Mr Sharad Mahendra, Joint Managing Director & CEO (JSW Energy Ltd)

Sub : Resignation – Aditya Agarwal

Respected Sir,

It's been a privilege to serve the company for last seventeen years since my joining in Oct-2007. As discussed owing to personal reasons I tender my resignation from role of Executive Vice President (Renewables).

I would like to place on record that JSW Energy gives immense opportunities to the personnel for their overall development. I, deeply appreciate the avenues and the ecosystem the company provides for fostering growth and inculcates the culture of participative and collaborative growth. During my course of stay I have seen the company exercising capital infusion prudence, execution excellence, inclusion and diversity and last but not the least respect for all.

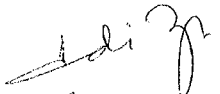

I am privileged to be part of JSW Energy and would like to thank JSW management for providing the opportunities for my personal growth. These experiences will certainly influence my future endeavours. I will always regard my time at JSW group as a significant chapter in my professional journey.

As a part of professional exercise I will provide full support and facilitate a smooth transition for handing over of my roles and responsibilities to identified personnel.

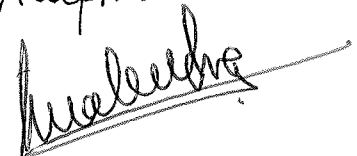

I would request JSW Management to relieve me on 30th April-2024. From bottom of my heart I wish all employees at JSW Energy all the very best and continued success in their career path and wish the company surpasses the targets it has set for itself.

Thanking you,

Yours faithfully,

  
(ADITYA AGARWAL)
