-
- 6. Reasons for not spending the two per cent of the average net profit of the last three Financial Years or any part thereof**
- Mangalam Drugs & Organics Limited considers social responsibility as an integral part of its business activities and endeavors to utilize allocated CSR budget for the benefit of society. The Company's CSR initiatives are on the focus areas approved by the Board benefitting the community. During the Financial Year 2019-20, the Company's spending on the CSR activities has been less than the limits prescribed under the Act. The Company is on the journey of ascertaining CSR programs that benefit the society at large and is still making efforts to identify the projects for spending the unspent CSR.
- Due to the reasons stated above the Company has not spent two percent of the average net profit of the last 3 years for CSR activities as required under the Act. The CSR activities are scalable with few new initiatives that may be considered in future and moving forward the Company will endeavor to spend the complete amount on CSR activities in accordance with the statutory requirements.
-
- 7. A responsibility statement of the CSR Committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company**
- We hereby declare that implementation and monitoring of CSR Policy is in compliance with CSR objectives and Policy of the Company.

ANNEXURE C TO DIRECTORS' REPORT

MANAGEMENT DISCUSSION & ANALYSIS REPORT

COMPANY PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate governance is a mechanism by which the values, policies and procedures of the organizations are inculcated and manifested. The essence of corporate governance lies in promoting and maintaining integrity, transparency and accountability throughout the organization.

OUTLOOK

The Company was engaged in building and strengthening the Antimalarial and Antiviral business during initial months of last fiscal. The Company is looking into going in for backward integration for making the raw materials for its APIs like Acyclovir, Primaquine, Sulfadoxine and DBA etc. This is in line with the Make in India drive and will help in reducing the dependence on cost constraining advance intermediaries. The Hydroxychloroquine API contributed in addressing prophylactic needs of COVID-19 front line health workers during March month. In upcoming year too, the Company is committed to supply Hydroxychloroquine globally alongside developing APIs like Favipiravir which are in advanced clinical trials, as on report date. The pandemic tremors are felt globally and the Company is firmly placed to address various therapeutic needs with the diversified portfolio.

INDUSTRIAL STRUCTURE & DEVELOPMENT

The pharmaceutical industry is one of the world's fastest growing industries and among the biggest contributors to the world economy. It plays a unique role in improving the lives of patients. Its role has become far more critical amidst the fight against COVID -19 pandemic. While we are writing this report, we are in the midst of COVID-19 pandemic. The extent to which COVID-19 pandemic will impact the operations and financial results is dependent on the future developments, which are highly uncertain. This is a major risk in the immediate future and its long-term impact needs to be assessed.

OPPORTUNITIES

The Company's continuous investment in R & D is expected to bear fruits over the upcoming short & medium term. Our R & D team comprises of skilled scientist who harbor a unique and synergistic blend of scholarship with bench skills. It has developed several synthesis options to reduce product processing time cycles and effluent load for existing as well as newer molecules. By manufacturing high-quality, low-priced medicines, India provide a huge business opportunity for the industry. On global platform, Indian pharmaceuticals have an important position as it exports over global demand for various medicines.

THREATS, RISK AND CONCERNS

Despite some positive signs, the overall global economy remains fragile & volatile. Sentiments driven fluctuation in the currency market could also impact product pricing and margins both in domestic as well as export markets.

As a result of the COVID-19 pandemic, the global economy is projected by IMF to be much worse than during the 2008–09 financial crisis.

INTERNAL CONTROL SYSTEM ADEQUACY

The Management continuously reviews the internal control systems and procedure leading to orderly and efficient conduct of its business. Internal audit is conducted throughout the year to monitor and report on the effectiveness of the internal controls in the organization. The internal audit reports are brought to the notice of Audit Committee and corrective measures are recommended for implementation. Reports of internal audit are also continuously reviewed by the management and corrective actions are initiated to strengthen the controls and enhance the effectiveness of the existing systems.

HUMAN RESOURCE DEVELOPMENT & RESEARCH ACTIVITIES

The Company's success depends to a great extent on its ability to recruit, train, and retain high quality people. The Company places special emphasis on the human resources function in the organization. It believes that its strong brand name, industry leadership position, wide of growth opportunities and performance linked compensation gives it significant advantages in attracting and retaining skilled employees.

The total employee strength of the Company at the end of the Financial Year 2019-20 was 387.

STATE OF THE AFFAIRS OF THE COMPANY

The Company once again back on the growth path. The revenue from operations for the Financial Year 2019-20 is Rs. 28235.36 Lakhs. The Company registered a growth of 24% over the previous year (previous year revenue from operations stood Rs. 22757.97 Lakhs).

The Company has achieved export turnover of Rs. 9192.39 Lakhs as against Rs.4232.75 Lakhs for the previous year registering an excellent growth of 117.16%.

The increase in the export and domestic sales turnover and considerable improvement in operational performance which resulted into increased profitability of Rs. 825.25 Lakhs as compared to previous year loss of Rs.(803.09 Lakhs).

CORPORATE GOVERNANCE REPORT

Corporate Governance is, essentially, a philosophy. It encompasses not only the regulatory and legal requirements, but also the voluntary practices developed by the Company to protect the best interests of all stakeholders. Fundamentals of Corporate Governance include transparency, accountability and independence etc. Governance practices may vary but the principles are generic and universal, viz. constant improvement and sustainable value creation for all stakeholders. For ensuring sound Corporate Governance practices, the Government of India has put in place a framework based on the stipulations contained under the Companies Act, SEBI Regulations, Accounting Standards, Secretarial Standards, etc. As the Company is listed at BSE Limited and National Stock Exchange of India Limited, in terms of Regulation 34(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), the Compliance Report on Corporate Governance (in the prescribed format) is given as under:

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company has complied with all the Corporate Governance requirements stipulated under Listing Regulations. The Company is committed to the consistent adherence to the said corporate governance code to maintain a greater degree of responsibility and accountability. We believe that for sustained growth and for enhancing shareholders' value, sound Corporate Governance is a must. Corporate Governance is focused on maximizing shareholders' value while ensuring fairness to all the stakeholders - customers, employees, vendor-partners, the government of the land, and society at large. Corporate Governance is not an end it is just a beginning towards growth of the Company for a long-term prosperity.

2. BOARD OF DIRECTORS

INDEPENDENT AUDITOR'S REPORT

To the Members of MANGALAM DRUGS & ORGANICS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Mangalam Drugs and Organics Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the statement of Profit and Loss, (statement of changes in equity) and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit (changes in equity) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Paragraph

1. We refer note number 42 to the Standalone Financial Statements of the Company, wherein financial impact of COVID-19 on the operations of the Company has been disclosed. Future operations of the Company will be subject to developments on COVID-19 front together with stability in the economy which are currently uncertain.
2. Due to the prevailing lockdown and restrictions over travelling, Company has not been able to obtain the actuarial valuation report from the actuary towards the Gratuity and Leave encashment and accordingly the said liabilities have been provided proportionately based on the previous year actuarial reports. The impact of the same on the profit for the current year is not ascertainable but the Management is of the opinion that there would not be any material impact.
3. Balances of debtors/creditors/loans and advances are subject to confirmation and reconciliation. Management has confirmed that the final impact upon reconciliation would not be material.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter: Revenue Recognition

Revenue from sale of pharmaceutical products is recognised when the control over the products have been transferred to the customer based on the terms and conditions of the sales contracts entered into with the customers across geographies.

We have identified recognition of revenue as a key audit matter as revenue is a key performance indicator and there is a risk of revenue being overstated arising from pressure to achieve performance targets as well as meeting external expectations.

Our procedures included, but were not limited to the following:

1. Assessing the appropriateness of the revenue recognition accounting policies by comparing with applicable accounting standards.
2. Testing the design, implementation and operating effectiveness of the Company's general IT controls and key IT application/manual controls over the Company's systems which govern recording of revenue in the general ledger accounting system.
3. Performing substantive testing (including year-end cut-off testing) by selecting samples of revenue transactions recorded during the year (and before and after the financial year) and verifying the underlying documents, which includes sales invoices/contracts and shipping documents.
4. Assessing manual journals posted to revenue to identify unusual items other than already identified. – Evaluating the adequacy of the standalone financial statement disclosures, including disclosures of key assumptions, judgements and sensitivities

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the Units not visited by us.
3. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
4. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
5. On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
6. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
7. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 37 to the financial statements
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Other Matter

Due to COVID-19 related lockdown we were not able to participate in physical verification of cash and inventory that was carried out by management subsequent to the year end. Consequently, we have performed alternate audit procedures to audit the existence of cash and inventory as per the guidance provided in SA 501 "Audit Evidence- Specific Consideration for selected items" and have obtained sufficient appropriate audit evidence to issue our unmodified opinion on these standalone financial results.

The Annexure A referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2020 we report that:

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) As explained to us, the fixed assets have been physically verified by management at reasonable intervals under a phased programme of verification. In accordance with this program, we found a delay by the Management in conducting this exercise during the year. In our opinion the Management should carry out the pending exercise and update its records.
- c) The title deeds of the immovable properties as disclosed in schedule of fixed assets to the financial statements, except for leasehold land are held in the name of the Company.
- (ii) The physical verification of inventory has been conducted at reasonable intervals by the management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of verification is reasonable. No material discrepancies have been noticed on such verification.

Due to COVID-19 related lockdown we were not able to participate in physical verification of inventory that was carried out by management subsequent to the year end. Consequently, we have performed alternate audit procedures to audit the existence of inventory as per the guidance provided in SA 501 "Audit Evidence- Specific Consideration for selected items".

- (iii) In our opinion and according to the information and explanation given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii) (a), 3 (iii) (b) and 3 (iii) (c) of the order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans or provided any guarantees or security in respect of any loans to any party covered under Section 185 of the Act. The Company has made no investments which are covered under provision of Section 186 of the Act. Hence the clause is not applicable.
- (v) The Company has not accepted any deposits from the public within the meaning of Section 73 to 76 of the Act and Rules framed there under to extent notified.
- (vi) We have broadly reviewed the books of accounts maintained by the company pursuant to the order made by the Central Government for maintenance of cost records prescribed under sub-section 1 of section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us and the records of the Company examined by us, in our opinion,
- a) the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employee state insurance, income tax, sales tax, service tax, GST, duty of customs, duty of excise, value added tax, cess and any other material statutory dues as applicable, with the appropriate authorities.
- Further no undisputed amounts payable in respect of provident fund, employee state insurance, income tax, sales tax, service tax, GST, duty of customs, duty of excise, value added tax, cess and any other material statutory dues were in arrears as at 31 March 2020 for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us, and the records of the company examined by us, the dues in respect of sales tax, income-tax, duty of customs, service tax, GST, entry tax, value added tax, central sales tax, duty of excise, which have not been deposited with the appropriate authority on account of any disputes are as under:

- (viii) According to the records of the company examined by us and the information and explanation given to us, the company has not defaulted in repayment of loans or borrowings to any financial institution, bank or Government as at the Balance sheet date.
- (ix) The Company did not raise any moneys by way of initial public offer or further public offer (including debt instruments) nor has obtained any term loans during the year, hence paragraph 3 (ix) of the order is not applicable to the Company.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanation given to us, we have neither come across any instances of material fraud by the Company or on the Company by its officers or employees noticed or reported during the year nor have we been informed of any such case by the management.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required under Ind AS and Companies Act, 2013.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Therefore, paragraph 3(xiv) of the order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, the provisions of Clause 3(xvi) of the order are not applicable to the Company.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mangalam Drugs & Organics Limited. ("the Company") as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information & according to the explanations give to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

 Chief Financial Officer

Notes to financial statements for the year ended March 31, 2020

Note no. 1

A) Basis of preparation and presentation of financial statements

The Company's financial statements for the year ended 31st March, 2020 have been prepared in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015, and Companies (Indian Accounting Standards) Amendment Rules, 2016, notified, under Section 133 of Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost basis on Going concern basis, except for the following:

- 1) Certain financial assets and liabilities that are measured at fair value; and
- 2) defined benefit plans - plan assets measured at fair value;

The financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off in lacs, unless otherwise stated.

B) Use of Estimates

The preparation of financial statements requires management to make estimates assumptions and judgments that affect the reported balances of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of income and expenditure for the periods presented. Actual results may differ from the estimates considering different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Impact on account of revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

C) Judgments

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:-

Note 33:- Defined benefit obligation

Note 30:- Recognition of Deferred taxes

D) Measurement of Fair Values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (Level 3 inputs).

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

E) Property, Plant and Equipment (PPE)

Recognition and Measurement

PPE is measured on initial recognition at cost net of taxes/duties, credits availed, if any, and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of PPE includes borrowing costs directly attributable to acquisition, construction or production of qualifying assets. Qualifying assets are assets which necessarily take a substantial period of time to get ready for its intended use.

Machinery spares that meet the definition of PPE are capitalized and depreciated over the useful life of the principal item of the asset.

Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Derecognition

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the item. Any gain or loss arising on disposal or retirement of item of PPE is determined as the difference between the sale proceeds and the carrying amount of the item and is recognized in the statement of profit or loss in the period in which the PPE is derecognized.

F) Investment Property

Investment property is the property either to earn rental income or for capital appreciation or for both but not for sale in ordinary course of business, use in production or supply of goods or services or for administrative purpose. Investment properties are measured initially at cost, including transaction costs.

Investment properties are derecognized either upon disposal or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period in which the property is derecognized.

G) Depreciation

Depreciation on PPE is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II of The Companies Act, 2013.

The estimated useful lives are as follows:-

Particulars of Assets	Useful life of Assets (In Years)
Building	60
Plant & Equipment's	20
Furniture & Fixtures	10
Vehicles	10
Office Equipment's	0
Electrical Installation	10
Computers	03

Intangibles:

Research & Development:

Company capitalize the Research and Development phase expense as Intangible assets in accordance with Ind AS 38;

In-process research and development project meets the definition of an intangible asset when it:

- (a) meets the definition of an asset; and
- (b) is identifiable, i.e. is separable or arises from contractual or other legal rights.

The expenditure to be capitalized include the cost of materials and other costs directly attributable to preparing the asset for its intended use. Other development expenditure is recognized in profit or loss as incurred.

Acquired research and development intangible assets which are under development, are recognized as Work In-Process Research and Development assets (WIP). These assets are not amortized, but evaluated for potential impairment on an annual basis or when there are indications that the carrying value may not be recoverable. Any impairment charge on such assets is recognized in profit or loss. Intangible assets relating to products under development, other intangible assets not available for use and intangible assets having indefinite useful life are tested for impairment annually, or more frequently when there is an indication that the assets may be impaired. All other intangible assets are tested for impairment when there are indications that the carrying value may not be recoverable.

Amortization is recognized on a straight-line basis over the estimated useful lives of intangible assets based on its cash generation as estimated by the Management. Intangible assets that are not available for use are amortized from the date they are available for use. Generally, the useful life is similar to life of Plant & Machinery.

The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

H) Impairment

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit And Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

I) Foreign Currency Transactions

Transactions denominated in foreign currencies; if any, are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.

Monetary items denominated in foreign currencies at the year end; if any, are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts; if any, is recognized over the life of the contract.

Non monetary foreign currency items; if any, are carried at cost.

Any income or expense on account of exchange difference either on settlement or on translation; if any, is recognized in the Profit And Loss Statement.

J) Financial Instruments

a) Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent Measurement

For the purpose of subsequent measurement financial assets are classified into two broad categories:-

- Financial Assets at Fair Value
- Financial Assets at Amortized Cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss, or recognized in other comprehensive income.

A financial asset that meets the following two conditions is measured at amortized cost:-

- Business Model Test: The objective of the company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through OCI:-

- Business Model Test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit and loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI.

Impairment of financial assets

The company assesses impairment based on Expected Credit Losses (ECL) model at an amount equal to 12 months expected credit losses, or, lifetime expected credit losses, depending upon whether there has been a significant increase in credit risk since initial recognition.

However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial Liabilities

All financial liabilities are initially recognized at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities are classified as measured at amortized cost or fair value through profit and loss (FVTPL). A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or is designated as such on initial recognition. Financial Liabilities at FVTPL are measured at fair value and net gain or losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit and loss. Any gain or loss on derecognition is also recognized in statement of profit and loss.

K) Inventories

Items of Inventories are measured at lower of cost and net realizable value after providing for obsolescence and damage, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incidental to purchase in bringing them to their respective present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

Cost of trading and other products are determined on specific identification basis.

L) Revenue Recognition

Revenue from Products:

Revenue from sale of products and services are recognised at a time on which the performance obligation is satisfied over time or at a point in time. The period over which revenue is recognised is based on right to payment for performance completed. In determining whether an entity has right to payment, the entity shall consider whether it would have an enforceable right to demand or retain payment for performance completed to date if the contract were to be terminated before completion for reasons other than entity's failure to perform as per the terms of the contract. An asset is transferred when (or as) the customer obtains control of that asset.

Revenue is recognized at the transaction price (which excludes estimates of variable consideration that are constrained in accordance with paragraphs 56–58 of Ind AS 115) that is allocated to that performance obligation.

Transaction price is the amount of consideration to which a company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money

Interest and Dividend Income: Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend income is recognized when the shareholders' right to receive dividend is established.

Export Incentive: Incentive on Export Income is recognized when certainty of receipts is established.

Insurance Claim: Claims receivable are accounted at the time when such income has been earned by the Company depending on the certainty of receipts.

M) Leases:

On 30 March 2019, the Ministry of Corporate Affairs notified Ind AS 116 - Leases. Ind AS 116, which substantially converges with IFRS 16 on leases, requires lessees to recognise all leases on the balance sheet, with a few exemptions. The standard is effective for annual periods beginning on or after 1 April 2019.

Transition: Company has implemented Ind as 116 in accordance with Para C8 to value Lease Liability and Lease asset.

Company as a Lessee

Recognition: At the commencement date, right-of-use asset and a lease liability are recognized.

Measurement:

Right of Use Asset

At the commencement date, right-of-use asset is measured at cost.

The cost of the right-of-use asset shall comprise:

- (a) the amount of the initial measurement of the lease liability.
- (b) any lease payments made at or before the commencement date, less any lease incentives received;
- (c) any initial direct costs incurred by the lessee; and
- (d) an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories. The lessee incurs the obligation for those costs either at the commencement date or as a consequence of having used the underlying asset during a particular period.

Lease Liability:

The lease liability is measured at the present value of the lease payments that are not paid. The lease payments are discounted using the incremental borrowing rate of the Company.

At the commencement date, the lease payments included in the measurement of the lease liability comprise the following payments for the right to use the underlying asset during the lease term that are not paid at the commencement date:

- (a) fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- (b) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date.
- (c) amounts expected to be payable by the lessee under residual value guarantees;
- (d) the exercise price of a purchase option if the lessee is reasonably certain to exercise that option; and
- (e) payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease.

Short term lease

Company has not recognized operating lease accounting and not recognize lease assets and lease liabilities for leases with a lease term of 12 months or less (i.e., short-term leases).

Subsequent measurement & depreciation

Lessees accrete lease liability to reflect interest and reduce the liability to reflect lease payments made.

The depreciation requirements in Ind AS 16, Property, Plant and Equipment is applied, in depreciating the right-of-use asset, subject to the requirements If the lease transfers ownership of the underlying asset to the lessee by the end of the lease term or if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, the lessee shall depreciate the right-of-use asset from the commencement date to the end of the useful life of the underlying asset. Otherwise, the lessee shall depreciate the right-of-use asset from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

Right-to-use assets are subject to impairment testing under IAS 36 Impairment of Assets.

N) Employee Benefits**Short-term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognized in the statement of Profit and Loss as an expense at the undiscounted amount on an accrual basis.

These benefits include compensated absences such as paid annual leave and performance incentives which are expected to occur within twelve months after the end of the period in which the employee renders the related services.

The cost of compensated absences is accounted as under:-

- a) In case of accumulated compensated absences, when employees render service that increase their entitlement of future compensated absences, and
- b) In case of non-accumulating compensated absences, when the absences occur.

Post employment benefits**Defined Contribution Plans**

Defined Contribution Plan is a post employment benefit plan under which a Company pays specified contributions to a separate entity. The company does not make any contribution towards Defined Contribution Plan or towards Provident Fund, Superannuation Fund and Pension Scheme as it is not covered under the relevant Act.

Defined Benefit Plans

The Company's liability towards Gratuity, which is a defined benefit plan, is determined on the basis of valuations, as at Balance Sheet date, carried out by an independent Actuary. Re-measurement of the net defined benefit liability which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset celling if any (excluding interest) are recognized immediately in the Balance Sheet with a charge or credit recognized in Other Comprehensive Income in the period in which they occur. Re-measurement recognized in Other Comprehensive Income is recognized immediately in retained earnings and will be reclassified to statement of Profit and Loss.

O) Borrowing Costs

Borrowing costs; if any, include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as a part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the profit loss statement in the period in which they are incurred.

P) Income Taxes

Income tax expense comprises of current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognized in statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Tax expenses comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rate. Deferred Income tax reflect the current period timing difference between taxable and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognized if there is virtual certainty that sufficient future taxable income will be available to realize the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

Q) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that there will be an outflow of resources that will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate.

Contingent Liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent Assets are neither recognized nor disclosed in the financial statements.

NOTE : 32
Note: :Financial Risk Management

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

A) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities. The carrying amount of following financial assets represents the maximum credit exposure:

a) Trade and Other Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However credit risk with regards to trade receivable is almost negligible in case of its residential sale and lease rental business as the same is due to the fact that in case of its residential sell business it does not handover possession till entire outstanding is received. No impairment is observed on the carrying value of trade receivables.

b) Cash and Cash Equivalents

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Board. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank overdrafts, bank loans, debentures and inter-corporate loans.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding.

The Working Capital Position of the Company is given below:

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to commodity prices and the market value of its investments.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

Note: 42- Impact of COVID-19

The World Health Organization announced a global health emergency because of a new strain of coronavirus ("COVID-19") and classified its outbreak as a pandemic on March 11, 2020. The Indian government announced a strict lockdown across the country to contain the spread of the virus, which was extended till May 31, 2020. The Company is engaged in manufacturing of essential commodities and consequently the impact of the pandemic is not significant. As of today, production facilities remain operational, following enhanced internal safety guidelines and directives issued by the Ministry of Home Affairs and State Government. The Company has assessed the impact of this whole situation and is of the view that based on its present assessment this situation does not materially impact the Standalone financial results as on March 31, 2020. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.
