A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), to the extent applicable.

These interim financial statements/ financial information/ financial results have been reviewed by other auditor whose review report has been furnished to us by the management, and our conclusion in so far as it relates to the amount and disclosures included in respect of the subsidiary is based solely on the review report of such other auditor and the procedures performed by us as stated in paragraph 3 above. Our conclusion is not modified in respect of this matter with respect to our reliance on the work done by and the report of the other auditor.

Further, these subsidiaries are located outside India, whose interim financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditor under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial information of such subsidiaries from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based on the review report of other auditor and the conversion adjustments prepared by the management of the Holding Company and review by us.
