Notes:

- The above is an extract of the detailed format of Quarterly and Half Year Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of the Quarterly and Half Year Financial Results are available on the websites of the Stock Exchange(s) www.nseindia.com and www.bseindia.com and on the Company's website www.ratnamani.com.
- The above financial results were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meetings held on November 02, 2020 and November 03, 2020, respectively. The aforesaid unaudited standalone financial results have been subjected to limited review by joint statutory auditors of the Company.
- The Company is engaged in manufacturing of Steel Tubes and Pipes. Considering the nature of Company's business and operations, as well as based on reviews of operating results by the chief operating decision makers to make decisions about resource allocation and performance measurement, the Company has identified "Steel Tubes and Pipes" as only reportable segment in accordance with the requirements of 'Ind AS 108 - Operating Segments'.
- With the easing of lockdown in various states of India and the increasing economic activities in phased manner, the Company has continued its assessment of likely adverse impact on economic environment in general and financial risks on account of COVID-19. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions including conditions in India because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources on the expected future performance of the Company. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets are fully recoverable. The Company continues to regularly review and moderate their significant estimates, including regular discussions with its key customers and vendors. The Company believes that impact of COVID-19 on the Company's financial results is not material.
