, the 2023 monsoon was the weakest in five years, with August marking the driest month in a century. The June-September rainfall was only 94% of the long-term average. Despite these challenges, wheat production was projected to reach a record 114 Mn tonnes in the 2023-24 crop year. Conversely, rice production was expected to decline to 106 Mn metric tons (MMT) from 132 MMT in the previous year. Kharif pulses production was estimated at 71.18 lakh metric tonnes, lower than the prior year due to adverse weather.

According to the National Statistical Office (NSO), manufacturing sector output was expected to grow by 6.5% in 2023-24, up from 1.3% in the previous year. The mining sector was projected to grow by 8.1%, compared to 4.1% in 2022-23. Financial services, real estate, and professional services were estimated to grow by 8.9%, up from 7.1% in FY23. Real GDP was estimated at INR 171.79 lakh Cr for 2023-24, a 7.3% increase compared to 7.2% in 2022-23. Nominal GDP was projected at INR 296.58 lakh Cr, up from INR 272.41 lakh Cr in the previous year. The gross non-performing asset (NPA) ratio for scheduled commercial banks fell to 3.2% as of September 2023, down from 3.9% in March 2023. India's exports of goods and services were expected to reach USD 900 Bn in 2023-24, up from USD 770 Bn the previous year, despite global economic headwinds. Merchandise exports were projected between USD 495 Bn and USD 500 Bn, while services exports were expected to hit USD 400 Bn. Net direct tax collection increased by 19% to INR 14.71 lakh Cr by January 2024, with gross collections up by 24.58% year-on-year. Gross GST collections for FY24 were INR 20.1 lakh Cr, an 11.7% increase, with an average monthly collection of INR 1,68,000 Cr, surpassing the previous year's average of INR 1,50,000 Cr.

India reached a crucial phase in its development, characterized by rapid urbanization, industrialization, rising household incomes, and increasing energy consumption. The country emerged as the fifth-largest economy, with a GDP of YSD 3.6 Tn and a nominal per capita income of INR 123,945 in 2023-24. The Nifty 50 index grew by 30% in FY 2023-24, with India's stock market becoming the fourth-largest globally, boasting a market capitalization of USD 4 Tn. Foreign investment in Indian government bonds surged in the last quarter of 2023. India ranked 63rd among 190 economies in ease of doing business, according to the World Bank's latest ratings. Unemployment declined to 3.2% in 2023, down from 6.1% in 2018.

## **INDUSTRY STRUCTURE AND DEVELOPMENT**

During FY24, the S&P BSE Sensex index reached multiple new highs, with the market capitalization of companies listed on the BSE surpassing USD 4 Tn. The BSE Sensex recorded its second largest five-year gain of 24.85%, following the 68.01% surge in FY21 during the post-pandemic recovery. Since 2016, the Sensex has maintained a consistent upward trend, with a remarkable 187% increase from its low during the COVID-19 pandemic to the close of FY24.

The fiscal year concluded on a strong note for benchmark equity indices, Sensex and Nifty, spurred by significant investments in sectors such as power, automotive, and banking, along

with favourable global market conditions. Throughout FY24, the BSE benchmark index climbed by 14,659.83 points, or 24.85%, while the Nifty rose by 4,967.15 points, or 28.61%.

Midcap and small-cap stocks also experienced substantial gains, with the NSE Midcap 100 and NSE Small Cap 250 indices surging by approximately 60.06% and 63.07%, respectively. Corporate earnings improved, aided by declining commodity prices that enhanced profitability and margins across various sectors. This positive momentum is expected to continue, driven by strong domestic demand, favourable macroeconomic factors, and a revival in private capital investments, which are likely to propel the Indian equity markets further. ### **The Rise of Retail Investors**

The year 2024 stands out as a transformative period for the Indian capital markets, marked by an unprecedented surge in retail investor participation. By March 2024, the total number of Demat accounts in India had surpassed 151 Mn, driven by a record-breaking addition of 36.9 Mn new accounts during the year—making it the best annual performance to date. The National Stock Exchange (NSE) also reported a remarkable 26.0% year-on-year growth in its unique investor base, reaching an impressive 92 Mn as of March 2024.

This surge in numbers signifies more than just impressive statistics; it reflects a significant shift in investment behaviour and wealth creation across India, with retail investors increasingly taking charge of their financial futures. A deeper look at the geographical distribution of NSE-registered investors reveals a growing participation from states beyond the traditional top five, which accounted for 51.7% of the investor base in FY24, up from 47.2% in FY19.

Notably, states such as Rajasthan, Madhya Pradesh, Bihar, and Assam contributed 16.8% of NSE's investor base in FY24, with remarkable growth rates ranging from 4.5x to 11.1x over the FY19- 24 period, collectively adding 12 million investors. This broad-based participation from across the country is largely attributed to the rise of fintech platforms, which have democratized access to investment opportunities and empowered individuals nationwide to engage in wealth creation

### **OPPORTUNITIES AND THREATS**

The following factors present specific opportunities across our businesses:

- Expected GDP growth coupled with reforms push by the government relating to project approvals, land acquisition, mining, and infrastructure will lead to huge investments by both the public and private sector companies. There will be large capital requirement to fund these investments which will present opportunities for investment banking and advisory business;
- Fall in global commodity prices will reinvigorate private consumption demand and lead to capacity expansion by the industry;

- Corporates are looking at expanding in domestic as well as overseas markets through mergers & acquisitions which offer opportunities for the corporate advisory business.
- Growing mid-size segment of corporates where the need for customized solutions is particularly high will present opportunities for our advisory businesses;
- With increase in the income levels, change in attitude from wealth protection to wealth creation and risk-taking abilities of the youth, there is also a huge market opportunity for wealth management service providers.
- Improved sentiments in the secondary markets will also enhance the participation of investors across segments thereby helping the prospects of equity brokerage business. We expect economic activity to pick up from grass root levels presenting opportunities in both lending and asset reconstruction business. Despite the above opportunities, our performance could be affected by following perceived threats to our businesses:
  - Impact of abnormal monsoon, rising fiscal deficit, sustained high interest rates and high inflation;
  - Geopolitical tensions across the globe;
  - Regulatory changes impacting the landscape of business;

## INDEPENDENT AUDITOR'S REPORT

### TO MEMBERS OF AMRAPALI FINCAP LIMITED

#### Report on the Accounting Standards Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of financial statements of **AMRAPALI FINCAP LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March 2024**, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March 2024**, and its profit and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including Accounting standards referred to in section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**", a statement on the matter specified in the paragraph 3 and 4 of the Order.
2. As required under provisions of section 143(3) of the Companies Act, 2013, we report that:

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE  
FINANCIAL STATEMENT OF AMRAPALI FINCAP LIMITED FOR THE YEAR  
ENDED 31<sup>ST</sup> MARCH, 2024.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **AMRAPALI FINCAP LIMITED** ('the Company') as of **31st March, 2024** in conjunction with our audit of the Accounting Standards financial statements of the Company for the year ended on that date.

**Opinion**

We have audited the internal financial control with reference to financial statement of **AMRAPALI FINCAP LIMITED** ("The Company") as of **31st March 2024** in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2024**, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

- (q) The Scrutinizer shall, immediately after the conclusion of voting at the AGM, count the votes cast at the AGM and thereafter unblock the votes cast through remote e-voting in the presence of at least 2 witnesses not in employment of the Company. The Scrutinizer shall submit a consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, not later than 3 days after the conclusion of the AGM to the Chairman of the Company. The Chairman, or any other person authorised by the Chairman, shall declare the result of the voting forthwith. The result declared along with the consolidated Scrutinizer's Report shall be placed on the Company's website [www.amrapali.co.in](http://www.amrapali.co.in) and on the website of NSDL immediately after the result is declared by the Chairman.

**THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:**

- (i) The voting period begins at 09:00 a.m. IST on Friday, September 27, 2024 and ends at 5:00 p.m. IST on Sunday, September 29, 2024. During this period, shareholders of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date Monday, September 23, 2024 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with

Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

**The instructions for e-voting are as follows:**

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

**Step 1:** Access to the NSDL e-voting system

**Step 2:** Cast your vote electronically on NSDL e-voting system.

**Step 1: Access to the NSDL e-voting system**

**(A) Login method for e-voting and voting for individual shareholders holding securities in demat mode**

In terms of the SEBI circular dated December 9, 2022 on the e-voting facility provided by listed companies and as part of increasing the efficiency of the voting process, the e-voting process has been enabled to all individual shareholders holding securities in demat mode to vote through their demat account maintained with depositories and depository participants. Shareholders are advised to update their mobile number and e-mail ID in their demat accounts to access e-voting facility.
