Independent Auditors' Report on the Quarterly and Year to Date Audited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Ansal Properties & Infrastructure Limited

Report on the Audit of the standalone Financial Results

Qualified Opinion

- We have audited the accompanying standalone financial results of Ansal Properties & Infrastructure
 Limited (the "Company") for the quarter ended March 31, 2020 and for the year ended March 31,
 2020 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement
 of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as
 amended ("Listing Regulations").
- In our opinion and to the best of our information and according to the explanations given to us, the statement:
 - i. are presented in accordance with the requirements of the Listing Regulations, as applicable to the Company in this regard; and
 - ii. except for the effects of the matter described in the "Basis for Qualified Opinion" paragraph below, give a true and fair view in conformity with the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India, of the loss and other comprehensive loss and other financial information of the Company for the quarter ended March 31, 2020 and for the year ended March 31, 2020 and the statement of assets and liabilities and the statement of cash flows as at and for the year ended March 31, 2020.

3. Basis for Qualified Opinion

- a. We draw attention to Note 22 (iii) of the Statement wherein the Company has purchased properties aggregating to Rs. 16078 lakhs from one of its subsidiary (holding 70.57% equity shares) Ansal Townships Infrastructure Limited (ATIL) in the financial year 2011 -12. The Company has not paid Rs. 14,374 lakhs out of the above consideration to ATIL till date. ATIL is demanding interest on delayed payment of the outstanding amount @18% per annum. However, the Company has denied such demand on the basis that there is no such clause in the agreement entered into with ATIL and has not provided for any interest on the outstanding amount in its books of account. In view of above, we are unable to ascertain the possible impact it may have on the profit and financial position of the Company and hence not commented upon.
- b. We draw attention to Note 22 (iii) of the Statement wherein ATIL has not made provision for interest receivable on advance of Rs. 1621 lakhs given to the Company. One of the minority investor shareholder of the ATIL, "IIRF India Realty Ltd" has objected to granting interest free advance and has demanded that the ATIL recover interest @ 18% per annum on the amount so advanced. The interest receivable amounts to Rs. 253 lakhs for period ended March 31, 2020 from the Company. The Company has not made any provision for interest payable of Rs.253 lakhs to ATIL. As a result, loss of the Company and its liabilities are understated by this amount.

- c. We draw attention to note no 22 (iv) to the Statement wherein as per Order dated March 17, 2020 of National Company Law Tribunal (NCLT), Interim Resolution Professional (IRP) was appointed on the Company on the basis of complaint filed by two customers who claimed an amount was Rs. 84.99 lakhs. The Company had challenged the said Order of NCLT at National Company Law Appellate Tribunal (NCLAT) at Delhi. NCLAT vide its Order dated March 20, 2020 has appointed IRP restricting it only on two real estate projects at Lucknow and also stayed constitution of Committee of Creditors (COC) till it passes its next Order. In the interim, the Company has made payment to the claimants clearing their entire claimed amount and subsequent to this payment filed a joint settlement before NCLAT for removal of IRP. NCLAT concluded its hearing on July 14, 2020 but reserved its Order. Till the final order is issued by the NCLAT, we are unable to comment on its possible impact on the functioning of the Company with regard to those two projects and its financial statements.
- d. We draw attention to note no 22 (v), during the current quarter, the Company has entered into a business transfer agreement (BTA) between PE investor in Ansal Phalak Infrastructure Private Limited (APIPL) subsidiary of the Company on the basis of interim arbitration award/ master settlement agreement (MSA). As per MSA, 93% of the equity share capital of the Company is now held by PE investor. As a result, APIPL is not a subsidiary of the Company.

The final arbitration award will be subject to final audit report of KPMG appointed as per section 26 of the Arbitration Act. KPMG will audit all the transactions undertaken since incorporation. Any shortfall or excess of amount payable or receivable due to their findings will be adjusted subsequently. We have been informed by the Company that the audit of KPMG is under progress. The Company has already booked a loss of Rs. 6920 lakhs in the statement. The final amount will be determined subsequent to the report of KPMG not ascertainable at this stage and hence not recorded.

- e. We further report that, without considering items mentioned at para (a), (c) and (d) above, the effect of which could not be determined, had the observations made by us in para (b) above been considered, the loss for the year would have been Rs.21596 lakhs (as against the reported figure of Total comprehensive loss of Rs. 21,342 lakhs), current financial liabilities would have been Rs. 56,992 lakhs (as against the reported figure of Rs. 56,738 lakhs) and debit balance of reserves and surplus would have been Rs. 1,12,074 lakhs (as against the reported figure of Rs. 1,11,820 lakhs).
- 4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Consequently, we have performed alternative procedures to audit the existence of inventory as per the guidance provided in SA-501 "Audit Evidence-Specific consideration"

for selected items" and have obtained sufficient appropriate audit evidence to verify the existence and value of inventory as on March 31, 2020.

6. Material Uncertainty on Going Concern

Refer Note 20 of the Statement, the accumulated losses of the Company as on March 31, 2020 is Rs. 1,11,820 lakhs (these accumulated losses were partly due to the reversal of earlier profits of Rs. 117519 lakhs in retained earnings as at April 1, 2018 by the Company on adoption of Ind AS – 115 "Revenue from Contracts with Customers" with effect from April 1, 2018). As at March 31, 2020, the accumulated losses exceed the share capital and free reserves of the Company. Due to recession in the industry, the Company continues to face profitability and liquidity issues evidenced by delays in repayments to lenders, payments of statutory obligations including income tax and tax deducted at source and ongoing claims / settlements of various counterparties. These events or conditions combined with impact of Covid 19 on the real estate industry, indicate that a material uncertainty exists that may cast a significant doubt on the Company's ability to continue as a going concern. The management of the company has taken various initiatives as stated in Note 20, and in view of its confidence in achieving these initiatives, the management has assessed that the going concern assumption is appropriate in the preparation of the standalone financial results of the Company for the year ended March 31, 2020. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Financial Results

- 7. These standalone results have been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that give a true and fair view of the loss and other comprehensive loss and other financial information of the Company and the statement of assets and liabilities and the statement of cash flows in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 8. In preparing Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

10. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

- 11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are
 also responsible for expressing our opinion on whether the company has adequate internal financial
 controls with reference to these financial results, in place and the operating effectiveness of such
 controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial results, including the
 disclosures, and whether the financial results represents the underlying transactions and events in a
 manner that achieves fair presentation.
- 12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

13. The Statement includes the standalone results for the quarter ended March 31, 2020 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us.

3. Basis for Qualified Opinion

a) We draw attention to Note 22 (iii) of the Statement wherein the APIL has purchased properties aggregating to Rs. 16078 lakhs from one of its subsidiary (holding 70.57% equity shares) Ansal Townships Infrastructure Limited (ATIL) in the financial year 2011-

12.The Company has not paid Rs. 14,374 lakhs out of the above consideration to ATIL till date. ATIL is demanding interest on delayed payment of the outstanding amount @18% per annum. However, the Company has denied such demand on the basis that there is no such clause in the agreement entered into with ATIL and has not provided for any interest on the outstanding amount in its books of account. In view of above, we are unable to ascertain the possible impact it may have on the Non Controlling Interest and Parent Equity of the Company and hence not commented upon.

- b) We draw attention to Note 22 (iii) of the Statement, wherein ATIL has not made provision for interest of Rs. 254 lakh on advance of Rs. 1621 lakh given to the Parent.As a result, share of total comprehensive income attributable to minority shareholder of group is overstated by Rs. 80 lakh for the year ended March 31 2020.
- c) We draw attention to note no 22 (iv) to the Statement wherein as per Order dated March 17, 2020 of National Company Law Tribunal (NCLT), Interim Resolution Professional (IRP) was appointed on the AIPL on the basis of complaint filed by two customers who claimed an amount was Rs. 84.99 lakhs. The Company had challenged the said Order of NCLT at National Company Law Appellate Tribunal (NCLAT) at Delhi. NCLAT vide its Order dated March 20, 2020 has appointed IRP restricting it only on two real estate projects at Lucknow and also stayed constitution of Committee of Creditors (COC) till it passes its next Order. In the interim, the Company has made payment to the claimants clearing their entire claimed amount and subsequent to this payment filed a joint settlement before NCLAT for removal of IRP. NCLAT concluded its hearing on July 14, 2020 but reserved its Order. Till the final order is issued by the NCLAT, we are unable to comment on its possible impact on the functioning of the Company with regard to these two projects and its financial statements.
- d) We draw attention to note no 22(v), during the current quarter, the Company has entered into a business transfer agreement (BTA) between PE investor in Ansal Phalak Infrastructure Private Limited (APIPL) subsidiary of the Company on the basis of interim arbitration award/ master settlement agreement (MSA). As per MSA, 93% of the equity share capital of the Company is now held by PE investor. As a result, APIPL is not a subsidiary of the Company w e f March 31, 2020.

The final arbitration award will be subjected to audit report of KPMG appointed as per section 26 of the Arbitration Act on the final shortfall amount. KPMG will audit all the transactions undertaken since incorporation. Any shortfall or excess of amount payable or receivable due to their findings will be adjusted subsequently. We have been informed by the Company that the audit of KPMG is under progress. The Company has already booked a loss of Rs. 6920 lakhs in the statement. The final amount will be determined subsequent to the report of KPMG not ascertainable at this stage and hence not recorded.

e) Note no: 22 (i) of the Statement wherein one of the subsidiary Ansal Hitech Townships Limited (AHTL) has not provided interest aggregating to Rs.3462 lakks for the year ended March 31, 2020 on outstanding debentures to the parties outside the Group of issued for

S S KOTHARI MEHTA & COMPANY CHARTERED ACCOUNTANTS

Rs. 17098 lakhs. This has resulted in understatement of inventory by Rs 3462 lakhs and understatement of liability for interest by Rs 3462 lakhs in the financials of the subsidiary for the year ended March 31, 2020. This was also subject matter of qualification in our report on the standalone financial statements of the Company for the financial year ended March 31, 2018 & March 31, 2019.

- f) Note 22 (ii) of the Statements wherein on January 16, 2019, ICICI Prudential Venture capital fund real estate (IPVCF) the debenture holder of one of the subsidiary Ansal landmark township private Limited (ALTPL), invoked the default interest @ 27% p.a. However, the ALTPL has provided normal interest @ 21.75% up-to Quarter ended June 2019 & not provided Rs.478 lakh interest @ 27% p.a. from July 2019 to March 2020. ALTPL has not made provision for additional interest of Rs. 2340 Lakh. As a result share of total comprehensive income attributable to minority interest overstated by Rs.1092 lakh.
- g) We further report that, without considering items mentioned at para (a), (c) and (d) above, the effect of which could not be determined, had the observations made by us in para (b),(e) & (f) above been considered, the loss for the year would have been Rs. 30705 lakhs (as against the reported figure of Parents's share of total comprehensive loss of Rs. 24649 lakhs), current financial liabilities would have been Rs. 116799 lakhs (as against the reported figure of Rs. 110743 lakhs).
- 4. We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us &, other auditors in terms of their reports and information provided for the entities for which management certified financial statements/ results are available as referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the Statement.

6. Material Uncertainty on Going Concern

Refer Note 20 of the Statement, the accumulated losses of the Company as on March 31, 2020 is Rs. 1,11,820 lakhs (these accumulated losses were partly due to the reversal of earlier profits of Rs. 117519 lakhs in retained earnings as at April 1, 2018 by the Company on adoption of Ind AS – 115 "Revenue from Contracts with Customers" with effect from April 1, 2018). As at March 31, 2020, the accumulated losses exceed the share capital and free reserves of the Company. Due to recession in the industry, the Company continues to face profitability and liquidity issues evidenced by delays in repayments to lenders, payments of statutory obligations including income tax and tax deducted at source and ongoing claims.

counterparties . These events or conditions combined with impact of Covid 19 on the real estate industry, indicate that a material uncertainty exists that may cast a significant doubt on the Company's ability to continue as a going concern. The management of the company has taken various initiatives as stated in Note 20, and in view of its confidence in achieving these initiatives, the management has assessed that the going concern assumption is appropriate in the preparation of the standalone financial results of the Company for the year ended March 31, 2020. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Consolidated Financial Results

- 7. The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net (loss) and other comprehensive (loss) and other financial information of the Group in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective company included in the Group or jointly controlled entities and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.
- 8. In preparing the Statement, the Board of Directors of the companies included in the Group or its jointly controlled entities and are responsible for assessing the ability of their respective company included in the Group or its jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or its jointly controlled entities or to cease operations, or has no realistic alternative but to do so.
- 9. The Board of Directors of the companies included in the Group or its jointly controlled entities are also responsible for overseeing the financial reporting process of their respective companies included in the Group or its jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

10. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not

a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

- 11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The
 risk of not detecting a material misstatement resulting from fraud is higher than for one
 resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act,
 we are also responsible for expressing our opinion on whether the Holding Company,
 subsidiary/step down subsidiaries companies and Jointly controlled entities incorporated
 in India (based on the auditors report of the auditors of the subsidiary/ step down
 subsidiaries companies companies and Jointly controlled entities) has adequate internal
 financial controls with reference to financial statements in place and the operating
 effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure, and content of the Statement, including the
 disclosures, and whether the Statement represent the underlying transactions and
 events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group or its jointly controlled entities of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision, and performance of the audit of the financial information of such entities included in the Statement.
